KANSAS CHAPTER

REINSTALLED

DECEMBER 9, 2023

Nearly 104 years after it first became a chartered chapter of Delta Upsilon, the Kansas Chapter rejoined the Fraternity's active chapter roll when its Reinstallation Ceremony was held on Dec. 9, 2023.

Held in the Bruckmiller Room of the Adams Alumni Center at the University of Kansas, the location was the perfect backdrop for the event as décor in the building highlights the pride alumni have to be a Jayhawk—a pride Kansas Chapter alumni also have for being a DU.

More than 50 alumni and guests, including University of Kansas Chancellor Douglas Gilrod, were on hand for the Reinstallation, which also included the Initiation of 25 new brothers into the chapter.

The history of the Kansas Chapter can be traced back to 1912 with the formation of a campus society called "Kanza." With the help of Goldwin Goldsmith, *Columbia 1896*, who served KU as the head of the Department of Agriculture, Kanza successfully petitioned Delta Upsilon for membership and was chartered on Jan. 10, 1920, as the 51st chapter of Delta Upsilon.

Over the next 98 years, the Kansas Chapter became a stalwart within the Fraternity, regularly receiving DU accolades and initiating more than 1,900 men, many of whom would go on to serve as outstanding businessmen, leaders and Fraternity volunteers. However, a series of Fraternity Loss Prevention violations forced the chapter to close in 2018, two years shy of its centennial celebration.

In fall 2022, four years after the chapter's closure, the Fraternity began its expansion recruitment efforts to reestablish the Kansas Chapter. Thanks to the generous support of chapter alumni, the group quickly began to take shape and make a name for itself on campus. The Associate Chapter Ceremony was held on Nov. 12, 2022. Over the next year, the associate chapter would continue to recruit new members, move back into the chapter house, and establish a foundation for operational success. While many associate chapters can take two years or more to meet chartering requirements, the Kansas Associate Chapter did so within just one year and was officially reinstalled on Dec. 9, 2023.

According to Kenzy Rolley, *Kansas '25*, who served as Chapter President at the time of the Reinstallation, Kansas Associate Chapter members and alumni were all on the same

page regarding being able to recharter as soon as possible. Together, the undergraduates and alumni advisors worked to make that dream a reality.

“We wouldn't be who we are without our alumni support,” Rolley said. “You can really tell that our alums are focused on *Building Better Men*, and having them trust us in that vision is invaluable.”

During the Reinstallation and Initiation ceremonies, the Ritual team consisted of Delta Upsilon Executive Director Justin Kirk, *Boise State '00*, as Master; Grant Kaufman, *Kansas '92*, as Examiner; Rod Barleen, *Kansas '96*, as Chief Marshal; and Marty Kennan, *Kansas '82*, as Chaplain. Todd Slawson, *Kansas '84*, gave The Charge Address.

Slawson, a double legacy of the Kansas Chapter (father Donald Slawson, *Kansas '55*; grandfather Charles Slawson, *Kansas 1920*, who was an original charter member of the Kansas Chapter) spoke of the chapter's storied history, its future, and the pride all Kansas Chapter alumni have in seeing the chapter's charter restored. In fact, many of the alumni in attendance were overcome with emotion as a symbolic charter was presented back to the chapter during the event.

Rolley and the other Kansas undergraduates share the alumni's excitement for the future.

“I see the Kansas DUs becoming the strong chapter it once was on campus,” Rolley said. “Through hard work and determination, with increasing social connections and academics, we will be right where we belong as one of the flagship chapters at KU and within DU.”

As is customary with all Reinstallations and new Installations, the Kansas Chapter will receive its official new charter during the 2024 Leadership Institute in Atlanta, held Aug. 2-4.

1: Kansas Chapter alumni and undergraduates gathered for a photo following the Reinstallation Ceremony.

2: Todd Slawson, *Kansas '84*, gave The Charge Address.

3: A symbolic charter was presented to the chapter. The new, official charter will be presented at the 2024 Leadership Institute.

150 YEARS

OF SYRACUSE DELTA UPSILON

4

As one of Delta Upsilon's Four Founding Principles, The Promotion of Friendship is perhaps the most pure and fundamental value we hold. College friendships turn into lifelong relationships, and the shared experience of being a DU unites men from across generations. This is the case for all Delta Upsilon chapters, and it has been evident in the Syracuse Chapter for 150 years.

The weekend of Oct. 6-8, 2023, the Syracuse Chapter celebrated its brotherhood with a 150th anniversary celebration that welcomed more than 120 brothers to campus.

Delta Upsilon's 22nd chapter was first installed on Nov. 14, 1873, and was one of the first fraternities at Syracuse. (In 1871, Delta Kappa Epsilon became the first fraternity at Syracuse.) The chapter stood for 98 years before closing in 1971. It would reopen in 1976 for another 20 years before closing again in 1996; and it would reopen once again with its latest Reinstallation Ceremony held on Jan. 27, 2018.

