

DELTA UPSILON

INTERNATIONAL FRATERNITY

JUSTICE IN ACTION GRANT OUTLINE

Submissions for the Justice in Action Service Grant must use the outline below in their presentation materials. Submissions are due to justiceservicegrant@deltau.org by June 25, 2025.

PROJECT RELEVANCE & NEED

Describe the need/issue your project will address, why it matters, and how it connects to DU.

- Identify the specific community problem or need your project seeks to solve.
- Explain why this issue is important and how it aligns with the mission and principles of Delta Upsilon.
- Provide any supporting data, community feedback, or real-world examples that illustrate the need for this project.

COLLABORATION & ENGAGEMENT

Describe how your project will involve and engage others.

- Identify the partnership(s) and key stakeholders with local organizations or community groups and demonstrate that the project has been approved by the service partners.
- Explain how chapter members will participate in executing the project.
- Explain how alumni will be involved to ensure completion of the project.
- Describe how you will promote the project and involve any members of the community.

PROJECT FEASIBILITY

Explain how your project is realistic and achievable within the given timeframe.

- Outline your project plan, including key steps and a timeline.
- Provide a detailed budget showing how grant funds will be used.
- Identify any potential challenges and how you plan to overcome them.

IMPACT & SUSTAINABILITY

Short-Term Impact

Describe the immediate benefits your project will provide to the community.

- Clearly identify the population or group that will benefit from your project.
- Explain how the project addresses a specific need.
- Provide measurable outcomes.

Long-Term Sustainability

Explain how your project will create lasting positive effects in the community.

- Detail how the project's outcomes will continue to benefit the community after it is completed.
- If applicable, describe any plans for ongoing maintenance, funding or partnerships.
- Highlight ways the project could serve as a model for others to replicate or adapt.

MEASUREMENT OF SUCCESS

Provide a plan for evaluating the success of your project.

- Specify the metrics or criteria you will use to measure impact.
- Describe any tools or methods you will use to track progress or gather feedback.
