

# Explore Summer at JCPL

Read for a Stronger Community

All Ages!

**Johnson County Public Library is paying it forward!**

Register for our Explore Summer program, log your reading minutes and for every ONE million minutes we log as a community, the JCPL Foundation, through generous contributions from the Friends of the Library, will donate \$1000 to a local non-profit working to make Johnson County a better place to live, work, learn and play!

**The more you read, the more they donate.**

This summer, you can help your community – simply by picking up a book!

June 1 through July 31

## Our Sponsors:

BPO Elks Lodge #1818

Center Grove Montessori School

Cheers & Tears: In Memory of Holly Grantham-Vollink

Crystal Springs Grain • First Presbyterian Church

Fletcher Chrysler Dodge Jeep

Hillview Veterinary Clinic

Marshall Home Comfort Solutions

Mutual Savings Bank • Rev. Steve Giannini

St. Thomas Episcopal Church

Vaught Family Eye Care

# Explore Summer at JCPL

**Read for a Stronger Community**

## REGISTER

Sign up to Explore Summer at [pageafterpage.org/ExploreSummer](http://pageafterpage.org/ExploreSummer). If you are a new user, you'll need to create an account at [jcpl.beanstack.org](http://jcpl.beanstack.org). If you've participated before, you can log into your Beanstack account to get started.

## READ

We want to read 4 million minutes together as a community. You can help! Starting June 1, begin logging your reading time on your Beanstack account.

- For every 1 million minutes WE read, the JCPL Foundation will donate \$1,000 to a local non-profit in Johnson County.
- For every five hours YOU read, you'll get to vote for which non-profit should receive the money.
- One lucky reader who logs at least 10 hours of reading will have a new Little Free Library in Johnson County dedicated in their name!

## WEEKLY LEARNING CHALLENGES

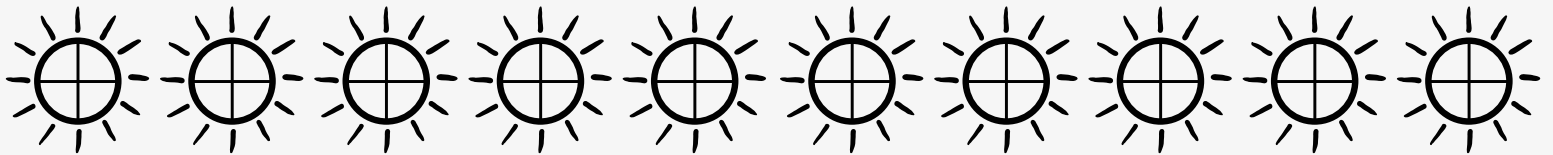

Choose and complete three of the activities in the current week to earn an entry into the weekly gift card drawing from local small businesses including Wild Geese Bookshop, Apple Works and ToodleyDoo Toys. Activities can be found on [jcpl.beanstack.org](http://jcpl.beanstack.org) and must be logged - either by you or a librarian - during that week to be eligible for prizes.

## CREATIVITY KITS

Our librarians are putting together Creativity Kits each week in June and July. Each bag will contain all the supplies necessary for a craft or STEAM activity at home. Bags will be available at the branch and through Curbside JCPL-to-Go pick-up on Monday of each week.

## TRACK YOUR READING

If you'd rather turn in a paper log than participate digitally, track your reading using the suns below. Reading logs can be returned to any JCPL branch or book drop and we'll log your reading time for you.

Fill in a sun for each hour of reading time. Each quarter is worth 15 minutes of reading time.
