

Indian Creek Skip-A-Final Program

Student Name: _____

Congratulations, according to our records, you are currently eligible to skip a final at the conclusion of this semester. To be eligible for skip-a-final students must meet the following criteria:

- Have no more than 2 log signatures and no office referrals.
- Miss no more than two (2) days of school (16 periods total - each block is 2 periods plus IRP) - excused or unexcused
 - Note: Period totals only count for classes at ICHS and where attendance is taken. For example C-9 students are at ICHS for 3 periods a day, therefore they can miss a total of 6 periods. A student who has an Empower class has 7 periods a day, therefore 14 period absences will be allowed.
- Have no more than two occurrences of Lost Instructional Time (Tardy to school and/or Leave Early).
- Have an 85% or higher in the class where you wish to skip the final. The percentage will be determined by averaging the grades of the 2 nine weeks on the day this form is due.
