1100 - CORPORATION ORGANIZATION

The School Board recognizes that the grouping of grades and services within the facilities of the Corporation can assist the efficient operation of the Corporation and help achieve a more effective instructional program.

The Superintendent shall continually monitor the effectiveness of the Corporation organizational plan and recommend to the Board such modifications in the plan which are in the best interests of the students, make wisest use of Corporation resources, and serve the educational goals of the Board.

The Superintendent shall be the chief executive officer of the School Corporation. The Superintendent shall define and recommend those administrative positions required to implement the educational system and program of learning established by the Board.

Responsibility shall flow clearly from the Superintendent through the administrative staff to the operational personnel.

It shall be the responsibility of the Superintendent to determine the need for and define operational requirements sufficient to ensure the smooth functioning of the Corporation. Maintenance of an efficient, skilled operational staff is essential to the effective performance of the system.

On occasion, the Superintendent may find it necessary to recommend to the Board the employment of specialists or consultants to maintain or support programs implemented by the Corporation in areas requiring specialized knowledge. 1110 - ASSESSMENT OF CORPORATION GOALS

One of the major functions of the Board of School Trustees is to work with the administration to establish the goals by which the Corporation can accomplish its mission and to provide the resources necessary for their accomplishment. Because of the importance the Board places on accomplishing goals, it has established the following policy for effective assessment of the Corporation's progress toward their realization.

In conjunction with its annual evaluation of the Superintendent, the Board shall also provide the time for both the Board and the administration to assess the progress of the Corporation, during the previous year, toward the achievement of current goals. Both the Superintendent's evaluation and the progress-assessment of goals shall take place at a time of the year when the following conditions are most favorable to assure this policy operates as intended.

- A. Data on results-to-date of each Corporation goal are available so assessment and evaluation can focus on how well the Corporation is accomplishing its goals.
- B. Evaluations or progress-assessments of the Corporation's learning programs as well as evaluations of key administrators and other staff have been completed so such data is available for reference by the Superintendent and Board during the assessment of Corporation goals and the evaluation of the Superintendent.
- C. Summaries and synthesized data, compiled from the evaluation of the Superintendent, the Board's self-assessment, and the evaluation data on programs and staff, are available to serve as reference information when determining the reasons for progress and/or lack of progress toward accomplishment of Corporation goals.

This annual process of assessing/evaluating the Board, the Superintendent, staff, programs, and resources shall not be considered finished until:

- A. Corporation goals and the strategies and actions being used to accomplish them have been reviewed;
- B. revisions have been made in light of what all of the evaluation data for that year has indicated.

1130 - **CONFLICT OF INTEREST**

- A. The maintenance of unusually high standards of honesty, integrity, impartiality, and professional conduct by School Corporation employees, officers, and agents is essential to ensure the proper performance of school business as well as to earn and keep public confidence in the Corporation.

To accomplish this, the School Board has adopted the following guidelines which apply to all Corporation employees, officers, and agents, including Trustees, to assure that conflicts of interest do not occur. These guidelines are not intended to be all inclusive; nor are they intended to substitute for good judgment.

An employee, officer, or agent of the Corporation making a recommendation to the Board on a matter to be considered by the Board shall not accept a gift or gratuity from a person or entity having a substantial personal or pecuniary interest in the Board's decision on the matter in accordance with the restrictions and provisions of I.C. 35-44.1-1- 4.

1. No employee, officer (that is, any member of the Board), or agent shall engage in or have a financial or other interest in, directly or indirectly, any activity that conflicts or raises a reasonable question of conflict with his/her Corporation responsibilities.
2. Employees, officers (that is, any member of the Board), and agents shall not engage in business, private practice of their profession, the rendering of services, or the sale of goods of any type where advantage is taken of any professional relationship they may have with any student, client, or parents of such students or clients in the course of their employment or professional relationship with the Corporation.

Included, by way of illustration rather than limitation are the following:

- a. the provision of any private lessons or services for a fee
 - b. the use, sale, or improper divulging of any privileged information about a student or client gained in the course of the employee's employment or professional relationship with the Corporation through his/her access to Corporation records
 - c. the referral of any student or client for lessons or services to any private business or professional practitioner; if there is any expectation of reciprocal referrals, sharing of fees, or other remuneration for such referrals
 - d. the requirement of students or clients to purchase any private goods or services provided by an employee, officer (that is, any member of the Board), or agent or any business or professional practitioner with whom any employee, officer (that is, any member of the Board), or agent has a financial relationship, as a condition of receiving any grades, credits, promotions, approvals, or recommendations
3. Employees, officers (that is, any member of the Board), and agents shall not make use of materials, equipment, or facilities of the Corporation in private practice. Examples would be the use of facilities before, during, or after regular

business hours for service to private practice clients, or the checking out of items from an instructional materials center for private practice.

