*When we sow seeds  
of generosity, we help  
build connections among  
people and nurture  
beauty and growth in our  
communities.*

*– Wayne Muller*

Dear Friends,

Generosity does grow here - because of our donors. You have proven your commitment to this place we call home through your generosity. You have demonstrated your belief in our mission to build bridges for the future of Montgomery County through your generosity. And through your generosity, you have provided support to countless neighbors and friends.

Every single gift is a seed, and as those seeds are scattered in our community through grants and scholarships, beauty is created. Never underestimate the power of those planted seeds. They can provide shelter for the homeless among us, programs for our youth and after-school care, and books for inquisitive minds, both young and old. They can open doors for students to attend college, and for our citizens to attend local theatre productions and museums. And those are just a few of the many examples of the power of generosity.

Thank you for allowing us the joy and privilege to plant your gifts all throughout our community. Thank you for your faithful support. And thank you for the generosity that grows here - because of you.

"I'm so thankful for the guidance I receive at Pam's Promise. Without it, there's a good chance that I'd go back to my old ways."  
- Stacy Earlywine, client

Kristi Craft, Case Manager  
for Pam's Promise

A safety net is defined as “something that provides a margin of protection or security.” For the women and children currently residing at Pam’s Promise, this is a fitting description. Homeless and adrift, and struggling to overcome seemingly insurmountable barriers, being admitted to Pam’s Promise is their sanctuary in the storm. The following story is a case in point:

