Save the Date!

P.T.O. and the staff of Liberty Elementary School would like to invite you to the first P.T.O. meeting of the new school year. It takes many hands to lighten the load, and we encourage all parents to become involved. The first meeting will take place September 13th at 6:30 pm in room A-400. This room is best accessed by coming in the UCHS Gym doors.

BOX TOPS

Please save your **Box Tops** labels for our school! Simply cut the **Box Tops** labels off specially marked products and send them to school with your child. This is an easy fundraiser for our P.T.O. which gives back to our students and teachers. Please help!

LifeSkills

Each month, students at LES will focus on 2 different LifeSkills. LifeSkills are the character traits that when exhibited, make our world a better place for everyone.

At the end of each month, a student from each class who has demonstrated either of the 2 LifeSkills for that month will be recognized. September students of the month will be recognized in October.

During the month of September, we will focus on the LifeSkills of

Perseverance and Integrity.

- Perseverance is the ability to keep at a task, even when things get tough.
- Integrity is the ability to act according to a sense of what's right and wrong.

NO SCHOOL

There will be **NO SCHOOL** on Monday, September 3rd in observance of Labor Day.

Thank you

Thank you to all the families who were able to join us for our Open House/Popsicle Pop In night. The staff of Liberty Elementary School feels the best way to educate a child is to work together with students and their families. Your participation is greatly needed and appreciated!

Any time you have a question or concern, please call your child's teacher or send an e-mail. Phone numbers for the office and staff e-mails can be found on the school website.

Make education a priority!

Good attendance, active participation, and completed work truly are life skills needed in every child's future! Have your child tell you something they learned at school each day! Make education a priority!
