## 2 Article I: Purpose

3 We, the members of Delta Tau Delta Fraternity, committed to lives of excellence and believing in the education of youth and the  
4 inspiration of maturity, establish this *Constitution* to provide for the effective operation of our organization.

## 5 Article II: General organization of the Fraternity

### 6 Section 1: Members

7 The Fraternity shall be composed of members in good standing who shall have been duly initiated into chapters of the organization.

### 8 Section 2: Chapters

9 Fraternity chapters shall consist of:

- 10 a. Undergraduate chapters now or hereafter established, which shall be designated by the letters of the Greek alphabet, with  
11 the prefix "Beta" for the second series, "Gamma" for the third series, etc.; and
- 12 b. Alumni chapters now or hereafter established, which shall be designated by the names of the cities or areas in which they  
13 are located.

### 14 Section 3: Regions

15 To better provide for the effective operation of our Fraternity, the Arch Chapter shall, from time to time, organize the Fraternity into  
16 as many regions as may be desirable for administrative purposes.

## 17 Article III: Fraternity membership

### 18 Section 1: Qualifications for membership

19 Eligibility for membership in the Fraternity shall be limited to men of superior character and shall not be affected or determined in  
20 any manner by inappropriate or illegal discrimination. To be eligible for membership in the Fraternity, a man must possess the  
21 following qualifications:

- 22 a. He must be of high ideals and firm in accepted moral principles as taught by the great religions of the world;
- 23 b. He must be of superior scholarship and possess those gentlemanly qualities that promote the highest type of associational  
24 brotherhood;
- 25 c. He must receive such vote of his chapter as is provided by the chapter bylaws, but, in any event, not less than a majority;
- 26 d. Except for professional, class, honorary, and social fraternities designated by the Arch Chapter, he must not previously have  
27 been an initiated member of another national social college fraternity unless such candidate possesses a signed release  
28 from the headquarters of his prior organization.

### 29 Section 2: Withdrawal of membership

30 Withdrawal means voluntary forfeiture of membership in the Fraternity. After withdrawal, the former member shall be considered  
31 as expelled and not permitted to attend meetings of the Fraternity or any of its chapters, to take part in any Fraternity rite or  
32 function, or to hold himself out as a member of, or in any way to identify himself with, the Fraternity through the use of insignia or  
33 otherwise, or to have any rights whatsoever in or pertaining to the Fraternity. Withdrawal shall be effective upon a member's  
34 written notice of withdrawal delivered to the Chief Executive Officer of the Fraternity, provided that the member requesting  
35 withdrawal be in good financial standing. In the event of withdrawal, the former member shall immediately surrender to the chapter  
36 advisor or the Chief Executive Officer of the Fraternity his Badge of membership and Certificate of Membership, who shall forward  
37 these items to the Central Office. The Chief Executive Officer will notify the Chapter Advisor that this member has been withdrawn  
38 and that the chapter may remove his name from the chapter's roll.

## 39 Article IV: Government & governance—the Arch Chapter

### 40 Section 1: Executive function

41 The executive power of the Fraternity shall be vested in the corporate Board of Directors and known as the Arch Chapter. The Arch  
42 Chapter shall be the supreme executive body of the Fraternity and in charge of the governance of all of the executive and  
43 administrative affairs thereof. It is empowered as a Board to exercise all the powers and discharge all the duties conferred by the  
44 corporate charter granted to Delta Tau Delta Fraternity by the State of New York on December 1, 1911, or any replacement  
45 corporate charter therefor. It shall have charge of the corporate affairs of the Fraternity, including, without limitation, the conduct of

46 the Central Office in regard to such corporate affairs, supervision and regulation of Fraternity finances, and the administration of all  
47 Fraternity Funds. It shall have the power to amend the *Bylaws* of the Fraternity as provided therein; to determine all matters of  
48 mission, values, and policy, and to provide for the timely and effective implementation and achievement of the same; to suspend  
49 and expel members through the exercise of due process; and to exercise all other powers and functions relating to the governance  
50 of the Fraternity that are necessary and proper to the implementation of the *Ritual*, this *Constitution*, the *Mission And Values* of the  
51 Fraternity, and the laws of the Fraternity and not specifically prohibited thereby.

## 52 **Section 2: Composition**

53 The Arch Chapter shall be composed of eleven directors. Three shall be officers of the board and the Corporation: a Chairman, a Vice  
54 Chairman, and a Treasurer. Six shall be general directors. One shall be a student director. One shall be the Chairman of the Delta Tau  
55 Delta Educational Foundation, who shall serve *ex officio* in a voting capacity. No director shall receive a salary from the Fraternity for  
56 their service on the board.

## 57 **Section 3: Selection and tenure of Arch Chapter members**

58 The selection and tenure of Arch Chapter members shall be as follows:

- 59 a. The Vice Chairman, Treasurer, and Student Director of the Arch Chapter shall be elected biennially by the Karnea by a  
60 majority vote, as prescribed in the *Bylaws*. Officers-elect shall assume their offices on September 1 following the Karnea at  
61 which they are elected and serve two-year terms.
- 62 b. At the conclusion of his term, the incumbent, duly-elected Vice Chairman shall automatically assume the role of Chair.  
63 Should the Vice Chairman role have been vacated in the preceding term and an Acting Vice Chairman been appointed, a  
64 special election shall be held by the Karnea to elect a Chairman as prescribed in the *Bylaws*.
- 65 c. General directors shall be elected biennially via electronic elections, as prescribed in the *Bylaws*. Newly elected directors  
66 shall assume their roles on September 1 and serve two-year terms.

