## **RE: Letter of Recommendation**

Habersham Metal Products, Co. is pleased to highly recommend Pauly Jail Building Company as an extremely knowledgeable and respected Detention Equipment Contractor in the Correctional Industry. Pauly Jail and their team members strive to give the end user quality products and services requested, required and that will serve their practical needs into the future depending on project size and budget.

Habersham has worked with Pauly Jail over twenty years and is proud to be associated with a Detention Equipment Contractor who has had the forward thinking to assemble a team of first class correctional industry representatives, installers and venders that insure Pauly Jail's clients receive expert knowledge during the design phase with on time scheduling and quality at the construction phase. Throughout the design and construction process, Pauly Jail's attention to detail, persistence in quality and accountability from their venders coupled with a sincere drive for client satisfaction is consistently apparent from project to project. Through Pauly Jail's and Habersham's thoroughness, attitude, quick response time, and constant communication, our relationship continues to positively grow which filters to the numerous satisfied owners and repeat work year after year.

We at Habersham are proud to say that we are a Pauly Jail Building Company team member and look forward to providing our quality detention products on future projects. Please do not hesitate to contact us, if further discussion regarding Pauly Jail Building Co. is needed.

Sincerely,

Keith C. Stapleton