4. Employees, officers (that is, any member of the Board), and agents shall not solicit gifts, travel packages, and other incentives from prospective contractors.
 5. Employees, officers (that is, any member of the Board), and agents shall not participate in the selection, award and administration of any contract to an entity in which they have a pecuniary interest or from which they derive a profit or in which a dependent of the employee, officer (that is, any member of the Board), or agent has a pecuniary interest or from which the dependent derives a profit. "Dependent" includes the employee's spouse; unemancipated child, stepchild or adopted child under the age of eighteen (18); or individual for whom the employee, officer (that is, any member of the Board), or agent provides more than one-half (1/2) of the individual's support during a year. A "pecuniary interest" means an interest in a contract or purchase that will result or is intended to result in an ascertainable increase in the income or net worth of the employee, officer (that is, any member of the Board), or agent or the employee's, officer's (that is, any member of the Board), or agent's dependent who is under the direct or indirect administrative control of the employee, officer, or agent or who receives a contract or purchase order that is reviewed, approved, or directly or indirectly administered by the employee, officer (that is, any member of the Board), or agent.
 - B. No conflict of interest will be deemed to be present if the Corporation employee's, officer's (that is, any member of the Board), or agent's interest in the contract or purchase and all other contracts and purchases made by the Corporation during the twelve (12) months before the date of the contract or purchase was \$250 or less.
 - C. Should exceptions to this policy be necessary in order to provide mandatory services to students or clients of the Corporation, all such exceptions will be made known to the employee's supervisor, or to the School Board if there is no supervisor, and will be disclosed to the Superintendent **before** entering into any private relationship.
 - D. To the extent that the Corporation has a parent, affiliate or subsidiary organization that is not a State, local government or Indian tribe, the Corporation may not conduct a procurement action involving the parent, affiliate or subsidiary organization if the Corporation is unable, or appears to be unable, to be impartial.
 - E. Employees, officers and agents must disclose any potential conflict of interest which may lead to a violation of this policy to the Corporation. Upon discovery of any potential conflict of interest, the Corporation will disclose, in writing, the potential conflict of interest to the appropriate Federal awarding agency or, if applicable, the pass-through entity.
- The Corporation also will disclose, in a timely manner, all violations of Federal criminal law involving fraud, bribery or gratuity that affect a Federal award to the appropriate Federal awarding agency or, if applicable, the pass-through entity.
- F. Employees, officers and agents found to be in violation of this conflict of interest policy will be subject to disciplinary action up to and including termination, as permitted by applicable Board policy.

In addition, the Board believes that each administrator should maintain standards of exemplary professional conduct and conform his/her behavior to the code of ethics set forth below as adopted from the American Association of School Administrators' Statement of Ethics for School Administrators by:

1210 - **BOARD - SUPERINTENDENT RELATIONSHIP**

The School Board believes that, in general, it is the primary duty of the Board to establish policies and that of the Superintendent to administer such policies. The Superintendent should be given the latitude to determine the best method of implementing the policies of the Board.

The Superintendent, as the chief administrator of the School Corporation, is the primary professional advisor to the Board. S/He is responsible for the development, supervision, and operation of the school program and facilities. His/Her methods should be made known to the staff through the administrative guidelines of the Corporation.

The Board shall retain oversight supervision of such guidelines.

In order to expedite negotiation procedures, the Superintendent is appointed the chief representative of the School Board for the purpose of determining negotiation strategies and members of negotiation teams for collective bargaining with recognized unions and employee units.

The Board is responsible for determining the success of the Superintendent in meeting the goals established by the Board through annual evaluations of the Superintendent's performance.

1213.01 - STAFF-STUDENT RELATIONS

The School Board wants to maintain a safe and healthy educational environment for students attending the School Corporation. The interactions between Corporation employees and its students are of paramount concern. This policy addresses appropriate boundaries between Corporation employees and its students.