## 68 **Section 4: Eligibility of Arch Chapter members**

- 69 a. No person shall be eligible for election to a general directorship who has served three consecutive terms as a general  
70 director on the Arch Chapter immediately prior the election. A person who has served three consecutive terms as a general  
71 director may, after a break in service of at least two years, be considered eligible again as a candidate for election.
- 72 b. No person shall be eligible for election as Chairman who has not served on the Arch Chapter for at least two years  
73 immediately preceding their election as Chairman, nor shall any person be eligible to serve two consecutive terms as  
74 Chairman.

83 Chapter who does not meet the criteria outlined therein and who was not interviewed by the Board Development  
84 Committee.

## 85 **Section 5: Officers of the Corporation**

86 The individuals elected as Chairman, Vice Chairman, and Treasurer shall serve respectively as the President, Vice President, and  
87 Treasurer of the Corporation. The Chairman may appoint a person to serve as Acting Secretary as needed, subject to the ratification  
88 by the Arch Chapter. Service as Acting Secretary does not confer the power to vote on the Arch Chapter. When a Secretary is  
89 required and none has been appointed, the Chief Executive Officer of the Fraternity or their delegate shall serve as the Secretary *pro*  
90 *tempore*.

## 91 **Section 6: Powers and duties of the officers**

92 The Officers of the Corporation shall have, possess, and exercise all of the duties and powers usually incumbent upon such offices in  
93 a not-for-profit corporation, as well as those powers expressly conferred by the Fraternity *Bylaws* and the applicable laws of the  
94 State under which the Corporation is chartered.

96 The Chairman may appoint an Executive Committee of the Corporation, consisting of the Chairman, Vice Chair, Treasurer, and other  
97 member(s) selected from the Arch Chapter. In day-to-day operations, the Executive Committee shall serve as a steering committee  
98 for the Arch Chapter and exercise all of the duties and powers usually incumbent upon such committees in a not-for-profit  
99 corporation. In the event of an emergency or a crisis in which the full Arch Chapter cannot be convened to resolve an issue in a  
100 timely manner, such Committee shall be authorized to execute all of the powers provided to the Arch Chapter as they pertain to the  
101 corporate or financial affairs of the Fraternity. The Executive Committee shall keep a record of all of its proceedings, which shall be  
102 made available to the Arch Chapter in a timely manner.

### 103 **Section 8: Meetings of the Arch Chapter**

104 The Arch Chapter shall meet not less than twice each calendar year at such time and place as the Chairman may designate. The  
105 Chairman may call Arch Chapter meetings at any time on ten days' notice to Arch Chapter members. Alternately, the Vice Chair,  
106 upon written request of six Arch Chapter members, may call a special meeting and designate the time and place thereof. The  
107 expenses of Arch Chapter members in attendance at any regular or special meeting shall be paid from the General Fund.

## 108 **Article V: Government & governance—the Karnea**

### 109 **Section 1: Legislative Function**

110 The legislative power of the Fraternity shall be vested in the Karnea, which is the biennial convention of the Fraternity. The Karnea  
111 shall have the authority to make all laws necessary and proper for the general welfare and governance of the Fraternity, or the  
112 execution of Fraternity's Mission and Values.

### 113 **Section 2: Composition**

114 The Karnea shall be composed of the following:

- 115 a. Three delegates from every active undergraduate chapter; two of whom shall be undergraduate members of the chapter  
116 they represent, while one of whom shall be either an alumnus of the undergraduate chapter they represent or a member of  
117 the chapter's alumni advising team.
- 118 b. One delegate from each chartered and active alumni chapter.

119 All chapter delegates will have one vote per person, up to a total of three votes per chapter represented.

120 Any chapter that is unrepresented by the necessary accredited delegates at any Karnea may be fined an amount deemed  
121 appropriate by the Arch Chapter. Any chapter that is unrepresented by the necessary accredited delegates for two or more  
122 consecutive Karneas may be subject to the withdrawal or suspension of its charter by the Arch Chapter.

### 123 **Section 3: Time and place of the Karnea**

- 124 a. The Karnea shall meet biennially at such times and places as the Arch Chapter shall direct. In making such determination,  
125 the Arch Chapter shall consider that the Fraternity is best served by situating Karnea in locations that make it equitably  
126 accessible to the greatest number of members over time.
- 127 b. The Arch Chapter shall have the power, by a two-thirds vote, to call a special session of the Karnea at such time and place  
128 as it may designate.
- 129 c. A majority of chapters in good standing may also issue a call for a special session of the Karnea and forward the same to the  
130 Chairman of the Arch Chapter who, within thirty days of receipt, shall call a special session of the Karnea to be convened  
131 within 30 days thereafter, and designate the time and place of such a meeting.

### 132 **Section 4: Karnea Officers**

133 The ranking officer of the Arch Chapter present at any Karnea shall act as its chairperson. Should no officer be present, the longest  
134 tenured director shall act as the temporary chair. Should two or more directors have equal tenure, the director with the longest  
135 tenure as a member of the Fraternity shall act as the temporary chair. The Chairman shall appoint whatever officers they deem  
136 necessary for the operation of the Karnea, including, but not limited to, a secretary, parliamentarian, and sergeant-at-arms, and shall  
137 determine the rules of its proceedings.

### 138 **Section 5: Report of proceedings**

139 The Karnea shall keep minutes of its proceedings which shall be published to the Fraternity promptly following the conclusion of the  
140 Karnea.

