

Welcome to the Clark Pleasant Branch of the Johnson County Public Library

Social Story for Adults

A library is a friendly place for all visitors.
The social story is written to help adults prepare
for their visit to the Johnson County Public Library.

This is the entrance to my library.

When I walk up to the front doors, they will open automatically so I can go inside.

This is the lobby.

If I need to use the restroom, they are on the right side of the lobby.

**If I am going to a program,
I enter the Community Room here.**

It is on the right side of the lobby.

**When I walk through the lobby,
I will see the Welcome Desk.**

This is where I will go to check out items I want to take home with me. This is also where I ask questions.
The library staff like to answer questions.

The Children's Department is on the left side of the library at the farthest end of the building.

It has books, movies and toys for children.
If I have questions about anything in the
Children's Department, I can ask a librarian.

This is the STEAM Zone Robotics Learning Lab.

I learn about science and technology when
I attend programs in this room.

The Adult Department is on the left side of the library nearest to the Welcome Desk.

It has books, computers, CDs, movies, newspapers and magazines. If I have questions about anything in the Adult Department, I can ask a staff member at the Welcome Desk.

The library also has a fireplace.

It doesn't burn real wood, but it does get hot.

The Booktique is behind the Welcome Desk.

I can buy books only on these shelves for \$2.
If I need help paying for a book, I'll ask a staff member at the Welcome Desk.

I can check out a laptop with my library card from the Laptop Kiosk.

It is behind the Welcome Desk.
The laptop has to stay in the library, but I can use it to play games, work, check email or access the internet.

The library has a printer, copier, scanner and fax machine that I can use.

If I have questions or need help, I can ask a staff member.

**When I am ready to leave, I will
go to the Welcome Desk to
check out my items.**

A librarian will scan your library card and items,
or I can use the self-checkout machine and
scan my library card and my items.

This is where I return my materials at the library.

When it is time to return my materials, I will put them carefully in the return slot at the Welcome Desk. There is a drive-thru material return outside, and I can only return my items there if I am in a car.