Sexual Relationships with Students Prohibited

Sexual conduct with or sexual relationships with students by a Corporation employee are prohibited. Any teacher, administrator, coach, school official, or staff member who engages in sexual conduct with a student may be disciplined, up to and including termination. That person's conduct also may constitute the crime of:

- A. "sexual battery," under I.C. 35-42-4-8; or
- B. "child molesting" under I.C. 35-42-4-3 in the case of a child under fourteen (14) years of age; or
- C. "sexual misconduct with a minor" under I.C. 35-42-4-9 in the case of a child between the ages of fourteen (14) and sixteen (16).

The issue of consent is irrelevant in regard to the latter two (2) criminal charges. Any conduct that may constitute a crime shall be reported to local law enforcement.

Any employee accused of sexual conduct or a sexual relationship with a student may be placed on leave until school administrative proceedings are completed. Proven sexual relationships with a student, regardless of the age of the student, will initiate the termination process for the employee.

Allegations Constituting Criminal Conduct or Child Abuse/Sexual Misconduct

The Corporation's administrators, including a Compliance Officer or designee, shall report to local law enforcement any conduct that may constitute a crime upon receiving a report of such conduct.

State law requires any teacher or school employee who knows or suspects that a child under the age of eighteen (18) is a victim of child abuse or neglect to report that knowledge or suspicion to the Department of Child Services ("DCS") immediately.

Allegations made during harassment investigations:

If, during the course of a harassment investigation, a Compliance Officer or a designee has reason to believe or suspect that the alleged conduct may constitute abuse or neglect of a child, a report must be made to DCS in accordance with State law and Board Policy.

If, during the course of a harassment investigation, a Compliance Officer or a designee has reason to believe or suspect that the conduct reported may constitute a crime, a report must be made to local law enforcement.

Reports made to DCS or to local law enforcement do not terminate a Compliance Officer's or a designee's obligation and responsibility to continue to investigate a complaint of harassment. While the Compliance Officer or a designee may work cooperatively with outside agencies to conduct concurrent investigations, in no event shall the harassment investigation be inhibited by the involvement of outside agencies without good cause after consultation with the Superintendent.

Inappropriate Boundary Invasions by Corporation Employees

The Board prohibits inappropriate boundary invasions by a Corporation employee into a student's personal space and personal life.

Examples of inappropriate boundary invasions include but are not limited to the following:

- A. inappropriate hugging, kissing, or other physical conduct with a student;
- B. telling sexual jokes to students;
- C. engaging in talks containing sexual innuendo or banter with students;
- D. talking about sexual topics that are not related to curriculum;
- E. showing pornography to a student;
- F. taking an undue interest in a student (i.e., having a "special friend" or "special relationship");
- G. initiating or extending contact with students beyond the school day for personal purposes;
- H. using email, text messaging, websites, or other social media services to discuss personal topics or interests with students;
- I. giving students rides in the staff member's personal vehicle or taking students on personal outings without administrator approval;
- J. invading a student's privacy (e.g., walking in on the student in the bathroom or locker room or asking about bra sizes or previous sexual experience);
- K. going to a student's home for non-educational purposes;
- L. inviting students to the staff member's home without proper chaperones (i.e., another staff member or the student's parent);
- M. giving gifts or money to a student for no educational purpose;
- N. accepting gifts or money from a student for no legitimate educational purpose (this does not include gifts given at Christmas or at the end of the year as a "thank you" to the staff member);
- O. being overly touchy with students;
- P. pulling a student out of class to visit with the staff member;
- Q. providing advice to or counseling a student regarding a personal problem (e.g., problems related to sexual behavior, substance abuse, mental or physical health, or family relationships) unless properly licensed and authorized to do so;
- R. talking to a student about problems that normally would be discussed with adults (e.g., marital issues);
- S. being alone with a student behind closed doors without a legitimate educational purpose;
- T. telling a student "secrets" and having "secrets" with a student.

Disciplinary action, up to and including termination, may result from the violation of the above-stated boundary invasions.

Allegations Involving Conduct Unbecoming the Teaching Profession/Suspension

The Superintendent will report to the Indiana Department of Education, on forms provided for that purpose, matters of misconduct on the part of licensed professional staff members convicted of sexual battery and, in accordance with Policy 3121, will suspend such employee from all duties that concern or involve the care, custody, or control of a child during the pendency of any criminal action for which that person has been arrested, summoned and/or indicted in that regard.

The School Board discourages the presentation of gifts to administrators.

Upon the recommendation of the Superintendent, the Board shall consider, as appropriate, the presentation of token gifts to retiring members of the staff who have rendered service for a period of time.

