Hosted By:

### **Keynote Speaker**

Mr. Ed Gillespie, Director of Customer and Public Relations of Granger Construction

### **The Continuing Demise of the Correctional Industry**

Presented by: Mr. Joseph Pohrer, President of Pauly Jail Building Company

- A Comprehensive Presentation of the continuing contraction of manufacturers and contractors in the corrections marketplace.

### **Security Controls for Correctional Facilities**

Presented by: Mr. TJ Rogers, President of Accurate Controls, Inc.

- Non-Proprietary Systems
- Multi-Touch Touch Screen Systems
- Managing the IT Manager
- Accurate Controls/ SteelCell Modular Approach to System Integration- Case Study

### **New Product Applications for the Modular Steel Cell**

Presented by: Mr. Mike Smith, President of SteelCell of North America

- Showing the dynamics of available options relating to prefabricated steel cells.

### **Water Management Systems for Operational Savings**

Presented by: Mr. Craig Alderson, President of Willoughby Industries

- Electronic Water Management to control inmate water usage and reduce water/sewer utility costs.

### **A Sheriff's Perspective on a Successful Bond Campaign**

Presented by: Sheriff Scott Wigglesworth of Ingham County

### **Impact of Jail Design on Staffing**

Presented by: Mr. Rod Miller, President of CRS Incorporated

- Presentation highlighting what the impact of a jail facility design has on staffing and what the difference is between supervision and observation

### **A Collaborative Approach to Project Delivery**

Presented by: Mr. Rob Train, Vice President of Granger Construction

- As project constraints and demands continue to pressure project teams, Collaborative Delivery Methods provide a common-sense approach to delivering highly successful projects under unique market conditions. Granger Construction will discuss approaches to various projects including Design Assist and Integrated Project Delivery.

### **Public Procurement of Collaborative Delivery**

Presented by Mr. Jack Mumma, Michigan State University

### **Panel Discussion: Collaborative Delivery Experiences in the Public Sector**

- Open discussion about collaborative delivery experiences.
