Inclement Weather School Delays & Cancellations

ECC follows Washington Township School District's weather decisions.

All delays and cancellations will be announced on WTHR online and TV channel, listed as "Church at the Crossing Preschool" by 6 a.m.

The school itself will send out a mass text message in addition to an email to notify parents of school delays or cancellations.

In the event of severe weather while children are present at ECC, parents will be notified first by mass text and email. Phone calls will follow.

If evacuation of the school is required, all children will be transferred to our Reunification Site, and parents should pick them up in this location:

Our Lady of Peace Cemetery and Mausoleum