Administrators shall not accept any form of compensation from vendors that might influence their recommendations on or raise a conflict of interest with respect to the eventual purchase of equipment, supplies, or services. 1220 - EMPLOYMENT OF THE SUPERINTENDENT

The School Board vests the primary responsibility for administration of the School Corporation in the Superintendent. The appointment of the Superintendent is, therefore, one of the most important functions the Board can perform.

Whenever the position of Superintendent becomes vacant, the Board will appoint a Superintendent and fix his/her salary and term of employment, which will be for a term of at least one (1) year and not more than three (3) years. However, a contract may be extended for not more than an additional five (5) years beyond the term of the original contract.

Beginning with July 1, 2021, and thereafter, the Board will not enter into a contract with a Superintendent on or after the date of the election of one or more members of the governing body until January 1 of the year immediately following the year of the election. This policy provision does not apply if the membership of the governing body does not change as a result of the particular election.

If the contract contains a provision that establishes an amount the Board must pay to the Superintendent to buy out the contract, the amount may not be more than an amount equal to the lesser of:

- A. the Superintendent's salary for any one (1) year under the contract; or
- B. \$250,000.

A Superintendent's salary under clause (A) does not include benefits or any other forms of compensation that the Superintendent receives as payment under the contract other than the Superintendent's salary.

The Board will actively seek the best qualified and most capable candidate for the position of Superintendent.

It may be aided in this task by:

- A. a committee of Board members;
- B. the services of professional consultants;
- C. the counsel of the out-going Superintendent;
- D. the participation of members of the community.

Recruitment procedures will be prepared in advance of the search and will include:

- A. preparation of a written job specification for the position of Superintendent;
- B. preparation of written specifications of qualification in addition to proper State certification;
- C. preparation of informative material describing this Corporation and its educational goals;
- D. where feasible, the opportunity for applicants to visit the schools of this Corporation;

E. the requirement that each selected candidate for the position be interviewed by Board members in a format that encourages him/her to express his/her educational philosophy;

F. solicitation of applications from a wide geographical area;

G. consideration of all applicants fairly without discrimination on the basis of race, gender, age, religion, ethnic background, disability, or other condition unrelated to the position of Superintendent.

No person may be employed as Superintendent of this Corporation unless s/he has signed an employment contract with the Board.

At least seven (7) days before a contract for employment is entered into between the Board and the Superintendent, the Board shall hold a public meeting on the proposed contract to hear objections to and support for and discuss the proposed contract.

The Board Secretary shall submit notice of the hearing on the proposed contract for publication in a newspaper serving the Corporation in compliance with I.C. 5-3-1 and for posting on the newspaper's Internet website in compliance with I.C. 5-3-1-1.5 at least once no less than ten (10) days before the date of the hearing. The Board Secretary also shall direct that the published notice be posted on the Corporation's Internet website.

The notice shall:

A. state that on a given day, time, and place, the Board will meet to discuss and hear objections to and support for the proposed contract; and

B. set forth the details of the proposed contract, including the actual monetary value of the contract, benefits, and any additional forms of compensation for each year of the contract.

The name of the candidate for the position of Superintendent shall not be included in the notices or discussion of the proposed contract.

Such contract will be in the basic form of the regular teacher's contract if the Superintendent holds a license under I.C. 20-28-5 and will include:

A. the term for which employment is contracted, including beginning and ending dates;

B. the salary which the Superintendent will be paid and the intervals at which s/he will be paid;

C. the benefits to which s/he is entitled;

D. such other matters as may be necessary to a full and complete understanding of the employment contract.

See also Policy 8311 - Public Access to Employee Contracts for further posting requirements following the approval of an employment contract with the Superintendent.

Except that such relatives may be employed only for a period which does not exceed one (1) school year.

Relatives of the Superintendent may be employed by the Corporation, provided the staff member being employed is not placed in a position in which the relative staff member would be supervised directly by the Superintendent.

Corporation employees may date and develop friendships and relationships with other employees - both inside and outside of the workplace - as long as the relationships do not have a negative impact on their work or the work of others.

Any relationship that interferes with the Corporation culture of teamwork, the harmonious work environment, or the productivity of employees, will be subject to discipline, up to and including termination.

Adverse workplace behavior - or behavior that affects the workplace that arises because of personal relationships - will not be tolerated. Corporation employees who disregard this policy will be subject to discipline, up to and including termination.

