Family Tree and Memory Quilt

Family Tree

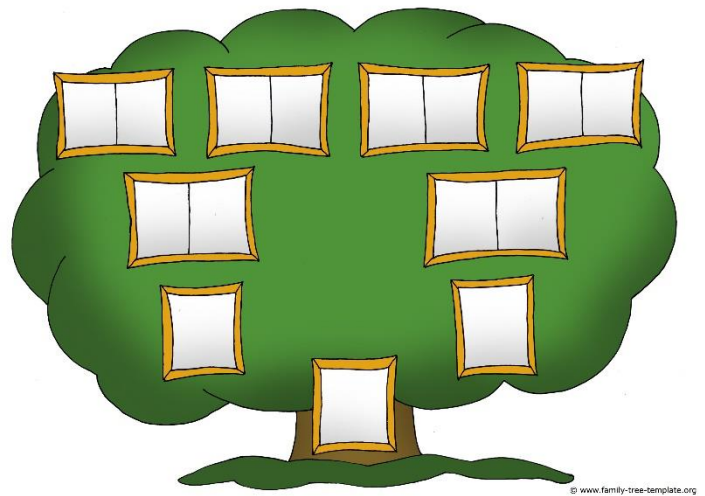

Fill out your own family tree.

Interview Your Family

Ask your parents these questions about your family.

- How did I get my name?
- What was your favorite game when you were my age?
- What books did you like to read?
- Tell me a story about you when you were little.
- Where were my Grandparents born?
- Did you know your Grandparents?
- What did you call your Grandparents?
- Tell me a funny story about our family.
- Who has lived the longest in our family?

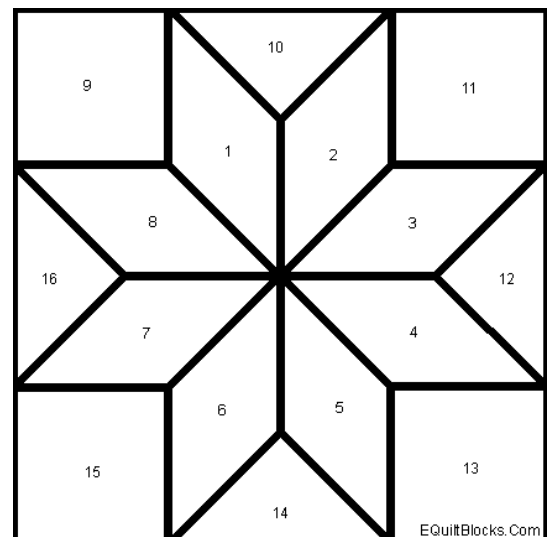

My Family Tree

Memory Quilt Booklet

Create a booklet full of memories about members of your family. Each number on the quilt will correspond with a family member from your family tree.

- You can use crayons, markers or scrapbook paper to make your quilt block
- For each person's memory page use the questions for the Family Tree Activity to get started
- Ask your family member to write a letter for your Memory Quilt Booklet for you as a keepsake
- Don't forget to include your Family Tree and pictures
