Delta Upsilon's Reorganization process consists of three integral parts to restoring a chapter: preparation/assessment, the membership review and redevelopment. As the *redevelopment team member*, the primary responsibility will take place during the redevelopment phase which may be 6 to 18 months.

Qualifications

- Know and understand the mission and vision of Delta Upsilon International Fraternity
- Ability to work well with undergraduate men and in team environment
- Ability to create innovative programs, curriculum, and solutions
- Strong communication skills
- Strong organizational skills
- Ability to make strict deadlines for reporting

Responsibilities

- This position will report directly to the Redevelopment Team Leader
- Be the primary contact for a team of undergraduate men in one or more areas of the redevelopment plan (size varies among chapters)
- Assist undergraduate men in organization training and education sessions through the year with institutional and community resources
- Monitor and edit all submitted materials for the assigned team before approval from the International Fraternity
- Address undergraduate operational and reporting concerns
- Report bi-weekly to the Redevelopment leader the progress of the undergraduate team and any completed items

Compensation

Any costs must be approved by the Director of Loss Prevention prior to its expense. This may include servicing supplies or travel compensation.
