Train with two of the most successful clubs in the Midwest this summer at Cornerstone University!

This camp is designed for high school teams to learn, train, and prepare for their upcoming seasons. In just 2 days, touches will be maximized through individual and team-based drills.

Learn and train alongside some of the state's most competitive programs! The camp is led by Munciana Director & Samurai Head Coach, Mike Lingenfelter and FaR Out Director and 18 Black Head Coach, Joe Steenhuysen.