Whether the chapter has been open or closed, the Syracuse alumni have always been keen to keep the bonds of brotherhood alive. The alumni chapter has remained one of Delta Upsilon's strongest for decades, even earning the Fraternity's Outstanding Alumni Chapter Award in 2018. So it came as no surprise that the alumni would plan a large scale anniversary reunion to honor the chapter's sesquicentennial.

Talks of a celebration began in January 2023 during an alumni chapter call attended by 95 alumni. Keeping the

Syracuse football schedule in mind, plans truly began to take shape after a date was chosen that would avoid the logistical challenges of hosting an event on a weekend with a home game. From that point on, alumni were kept abreast of plans via regular emails, social media posts and the chapter's newsletter, The Bazoo.

A welcome reception was hosted at the chapter house on Friday evening, Oct. 6, where alumni had the opportunity to connect with undergraduates before hitting the town and favorite Syracuse establishments. On Saturday, the Dikaia Foundation Board, which annually grants more than \$25,000 to undergraduate brothers, hosted a meeting and visited Bird Library to explore its archive of Delta Upsilon memorabilia. Later that day, a golf tournament was held at Drumlins Country Club, and a football viewing party was held at Faegans. Finally, a gala at the Collegian Hotel & Suites was held Saturday evening with speeches, stories and laughter. The weekend ended with brunch at the Sheraton Syracuse University Hotel & Conference Center.

"The 150-year celebration was more than a commemoration of the past; it was a testament to the enduring bonds of brotherhood," said Andrew Schirmer, *Syracuse '84*. "These enduring relationships enrich the fabric of our Fraternity and contribute to its vibrancy."

The planning committee was led by Mark "Minty" Linnan, *Syracuse '85*, and included Mateo Diaz, *Syracuse '17*; Vinny DiPaola, *Syracuse '18*; Rick Holland, *Syracuse '83*; Ken Hyman, *Syracuse '88*; and ET Tecosky, *Syracuse '91*.

SYRACUSE UNIVERSITY FAST FACTS

- Founded in 1870
- 200 majors, 100 minors and 200 advanced degree programs.
- Undergraduate enrollment: 15,000+
- Graduate enrollment: 6,000+
- School color: Orange
- Mascot: Otto the Orange
- 59 Greek-letter organizations currently on campus
 - 16 IFC fraternities

SYRACUSE CHAPTER FAST FACTS

- Established Nov. 14, 1873
- Delta Upsilon's 22nd chapter
- 2nd oldest fraternity at Syracuse that is currently open
- 7th oldest open Delta Upsilon chapter
- 106 current members
(as of April 17, 2024)

Prominent Alumni

- Stephen Crane, *Lafayette and Syracuse 1894* (Author of "The Red Badge of Courage")
- Jim Boeheim, Jr., *Syracuse '66* (Syracuse men's basketball head coach 1976-2023)
- Anthony J. Moffat, Jr., *Syracuse '66* (US Congressman for Connecticut 1975-1983)
- Melvin A. Eggers, *Syracuse '76* (Chancellor of Syracuse University 1971-1991)
- Thomas W. Darling, *Syracuse '81* (1984 Olympic silver medalist in crew)
- Pete Yorn, *Syracuse '96* (Singer, Songwriter)

EXPANSION NEWS

2023-2024

VIRGINIA TECH UNIVERSITY

Blacksburg, Virginia

Original Charter Date: March 5, 1983

Expansion efforts to reestablish the Virginia Tech Chapter began in August 2023, with DU Leadership Consultant Tommy Valenti, *Boise State '22*, leading the efforts.

The chapter originally chartered in 1983 and closed in 2013.

The group held its Associate Chapter Ceremony on Nov. 8, 2023, and continues to recruit new members and work toward chartering requirements. The Virginia Tech Associate Chapter has 21 associate members as of April 9, 2024.

UNIVERSITY OF WASHINGTON

Seattle, Washington

Original Charter Date: Dec. 9, 1910

Delta Upsilon began expansion efforts at the University of Washington in late September 2023, with DU Leadership Consultant Russell Briggs, *Boise State '23*, leading the efforts.

The chapter originally chartered in 1910 and closed in 2018.

As of April 9, 2024, the group has eight associate members. Working closely with the Washington Chapter alumni, recruitment efforts continue, and alumni have established an academic scholarship program for potential new members, as well as scholarships to cover joining fees for anyone who joins the associate chapter this academic year.

IDAHO STATE UNIVERSITY

Pocatello, Idaho

NEW CHAPTER!

During the fall 2023 semester, an interest group at Idaho State University approached Delta Upsilon about affiliating with the International Fraternity. In late fall 2023 and early spring 2024, DU staff met with the interest group and officially started an expansion project on campus.

Throughout the spring term, staff has continued to work with the group to recruit additional new members, gain campus recognition, identify chapter advisors and more. As of April 9, 2024, the group has 17 associate members.

Virginia Tech Associate Chapter members took part in the Associate Chapter Ceremony on Nov. 8, 2023, marking DU's official return to Virginia Tech University.

If you are interested in learning more about any of Delta Upsilon's current and future expansions, including how to become a volunteer or recommend a student for membership, contact ihq@deltau.org.

