INDIANA ACADEMY OF FAMILY PHYSICIANS
ANNUAL REPORT OF THE IAFP PAC

French Lick, IN **July 14, 2023**

Kevin Speer, JD

As of May 31st, 2023, the Busey Bank account balance of the IAFP Political Action Committee was $22,349.74. The donations we receive from you are contributed to the campaigns of key legislators. These campaign contributions keep legislators who support Family Medicine in the General Assembly. Your contributions facilitate relationship building and elevate the specialty of Family Medicine and the IAFP in their eyes.

The IAFP PAC is vital to the IAFP's success every year at the Indiana Statehouse. By donating to the IAFP PAC, you enable the IAFP to support those legislators who support family medicine. Giving also allows the Academy's government relations team valuable time with legislators.

You may visit www.in-afp.org/PAC to give online, leave a check made payable to "IAFP PAC" at the registration desk, or send a check to the office. Please consider a donation today and help us continue to provide an important voice on behalf of family physicians and the health of all Hoosiers!

Respectfully submitted,

Kevin Speer, JD
Chairman