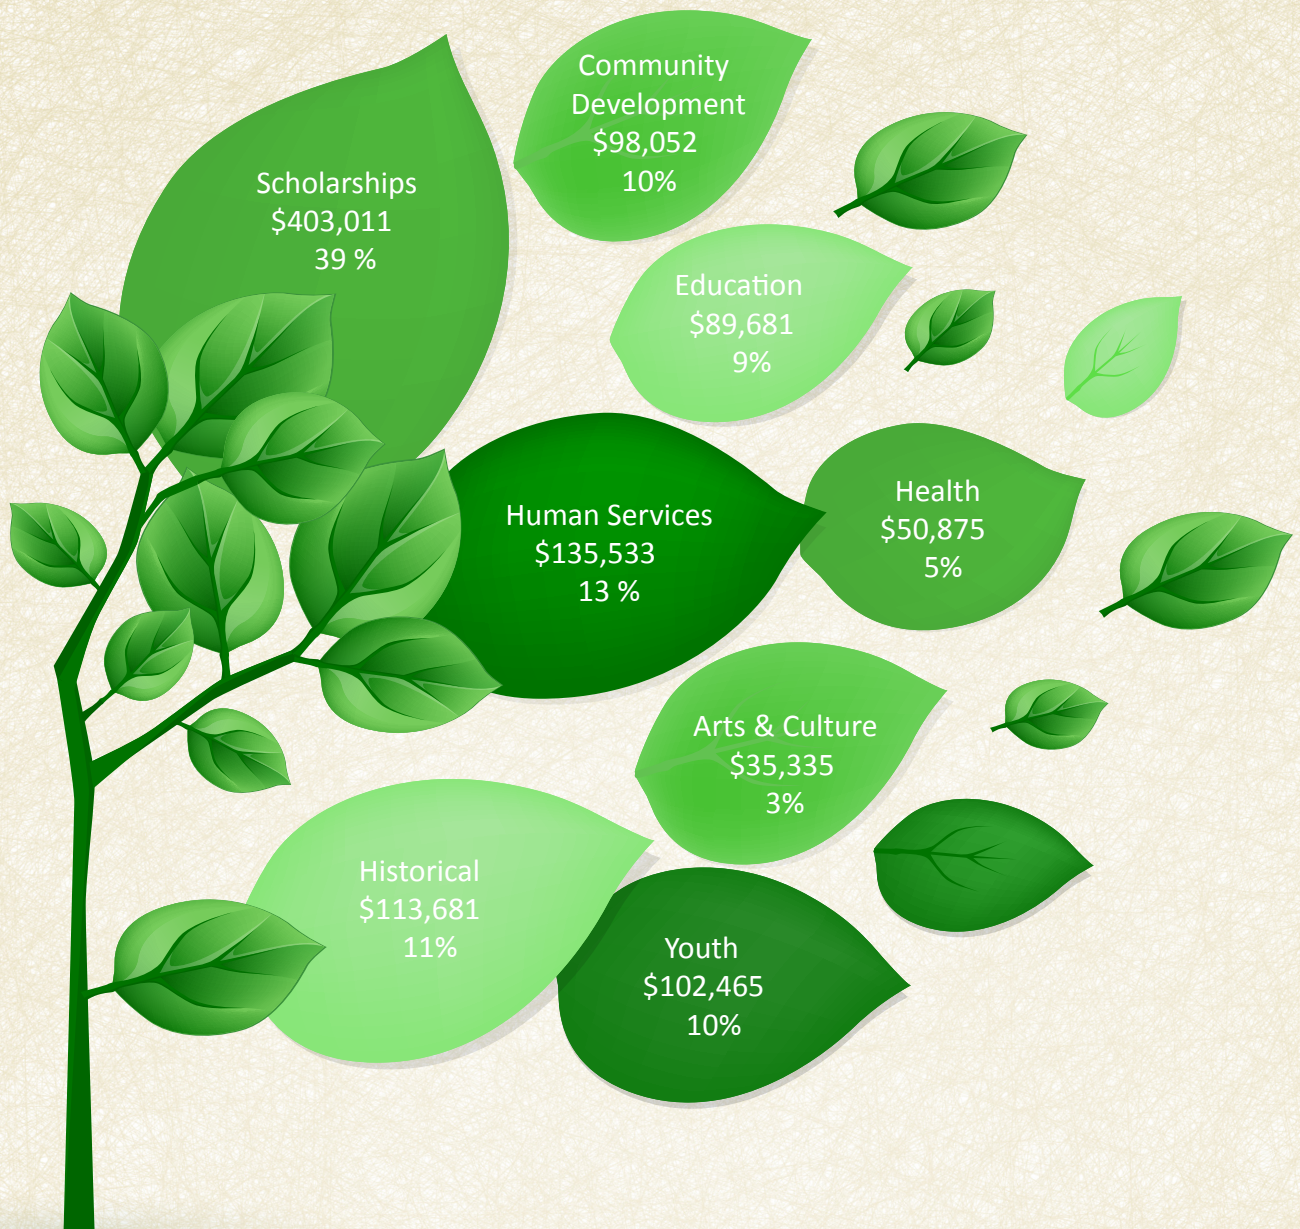

*Homeless, and pregnant with twins, she decided to have an abortion. She already had two other children who were now living with other family members. A sober addict, she had burned many bridges and the only place she could find to stay was with other users. Referred from the Women’s Resource Center, she was admitted to the program at Pam’s Promise where she received counseling, mentoring, and education about budgeting, nutrition, and other life skills. She began to consider adoption rather than abortion and met with prospective families. Eventually she chose a couple who would love and nurture these babies. Now, this former childless couple has beautiful, healthy twin boys, and she was able to move ahead with her life. With a new sense of self-worth, she now holds a full-time job, has moved into sustainable housing, and more importantly, has established relationships with her other children. Pam’s Promise brought in one mom, but had a positive effect on seven lives.*

This, and other success stories like this, is encouraging to LeAnnie Johnson, who serves voluntarily as director of Pam's Promise. “I get to be a small part of watching women heal, and watching families reunite”, she said. “To be a part of someone’s healing brings me the greatest satisfaction.” And for all those who have donated so that MCCF grants can be awarded to organizations like Pam’s Promise, they also share in that healing. Currently, this agency serves homeless women and children in three separate housing units. Recent grants have made it possible for Pam’s Promise to widen their demographics and they will soon add a separate housing unit for homeless men with children.

But it is not just shelter that Pam’s Promise seeks to provide. Clients have to find employment, and set long and short-term goals in terms of housing, transportation, budgeting, etc. In other words, they have to demonstrate a willingness to work towards sustainability, which is the goal of this six-month program. During that process, the case managers and volunteers at Pam’s Promise are there through every step offering guidance and direction. As one former client said, “You believed in me when I no longer believed in myself. Coming here saved my life.” And that is the true measure of success.

2017 Grants & Scholarships = \$1,028,633

*It takes a noble person to plant a seed for a tree that will someday give shade to people they may never meet.*

# You Can Make a Difference: Today, Tomorrow, and Forever

We have the experience and knowledge to offer you flexible ways to give back.

YOU PICK THE CAUSES.  
WE HELP.

**1. Decide what to give:** Create a charitable fund to support the causes that matter most to you using cash, stock, life insurance, or other assets.

**2. Decide when to give:** Do you want to start a fund today, or defer your gifts through a bequest? You can do either, or both. You might also want to consider a Pathway Plan which allows you to build a named fund over five years.

**3. Decide who will benefit:** You may have many causes that are important to you. We offer funds that can benefit one, or multiple causes.

## WE'RE FLEXIBLE. HOW DO YOU WANT TO MAKE A DIFFERENCE?

Here are a few examples of the many ways to work with us:

- Would you like to provide support for the most pressing and current needs of your community? The flexibility of your **unrestricted fund** will meet the ever-changing needs in our community.
- Are you especially interested in the Arts, Education, or another area? You can create a **field-of-interest fund** and we will make grants to effective nonprofits.
- Would you like more interaction with your fund? With a **donor-advised fund**, you can easily recommend to our Board of Directors the organizations to receive grants. (Please note that by law, we cannot be bound by these recommendations, but we take them very seriously and approve grants to local nonprofits that meet charitable and financial standards.)

