Re: Letter of Recommendation  
Saginaw Co., MI Detention Center

To Whom It May Concern,

We take pleasure in this opportunity to recommend Mr. Pohrer's excellent company Pauly Jail, which served as Detention Equipment Contractor (DEC) on this highly successful project.

They met every budgetary and scheduling challenge with a meticulous, well-researched approach, resulting in virtually no change-orders and a timely, workmanlike installation: Their entire Project Management Staff is highly-experienced and anticipated every aspect of this 511-Bed facility very well.

Please don't hesitate to call our Office with questions or for additional information on this outstanding company.

Sincerely,