CHAPTER NEWS

*Reflects submissions to the *DU Quarterly* by the Jan. 15 deadline.
Submit news anytime at deltau.org/du-quarterly-chapter-news-submission-form.

ALBERTA

In November, the Alberta Chapter hosted its annual MS Bike-a-thon, which raised more than \$2,000 for the battle against multiple sclerosis. While chapter members pedaled their bikes for MS, other chapter members stayed in the room with them, watching movies and playing video games as they showed their support.

The chapter was also excited to welcome nine new brothers into the chapter, although the frigid winter weather forced Rite II to be postponed until the second week of January. Brother Romulus Rhoad, *Alberta '25*, received the University of Alberta Opportunities Award, securing \$3,000 in recognition of his outstanding service and leadership within the fraternity/sorority community.

ARLINGTON

The Arlington Chapter appreciates the partnerships it creates within the campus community. On Oct. 3, the chapter assisted the UT Arlington Police Department with its National Night Out. The event is designed to heighten prevention efforts, support anti-crime programs, and strengthen community partnerships. The chapter members helped to set up and clean up the event. Then, on Oct. 17, the chapter hosted a Faculty and Staff Appreciation Lunch to honor professors and campus staff for their dedication. On Nov. 18, the chapter worked with the UTA MAPS Pre-Med Organization to assist the unhoused population in Houston by providing sandwiches, blankets and gloves to those in need.

Arlington Chapter

CHRISTOPHER NEWPORT

The Christopher Newport Chapter had a busy fall term. The chapter hosted three different philanthropy events, including a cornhole tournament that hosted 10 teams representing different sororities, fraternities and non-Greek campus organizations. During the Night For Life event, the chapter hosted guest speakers who told their stories of overcoming mental health struggles and raised money for the American Foundation for Suicide Prevention and the Austin Germani Memorial Foundation. Chapter brothers also participated in multiple philanthropy events for other campus organizations, which included winning second place for Zeta Tau Alpha's Big Man on Campus and second place in the IFC Greek Olympics.

The chapter congratulates Brother AJ Muir, *Christopher Newport '24*, on breaking 19 records with the CNU Swim Club and now holding all of the individual records for the program. Brother Collin Stone, *Christopher Newport '25*, presented his research in Robotics and Deep Learning Algorithm at a campus-wide tabling, and former Chapter President Drew Bogan, *Christopher Newport '24*, accepted a job with a contracting company with the U.S. Department of Defense.

Christopher Newport Chapter

Embry-Riddle Chapter

CLARKSON

This fall, Clarkson Chapter members put their work ethics on display, racking up more than 20 service hours each. Brothers volunteered at events like the Colleges Against Cancer 5K. Two brothers also ran for executive board positions with the Clarkson chapter of the American Cancer Society. The chapter raised more than \$500 for the Global Service Initiative by selling pumpkin spice muffins and holiday candles.

EMBRY-RIDDLE

The Embry-Riddle Chapter had its largest Initiation class since the COVID-19 pandemic began, with bids extended to nine new members, and seven making it to Initiation. With this group, the chapter doubled its size and is excited to see what these men bring to Delta Upsilon.

Clarkson Chapter

FLORIDA

Every week, the Florida Chapter brothers volunteer with the Campus Christian House to make meals for the unhoused community in Gainesville. The men pack bags of peanut butter and jelly sandwiches, bananas, chips, and water. On the philanthropy front, this fall, the chapter partnered with Jeremiah's Italian Ice to raise money for the Global Service Initiative.

The chapter was honored to welcome alumni back to campus for Homecoming when the chapter's chef catered barbeque and undergraduates and alumni had the opportunity to connect. The chapter also welcomed six new brothers into the chapter.

Florida Chapter

IONA IONA

Iona Chapter members were in the giving spirit this holiday season. The chapter participated in Operation Blue Santa, which collects toys and gives them to those less fortunate on Christmas. The chapter was also involved in a clothing drive for those who had lost everything in a Bronx building fire.

In the fall, the chapter's Vice President of External Relations put together a panel discussion at LaPenta School of Business for a Greek Life Alumni event.

KANSAS STATE

Philanthropy remains a top priority for the Kansas State Chapter year after year. This fall, the chapter hosted its annual Delta Hoopsilon basketball tournament for sororities on campus, with Gamma Phi Beta taking home the win. The men also hosted a joint philanthropy event with Delta Sigma Phi called Delta Olympics where sororities competed in various events throughout the week and joined the chapters for a cookout at the week's end. The chapter's annual Pancake Fest philanthropy continues to be one of its highest earning events and was co-hosted with Pi Beta Phi.

The Kansas State Chapter congratulates the 27 new brothers initiated in the fall, as well as Brother Andrew Bergmeier, *Kansas State '25*, who was elected by the student body as one of two Student Ambassadors for the university.

LAFAYETTE

The Lafayette Chapter was featured in the campus newspaper this fall for its efforts to raise money for mental health awareness.

