Join Us In Our Mission

Membership applications are available in The Gifting Tree. The annual membership fee is \$5 for individuals and \$10 for church or civic groups. Members are invited to attend the 2023 guild meetings to discuss fundraisers and participate in planning outreach activities. Guild members also receive a 15% discount on the purchase of most items in The Gifting Tree.

Request for Funds

Forms for Johnson Memorial Health departments and staff to request consideration for funds are available online at JohnsonMemorial.org/Guild.

Following the opening of Johnson County Memorial Hospital in 1947, volunteers formed a Guild the following year whose mission was and remains to provide resources and meet the healthcare needs of our patients, staff and community. Though Covid-19 continued to present a challenge in 2022, the Guild experienced a successful year. We would like to extend our heartfelt appreciation to you for supporting The Gifting Tree and all of our special sales throughout the year. It is because of your support that we were able to honor our commitments and continue to share encouragement to our hospital family and neighbors of Johnson County.
