NORTH CENTRAL  
INDUSTRIES, INC.

Welcome!

Please find enclosed our selection of new & featured items that we are proud to present. Whether you are a veteran customer with NCI or checking us out for the first time, rest assured that our 68 years in business will make your buying experience a breeze. Our experienced and knowledgeable staff will be eager to assist you in completing your order.

The Fire Factory brand is entering its 5th year in existence and has become the fastest-growing line of quality fireworks products in the industry. We are humbled by the incredible feedback that we received and have added more Fire Factory items for 2023, bringing the total items to choose from close to 100 items. This line is a major success because it checks all the boxes of unique performance, attractive packaging, and an unbelievably reasonable cost.

Chain Link Fireworks are here to stay with over 20 unique items. These 500, 360 and 200 Gram cakes allow the end-user to link all varieties of cakes together without the need for fusing to create a unique show that has limitless possibilities. As usual, we're excited about a strong line up of items from Great Grizzly for 2023. This includes a new spin on firecracker packaging and highly anticipated segmented canister shells that will bring the consumer industry effects that have never been available until now!

We're proud to announce our new online ordering portal available at [greatgrizzly.com](http://greatgrizzly.com). This puts our customers in the driver's seat allowing them vision into our live inventory and items that are in transit. We've gone to extreme lengths to ensure our warehouses are fully stocked heading into the summer selling season. It is our advice to place orders early in order to get the products you desire while they are available. Our long-standing relationships with the best suppliers and shipping vendors have made restocking our full line of products possible.

Finally, our core principles of providing the highest quality products at competitive prices and unmatched customer service are what set NCI apart from the competition. The warehouses are stocked, and our trucks are ready. We look forward to earning your business!

Sincerely,

Richard B. Shields
