

HILLENBRAND

ABOUT US

Hillenbrand (www.Hillenbrand.com) is a global diversified industrial company with businesses that serve a wide variety of industries around the world. We pursue profitable growth and robust cash generation to drive increased value for our shareholders. Hillenbrand's portfolio includes industrial businesses such as Coperion, Milacron Injection Molding & Extrusion, and Mold-Masters, in addition to Batesville, a recognized leader in the death care industry in North America. Hillenbrand is publicly traded on the NYSE under "HI."

STORY OF GROWTH

Hillenbrand became a publicly traded company in 2008. Since that time, Hillenbrand continues to experience significant company growth. In 2019, Hillenbrand acquired Milacron Holdings, a manufacturer and distributor of engineered and customized systems in the plastics technology and processing industry, as well as fluid technologies and processing systems. The acquisition doubled the number of global employees and expanded the company's geographic reach with operations in more than 50 countries.

Corporate Headquarters: Batesville, Indiana, USA

Established as HI on the New York Stock Exchange April 2008

HILLENBRAND

Our Operating Companies

ABEL

Develops and manufactures highly-engineered, energy efficient, positive displacement pumps.
