

# How to Update your Chromebook

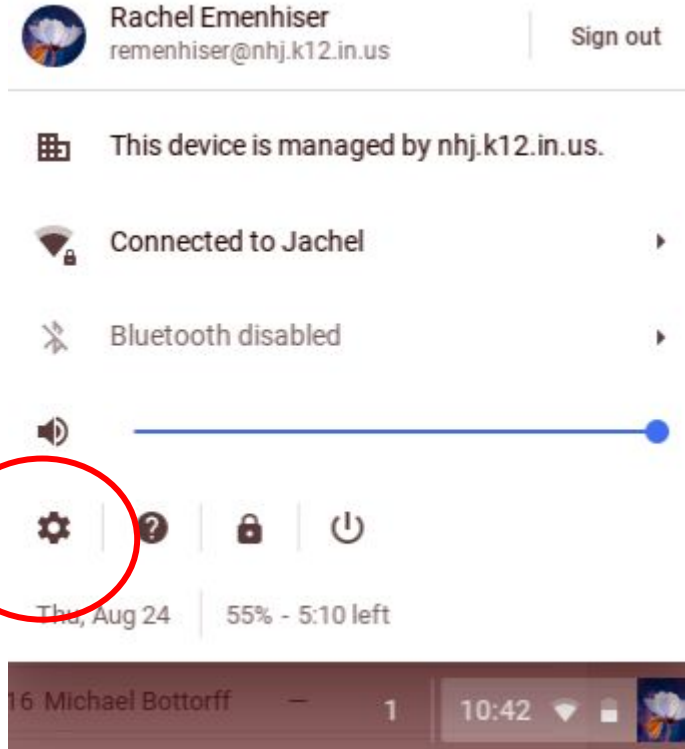

Proud to be a Brave

Click on the time display on the bottom right hand corner of the screen.