## 141 **Article VI: The Central Office**

142 **Section 1: Central Office**

143 For the conduct of the administrative and other affairs of the Fraternity there shall be maintained, at such place in the United States  
144 as the Arch Chapter shall from time to time decide, an office which shall be known as the Central Office where records, books of  
145 account, documents, and other like property of the Fraternity and the Corporation shall be kept and maintained.

146 **Section 2: Chief Executive Officer**

147 The Arch Chapter shall appoint a person to serve as the Chief Executive Officer of the Fraternity, who shall have general charge of  
148 the affairs and employees of the Central Office. The Chief Executive Officer shall receive such compensation and benefits for service  
149 as the Arch Chapter may determine. The Chief Executive Officer may be removed at any time, with or without cause, by the Arch  
150 Chapter.

151 **Section 3: Duties of the Chief Executive Officer**

152 The Chief Executive Officer shall be specifically charged with the care of all fiscal matters of the Fraternity and the examination and  
153 verification of accounts, and he shall be responsible for overseeing the delivery of services and educational programming to the  
154 undergraduate and alumni chapters and house corporations. He shall have charge of the general executive management of the  
155 Fraternity, including all of its operations, supervise arrangements for the Karnea, and render such other services as may be required  
156 or requested from time to time by the Arch Chapter. The duties and responsibilities of the Chief Executive Officer shall also include,  
157 but not be limited to, the following:

- 158 a. To assure that the strategic and long-range plans of the Fraternity, as established from time to time by the Arch Chapter,  
159 are implemented and accomplished, and to regularly and clearly inform the Arch Chapter the status of such  
160 implementation and accomplishment;
- 161 b. To cause the Central Office and its staff at all times to model the Mission and Values of the Fraternity in the work of the  
162 Fraternity;
- 163 c. To perform an annual evaluation and assessment of the Central Office staff against specific criteria established in advance by  
164 the Chief Executive Officer and approved by the Arch Chapter, and to promptly report the results in writing to the Arch  
165 Chapter;
- 166 d. To regularly engage in succession planning for Central Office staff, including the refinement of the policies and principles for  
167 staff selection and performance review, as well as policies for succession and transitional leadership in the event of an  
168 emergency or the retirement, incapacity, or death of the Chief Executive Officer;
- 169 e. To provide responsible stewardship of the work of the Fraternity, including the regular addressing of the concerns of, and  
170 the integrity of relationships with, the various constituents essential to the Fraternity's success, including Central Office  
171 staff, active members and their families, alumni members, host institutions, peer organizations, and the communities in  
172 which the Fraternity operates;
- 173 f. To regularly assess the major risks facing the Fraternity and, together with the Arch Chapter, to identify and review the options  
174 for their mitigation;
- 175 g. To provide all necessary support and assistance to alumni advising teams in their work with undergraduate chapters;
- 176 h. To refrain from engaging in activities outside the reasonable scope of the executive policy limitations as established from  
177 time to time by the Arch Chapter;
- 178 i. To cooperate fully with the Arch Chapter in its discharge of its responsibilities; and
- 179 j. To perform all other duties required by the *Constitution* and *Bylaws* of the Fraternity, or assigned to him by the Arch  
180 Chapter.

181 **Article VII: Suspension or withdrawal of chapter charters**

182 **Section 1: Power to suspend or withdraw**

183 The power to suspend or withdraw the charter of an undergraduate or alumni chapter shall be vested in the Arch Chapter.

184 **Section 2: Suspension**

185 Suspension of a chapter charter means the temporary cessation of all of the rights of such undergraduate or alumni chapter to  
186 operate or to hold itself out as a chapter of the Fraternity. Such suspension shall be for a stated period of time within the discretion  
187 of the Arch Chapter.

188 **Section 3: Withdrawal**

189 Withdrawal of a chapter charter means the cessation of the right of such undergraduate or alumni chapter to operate or to hold  
190 itself out as a chapter of the Fraternity for an undetermined period of time until conditions are favorable for a return of that  
191 chapter, if ever.

192 **Section 4: Conditions for suspension of chapter charter**

193 For the purpose of dealing with unsatisfactory or emergency conditions in the chapters, the Arch Chapter shall have the power  
194 under subsection 2 above to suspend the charter of any undergraduate or alumni chapter for cause and without prior notice.

195 **Section 5: Conditions for withdrawal of undergraduate chapter charter**

196 If any undergraduate chapter fails to comply with the requirements of the *Constitution, Bylaws, Ritual*, or special rules of order of  
197 the Fraternity, or if it appears that the interests of the Fraternity will suffer by the continued maintenance and operation of a  
198 chapter, its charter may be withdrawn by the Arch Chapter.

199 **Section 6: Procedures for withdrawal of undergraduate chapter charter**

200 Charges against an undergraduate chapter for withdrawal of its charter may be presented to the Arch Chapter by any chapter or  
201 member of the Fraternity, or considered by the Arch Chapter on its own motion. A statement of the charges shall be forwarded to  
202 the chapter against which the charges have been made, notifying the chapter that action upon the charges will be taken by the Arch  
203 Chapter. If, in the judgment of the Arch Chapter, the charges warrant investigation, the Arch Chapter shall appoint a Phonarch to  
204 investigate the charges. The Phonarch shall submit a written report of his findings to the Arch Chapter. The report shall be  
205 considered by the Arch Chapter, and an opportunity shall be given for the chapter to respond before a decision is rendered.

206 **Section 7: Vote required**

207 Suspension or withdrawal of a charter of an undergraduate chapter shall be by two-thirds vote of the Arch Chapter, and any other  
208 action taken hereunder shall be by simple majority.