## **GIVING TO THE MONTGOMERY COUNTY COMMUNITY FOUNDATION IS:**

### **EASY**

It takes very little paperwork. Most funds are established by a letter of agreement or a paragraph in a will. We work with people with every kind of philanthropic interest.

### **SMART**

We do our homework, through site visits and required reports, making sure that grants are made to local well-run nonprofits doing important work.

### **DEDUCTIBLE**

Because the Montgomery County Community Foundation is a public charity, donors get the maximum deductions allowed by law.

*I*t isn't often that a student has a path mapped out for college and career in their sophomore year in high school – and even less often that the student actually stays on that path. But that is exactly what Drake Davis did and continues to do. He is currently enrolled at Parkland College, working on his Agricultural Technicians Associates Degree through the Case/New Holland Program. At the end of this two-year program, Drake will be employed by Bane-Welker Equipment in Crawfordsville.

Drake's natural talent and desire to restore old things to life started when he began working on an old, rusty farm tractor sitting idly on the family farm. He saw it as an opportunity to bring past history to life, his parents saw it as a learning experience, and the rest is, well, history. Since that first hands-on experience, Drake has completely restored several old farm tractors down to the last bolt. His passion for this work and attention to detail is evident by the beautifully restored tractors and by the various awards he has received for his work.

His most recent award was being chosen as the winner of the 2017 National Agricultural Proficiency Award in the category of Agricultural Mechanics Repair and Maintenance. This proficiency award recognizes outstanding student achievement in agribusiness, and participation in this program helps the student develop valuable experience and leadership skills. Drake is a 10-year member of 4-H and a member of the Southmont FFA Chapter, competing in many contests associated with those memberships. He credits both of those organizations with learning many valuable life skills, such as hard work, dedication, and problem solving.

Drake was selected as the first recipient of the Rodney Britton Scholarship by Howard and Maxine Cook. During their lives, Howard and Maxine owned and/or operated several local businesses. Through a bequest, they established this scholarship fund in memory of Maxine's son, Jon Rodney Britton. The scholarship is awarded to students who will be attending a 2 or 4-year vocational or technical college for study in the mechanical or industrial field. Drake is so grateful for the award which helped him reduce his college debt.

"I had a lot of mentors along my path who helped me get to where I am. I plan to pay it forward and someday help other young people achieve their goals."

- Drake Davis

We hosted a scholarship workshop for incoming high school seniors in July at the Crawfordsville campus of Ivy Tech Community College. Students heard from local professionals about admission applications, interview etiquette, essay writing, scholarship applications, and more. Sixty-five students attended and a similar workshop is planned for 2018.

*Helping* students fulfill their dreams of higher education is just one of the joys we receive when we award MCCF scholarships. We are also delighted when those same students complete their degree and then move back to this community to live and work. One such student is Alexis Pierce, a 2011 North Montgomery graduate who received the Homer C. Warren Trust Scholarship and the Edith V. Botts Scholarship.

As with most new graduates, Alexis was excited to embrace the college life and leave her hometown behind. And while she had a great college experience, she also soon realized that living here is not so bad after all. More important to Alexis was the fact that here means being close to family. So upon graduation from Indiana University, Alexis and her husband, Clay, made their home right here in Montgomery County.

Alexis always loved to cook but culinary school was not an option for her. She knew that career path would eventually cause her to forfeit time with family, so she did some research to find a path that was food related with a little science thrown in. Alexis completed her degree in Dietetics; however, as often happens, she ended up finding her passion on yet a different path - photography. She started her own business, Life by Lex Photography, and her favorite life moments to capture are weddings. Alexis said it is a blessing to see a couple joyfully relive the experience of their special day through her photos.

Finishing her college education was a bit of a challenge for Alexis as she and Clay decided to marry after her sophomore year. However, she knew she wanted to finish what she started, and it helped to know she had the full support of her husband and family. The MCCF scholarships she received made a huge difference as she was able to graduate without a huge burden of college debt. Alexis said that taking the time to apply for those scholarships was one of the best things she did.

Alexis believes in that same philosophy of giving back and hopes to someday leave her own legacy. Faith is central in her life and she says the greatest gift she could leave someone is that they might know Jesus through her. We are so glad that Alexis chose to come home and allow her life story to unfold and develop here in the community she knows and loves.

A photograph of Alexis Pierce, a young woman with blonde hair, smiling and holding a mug. She is wearing a light blue top and jeans. The background is a bright, outdoor setting with greenery.

