

June 26, 2020

Dear Chapter Presidents and Alumnae Association Presidents,

As we enter another month of dealing with the COVID-19 global pandemic, states are beginning to ease restrictions and campuses and communities are planning for the future. Alpha Xi Delta Fraternity cares about the safety of its members and the general community, and it remains the item of most significant importance to us as we navigate our way forward in this new world.

We do recognize that many different regions of the country are in differing situations in regards to the pandemic. We are still committed to helping to slow the spread of COVID-19, but the time for a nationwide Cease and Desist is over. Because of this, National Council has voted to lift the Cease and Desist order that was made in March.

In preparing to gather, **chapters and alumnae associations should adhere strictly to state, municipal and university guidelines for gathering** (deferring to the most stringent guidelines). These plans should be made under the advisement of the National Council designee and with high regard for CDC recommendations. Virtual meetings and activities should still be the first choice whenever possible.

The National Fraternity is continuing to monitor this situation and will continue to post the most up-to-date information at <https://www.alphaxidelta.org/coronavirus-covid-19>. Additional information can also be found at [www.coronavirus.gov](http://www.coronavirus.gov).

If you have questions or concerns, chapters can contact Courtney Gable, Director of Member Services at [cgable@alphaxidelta.org](mailto:cgable@alphaxidelta.org). Alumnae associations can contact Courtney Fluty, Director of Lifetime Engagement at [cfluty@alphaxidelta.org](mailto:cfluty@alphaxidelta.org).

Fraternally,

A handwritten signature in black ink that reads "Elysia R. Gallivan".

Elysia R. Gallivan  
National Executive Director