209 **Section 8: Notice of determination**

210 Written notice of the decision of the Arch Chapter as to the withdrawal or suspension of any undergraduate chapter charter shall be  
211 given to the chapter affected and to the host institution. If the decision of the Arch Chapter is for withdrawal of the charter, notice  
212 shall be sent to the chapter concerned through a Special Representative, appointed by the Chairman, to receive the charter, *Ritual*,  
213 and all other secret material, books, papers, and all other records in the possession of said chapter, which charter and documents  
214 shall be transmitted promptly to the Chief Executive Officer who shall preserve them in the archives of the Fraternity. All alumni of  
215 the chapter shall also be notified of the decision of the Arch Chapter.

216 **Section 9: Alumni chapter withdrawal**

217 If any alumni chapter shall fail to comply with the requirements of the *Constitution, Bylaws, Ritual*, or rules of order of the Fraternity,  
218 or if its membership shall fall below the number required for the establishment of an alumni chapter, its charter may be withdrawn  
219 by a two-thirds vote of the Arch Chapter.

220 **Article VIII: Discipline and expulsion of members**

221 **Section 1: Jurisdiction**

222 The Arch Chapter and its delegates shall have authority over all members of the Fraternity of any membership status (e.g., new,  
223 active, suspended, colony, and alumni) at any time in their affiliation with the Fraternity. Undergraduate chapters and colonies shall  
224 have jurisdiction over all members of any membership status (e.g., new, active, suspended, colony, and alumnus) affiliated with that  
225 chapter or colony from the time they become new members until 6 months after departing their host institution (e.g., due to  
226 graduation, transfer, etc).

227 **Section 2: Suspension of membership**

228 Suspension means denial—for a definite, specified period—of the usual rights and privileges of membership in the Fraternity, and  
229 such other rights and privileges as may be specified in the order of suspension. During this period the member's Badge of  
230 membership shall be deposited with his chapter's Chapter Advisor or with the Chief Executive Officer, or his delegate. Rights and  
231 privileges denied by suspension shall consist of living in a chapter house, attending chapter and other Fraternity meetings, voting,  
232 holding office, representing the Fraternity, and participating in any Fraternity rites, functions, or activities. Upon the expiration of  
233 the effective period of suspension, the member shall resume his previous membership status along with corresponding rights and  
234 privileges, unless there are pending charges for further suspension or expulsion against him. In this case, the period of suspension  
235 shall be automatically extended until such time as final disposition is made of such charges.

236 **Section 3: Causes for suspension of membership**

237 The Arch Chapter, its delegates, and each undergraduate chapter or colony shall have the authority to suspend a member over  
238 whom they have jurisdiction, until a date or certain event, on any one or more of the following grounds:

- 239 a. Violation of Fraternity Oath or the Chapter's Code of Conduct where such Code exists;

- b. Conduct unbecoming a member of the Fraternity;
- c. Disrespect of established authority of the undergraduate chapter or the Fraternity;
- d. Unsatisfactory scholarship;
- e. Disregard of orders officially given by the established authority of the undergraduate chapter or the Fraternity;
- f. Failure to pay a current account due an undergraduate chapter in the allotted time;
- g. Violations of laws, rules, or regulations of the Fraternity or of an undergraduate chapter including, but not limited to, those concerning hazing, alcohol, and illegal drugs.
- h. Where an Alumni Supervisory Committee has been appointed, for inability to show good cause why his continued membership is warranted.

#### **Section 4: Procedures for suspension of membership**

Proceedings for suspension of a member of the Fraternity, based on appropriate grounds outlined above, conducted by any undergraduate chapter or colony, the Arch Chapter, or the Arch Chapter's delegates shall be held in the following manner:

- a. In an undergraduate chapter or colony proceeding, a motion for suspension shall be made and seconded at any regular or special meeting in which a quorum is present, with said motion to be immediately tabled until the member to be suspended has been given 48-hours notice of the existence of such motion. After such notice has elapsed, the motion may be recalled from the table at any regular or special meeting in which a quorum is present and the member may be suspended until a certain date or event, by a majority vote.
- b. Where an undergraduate chapter or colony Honor Board is used and a complaint has been given, 48-hours notice of a hearing shall be given. After a full and fair hearing, the Honor Board may suspend a member until a certain date or event, by a two-thirds vote. Such suspension may be overturned by a majority vote of the undergraduate chapter or colony at any regular or special meeting in which a quorum is present.
- c. Arch Chapter or its delegates shall have the power to suspend any member of the Fraternity at any time until a certain date or event by a majority vote.
- d. During the first 12 months of a colony's existence, the Chief Executive Officer shall have the authority to suspend any individual from participation in the colony for grounds outlined above.

#### **Section 5: Automatic suspension of membership**

When members fail to adhere to certain prescribed criteria or obligations, their membership shall be automatically suspended. The criteria which trigger automatic suspension of membership include:

- a. Where an active member has failed to pay a current account due a chapter or signed a payment plan approved by the chapter's Finance Committee by the 14th day after a payment was due, or failed to make a payment on a payment plan approved by the chapter's Finance Committee, the undergraduate will be automatically suspended from membership until such time as his account is paid in full or he has signed a new/amended payment plan that is approved by the Finance Committee and Chapter Advisor.
- b. Any undergraduate member whose scholastic average for an academic term falls below a 2.5 on a 4.0 scale shall be placed on academic probation for the next academic term. Should said member's scholastic average not meet or exceed a 2.5 on a 4.0 scale during the next academic term, he shall be automatically suspended from membership. Petitions to waive the suspension may be made to the Chief Executive Officer. After a term of academic suspension, should said member achieve a scholastic average that meets or exceed a 2.5 on a 4.0 scale, his suspension for academics shall expire and he shall resume his previous membership status. Should said member fail to achieve a scholastic average that exceeds a 2.5 on a 4.0 scale for three consecutive academic terms, he shall be recommended for expulsion.