The Superintendent so appointed will devote himself/herself to the duties of his/her office.

Any candidate's intentional misstatement of fact material to his/her qualification for employment or the determination of his/her salary will be considered by this Board to constitute grounds for his/her dismissal.

The contract may be altered or rescinded for a new one at any time by mutual consent of the governing body and the superintendent. The consent of both parties must be in writing and must be expressed in a manner consistent with I.C. 20-28-8-6, -7, and -8. If the Superintendent holds a license under I.C. 20-28-5, the rights of a Superintendent as a teacher under any other law are not affected by the contract unless those rights conflict with the terms of I.C. 20-28-8-6(b), in which case the provisions of I.C. 20-28-8-6(b) govern.

1411 - REQUIRED REPORTS AND PROTECTION OF WHISTLEBLOWERS

The School Board recognizes that its employees teach its students by example and serve as a role model for students. It therefore requires that they exemplify high standards of honesty and integrity and comply with Indiana and Federal law and Board policies and administrative guidelines in their words and actions. To implement these expectations, the Board requires its employees to report possible violations of these Board standards to their immediate supervisor.

An employee who is aware of words or acts of a Board member or employee that may violate Federal or Indiana law, Board policy, or administrative guidelines shall bring the words or actions to the attention of the employee's immediate supervisor. If the immediate supervisor does not respond within a reasonable time, or the immediate supervisor is the officer or employee whose words or actions are in question, the employee shall make the report required by this policy to the Superintendent. If the words or acts that violate this policy are the Superintendent's words or acts, the report shall be made to the Board President. An employee also may report suspected malfeasance, misfeasance or nonfeasance by a public officer to the State Board of Accounts.

Employees are subject to disciplinary action, up to and including termination, for knowingly or recklessly making a false report under this policy or failing to make a report required by this policy.

After a verbal report of a violation of this policy is made, the immediate supervisor will direct the reporting employee to put the report in writing. If a reporting employee requires assistance in making a written report, the immediate supervisor shall assist the reporting employee.

An employee making a report required by this policy shall be protected from discipline, retaliation, or reprisal for making a report required by this policy as long as the employee had a good faith belief in the truth and accuracy of the information reported at the time of the report. A report in compliance with this policy is not required if the employee confirms that another employee has reported the same words or actions.

Code	po1422

1422 - **NONDISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY**

The School Board does not discriminate on the basis of race, color, national origin, sex (including gender status, sexual orientation and gender identity), disability, age, religion, military status, ancestry, genetic information, or any other legally protected category (collectively, "Protected Classes") in its programs and activities, including employment opportunities.

Notice of the Board's policy on nondiscrimination and the identity of the School Corporation's Compliance Officer(s) (see below) will be published on the Corporation's website, posted throughout the Corporation, and included in the Corporation's recruitment statements or general information publications.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges or is alleged to have been subjected to unlawful discrimination/retaliation, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged discrimination/retaliation.

Respondent is the individual who is alleged to have engaged in unlawful discrimination/retaliation, regardless of whether the Complainant files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

Corporation community means students, Corporation employees (i.e., administrators, and professional and support staff), and Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include but are not limited to guests and/or visitors on Corporation property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the Corporation community at school-related events/activities (whether on or off Corporation property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means a business day(s) (i.e., a day(s) that the Corporation office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Military status: refers to a person's status in the uniformed services, which includes the performance of duty on a voluntary or involuntary basis in a uniformed service, including active duty, active duty for training, initial active duty for training, inactive duty for training, full-time National Guard duty, and performance of duty or training by a member of Indiana organized militia. It also includes the period of time for which a person is absent from employment for the purpose of an examination to determine the fitness of the person to perform any duty listed above.

Corporation Compliance Officer(s)

The Board designates the following individuals to serve as the Corporation's "Compliance Officers" (also known as "Civil Rights Coordinators") (hereinafter referred to as the "COs").

Assistant Superintendent
802 S. Indian Creek Dr.
Trafalgar, IN 46181
317-878-2100

The names, titles, and contact information of these individuals will be published annually on the Corporation's website and on each individual school's website.

The COs are responsible for coordinating the Corporation's efforts to comply with applicable Federal and State laws and regulations, including the Corporation's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination/retaliation or denial of equal access. The COs also shall verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. Any sections of the Corporation's collectively-bargained, negotiated agreements dealing with hiring, promotion, and tenure need to contain a statement of nondiscrimination similar to that in the Board's statement above. In addition, any gender-specific terms should be eliminated from such contracts. A copy of each of the Acts and regulations on which this notice is based will be made available upon request from the CO.