"I am so grateful for those who left behind a generous legacy years ago that continues to help students today and in the future." - Alexis

# LEADERSHIP

We hosted a **Professional Advisors Seminar** in November together with the Community Foundation of Boone County. Our presenter was Laura Hansen Dean who gave timely and important information regarding charitable gifts and the new tax proposals. Attorneys and certified financial planners who attended earned valuable Continuing Education and Ethics credits.

“Thank you for the opportunity to not only earn Continuing Legal Education locally, but also for presenting such a good program.”

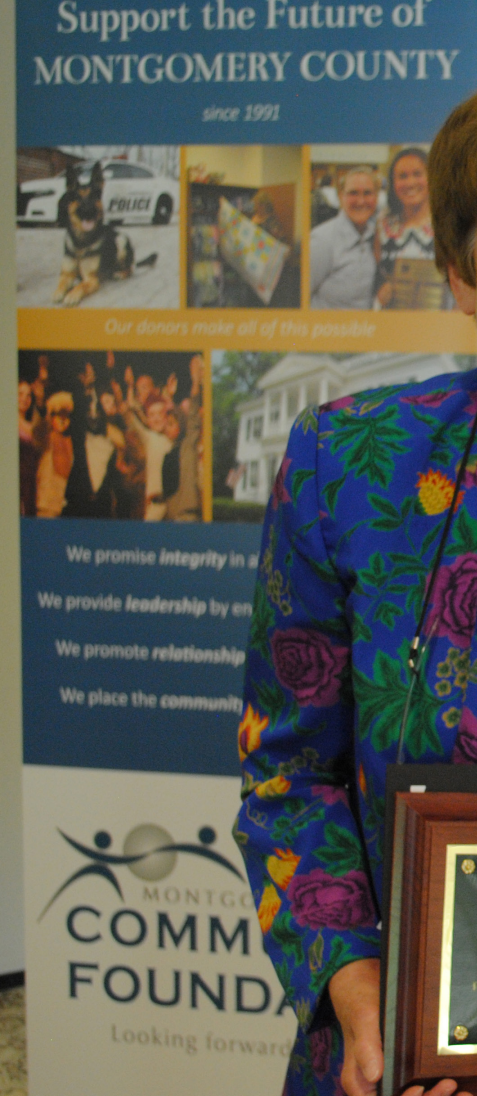

- Kent Minnette, local attorney

Our community is fortunate to have many nonprofits working hard to address many vital needs. We want to support them in ways that will last well beyond a grant check. By providing opportunities for them to strengthen themselves, we believe their good works will be sustained for the long haul. By partnering with the Putnam County Community Foundation and the Indiana Nonprofit Resource Network, we are able to offer eight **Nonprofit Learning Series** workshops each year on a wide range of topics. About 350 people attended the 2017 series.

We kick off each year with a **Nonprofit Agency Meeting** where we announce our Grantmaking Plans for the upcoming year, the Nonprofit Learning Series schedule, and other resources of interest and benefit to the agencies. In 2017, we offered three Unrestricted Grant cycles, Capacity Building Grants, Field of Interest Grants, and the Women’s Legacy Fund offered grants to those serving women and children. The meeting also serves a valuable purpose for nonprofit staff and volunteers to connect and share with one another.

Gail Pebworth and Cheryl Fuhrmann (l-r)

*In* addition to the necessary business that is conducted during our **Annual Meeting**, we always recognize and say goodbye to outgoing board members, and welcome those coming on board. This year, outgoing board members were Tony Cosenza, Heather Barajas, and Tom Mellish. We are deeply grateful for their expertise, contribution, time and energy given to further our mission in the community, and we look forward to serving with new board members Ron Dickerson, Terresa Hatke and Jim McBee.

One of the major highlights of the meeting is the Volunteer of the Year Award for both adults and youth. Every year it is a difficult task to give this award to one individual as each nominee deserves such a title. These volunteers willingly give of their time and talents to the nonprofit agencies they serve, which in turn strengthens our community. This year, we actually had a tie for the adults and gave the award to both Cheryl Fuhrmann for Dusk to Dawn Bereavement Services, and Gail Pebworth for the League of Women Voters of Montgomery County. Cheryl has devoted countless hours to helping people who are suffering loss, and Gail works tirelessly for the betterment of our community by writing articles and many other tasks associated with the League. Both of the representative agencies received \$1,000 in honor of these women.