#### **Section 6: Expulsion from membership**

Expulsion from membership means forfeiture of membership in the Fraternity through the exercise of constituted authority of the Fraternity. After expulsion, the former member shall not be permitted to attend meetings of the Fraternity or any of its chapters or colonies, to take part in any Fraternity rite or function, or to present himself as a member, or in any way to identify himself with the Fraternity through the use of insignia or otherwise, or to have any rights whatsoever in or pertaining to the Fraternity. In the event of expulsion from membership, and notwithstanding his right of appeal herein, the expelled member shall immediately surrender his Badge of membership and Certificate of Membership to the Chapter Advisor or the Chief Executive Officer, or his delegate.

#### **Section 7: Causes for expulsion**

The Arch Chapter, its delegates, and each undergraduate chapter or colony, shall have the authority to expel from the Fraternity a member over whom they have jurisdiction, on any one or more of the following grounds:

- a. Conduct which renders a member's presence in his undergraduate chapter detrimental to the harmony and standing of the chapter or the Fraternity.

- b. Conduct of a member that renders his membership detrimental to the best interest of the Fraternity.
- c. Violation of the Fraternity Oath or the Chapter's Code of Conduct where such Code exists.
- d. Violations of laws, rules, or regulations of the Fraternity or of an undergraduate chapter including, but not limited to, those concerning hazing, alcohol, and illegal drugs.
- e. Conduct unbecoming a member of the Fraternity.
- f. Unsatisfactory scholarship
- g. Failure to pay a current account due an undergraduate chapter on or before the first day of the month following the month in which the member was billed.
- h. In the case of proceedings commenced by the Arch Chapter, or its delegates, conduct by a member of an alumni chapter or group injurious to such chapter or group.
- i. In the case of proceedings commenced by the Arch Chapter or its delegates, failure of an alumnus to pay in full an account due to an undergraduate chapter that is more than a year old, after thirty days' notice.

### Section 8: Procedure for expulsion of members

Proceedings for expulsion of a member of the Fraternity, based on appropriate grounds outlined above, conducted by any undergraduate chapter or colony, the Arch Chapter, or the Arch Chapter's delegates shall be held in the following manner:

- a. In an undergraduate chapter or colony proceeding, a motion for expulsion shall be made and seconded at any regular or special meeting in which quorum has been established, with said motion to be immediately tabled until the member to be expelled has been given six days notice of the existence of such motion. After such notice has elapsed, the motion may be recalled from the table at any regular or special meeting in which quorum has been established, and the member shall be expelled upon a two-thirds vote.
- b. Where an undergraduate chapter or colony Honor Board is used and a complaint has been given, six days notice of a hearing shall be given. After a full and fair hearing, the Honor Board may expel a member upon a unanimous vote. Such expulsion may be overturned by a 2/3 vote of the undergraduate chapter or colony at any regular or special meeting in which a quorum is present.
- c. Arch Chapter or its delegates—such as an Alumni Supervisory Committee or the Member Discipline Committee—shall have the power to expel any member of the Fraternity at any time by a 2/3 vote, provided that six days notice were previously provided and a full and fair hearing was conducted, by any Fraternal body.
- d. During the first 12 months of a colony's existence, the Chief Executive Officer shall have the authority to expel any individual from the colony for grounds outlined above.

### Section 9: Procedure for appeal against suspension

A suspended member may appeal his suspension on the grounds that his suspension was the result of unfair or partial proceedings, or that a change in circumstances warrants a reconsideration of his membership status. An appeal under these conditions shall be disposed of as follows:

- a. Where a member was suspended by action of an undergraduate Honor Board, the member may petition his undergraduate chapter or colony for reconsideration of his membership status. A motion to reinstate the member may be put before the assembly by a majority vote; if it fails to garner a majority vote to be heard, the matter will be dropped and may not be revisited for the same reason during the same academic term. If the motion is put before the assembly, it shall be disposed of as a typical motion and a majority vote will be required to overturn the member's suspension.
- b. Where a member was suspended by action of Arch Chapter or its delegates, he may submit an appeal against suspension to the Arch Chapter within 30 days of his suspension. Such appeal must stipulate the grounds for reconsideration (i.e., that notice was inadequate, hearing was unfair, etc) and be endorsed by three members of the petitioner's chapter, who shall be in good standing.

### Section 10: Procedure for appeal against expulsion

A person expelled from membership in the Fraternity may petition the Arch Chapter or its delegates for reinstatement, which shall be disposed of in the following manner:

- a. A person who disputes his expulsion was the result of fair, impartial, and/or properly executed proceedings, may submit an appeal against expulsion to the Arch Chapter or its delegates within 30 days of his expulsion. Such appeal must stipulate the grounds for reconsideration (i.e., that notice as inadequate, hearing was unfair, etc) and be endorsed by five members of the Fraternity, three of who shall be members in good standing of the petitioner's chapter.
- b. Upon receipt of any appeal against expulsion, the Arch Chapter or its delegates shall investigate the allegation and may, by 2/3 vote reinstate the member to full and regular standing in the Fraternity or remand the matter to the Fraternal body which originally conducted the expulsion proceedings with instruction to correct any procedural error and dispose of the matter again.

This *Constitution*, or any part thereof, may be repealed or amended at any Karnea by a two-thirds vote, subject to the following provisions of this article.