Since 2017 when Brother Joey Towers, *Lafayette '18*, died by suicide, the chapter members have been participating in the Movember campaign that finds the brothers raising money for growing mustaches. This November, the chapter raised \$1,200 for the Movember men's health organization. As part of their fundraising efforts, the members hosted a bake sale with Kappa Kappa Gamma, and it also hosted an educational event with Peer Anti-Violence Educators to host a television screening event and discuss toxic masculinity. This spring, the chapter will host its annual Joey Day, a bike-a-thon named for Brother Towers that also raises money for mental health awareness.

LEHIGH

The Lehigh Chapter has created a partnership with Broughal Middle School where chapter members assist with Snack Bag donations and after school Homework

Hour. In addition to this service, the chapter has raised money for various foundations with events like a volleyball game and trivia tournament. Brothers have also participated in several sorority-hosted philanthropy events such as Alpha Phi's Heartthrob Competition, Kappa Delta's So You Think You Kan Dance, and Gamma Phi Beta's moonball event.

Iona Chapter

Oregon State Expansion

LOYOLA MARYMOUNT

This fall, the Loyola Marymount Associate Chapter focused on service, recruitment and campus involvement. The brothers averaged 24.2 service hours each on the semester thanks to a partnership with Share A Meal,

a local nonprofit, where brothers made sandwiches for those facing hunger in the community. Several members also serve with campus organizations that host blood drives and assist the unhoused population.

The associate chapter boasted an average GPA of 3.5 in the fall, with a number of brothers being named to the Dean's List.

MICHIGAN

The Michigan Chapter has embraced the spirit of philanthropy by launching a meaningful campaign to raise funds for cancer research. The chapter has organized various events and initiatives, ranging from charity walks to virtual fundraisers, with an inspiring response from chapter members and the broader community. In addition to its philanthropic efforts, the chapter has focused on building brotherhood through a series of events ranging from friendly sports competitions and game nights to community service projects.

MISSOURI

The Missouri Chapter was paired with Gamma Phi Beta for Homecoming this fall and participated in community service events, a canned goods drive, a skit and dance competition, campus decorations, and more throughout the week. The chapter was also proud to welcome its 36 new members into the chapter.

NEBRASKA

The fall term was busy for the Nebraska Chapter. The weekend of Oct. 6-8, 2023, the chapter hosted Parent's Weekend and welcomed members' families at the chapter house. The Parent's Club co-hosted the event that featured a cookout, cornhole tournament, and tickets to the Nebraska vs. Illinois football game at Memorial Stadium. During Homecoming, the chapter celebrated its 125th anniversary on campus, which is the longest consecutive tenure at the University of Nebraska-Lincoln.

Chapter members were proud to welcome 28 new brothers into the chapter and to have raised its chapter average GPA to 3.4, placing DU in the top for fraternities on campus.

NORTH DAKOTA

The North Dakota Chapter is the proud recipient of multiple campus Greek Life awards. The chapter won the Chapter Excellence Award in both the fall and spring, the Excellence in Leadership Development Award, Outstanding Chapter Award, and Greek Excellence in Citizenship Award. Former President Taylor Flaata, *North Dakota '24*, also won the Outstanding Chapter President Award for 2023.

The chapter has welcomed 12 new brothers this year, with eight men joining during fall recruitment, and four during spring recruitment.

OREGON STATE

Delta Upsilon is excited to be back at Oregon State University. Expansion recruitment efforts began in spring 2023, and this fall, the group held its first formal recruitment and stands at 11 members. Work continues on renovations and inspections for the chapter house, so while the members cannot live in the facility yet, they have been able to use the outdoor parts of the facility and regularly play basketball with one another and other fraternities. The new group is proud to boast a 3.56 GPA for spring 2023 and a 3.39 GPA for fall 2023.

Purdue Chapter

South Carolina Chapter

PURDUE

The Purdue Chapter participated in Health and Safety Week this fall, a week-long educational effort for Purdue fraternity/sorority life to learn more about keeping everyone's mental and physical well-being in good shape. The chapter also hosted guest speakers from Purdue's CARE and CAPS groups, as well as local law enforcement.

This fall, brothers completed a minimum of eight service hours each through projects like building homes with Habitat for Humanity, winterizing homes in the community and working with dogs at a local animal shelter.

RUTGERS

This past fall semester, the Rutgers Chapter participated in Rutgers' annual Greek Service Week. More than 70 campus fraternities and sororities participate each year, and Delta Upsilon was proud to become the Greek Service Week champions. The chapter collectively earned over 300 points, more than any other fraternity or sorority on campus. Events included creating snack and hygiene packs for the local food pantry, participating in food and blood drives, and sending members to partnered restaurants on campus to raise money for the Embrace Kids Foundation. By the end of the week, DU brothers collectively attained over 100 service hours and claimed the title of Greek Service Week champions.

SAN DIEGO STATE

The San Diego State Chapter held a philanthropy concert benefitting the Global Service Initiative. The chapter hosted three separate bands, each of which had their own unique style. One of the bands, StillWall, includes DU brothers Connor O'Toole, *San Diego State '26*, and Brendan Barry-Owen, *San Diego State '24*. Each band performed for about half an hour, and between sets, the chapter had the opportunity to explain GSI and ask for donations toward the cause. Throughout the venue, the chapter had posters that further explained GSI, as well as highlighted the talented bands performing that night.

