

NEW PICK UP PROCEDURE:

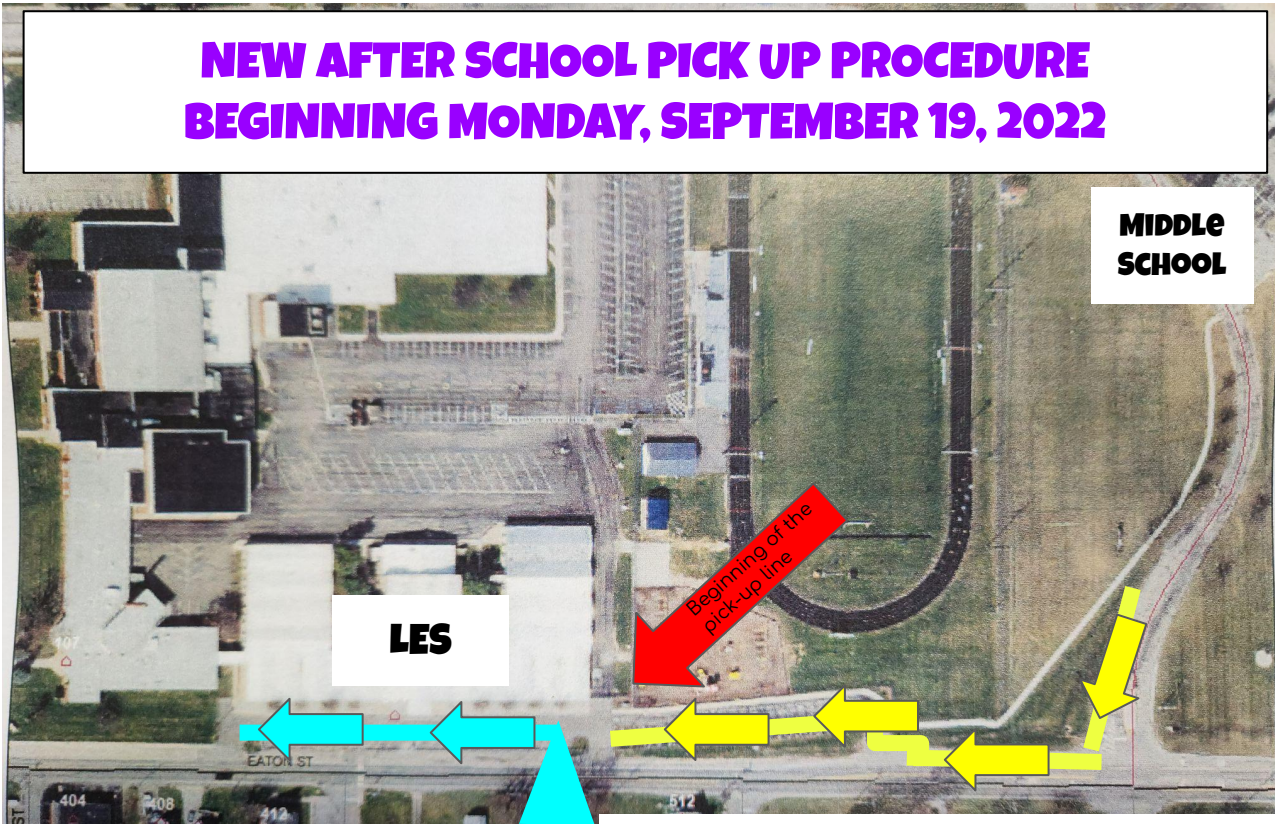

All parents will stay in their vehicles. You must enter the pick up line (yellow on the map).

You will have a tag displaying your child's last name visible in the front windshield.

Teachers will call for the students and bring them to the cars (10-15 at a time). These cars will exit and we will continue until all students are placed in their vehicle. **NO ONE SHOULD PARK AND EXIT THEIR CAR.**

Parking will only occur if you are picking a student up early or visiting the school.

NEW AFTER SCHOOL PICK UP PROCEDURE BEGINNING MONDAY, SEPTEMBER 19, 2022

The gate will be open for anyone needing to pick up a student early or visit the building. Please enter through the gate and park in a spot in front of the building. The blue line is for early pick up or visits to the building before dismissal. **YOU MUST PARK!**

Begin Line here inside the parking lot right before the gate: first person stops at the arrow to wait for 3:10 dismissal. The line will continue through the turning lane and onto the middle school road. Please stay to the right so other cars can pass through. The yellow line is where you will line up to pick up students.