### Section 2: Procedure for repeal and amendment

Except as herein otherwise provided, no repeal or amendment of the *Constitution* shall be considered by a Karnea unless the proposal for amendment or appeal has been submitted in writing and received by the Fraternity's Chief Executive Officer on or before April 1 of the year in which the Karnea to which it is to be submitted is held. The Chief Executive Officer shall, on or before April 15, send to each undergraduate and alumni chapter a copy of the proposed repeal or amendment. Any such repeal or amendment not filed with the Chief Executive Officer by April 1 may be considered by the Karnea with the consent of a two-thirds vote of all delegates qualified at the Karnea to vote on such proposal. Any revision of the proposal on the floor of the Karnea shall not disqualify it from consideration if the Karnea Chairman shall rule that the substance of the proposal has not been changed by the revision and that those receiving notice of the proposal in April as aforesaid have been fairly informed of the substance of the proposal to be presented to the Karnea.

### Section 3: Approval of repeal and amendment

Such repeal or amendment shall be submitted to the Chairman of the Fraternity for approval or disapproval, which he shall announce on or before the fifteenth day of the month next following the adjournment of the Karnea. 468 of the colony's status and report findings to the Arch Chapter.

### 469 **Section 6: Accreditation of undergraduate chapters**

470 The Arch Chapter or its delegate shall establish criteria that each undergraduate chapter must meet on an annual basis to continue  
471 as a chapter of the Fraternity. The criteria will address key chapter operating and programming conditions. Failure to reach  
472 accreditation may result in restrictions on chapter operations up to and including initiation of withdrawal of the chapter's charter. A  
473 chapter that has not reached accreditation by February 1 shall not be presented a Hugh Shields Flag or Court of Honor recognition.

- 474 a. Should a chapter fail to reach accreditation for two consecutive years or three times within five years, the chapter will face  
475 a "show cause" hearing before the Standards Committee. The Standards Committee will investigate the causes for  
476 delinquency. It will have the authority to refer one of the following outcomes for consideration:
  - 477 a. Sanctions designed with the intent to facilitate the completion of accreditation items

483 Officer for investigation and certify to the Arch Chapter or its delegate.

485 will allow it to reasonably assess the intention and ability of such undergraduates to establish a chapter whose members  
486 will adhere faithfully to the mission and core values of the Fraternity.
- 487 c. No petition shall be granted until after a thorough investigation and written report to the Arch Chapter on the merits of the  
488 petition have been made by the Chief Executive Officer or his nominee, or before ten days have elapsed after each member  
489 of the Arch Chapter has received a copy of such report.
- 490 d. Thereafter, if two-thirds of the Arch Chapter or its delegate shall vote in favor of granting the petition, the charter shall be  
491 granted and the Chapter shall be duly organized in installed by the Central Office.
- 492 e. Charters for alumni chapters shall be granted following the receipt of a petition for a charter signed by not fewer than ten  
493 (10) alumni who are verified as alumni in good standing. This petition shall be forwarded to the Chief Executive Officer. If  
494 the Chief Executive Officer determines the petition to be in order, he shall approve the same, and the Chairman or his  
495 designee shall then authorize the installation of the alumni chapter.

## 496 **Article III: Pledging, initiation, and affiliation**

### 497 **Section 1: Notice of pledging**

498 Within two weeks after the pledging of a prospective member, the Chief Executive Officer shall, with consent of the prospective  
499 member, forward to the parents or guardian for such pledged candidate a letter announcing said pledging, briefly stating the aims  
500 and purposes of the Fraternity and advantages afforded by membership, together with a statement of the financial obligations  
501 assumed by such membership.

### 502 **Section 2: Qualifications for initiation**

503 To be eligible for initiation into Fraternity membership:

- 504 a. The candidate must be a male undergraduate, post-graduate, or professional student of the institution where the electing  
505 chapter is located, or where the Arch Chapter of the Fraternity has established a chapter, or where the Arch Chapter may  
506 authorize his initiation.
- 507 b. The candidate shall have achieved in the semester immediately preceding the semester of initiation an average of not less  
508 than 2.5 on a 4.0 scale in the college or university at which the initiating chapter is located or at the institution from which  
509 he transferred. In the event that the candidate is a first semester freshman, he shall have achieved an average of not less  
510 than 2.5 on a 4.0 scale during high school. To demonstrate the candidate satisfactorily meets this criterion, the chapter may  
511 conduct an inquiry which may include obtaining the candidate's high school academic record, mid-semester grades from  
512 the current host institution, or any other records which satisfy the chapter on the candidate's eligibility. The results of such  
513 inquiry should be provided to the chapter advisor and faculty academic advisor for their review. In the absence of both of  
514 those alumni positions in an undergraduate chapter, the information shall be provided to the Chief Executive Officer.
  - 515 1. The chapter's Director of Member Development, upon recommendation by the Chapter Advisor and the Faculty  
516 Academic Advisor, has the power to waive such rule based on the curriculum and unique characteristics of said  
517

518 institution. In the absence of a Chapter Advisor and/or the Faculty Academic Advisor, the matter shall be referred  
519 to the Chief Executive Officer.

- 520 2. In the event a candidate is otherwise eligible for initiation during the first semester in which he is enrolled in the  
521 college or university at which the initiating chapter is located, such that the academic requirements outlined above  
522 cannot be met, the chapter's Director of Member Development, upon approval by the Chapter Advisor and the  
523 Faculty Academic Advisor, may certify following investigation of the candidate's academic background that he  
524 meets the scholastic standards for membership.