Reports and Complaints of Unlawful Discrimination and Retaliation

Employees are required to report incidents of unlawful discrimination and/or retaliation to an administrator, supervisor, or other Corporation-level official so that the Board may address the conduct. Any administrator, supervisor, or other Corporation-level official who receives such a report shall provide it to the CO within two (2) days.

Discrimination against an individual based on their sex (including gender status, sexual orientation, and gender identity) is discrimination in violation of Title VII. Specifically, discrimination on the basis of sex stereotyping/gender-nonconformity constitutes sex discrimination. This is true irrespective of the cause of the person's gender non-conforming behavior. Employment actions based upon an individual's sex could be suspect and potentially impermissible.

COs are required to investigate allegations of conduct involving the discrimination or harassment of an employee or applicant based upon his/her gender status, sexual orientation, and gender identity.

Any questions concerning whether alleged conduct might violate this prohibition should be brought to the CO's attention promptly.

Employees who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept reports of unlawful discrimination/retaliation directly from any member of the Corporation community or a Third Party and such reports that initially are made to an administrator, supervisor, or other Corporation-level official. Upon receipt of a report of alleged discrimination/retaliation, the CO will contact the Complainant and initiate either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation) or designate a specific individual to conduct such a process.

The CO will provide a copy of this policy to the Complainant and the Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the Corporation community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Corporation employee who directly observes unlawful discrimination/retaliation is obligated, in accordance with this policy, to report such observations to one (1) of the COs within two (2) business days. Additionally, any Corporation employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct unless circumstances make such an intervention dangerous, in which case the employee should notify immediately other Corporation employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact the Complainant within two (2) business days to advise the Complainant of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedures (See Form 1422 F2)

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any employee who alleges to have been subjected to unlawful discrimination or retaliation may

seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights ("OCR"), the Indiana Civil Rights Commission ("ICRC") or the Equal Employment Opportunity Commission ("EEOC").

Informal Complaint Procedure

The goal of the informal complaint procedure is to stop inappropriate behavior promptly and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who alleges unlawful discrimination or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is available only when the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process, and individuals who participate in the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a Corporation employee or any other adult member of the Corporation community and a student will be investigated formally.

As an initial course of action, if a Complainant feels comfortable and safe doing so, the Complainant should tell or otherwise inform the Respondent that the allegedly discriminatory/retaliatory conduct is inappropriate and must stop. The Complainant should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant who is uncomfortable or unwilling to approach the Respondent directly about the inappropriate conduct may file an informal or a formal complaint.

In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), the CO may advise against the use of the informal complaint process.

A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one (1) of the COs; or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to one (1) of the COs, who either will facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a prompt resolution of the Complainant's concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve but is not limited to one (1) or more of the following:

- A. Advising the Complainant about how to communicate concerns to the Respondent.
- B. Distributing a copy of Policy 1422 - Nondiscrimination and Equal Employment Opportunity to the individuals in the school building or office where the Respondent works/attends school.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.

If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, one (1) of the parties requested that the informal complaint process be terminated to move to the formal complaint process, the Complainant elects to file a formal complaint from the outset, or

the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

A Complainant may file a formal complaint, either orally or in writing, with a Principal, the CO, the Superintendent, or other Corporation official.

Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a Principal, the Superintendent, or other Corporation official, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the formal complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 1422 - Nondiscrimination and Equal Employment Opportunity. The Respondent also must be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint.

The investigation will include:

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful harassment/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Superintendent either must issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

The decision of the Superintendent shall be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described interviews/meetings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies, such as the filing of a complaint with the OCR, EEOC or ICRC, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Corporation will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Corporation's legal obligations to investigate, take appropriate action, and comply with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to the discrimination or other appropriate action.

The Board may appoint an individual, who may be a Corporation employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against unlawful discrimination by taking appropriate action reasonably calculated to stop and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of any relevant collective bargaining agreement or student code of conduct.

When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of any relevant collective bargaining agreement or student code of conduct.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws or this policy, or exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the Corporation community related to the implementation of this policy and shall provide training for Corporation students and staff where appropriate. All training and information provided regarding the Board's policy and discrimination in general will be age and content appropriate.

