

**David L. Westol**  
**Sacred Purpose Award**

**2017/2018 Award Application**

# About Dave Westol

The award is named in honor of David L. Westol, Beta Zeta / Michigan State 1973, who has devoted a good deal of his volunteer and professional career to the health, safety, and protection of fraternity and sorority members. After graduating from Michigan State in 1973, Dave worked for his alma mater as Assistant Director of Student Activities and Advisor to Fraternities. He was admitted to the Michigan Bar in November 1979 and became an assistant prosecutor for the Office of the Prosecuting Attorney in Kalamazoo County, Michigan.

From 1975-1980, Dave served as a Regional Counselor for Theta Chi before being elected to the Grand Chapter and as National Vice President in 1980. He remained in that role for the maximum two terms in 1988. In December of that year, he was named the Fraternity's Executive Director and held that position for 18 years. Today, he is the founder, owner and CEO of Limberlost Consulting.

Westol's interfraternal career is equally impressive. He was elected to the board of directors of the Fraternal Information and Programming Group (FIPG) in 1993 and has served continuously on the board since that time. He has also served FIPG in the roles of Director of Policy Interpretation and more recently as administrator. In July 1998, he was elected to the Fraternity Executives Association (FEA) board of directors and served as president from 2002-2003. He has also served on the board of directors for HazingPrevention.org and Gamma Sigma Alpha and on the Association of Fraternal Leadership and Values (AFLV).

Dave has become a ubiquitous figure at fraternity and sorority leadership development events. He has performed his signature anti-hazing presentation "Hazing on Trial" over 1,800 times since 1981 and has spoken on more than 460 campuses and at over 300 Greek leadership events. Dave has served as a faculty member for AFLV Central and West, the Northeast Greek Leadership Association, the Southeast Interfraternity Conference and the Fraternal Risk Management Trust, (FRMT) Inc. From its first session in the early 1990s through 2010, he was a faculty member for "Risk Management on the Road," an annual workshop for women's national fraternity and sorority consultants.

In 2012, Dave was named a recipient of the North-American Interfraternity Conference's Gold Medal, the most prestigious honor in the interfraternal world. Brother Westol is one of only four Theta Chi members to have received the Gold Medal. In addition, he has received the Distinguished Service Award from Theta Chi which is the most significant honor in the Fraternity. Dave has also received three Alumni Awards from the Fraternity.