- 525 c. The candidate shall have completed a period of pledgship in which he has successfully demonstrated acquisition of a  
526 sound and thorough knowledge of the *Mission and Values* of Delta Tau Delta Fraternity and of the ideals and principles  
527 upon which it and college fraternities were founded. The length of this pledge period shall not be longer than eight (8)  
528 academic weeks in duration and shall be in full compliance with any requirements for initiation of the institution in which  
529 he is enrolled. Provided, however, that any chapter desiring a variance from the length of pledge period requirement may  
530 submit a written petition to the Chief Executive Officer. Said petition shall set forth fully all circumstances and reasons for  
531 such variance and shall be endorsed by at least three members of the Executive Committee of the chapter. Upon receipt of  
532 a petition requesting a variance, the Chief Executive Officer may grant a variance that shall be effective for no more than  
533 one academic year. In no event shall a variance be granted that would extend the period of pledgship beyond twelve  
534 academic weeks in duration. A chapter may petition for a variance on an annual basis.
- 535 d. No candidate shall be eligible for initiation until the full cash payment of his initiation dues and all payments due his chapter  
536 have been made.
- 537 e. No part-time student or one who is not a candidate for a degree shall be eligible for initiation without the prior approval of  
538 the Arch Chapter.
- 539 f. In situations where a currently enrolled undergraduate, post-graduate, or professional student of an institution where no  
540 chapter is located is desirous of membership, the individual can be considered for candidacy at an electing chapter of  
541 reasonable distance from the student, provided the individual has the prior approval of the Arch Chapter and all other  
542 qualifications for initiation and membership are met.

### 543 **Section 3: Prerequisites to initiation**

544 Prior to initiation into the Fraternity, candidates must:

- 545 a. Pass a Fraternity Examination, prepared by the Central Office, which ensures candidates demonstrate sufficient knowledge  
546 of our *Mission and Values*, ideals, purposes, history, laws, and customs.
- 547 b. Undergo the Outer Mysteries and complete the prescribed form(s). The chapter advisor shall retain this form until the  
548 candidate is initiated, or the pledge is cancelled, whereupon he shall deliver to the chapter treasurer for forwarding to the  
549 Central Office the forms for those candidates who have been initiated.

### 550 **Section 4: Voting on membership**

551 The vote required by Article 3, Section 1 (c) of the *Constitution* shall be obtained prior to, or at the time a prospective member is  
552 pledged and not thereafter. This pledge may be cancelled at any regular meeting of the chapter or colony at which a quorum is  
553 present, provided that notice of such proposed action was given at the preceding meeting. Depledging on grounds of unsatisfactory  
554 scholarship, as defined in the bylaws of an undergraduate chapter or colony, during the preceding semester, quarter, or term may  
555 be automatic, or it may be by majority vote, whichever is specified in the bylaws of that chapter or colony. Depledging on any other  
556 grounds shall require a two-thirds vote, unless otherwise specified in the bylaws of the undergraduate chapter or colony, and in no  
557 case may a chapter or colony provide for depledging by less than a majority vote.

### 558 **Section 5: Affiliation**

559 Each undergraduate chapter may, by a two-thirds vote at any regular meeting, affiliate into its membership any duly initiated  
560 undergraduate or postgraduate student in the institution where it is located, after definitively ascertaining that he is in due and  
561 regular standing in the Fraternity and is not financially indebted to any other undergraduate chapter.

562  
563 Before a member may be affiliated the chapter must ascertain his scholastic record at the college he attended previously; in cases  
564 where that record has not been entirely satisfactory, he is not eligible for affiliation until he has completed a semester's work  
565 satisfactory in the second institution. The Chief Executive Officer shall have the power to cancel an affiliation in cases where the  
566 member's previous financial or scholastic record has been unsatisfactory. The affiliating undergraduate chapter may cancel the  
567 affiliation of any affiliated member who remains a student in the institution, by a two-thirds vote at any regular meeting, provided  
568 that notice of such contemplated action has been given at the preceding meeting.

### 569 **Section 6: Cancellation of pledge**

570 All pledges, who are not eligible for initiation by the close of the semester or second quarter next following the semester or quarter  
571 in which they are pledged, shall be depledged and the Pledge Badge recalled; provided, however, that this law shall not apply when  
572 initiation is deferred beyond such period by local regulation or agreement. When the pledged candidate discontinues his college  
573 course or transfers to another institution the pledge shall be cancelled and the Pledge Badge recalled.

#### 574 **Section 7: Holdover Pledges**

575 A man who has completed the period of pledgeship but is ineligible for initiation for any reason, including meeting academic,  
576 financial, or other standards of  
577 membership, shall be designated as a "Hold Over Pledge" until such time as he shall be eligible for initiation or subject to  
578 cancellation of his pledge as provided herein.

#### 579 **Section 8: Special alumni initiations**

580 An undergraduate chapter, in order to meet the need for alumni assistance and guidance which is not otherwise available, may fill  
581 chapter positions such as chapter advisor and resident academic advisor by the election to membership of a male person who is a  
582 graduate of a four-year college or university granting at least an A.B. or B.S. degree, provided.

- 583 a. The chapter must show such need for the initiation of such graduate.
- 584 b. The graduate must be engaged in, or reasonably available for, active work with the undergraduate chapter requesting his  
585 initiation.
- 586 c. The proposed initiation of such graduate must be recommended by the current chapter advisor, if any, or, if this office is  
587 vacant, an alumnus in good standing may make the recommendation.
- 588 d. The graduate must be reviewed and approved by the Chief Executive Officer.
- 589 e. The initiate must have all the other qualifications for membership provided in Article IV, Section 1, which are not  
590 inconsistent with the foregoing conditions.
- 591 f. The initiate shall pay the full initiation dues.

