Article VI Section

SECTION 13. SUSPENSION AND EXPULSION PROCEEDINGS

(a) Any undergraduate or alumnus member who shall violate his obligations to the Fraternity, to the active chapter of which he is a member, or to his fellow chapter members, or who shall by any conduct indicate that he is unworthy to represent, bear the name of or wear the badge of the Fraternity, or who shall violate any of the oaths taken during the Ritual, maybe suspended or expelled from membership in the Fraternity pursuant to the procedure specified in this Section. Without limiting the generality of the foregoing, grounds for suspension or expulsion shall include a violation of the limitations on memberships contained in Section 12 of this Article VI; participation in an initiation conducted in violation of subsection (e) of Section 4 of this Article VI; or violation of any financial obligation to an active chapter. Suspension should be imposed in cases where the misconduct is such that a temporary action that provides a path back to good standing is appropriate. Expulsion should be imposed where the misconduct is such that, due either to the severity or repetition of misconduct or other appropriate grounds, action permanently extinguishing the member's association with the Fraternity is appropriate.

FOLLOWING OUR PROCEDURES

- 1. Presidents: Please make certain that notice of the hearing, along with the time of the hearing and the location of the hearing, and a statement of charges are personally delivered to the individual accused at least seven (7) days before the time of the meeting. In the event that personal service is not feasible, the president must notify the accused member in writing, by certified mail or similar method resulting in delivery of a receipt to the active chapter, mailed at least fourteen (14) days prior to the meeting to the last known address of the accused member. Failing to follow any part of the procedures outlined in *The Constitution and Bylaws of Theta Chi Fraternity, Inc.* related to the suspension/expulsion of members will invalidate any action taken by the Chapter. In other words, if proper procedure is not followed the chapter will be required to repeat the entire process.
- 2. As noted, specific minutes from the meeting must be submitted with any suspension/expulsion forms. The documentation submitted must have a detailed and comprehensive report on the situation that brought about the hearing and the issues that were brought forth during the discussion.
- 3. "Eligible" means just that. Based upon chapter requirements, define "eligible" before the meeting.
