

## Regular Page Day

Parents/Chaperones must accompany students to the page office for check in and return to the room to check them out. Students may not drive themselves unless they have the Consent form signed by their parent, releasing the page to SELF. Parents/Chaperones are welcome to stay for all or part of the day on a regular page day, but it is not required. If you decide to stay, I would encourage you to wear comfortable shoes as there is a lot of walking to and from the state house to our room. Adults will have their own tour, may watch the students participate in the mock bill activity or you can explore the state house. We take students to lunch at 11:15 in the cafeteria or their parent/chaperone can take them to the mall for lunch. The tunnel leads to the mall so you do not have to go outside. At 12:45 we go over a few rules and take the students up for session and to meet their senator. Parents/chaperones that would like to observe, may watch session from the gallery on the 4<sup>th</sup> floor or outside the senate chamber on 3<sup>rd</sup> floor. We return to the page office at 3 p.m. for thank you notes and begin checkout at 3:15 p.m.
