

BRIDGES

Building bridges to support the future of Montgomery County

SURPRISE!

Spring 2018

It was a “publishers clearing house” kind of moment for several local nonprofits. The day after the Board met and approved grant recommendations, Cheryl and Kelly headed out to surprise grant recipients with their awards. Balloons and big checks brought big smiles and grateful hearts. **A total of \$102,033 was awarded to nine agencies.** This is all made possible because of the generosity of our donors - thank you!

CARA -
\$25,495 for
computers and
testing materials

**Health
Department -**
\$11,750 to
support health
education

**Mountie
Mission -**
\$5,000 for the
Back to School
project

**Halfway
Home -**
\$30,000 to fund
the addition
of Chapter 3
Endurance

**Recovery
Coalition -**
\$5,570 to furnish
new recreation
center

It was a very windy day and so not every balloon made it to its intended recipient!
