## Family Fandom: Shark Week

Check out these webcams to see some real sharks in action!

[The Aquarium of the Pacific Shark Lagoon](#)

[Monterey Bay Aquarium Shark Cam](#)

Check out this book list I created all about sharks!

[Shark Week](#)

Check out these tasty treats to enjoy while you watch Shark Week!

### Shark Bait Popcorn:

Supplies: Popcorn, White Chocolate Chips, Swedish Fish Candy, Gummy Sharks, Blue Sprinkles

Directions:

1. Pop a bag of popcorn.
2. Melt 1 cup of white chocolate chips in microwave.
3. Add Popcorn to large bowl.
4. Pour melted chocolate over popcorn and stir until coated evenly.
5. Add sprinkles and candy to bowl, mix.
6. Enjoy while watching Shark Week!

### DIY Shark Ice Cubes

Supplies: Water, Gummy Sharks, Ice Cube Trays

Directions:

1. Fill your ice tray with water
2. Place your gummy sharks in each cube in different positions
3. Place in the freezer for at least 4 hours
4. It looks really cool in a blue drink!

### Chumsicles

Supplies: Popsicle Mold, Red Juice or Liquid, Blue Juice or Liquid

Directions:

1. Fill the bottom third of your mold with the red juice or other drink your kids enjoy to represent the chum scientists use to draw the sharks in for study.
2. Fill the remainder of the mold with blue liquid to represent the ocean and freeze.
3. Enjoy!
