

**DIVERSITY LEADERS  
MENTORSHIP PROGRAM**

Dear Diversity Leaders Mentee Applicant,

Thank you for your interest in the Aspire Diversity Leaders Mentorship Program! This program will run from February 2022 to November 2022. It will include a mentor relationship with an experienced professional and opportunities for professional development.

**PLEASE NOTE:**

1. While we try to match Mentors and Mentees based on shared career interests, Aspire cannot guarantee that Mentees will be matched with a Mentor in their desired career field. Other information provided by applicants, such as shared interests and places of residence, will also be used to make matches.
2. To qualify as a Diversity Leaders Mentee, you are required to be currently enrolled at a local college or university in 2022 and self-identify with a diverse population. These identifications include but are not limited to age, ethnicity, class, gender, physical abilities/qualities, race, veteran status and military service, sexual orientation, and gender expression.
3. Applying does not guarantee your acceptance as a mentee. Aspire has a comprehensive matching and screening process. Mentor and Mentee matching is based on current capacity and Mentee criteria (e.g. career aspirations, needs, hobbies, interests and residential location).
4. We carefully screen each application. Please ensure the information you provide is thorough and correct.

**Application Deadline: 1/31/2022**

**Successful Applicants Notified: 2/10/2022**