Click on the gear

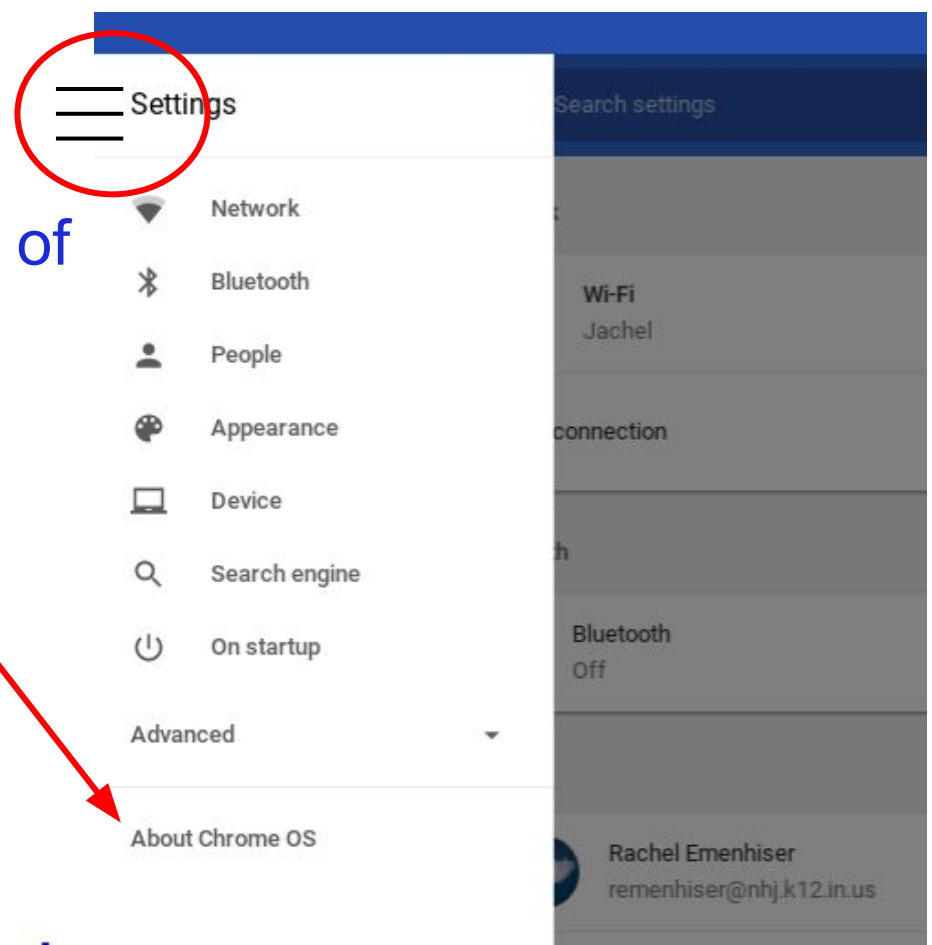

Proud to be a Brave

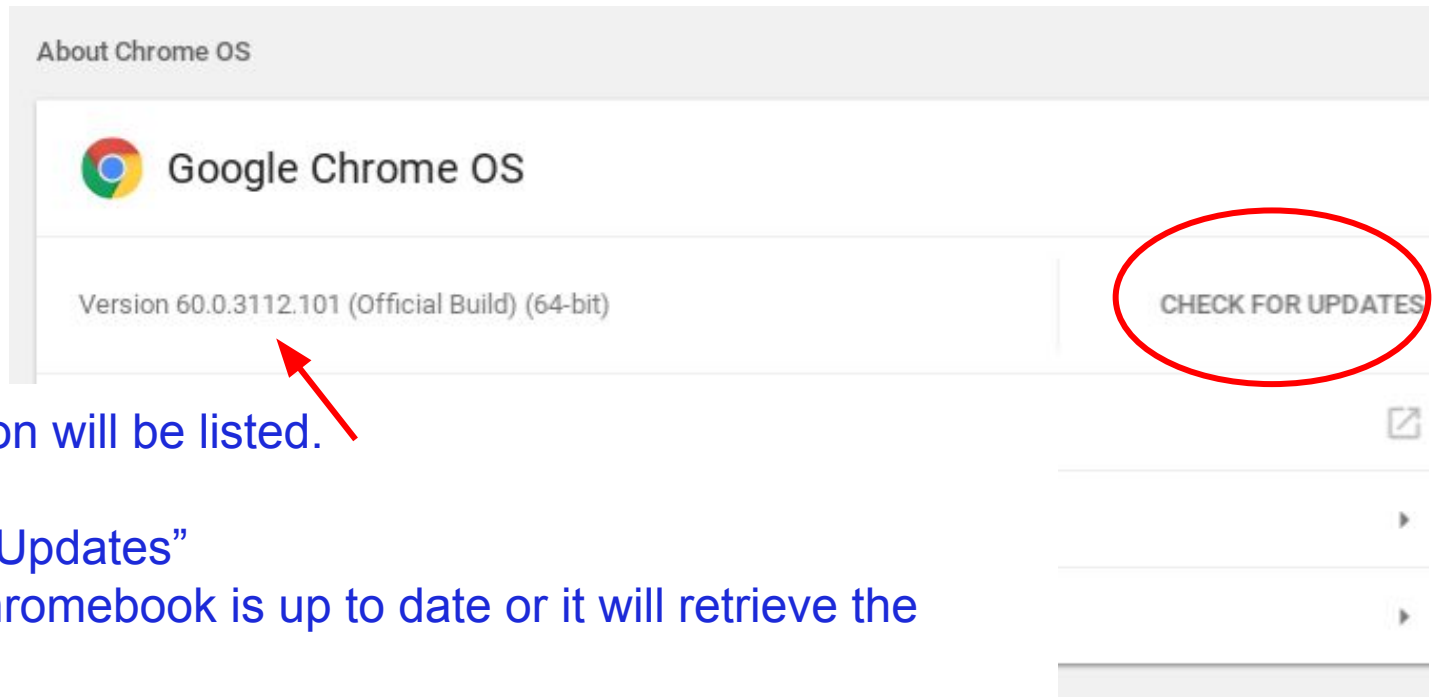

Click on the 3 lines to the left of settings

Click "About Chrome OS"

Proud to be a Brave

The current version will be listed.

Click “Check For Updates”

It will state the Chromebook is up to date or it will retrieve the update.

The Chromebook then must restart to complete the update.
