SMALL BUSINESS GRANTS

Extraordinary times call for extraordinary measures. The pandemic has affected every facet of life in Franklin. Local businesses are very important Franklin and the city's identity. In light of this, the Franklin Development Corporation worked with the City of Franklin to create a Small Business Grant where businesses within the community with 15 or fewer employees among other criteria could apply for a maximum grant amount of \$7,500. The City received \$200,000 in funding from the Indiana Office of Rural and Community Affairs' (OCRA) and the Franklin Development Corporation added \$50,000 to the fund. Thirty-six businesses received at least partial funding.

The Historic Artcraft Theatre was just one of thirty-six businesses to receive funding from the Small Business Grant.