Dulce Martinez and Peggy Herzog (l-r)

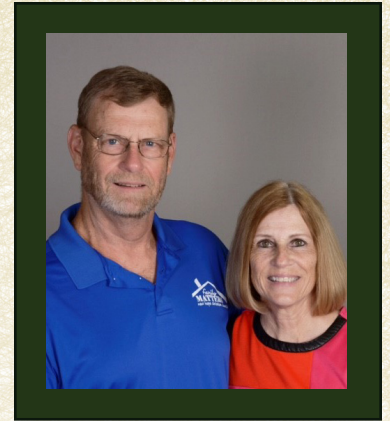

Nominees for the youth that were submitted were also excellent and each worthy of winning. In the end, Dulce Martinez received the Peggy Herzog Youth Volunteer of the Year Award for her work with the Athenas of Crawfordsville High School.

# NEW FUNDS

## **Ron and Trudy Dickerson Fund**

Montgomery County is home to Ron and Trudy Dickerson as this is where they have lived, worked and raised a family. Ron retired in 2015 from Nucor Steel after 28 years and now they are enjoying retirement and grandchildren. However, their desire to stay involved in philanthropic endeavors has not waned. They recently chose to establish a Donor Advised fund, which will give them more interaction with their fund. The fact that grants from MCCF funds are distributed locally was a key factor in their decision.

## **DeVon W. and Mary Jane Flaningam Fund**

Mary Jane possessed an insatiable curiosity, which might have led to her passion for genealogy. She enjoyed researching her family history, and at the age of 91, she learned how to use the computer to research genealogy websites. Mary Jane spent her career teaching business classes and her beloved husband, DeVon was an attorney, after serving in the Air Force. They were devoted to one another and Mary Jane stayed by his side while DeVon battled cancer. They had a conversation about where he would like to be buried, and he replied, "Next to you." Mary Jane said those three words summarized their marriage. Through a bequest, they established this fund which will provide support to the Boys and Girls Club, Youth Service Bureau, and local veterans. Their philanthropic spirit, as well as their generosity, will continue making an impact far into the future.

## **Kiwanis Pat Cline Scholarship Fund**

Kiwanis is an International Organization whose focus is on children, with an active chapter here in Montgomery County. Pat Cline was an accomplished journalist and investigative reporter and she was to be the first woman president of the local Kiwanis Club. However, she passed away before she could assume the post. The Kiwanis Club established this scholarship fund in her memory and the award will honor local high school graduates for community service.

## **Ron Melvin Scholarship Fund**

Ron's life was literally filled with heartache - he lost most of his mother's family to Cardiomyopathy, and his own mother, Annie Gardner, passed away after her second heart transplant. Ron was also the recipient of a heart transplant. But in spite of all this, you would never know he had such trauma in his life. Ron is remembered as loyal, encouraging, and supportive. He enjoyed helping others and making them smile, and was recognized for his positive attitude as a flight attendant with Southwest Airlines. Being an adventurer, he enjoyed riding his Harley and skydiving. Ron made the most out of life and he loved people, his community, and his alma mater, Crawfordsville High School. When diagnosed with cancer in 2016, Ron was the one offering encouragement and consolation to those around him. In loving memory and to honor his legacy of helping others, family and friends established this fund that will provide scholarships to Crawfordsville High School graduates.

## **MCCF Building Maintenance Fund**

Mike and Terri Grant are passionate about this community and always seek to make a positive impact, in both their attitude and actions. Local business owners since 1993, they also actively serve in different capacities with local nonprofits. They believe that supporting MCCF is a great way to have a positive effect on many areas in our community, from the Arts to our Youth, as well as Education to Historical preservation. Mike and Terri established this fund to help support the maintenance of our building. We are so grateful for their generosity which will help us offset future building expenses, thereby increasing support for our community.

## **MCCF Community Scholarship Fund**

The MCCF Board of Directors decided to establish this Community Scholarship Fund to provide scholarships for Montgomery County students in memory of loved ones and friends. This fund is comprised of gifts from many different donors, which are then combined to provide scholarships. Those who have lost a loved one can choose to have memorial gifts directed to this fund. Then each year when the scholarship is presented, the memorial names will be read at the awards night and the names will be printed in the annual report. We are honored to offer this option and humbled to assist families during a difficult and challenging time.

## **Montgomery County Retired Teachers Association Fund**

Several years ago, the Montgomery County Retired Teachers Association received a sizable monetary gift from the estate of Betty Shoaf. For ten years, the accumulated interest was granted to the library and to area teachers for music and art endeavors. In May of 2017, the MCRTA made the decision to place most of these funds with the Foundation to establish a donor advised fund. By doing this, they can continue to serve the needs of area teachers for many years to come. The MCRTA is part of a national organization and their purpose is to help the interest and welfare of retired teachers, foster fellowship, and support education and community programs.

## **Sheri Switzer Scholarship Fund**

This fund was established by family and friends in memory and honor of Sheri Switzer who lost her life in a car accident. Sheri had a love for God and positive outlook on life and loved her family and friends with all her heart. Her passion for teaching and love for her students was well known. A beloved math teacher at Northridge Middle School, many students considered Mrs. Switzer their cheerleader and friend. So to honor Sheri's devotion to education, this scholarship will be awarded to a North Montgomery High School graduate who will be pursuing a degree in either math, technology, engineering, or education.