Another big event for the San Diego State Chapter is its annual Homecoming celebration. More than 150 undergraduates, alumni and friends were in attendance for the tailgate. This year was made more special with Homecoming falling on DU's Founders Day.

SOUTH CAROLINA

The South Carolina Chapter continues to assist one of its Founding Fathers, Terry Schmoyer, *South Carolina '88*, who regularly hosts charity events for the American Heart Association. This fall, all chapter brothers helped Terry hold his Luminary Event at Columbia High School, as well as a field day at Spring Valley Middle School.

The chapter also hosted a Building Better Men Retreat with the International Fraternity where brothers focused on the values of brotherhood, defining success and leadership, action planning, and more. This helped all brothers, including the 28 new members, commit to Delta Upsilon. The chapter also wants to congratulate Wilson Bumgarner, *South Carolina '24*, on winning the intramural tennis singles championship.

TORONTO

The Toronto Chapter continues to maintain its relationship with the community by partaking in philanthropy events with sororities, and it was proud to have finished second in Gamma Phi Beta's volleyball tournament philanthropy. In the winter semester, DU produced an astounding 6-0 Victory against Victoria College to open the UofT's intramural soccer tournament. The chapter also hosted its annual Christmas Formal on Dec. 7.

WESTERN ILLINOIS

The Western Illinois Chapter once again hosted its Haunted Trail philanthropy event to raise money for the Global Service Initiative. In addition to the haunted house and trail, the chapter sold more than 150 crewneck sweatshirts and T-shirts for the event. In total, the chapter raised more than \$1,300. The event's success was thanks in part to a newly created philanthropy committee. Instead of having just one person in charge of planning, the new committee has generated new ideas and shared the workload for all philanthropic efforts.

Brothers are proud of their successful Homecoming efforts. Paired with Sigma Sigma Sigma, the group placed second overall and first in the Boat Regatta and Yell Like Hell events.

WESTERN RESERVE

This fall, the Western Reserve Chapter hosted another successful Chocolate Chips for Change fundraiser where brothers make chocolate chip cookies to sell throughout campus to raise money for the Global Service Initiative. Brothers spent the week before the event advertising in many of the large classes, as well as by posting flyers. Over the weekend, the chapter then got together to make cookies from scratch and fill all of the orders received. The chapter ended up selling more than 1,000 handmade cookies.

Western Reserve Chapter

Western Illinois Chapter

WICHITA

This year, the Wichita Chapter hosted its 11th annual Teeter-a-Thon, a 24-hour teeter-tottering experience aimed at raising money for the Global Service Initiative.

Participants were allowed to purchase water balloons to throw at the President during the last hour of the event. The chapter partnered with Alpha Phi Alpha, becoming the first IFC chapter at Wichita State to collaborate with an NPHC chapter.

The chapter took first place in the campus SongFest competition, a lip-sync and dance competition organized by the Student Engagement, Advocacy, and Leadership (SEAL) Office. The brothers took home the gold, showcasing their dancing and lip-syncing talents to popular country songs from the 1980s.

Wichita Chapter

ALUMNI NEWS

ARKANSAS

In January 2024, Brother Matt Zimmerman, *Arkansas '90*, was named Arkansas Sportscaster of the Year by the National Sports Media Association. Since 2015, Zimmerman has been calling University of Arkansas Razorback basketball games, and he has co-hosted *The Razorback Daily* podcast since 2021.

As a student, Zimmerman served as a student manager for the Razorbacks and began his coaching career after graduation. After coaching at the high school level, he spent 16 years in college basketball as an assistant coach under Mike Anderson, with stops at University of Alabama, Birmingham and Missouri, before returning to Arkansas in 2011. His broadcasting career began in 2015 while still serving on the men's basketball coaching staff as Director of Basketball Operations. Zimmerman's role with the Razorback Sports Network expanded in 2020 when he joined Arkansas football broadcasts as part of the pre-game show. He also serves as an analyst on the SEC Network+ broadcasts of Razorback women's basketball.

"Congratulations to our own Matt Zimmerman on being recognized as the Arkansas Sportscaster of the Year," Director of Athletics Hunter Yurachek said via press release. "Coach Z brings a unique broadcasting style to our fans that blends his knowledge for the game with his historical perspective of Arkansas Athletics. Most of all, it is his passion for our state and our program that shines through as he helps link Arkansans to their beloved Razorbacks."

Photo from arkansasrazorbacks.com

CALIFORNIA

In November, the California Alumni Chapter hosted its first alumni dinner in three years. The alumni have also assisted the undergraduate chapter in constructing elevated beds in the chapter facility to meet city requirements, added a "Snack Room" next to the kitchen, and improved the library.

ILLINOIS

Brother Kim Cox, *Illinois '76*, has several notable items on his resumé, including attorney, Chair of the California Presidential Electoral College in 1996, Judge Pro Tem. of the San Diego County Superior Court, and even part-time DJ on the award-winning jazz station KSDS-FM. He can now add "author" to the list.

