

Insurance for Nonprofits: 101

Wednesday, October 15, 12 - 1 p.m.

119 E. Main St., Crawfordsville

As a nonprofit leader, staff member, or board volunteer, you pour your energy into making a difference. You're focused on the mission, the people you serve, and finding new ways to grow and improve. But have you stopped to think about how well your organization is protected if the unexpected happens?

In this session, we'll cover the key types of insurance nonprofits should consider, such as: Property, General Liability, Directors & Officers, Cybersecurity, Workers' Comp, Auto and more.

Robb Williamson, President of RT Insurance, will help simplify the maze of policies and options, giving you the tools to make smart choices for your organization's future.