► **Establishing an Unrestricted Fund**

An Unrestricted fund enables the Board of Directors to choose the most worthy and needy recipients of your fund's distribution over time according to the current needs of the community. The flexibility of the fund makes it particularly valuable to the community.

► **Establishing a Designated Fund**

A Designated fund allows you to choose specifically the charity, or charities, that you wish to support.

► **Establishing a Donor Advised Fund**

A Donor Advised fund allows you to make non-binding recommendations to the Board of Directors, thus allowing you more interaction with your fund.

► **Establishing a Field of Interest Fund**

Field of Interest funds allow you to choose a particular area of charitable interest that you would like to support. The Board of Directors then identifies the most qualified local charities which work to support your area of interest.

► **Establishing a Scholarship Fund**

Scholarship funds provide assistance to Montgomery County students. Scholarship criteria may be broadly or narrowly defined, as you choose. Please note that for administrative reasons, scholarship funds require a minimum contribution of \$25,000.

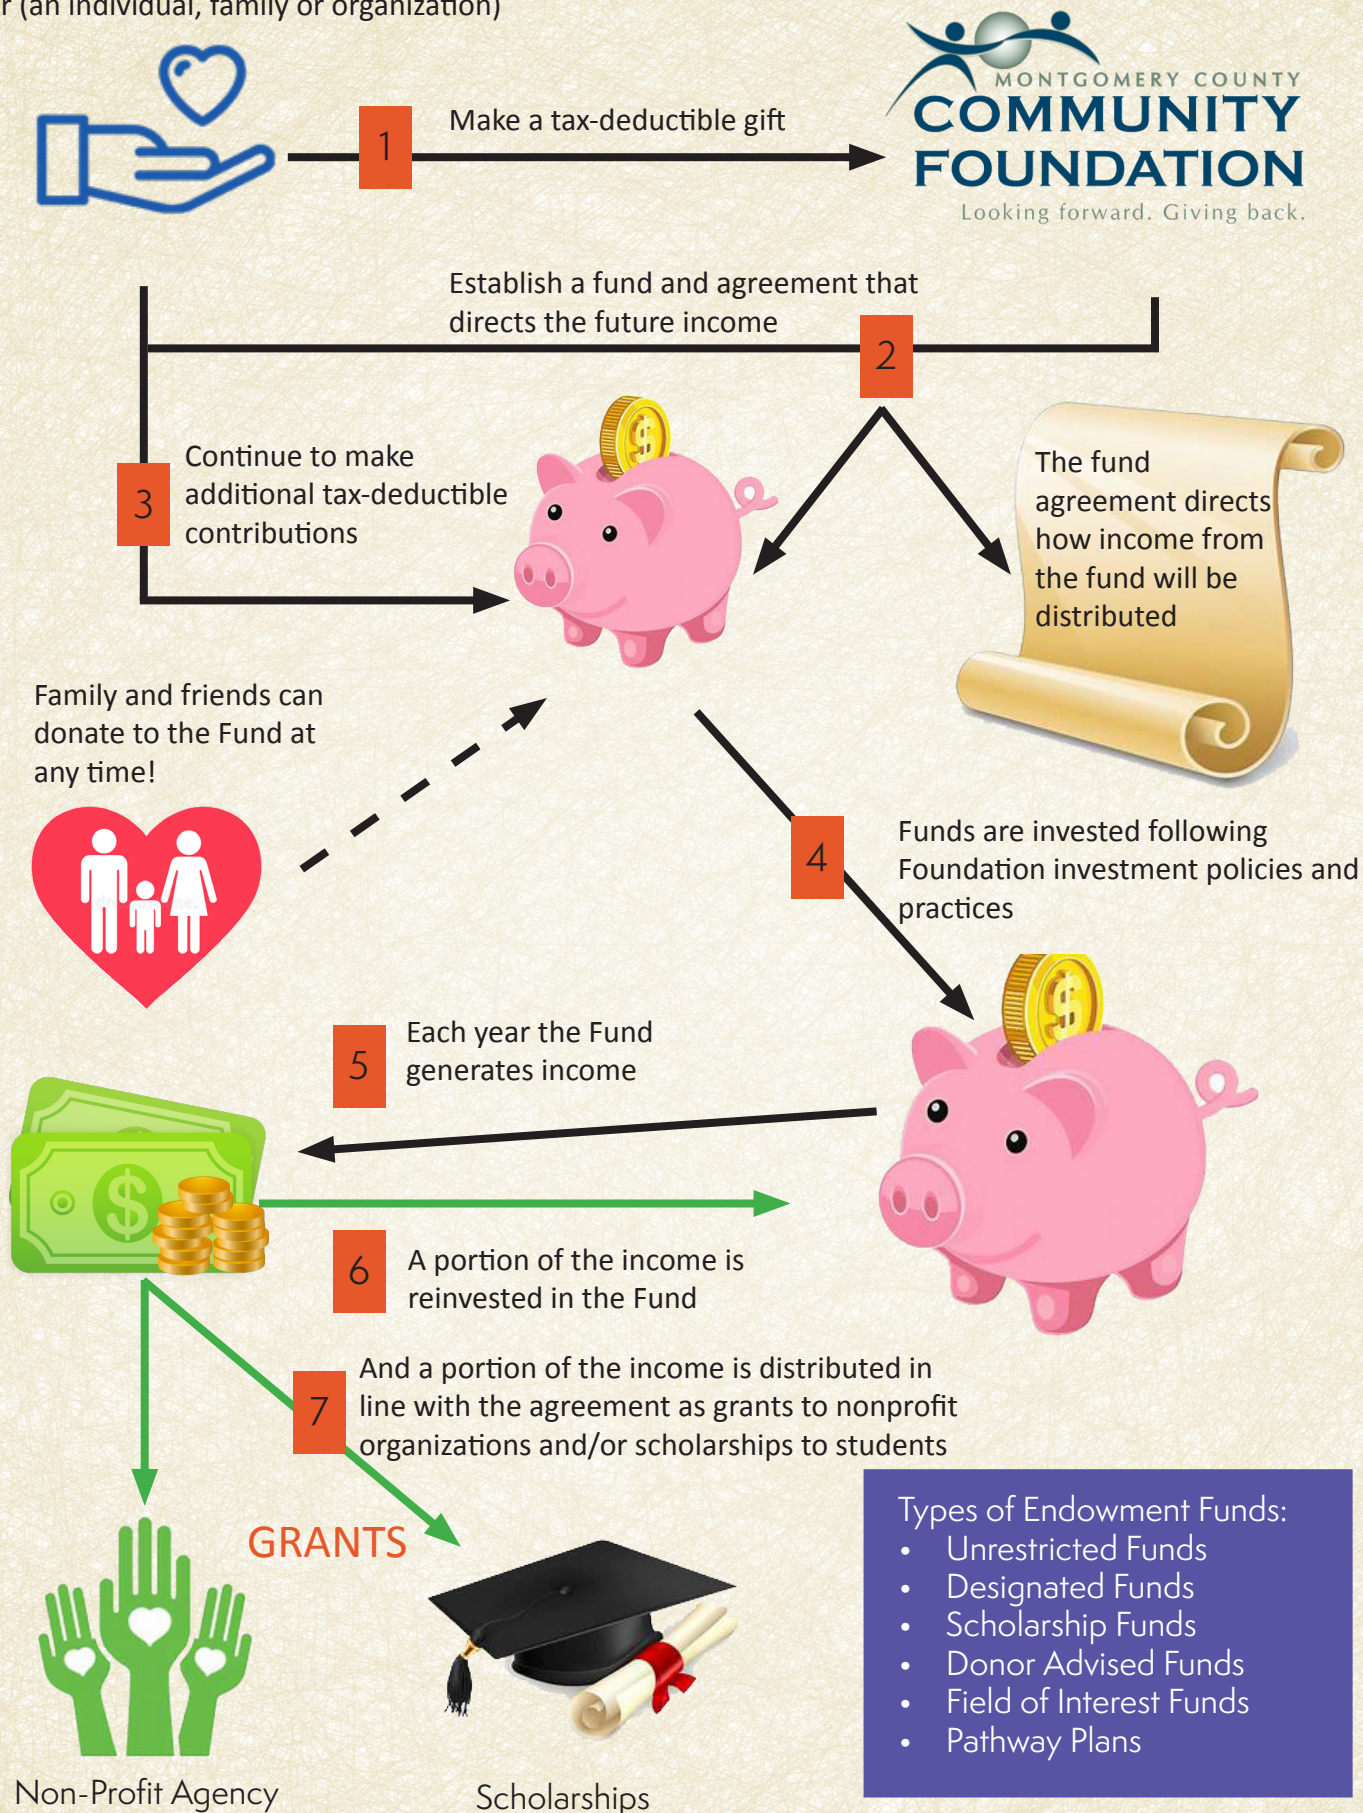

► **Establishing a Pathway Plan**

A Pathway Plan is a planned giving agreement that allows you to build a named fund over five years. In the past, a minimum gift of \$5,000 was required to establish a fund. With the Pathway Plan, you may establish the fund immediately with a minimum of \$1,000 and add to it over the years.

