...and help us eliminate barriers for Hoosiers with disabilities.

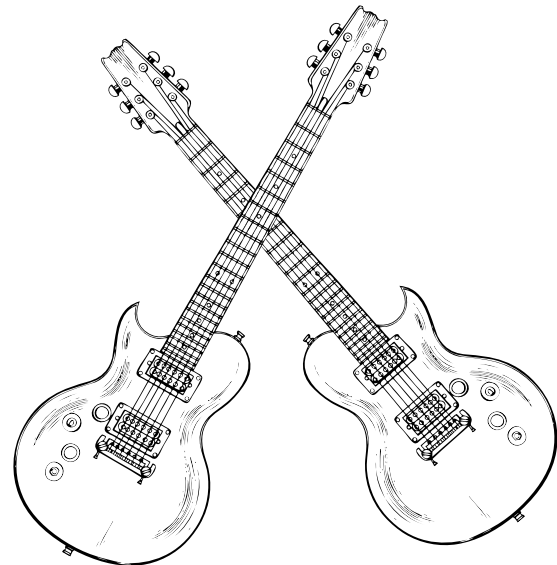

ABOUT TANGRAM

Tangram is a 501(c)3 non-profit, United Way partner organization that was established in 1985. We are committed to building lives of purpose and meaning for people with disabilities AND an inclusive community where everyone can thrive. We provide a wide range of supportive services including residential support, community access, nursing and wellness services, behavioral health, employment services, and transportation, to empower our

clients and their families, meet basic needs, and level the playing field for individuals with disabilities. We also work with community partners and businesses to help them reap the benefits of disability inclusion—in their workforces and customer base. This 360-approach to full inclusion is what sets Tangram apart from other organizations.

ABOUT BAND TOGETHER

Band Together for Tangram will be held on Sunday, May 1, 2022 at the Historic Rathskeller Biergarten in downtown Indianapolis. The event will feature live music, food and beverages, a silent auction, **and most importantly, the opportunity for our community to have a lasting positive impact on the lives of Hoosiers with disabilities.** We need your help to eliminate barriers to opportunity and independence for Hoosiers with disabilities, and you can do this making an investment as a corporate sponsor.
