MEN OF MERIT CHAPTER STANDARDS PROGRAM

UPDATED JULY 2019

MEN OF MERIT: THE MEMBER EXPERIENCE

Delta Upsilon seeks to build better men for a global society through service, leadership development, and lifelong personal growth of our diverse membership. Delta Upsilon's mission of *Building Better Men* is rooted in the Four Founding Principles of the Fraternity – the promotion of friendship, the development of character, the diffusion of liberal culture, and the advancement of justice.

Since its founding in 1834, Delta Upsilon has committed to welcoming men of merit, and merit alone, into its chapters. This is the standard of membership by which we evaluate our members and our chapters. We fulfill our purpose and realize our mission as a Fraternity through the Delta Upsilon member experience outcomes, which are defined in the four founding principles.

Through their Delta Upsilon experience, Fraternity members will attain the following outcomes:

The membership outcomes of Delta Upsilon identify the growth and development that occurs as a direct result of the Fraternity experience. The outcomes are assessed on three levels:

1. Programmatic, through Delta Upsilon educational programs on a regional, national, and international scale
2. Individual, through the Delta Upsilon member experiences survey
3. Chapter, through the success and strength of individual chapter performance in the Men of Merit program

The Men of Merit standards measure the individual chapter experience, which facilitates the ideal member experience as described in the member outcomes above.

MEN OF MERIT:

THE CHAPTER STANDARDS PROGRAM

The Men of Merit program challenges our members and chapters to fulfill the expectations and outcomes of membership by promoting friendship, developing character, diffusing liberal culture, and advancing justice on a daily basis. Men of Merit: The Delta Upsilon Chapter Standards Program ensures chapters are meeting the expectations of membership in the Fraternity and providing a safe, educational, and productive experience for its members.

The Standards identify 11 key areas essential to success for a Delta Upsilon chapter. Chapters are placed into one of three levels for each Standard (with the exception of Associate Member Education) based on their performance over the past year: Aspiration, Expectation, and Minimum.

STANDARDS LEVEL EXPLANATIONS

Aspiration – Chapters reaching the Aspiration level achieve above and beyond. These are model Delta Upsilon chapters and they are worthy of the Fraternity's highest honors.

Expectation – Chapters meeting the Expectation level are fulfilling their obligations as a chapter of Delta Upsilon. This is considered a solid level of achievement and one that is attainable for all chapters.

Minimum – Chapters at the Minimum level are on their way to fulfilling the obligations of Delta Upsilon but have improvements to be made. Chapters at this level are placed on an Improvement Plan with additional assistance and focus from the International organization and volunteers. Chapters failing to meet the minimum levels over multiple years may be in jeopardy of reorganization or suspension.