Brother Cox recently published "I Remain, As Ever, Your Kinsman," a book of his ancestors' letters regarding their participation in the Gold Rush and Civil War. The book can be purchased on Amazon.

MICHIGAN STATE

Friendships made in Delta Upsilon are lifelong, and brothers of the Michigan State Chapter prove it. This winter, Brothers Jack Gatlin, *Michigan State '71*; Floyd Sims, *Michigan State '71*; Mike King, *Michigan State '71*; and Steve Flanders, *Michigan State '71*; traveled to Charleston, South Carolina with their spouses (Kathy Gatlin, Margie Sims, Sally Flanders, and Colleen King) to celebrate more than 50 years of friendship.

NORTH CAROLINA

Congratulations to Brother Mark Prakke, *North Carolina '87*, who was presented with the Fraternity's Founders Medal on Oct.

24, 2023, during the Fraternity's alumni reception in Raleigh, North Carolina. The Founders Medal recognizes DU alumni and volunteers for their support above and beyond the bonds of brotherhood. Previous Founders Medal recipient Fred Atkins, Jr., *North Carolina '67*, was also in attendance.

NORTH DAKOTA

Congratulations to Brother Derek Dunham, *North Dakota '89*, on being named president

of Varsity, a marketing agency aimed at senior services. In his new position, Brother Dunham will lead day-to-day operations of the company in support of its national footprint and expanding client base.

Dunham is an 18-year veteran of Pavone Group, of which Varsity is a subsidiary, and has been a leader at Varsity since the agency was founded. For Dunham, the new role is an opportunity to lead clients as they transition to the next wave of retirees and their ever changing expectations.

NORTHERN IOWA

Brother Matthew Getz, *Northern Iowa '03*, was recently named president of the Iowa Heartlanders, the ECHL affiliate

of the Minnesota Wild and Iowa Wild hockey teams. Getz brings nearly two decades of sales, advertising and marketing experience to the team and joins the Heartlanders after spending the last five years with the Accel Group in eastern Iowa. Prior to his time with the Accel Group, Getz spent 11 years working for the University of Iowa Athletics Department in event and project management.

NORTHERN ILLINOIS

Brian Troutman, *Northern Illinois '15*, received an Emmy for Outstanding Achievement for Politics/Government News in recognition for his work as a

producer for WCIU's news program "On the Block." His award-winning piece was "Suburban Shift: DuPage County's Changing Politics."

According to Brother Rick Young, *Northern Illinois '16*, who submitted the news to the *DU Quarterly*, "Brian's achievement not only showcases his professional excellence but also reflects the foundational values instilled in him during his time with Delta Upsilon. His success in fostering understanding and informing the public aligns perfectly with the fraternity's commitment to the diffusion of liberal culture and the advancement of justice."

OKLAHOMA

Dr. William A. Hamilton, *Oklahoma '58*, was recently inducted into the Colorado Authors' Hall of Fame. Over the years, he has published numerous newspaper

articles, as well as multiple espionage novels with his wife, Penny. Brother Hamilton's distinguished career has also led him to be named to the Colorado Aviation Hall of Fame, Nebraska Aviation Hall of Fame, Oklahoma Journalism Hall of Fame, and Oklahoma Military Foundation Hall of Fame. In honor of his work, the Colorado House of Representatives recognized him in August 2023 during a black-tie ceremony.

Photo of Drs. Penny and Bill Hamilton by Ashography

SOUTH CAROLINA

Alumni of the South Carolina Chapter gathered to celebrate the chapter's 40th anniversary. In total, more than 30 people attended the event, including a dozen of the chapter's original Founding Fathers. This photo was taken in front of the McKissick Building in the historic horseshoe on campus.

Congratulations to Brother Don Weaver, *South Carolina* '85, who, on Nov. 8, 2023, won the race for Richland County Council in District 6. Brother Weaver secured 56 percent of the vote and joins the 11-member council.

WESTERN ONTARIO

The Western Ontario Chapter and its alumni are gearing up for the chapter's 100th anniversary. The unofficial start to the planning phase took place on Sept. 23, 2023—as a part of Homecoming Weekend—with a ribbon cutting ceremony to announce the reconstruction of the front porch of the chapter house, which was built in 1895 and has historical designation. Peter Langeman, *Western Ontario* '86, prepared hor d'oeuvres and sandwiches for all in attendance.

2026 will mark the 100th anniversary of the chapter at Western University, and 2031 will mark the centennial of the chapter becoming a part of Delta Upsilon. Cam Brohman, *Western Ontario* '72, is spearheading the celebrations and had the following to say:

"We often hear that everyone loves a comeback story. To triumph over adversity, to refuse to give up when everything looks lost or simply sacrificing for an ideal, we humans love to see ordinary people rise up to do the extraordinary in a crisis. The Delta Upsilon brotherhood at Western University has such a story to tell. In a time when fraternities are struggling with complex social change our young men need the strength and experience that comes from those who are further along the path of life.