# PLANNED GIVING

Anita enjoying one of her favorite activities

*For* nearly 50 years, Anita Rupar has lived in Montgomery County, and the friends she has made over that span of time she now considers family. This is her home, and she believes there is just no other place like it. Anita spent her career teaching math in the Crawfordsville Schools. Her influence went beyond the classroom as she tutored many students and coached high school tennis for both boys and girls.

Serving six years on the MCCF Board of Directors offered Anita firsthand knowledge of the various needs in our community. Desiring to support the nonprofit agencies we serve, Anita established an unrestricted fund so that ever-changing needs can be met in the future. But her desire to give back did not end there. Anita has established a bequest that will someday provide support for scholarships. Her greatest desire is to leave a legacy that will help ease the financial burden of college expenses for students.

"The scholarships that I received over 50 years ago greatly relieved my own burden of college expenses," said Anita. "I want to be able to do the same for other students. Serving on the MCCF Scholarship Committee opened my eyes to the desperate need of many students to reduce college debt. It's a good feeling knowing that I am leaving something behind that will benefit others far into the future."

## BENEFITS OF A CHARITABLE BEQUEST

A charitable bequest is one of the easiest gifts you can make to significantly impact our work and our mission in the community. Here are some of the benefits of bequest giving:

- It costs you nothing today to make a bequest
- A bequest is free of federal estate tax
- Your bequest can be changed down the road
- You can still benefit your heirs with specific gifts
- A bequest may produce estate tax savings
- You can leave a legacy through a bequest

If you are considering a bequest, please contact us to request sample language that your attorney may use in drafting a bequest to our organization. We also have many valuable resources for estate planning on our website at [www.mccf-in.org/giving/planned-giving](http://www.mccf-in.org/giving/planned-giving).

"What an honor it has been to have served on the Board of the Montgomery County Community Foundation for the past 6 years. As only a short time resident of Montgomery County prior to my appointment to the Board, I had no idea of the many special services and people that make up this county. One of those very special things is the Community Foundation. I have been so impressed by the breadth of people that are touched on a daily basis through the community grants or through the individual scholarships that go annually to the students in the three county schools. The financial support that comes in from all corners of Montgomery County shows the pride and passion that the residents have for this special place where they live. I have greatly appreciated the support of all of the Board members, and especially the staff of the Foundation office during my years as President of the Board. I believe that the Foundation is poised to make an even greater impact in the Montgomery County community in the years ahead."

-Larry Griffith  
MCCF Board President

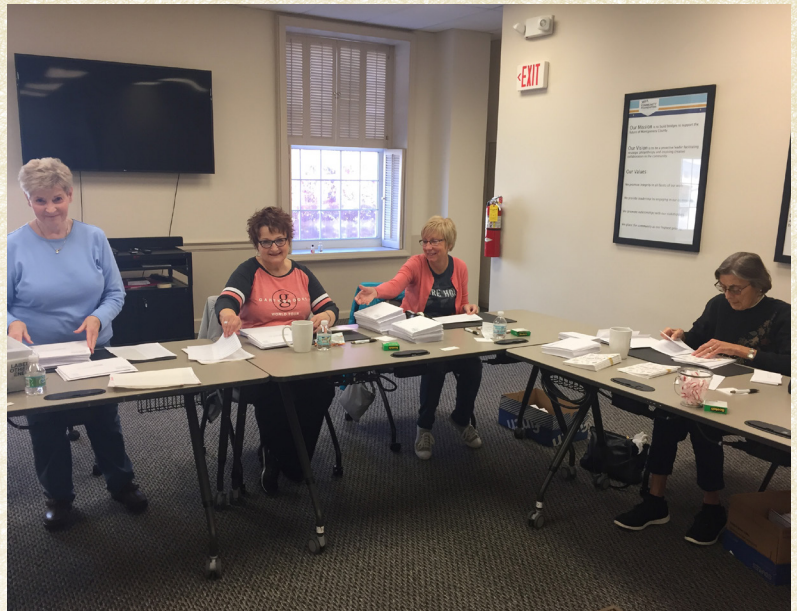

# VOLUNTEERS

Generosity grows here in many ways. We are so grateful for our volunteers who give so unselfishly of their time, talents, and energies. Whether you serve on one of our committees, or work on one of our various mailings, you are integral to the work we do in our community.

*Thank you!*

Stylists from Great Clips donated their time and talents for a fundraiser in memory of client, Scott Lowe. Donations were placed in the Mike McCord Scholarship Fund. We appreciate their desire to give back to the community.

Jennifer Lowe and Shari McCord (l-r)

Wabash students from Lambda Chi Fraternity volunteered to model decorated bras for the Bras for a Cause event. Held in conjunction with FAITH Alliance, proceeds from the fundraiser go to the Faith Alliance Fund, which provides support for patients with breast cancer in our community.
