## Learn About Several Strong Women

*Johnson County Public Library Celebrates Women's History Month*

Franklin, Ind. – Celebrate Women's History Month at the library this March!

3/3: [Take Flight](#) at the Trafalgar Branch

Learn about famous aviators Amelia Earhart and Bessie Coleman- then become one yourself. We'll make paper airplanes and race around the library.

3/8: [HERstory Time](#) at the Trafalgar Branch

Celebrate International Women's Day (and Women's History Month!) as a family with stories of brave, intelligent and pioneering women.

3/16: [Celebrate Women's History Month: The Rev. Jackie Means](#) at the Trafalgar Branch

On Jan. 1, 1977, Rev. Jackie Means became the first woman to be regularly ordained by the Episcopal Church in the United States in Indianapolis. Join us as she talks about what it means to be a part of history.

3/20: [Franklin Page Turners: "One Thousand White Women"](#) at the Franklin Branch

If you love to read and chat about books, join us as we discuss "One Thousand White Women" by Jim Fergus. We'll share ideas and insights in a friendly, informal atmosphere. Everyone is welcome! Borrow a copy at the reference desk.

3/21: [Crafting with Feminism](#) at the Clark Pleasant Branch

Celebrate Women's History Month by making some girl-powered projects. Get crafty and make: a queen bling ring, heroes of feminism finger puppets, and a grrl coat of arms banner.

3/25: [Inventions for All](#) at the Clark Pleasant Branch

Jump into Women's History Month with a celebration of women and their great ideas. Explore inventions, patents and some women who can inspire us all to think outside the box.