"In the case of DU Western, a period of serious decline had diminished the active membership, bankrupted the house to the point of a foreclosure and imminent loss of the chapter property. This nearly one hundred-year-old fraternity was about to become extinct. Then the situation was reversed by a few alumni who acted quickly and definitively. They formed a Legacy Group to eliminate all outstanding debt on the house and to finance the complete renovation of the house. DU is now among the most sought after student housing at Western. As a result of the resurrection of our beloved old DU house the active membership is also growing steadily. We're back!

"But the most impressive result of these actions has been the restoration of the bond between active undergraduate men and an alumni network spanning decades, who are rediscovering the priceless asset of belonging to the DU brotherhood. As this bond evolves we begin to feel the energy that a living brotherhood is capable of generating. We are inspired to be part of events that demonstrate the power of brotherly love to overcome all obstacles. We celebrated this modest victory at Homecoming '23. As we approach our centennial in a few years time, we also vow to never again allow our DU Western Chapter to forget this truth."

Nicholas Giorgianni

Kent State '56

Brother Nicholas Giorgianni, *Kent State '56*, passed away on Jan. 26, 2024, just two days shy of his 90th birthday.

Born on Jan. 28, 1934, to Frank and Mary Giorgianni, Nick was an alumnus of John Adams High School and Kent State University. He served in the U.S. Army before beginning his career, which was primarily with the companies Sohio and BP America.

Since his Initiation, Delta Upsilon held a warm place in Brother Giorgianni's heart. He served on the Delta Upsilon International Fraternity Board of Directors from 1991-1994 and received the DU's Founders Medal in 2005 for his dedication to the International Fraternity and the Kent State Chapter.

Brother Giorgianni is survived by his wife Alda; son Mark, *Kent State '91*, daughter Lisa, and son Paul.

Upon hearing of his passing, many DU brothers left notes on Brother Giorgianni's obituary webpage. One such note from Jeff Yingling, *Kent State '91*, touched on the impact Nick had on so many. "Mr. Giorgianni was such a great role model for those of us in Delta Upsilon at Kent State University. You could tell the joy he had with helping his son Mark and all of us experience the brotherhood that he treasured so much. Thank you so much Mr. Giorgianni for helping us become better versions of ourselves!"

Elmer Lee Musil

Kansas State '71

Brother Elmer Lee Musil, *Kansas State '71*, passed away on Jan. 25, 2024. Born on Sept. 22, 1949, he spent his life as a farmer, cattleman, seedsman, journalist and community leader.

Brother Musil earned bachelor's and master's degrees in agricultural journalism from Kansas State while serving in the ROTC and member of the freshman cross country and track team.

Lee was an avid supporter of Delta Upsilon, serving as a member of the Kansas State Alumni Corporation for many years, as well as the longtime editor of the Kansas State Chapter's alumni magazine, *The Avenger*. He and his wife, Carolyn, also endowed the Rural Education Scholarship through the Delta Upsilon Educational Foundation to support K-State DUs coming from rural areas. Upon his passing, this fund was merged with a gift honoring Brother Glenn Mull, *Kansas State '73*, and is now known as the Musil-Mull Legacy Scholarship with the dual intention of recruiting men from rural areas into the chapter and providing the Kansas State Chapter with scholarships to DU educational programs.

Brother Musil's wife, Carolyn, passed away two months following his death. The couple is survived by their son Richard, and grandchildren Conner and Briezlyn.

"Lee's life and actions personify Delta Upsilon's Four Founding Principles of Friendship, Character, Culture and Justice" said Frank York, *Kansas State '71*. "Lee took great pride utilizing his journalism degree with his work on *The Avenger*, which highlighted not only the undergraduate news, but also stories of alumni brothers' successes. Alumni always looked forward to Lee's publications. Lee was a strong proponent for Delta Upsilon's mission of *Building Better Men*, creating a culture and legacy of excellence through personal example."

Benjamin Walkingstick

Oklahoma '52

Brother Benjamin Walkingstick, *Oklahoma '52*, passed away on Dec. 27, 2023, leaving behind a legacy of success, charity and civic duty.

Born on Oct. 29, 1930, Brother Walkingstick graduated from the University of Oklahoma with a degree in business before serving two years in the U.S. Air Force. In 1963, he began a 60-year career in banking, eventually taking helm of Union National Bank, one of the oldest banks in the state of Oklahoma. He also started multiple other businesses, including insurance agencies and realty groups.

Fiercely proud of his Cherokee heritage, Brother Walkingstick named his cattle ranch Cherokee Farms and was a supporter of Seminole State College, where he served eight years on the Board of Regents (including one year as president), created a scholarship, and sponsored the construction of a new student union. He has also donated millions of dollars to his alma mater and served eight years on the board of Prince Business College at OU.

He is survived by his wife Bonnie, four children, 12 grandchildren, 20 great-grandchildren, and two great-great grandchildren.

Brother Walkingstick received Delta Upsilon's highest honor, the Distinguished Delta Upsilon Award, in 2003 and was a generous supporter of the Oklahoma Chapter. Those across Oklahoma and within Delta Upsilon remember him with fondness.