592 The Chief Executive Officer may, from time to time, prescribe additional conditions for such initiation. A graduate so initiated shall  
593 have the same status as any other initiated member of the Fraternity.

#### 594 **Section 9: Other special initiations**

595 The Arch Chapter may approve the initiation of a man who does not meet the standards of membership set forth in Section 1 of this  
596 Article who meets all of the following qualifications:

- 597 a. An undergraduate chapter must petition for the proposed initiate by a three-fourths vote of all active members of the  
598 chapter; such vote to be certified by the chapter advisor.
- 599 b. The proposed initiate shall currently be providing assistance to the chapter.
- 600 c. The chapter shall provide documentation that the proposed initiate has rendered consistent service to the chapter for a  
601 substantial period of time.
- 602 d. The proposed initiate shall be of high ideals and firm in the accepted morals and principles as taught by the great religions  
603 of the world and possess those gentlemanly qualities that promote the highest type of brotherhood.
- 604 e. The proposed initiate shall successfully demonstrate acquisition of a sound and thorough knowledge of the *Mission and*  
605 *Values* of Delta Tau Delta Fraternity.
- 606 f. The proposed initiate shall have made full payment of his initiation dues and all payments that shall be due the chapter.
- 607 g. The proposed initiate shall be approved by a two-thirds vote of the Arch Chapter or its delegates.
- 608 h. Should the proposed initiate be the father or grandfather of an initiate, or was an undergraduate new member in good  
609 standing when he was unable to initiate due to extenuating circumstances, qualifications (b) and (c) will not be required.

#### 610 **Section 10: Colony initiates**

611 Each colony of the Fraternity may, in its petition for chapter status, certify all persons who have met the initiation requirements of  
612 this Article during such person's membership in the colony. Said persons shall then be eligible for initiation into the Fraternity at any  
613 time thereafter. Such persons who are initiated into the Fraternity pursuant to this Section at a chapter other than that of their  
614 colony membership shall have their initiation so certified by the initiating chapter, and that person's membership shall then be  
615 enrolled on the membership rolls of the colony (now chapter) where the individual was a colony member.

#### 616 **Section 11: Ineligible colony initiates**

617 Any active or alumnus member of a petitioning group that has been granted a charter may be declared ineligible for initiation by the  
618 Chief Executive Officer; however, this ineligibility may be removed by a two-thirds vote of the Arch Chapter.

#### 619 **Section 12: No chapter affiliations.**

No undergraduate chapter shall enter into any relationship giving any appearance of present or prospective membership with any person not eligible for membership in the Fraternity.

## **Article IV: Arch Chapter Selection, Powers, and Duties**

### **Section 1: Nomination for Arch Chapter service**

The Chief Executive Officer shall publish a call for recommendations to Arch Chapter service by March 1 in the year an election is to be held, with recommendations due by April 1. All duly received recommendations shall be promptly forwarded to the Chairman of the Board Development Committee. The Board Development Committee shall then conduct reviews of all qualified candidates, such reviews occurring by phone or video platform. Interviews of officers shall be open to the general membership to attend, with interview date(s) and time(s) published at least three days prior to each interview. By June 15, the Board Development Committee shall publish to the general membership a list of nominees, with a maximum of one person being nominated for each role.

If a person was reviewed by the Board Development Committee, but not nominated for a general directorship and wishes to be considered, he may submit a petition to the Chief Executive Officer by June 25 which contains the signatures of at least 30 undergraduate members and 6 alumni, equally representing at least three active chapters. Upon receipt of this petition, he shall be considered duly nominated for a general directorship. If a person was reviewed by the Board Development Committee, but not nominated for an officer or student director role, he may be nominated at Karnea when the presiding officer opens the floor for additional nominations. No person may be nominated to a general directorship, student directorship, or officer role who has not been reviewed by the Board Development Committee.

### **Section 2: Election of general directors**

General directors of the Arch Chapter shall be elected electronically. By April 1 in the year an election is to be held, the Chief Executive Officer will submit a plan for election proceedings for approval by the Arch Chapter. This plan must outline the platform(s) to be used for election proceedings and address any reasonable concerns as it relates to the safety, security, and integrity of candidates and the process. The Chief Executive Officer shall open online elections, including all duly nominated individuals, on beginning July 1 and close elections on July 15. All designated student and alumni delegates to Karnea shall cast one vote for each directorship on behalf of the chapter they represent. No person may vote on behalf of more than one chapter. The Chief Executive Officer shall publish results of the election to the general membership as early as possible, but no later than five days after the election has closed.

### **Section 3: Election of Arch Chapter officers and student director**

Arch Chapter officers and student director shall be elected at the final business meeting of the Karnea. The presiding officer shall open election proceedings by asking the Board Development Committee to report its nominee for each of the offices of Chairman (if necessary), Vice Chairman, Treasurer, and student director. The presiding officer shall then open the floor for additional nominations; only those having been interviewed by the Board Development Committee being eligible for nomination.

In the event of a competitive election, any speeches and debate shall be governed by this section and the presiding officer of the Karnea. Each candidate shall leave the room and will be called in for a period of time to speak to the body and answer questions, if they so choose. The time for speeches and questions shall not exceed twenty minutes total per office equally divided between the candidates for that office. The order of speaking shall be determined by drawing from a hat. The candidates shall then leave the room and discussion will alternate in three-minute increments for each candidate for up to three rounds. Additional rounds of debate may be approved by majority vote of the body. Candidates shall be voted on by order of nomination until a candidate has received a majority of the votes of the delegates present.

### **Section 4: Powers and duties of the Arch Chapter**