"Generosity goes beyond monetary gifts. It encompasses kindness and the impact one makes on other people's lives," said International Fraternity Board Member Tim Dowd, *Oklahoma '75*. "Ben's time and his financial gifts have had a major impact on the Oklahoma Chapter and created positive ripples in the lives of the numerous men who came through the chapter. Whenever the Oklahoma Chapter needed help, Ben was always willing to help. He was truly dedicated to DU."

John Weisel

Oregon '48

Brother John Weisel, *Oregon '48*, passed away on Dec. 2, 2023, at the age of 97. Born on June 27, 1926, he led a distinguished career as an ophthalmologist.

Dr. Weisel received his bachelor's and medical degrees from the University of Oregon and joined the staff of Medical Eye Center in the late 1950s. He was an early pioneer in cataract removal and lens implantation, and his work contributed to the approval of the intraocular lens by the FDA. Dr. Weisel traveled the world lecturing to other doctors and teaching them to perform the delicate surgery of removing cataract-damaged lenses and replacing them with plastic ones. He was a Fellow of the American College of Surgeons.

Dr. Weisel was a long-time supporter and volunteer with Delta Upsilon. In addition to his support of the Oregon Chapter, he served as an Alumni Director on the International Fraternity Board of Directors from 1991-1995 and on the Educational Foundations Board of Trustees from 1999 to the time of his death. In 2009, he received the Distinguished Delta Upsilon Award, the highest award the Fraternity presents to an alumnus.

"John's kindhearted presence on both the DUIF and DUEF Boards stemmed from his positive undergraduate experience and his fervent desire to make DU even stronger for future generations," said Craig Franz, *Bucknell '75*, current Vice-Chairman of the DU Educational Foundation and past Chairman of the International Fraternity. "In those meetings, he was a steady, solid, and effective advocate for strengthening undergraduate programs."

IGNITE THE CHARGE EYES HISTORIC GOAL

Thanks to Delta Upsilon alumni, undergraduates, parents and friends, the **Ignite The Charge Campaign** is marching closer to its \$6 million goal. The campaign will officially end on Saturday, Aug. 3, 2024, at the Leadership Institute in Atlanta, so there is still time for more supporters to step forward and help the Fraternity make a record investment in our future. Below are just a few ways the Ignite The Charge Campaign is making a positive impact on our Fraternity this academic year.

**\$5.72
MILLION**

Campaign Gifts
and Pledges
as of 4/1/2024

CAMPAIGN IMPACT — 2023-2024

60 undergraduates have or will receive scholarships to the James Graham DU Emerging Leaders Experience in 2024, which is double the amount from before the campaign began.

402 undergraduates attended the Presidents Academy and Regional Leadership Academies this winter, including 69 students who received a new program scholarship thanks to the campaign.

31 DU Chapters will experience a customized Building Better Men Retreat this year thanks to Campaign donors, which is more than double the amount before the start of the campaign.

*Our past is secure;
our future depends on our vigilance.*

San Diego State Chapter Building Better Men Retreat

CAMPAIGN CONTINUES GROWING CHAPTER ENDOWMENTS

The Ignite The Charge Campaign offers DU alumni a unique opportunity to provide endowment gifts that directly support the educational program needs of their respective chapters. Supporting a Chapter Legacy Plan (CLP) or establishing a chapter preferred endowment fund (\$25,000 minimum pledge) are the two ways campaign donors are providing ongoing educational programming for the officers, advisors and future leaders at the local chapter level. Below is a list of the top chapters that have seen significant increases in endowment funding thanks to the Ignite The Charge Campaign.

GROWTH IN CHAPTER ENDOWMENTS			
JULY 1, 2021 - APRIL 1, 2024*			
San Diego State	\$252,500	Kansas	\$30,000
Nebraska	\$236,868	Iowa	\$25,125
Kansas State	\$177,706	Oklahoma	\$25,000
Missouri	\$169,125	Rochester	\$25,000
Florida	\$118,512	Lafayette	\$16,000
Miami	\$74,188	North Carolina	\$12,500
Purdue	\$58,040	Louisville	\$10,920
Iowa State	\$47,500	Rutgers	\$10,900
Carthage	\$41,518

REVEALING THE NON-SECRETS

JOIN THE HERITAGE CIRCLE TO SECURE AN AUTOGRAPHED COPY OF THE NEWLY PUBLISHED 3RD EDITION!

Delta Upsilon's volunteer Historian, Craig Sowell, *Houston '92*, has published an updated 3rd edition of "Revealing the Non-Secrets." This wonderful book covers the history of Delta Upsilon's founding and highlights the young men who started our brotherhood at Williams College in 1834. The new edition includes updated biographical information and newly discovered details on the final resting places for the last two Founders whose burial locations were previously a mystery.

A limited number of copies of the new edition have been signed by the author and will be given to anyone who joins the Heritage Circle—Delta Upsilon's estate giving society.

Heritage Circle commitments can also help the Fraternity surpass the \$6 million goal of the Ignite The Charge Campaign, but new estate gifts must be documented by Aug. 1, 2024.

SECURE YOUR SIGNED COPY TODAY AT