Retention of Investigatory Records and Materials

The CO is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but are not limited to:

- A. all written reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;

The documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal (e.g., FERPA, ADA) and/or State (e.g., I.C. 5-14-3-4) law, such as student records and confidential medical records.

Title	NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE
Code	po1422.02
Status	Active
Adopted	August 14, 2012
Last Revised	November 9, 2021

1422.02 - **NONDISCRIMINATION BASED ON GENETIC INFORMATION OF THE EMPLOYEE**

The School Board prohibits discrimination on the basis of genetic information in all aspects of employment, including hiring, firing, compensation, job assignments, promotions, layoffs, training, fringe benefits, or any other terms, conditions, or privileges of employment. The Board also does not limit, segregate, or classify applicants or employees in any way that would deprive or tend to deprive them of employment opportunities or otherwise adversely affect the status of the person as an employee, based on genetic information. Harassment of a person because of genetic information also is prohibited. Likewise, retaliation against a person for identifying, objecting to, or filing a complaint concerning a violation of this policy is prohibited.

The identity of the Compliance Officer (see Policy 1422 - Nondiscrimination and Equal Employment Opportunity) shall be posted throughout the School Corporation and published in any Corporation statement regarding the prohibition of discrimination on the basis of genetic information in all aspects of employment, in any staff handbooks, and in general information publications of the Corporation as required by Federal and State law and on the Corporation website.

In accordance with Title II of the Genetic Information Nondiscrimination Act of 2008, 42 U.S.C. 2000ff, et seq. and 29 C.F.R. 1635 ("GINA"), the Board shall not request, require or purchase genetic information of employees, their family members or applicants for employment. Further, in compliance with GINA, applicants and employees are directed not to provide genetic information, including that individual's family medical history, in response to necessary requests for medical information, with the exception that family medical history may be provided as part of the certification process for FMLA leave or when an employee is asking for leave to care for an immediate family member with a serious health condition. Applicants for employment are directed not to provide any genetic information, including the individual's family medical history, in response to requests for medical information as part of the Corporation's application for employment process. Employees and applicants for employment shall not be penalized for providing genetic information in good faith in response to a request from a Corporation employee or agent, unless that applicant or employee refuses to delete the information at the request of the employee or agent of the Corporation.

The Board recognizes that genetic information may be acquired through commercially and publicly available media including newspapers, books, magazines, periodicals, television shows or the Internet. The Board prohibits Corporation employees and agents, including commercial background investigation agents, from searching these sources with the intent of finding or obtaining genetic information or accessing sources from which they are likely to acquire genetic information. If genetic information about an employee or applicant is obtained in error, it shall be redacted immediately and not shared beyond the point of first receipt.

As used in this policy, "genetic information," means information about: (a) an individual's genetic tests; (b) the genetic tests of that individual's family members; (c) the manifestation of disease or disorder in family members of the individual (family medical history); (d) an individual's request for or receipt of genetic services or the participation in clinical research that includes genetic services by the individual or a family member of the individual; or (e) the genetic information of a fetus carried by an individual or a pregnant woman who is a family member of the individual and the genetic information of an embryo legally held by an individual or family member using assistive reproductive technology.

The term "genetic information" does not include information about the sex or age of the individual, the sex or age of family members, or information about the race or ethnicity of the individual or family member that is not derived from a genetic test.

As used in this policy, "genetic test" means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites that detect genotypes, mutations, or chromosomal changes. The term includes any test of a person's DNA/RNA.

If the Corporation's employees or agents legally and/or inadvertently receive genetic information about an employee or applicant, it shall be treated as a confidential medical record in accordance with law.

The Corporation's Compliance Officer (see Policy 1422 - Nondiscrimination and Equal Employment Opportunity) is responsible for overseeing the Board's compliance with this policy and GINA and proposing revisions and additions to this policy as necessary to insure the Board's compliance with GINA. This person shall be responsible for working with the Board's legal counsel to fully implement the requirements of GINA in all activities of the Corporation. The Compliance Officer also shall verify that proper notice of nondiscrimination for Title II of GINA is provided to staff members and that all requests for health-related information (e.g., to support an employee's request for reasonable accommodation under the ADA or a request for sick leave) are accompanied by a written warning that directs the employee or health care provider not to collect or provide genetic information. The written warning shall contain the information in the following sample notice:

Genetic Information Nondiscrimination Act of 2008 (GINA) Disclosure Requirement

The Genetic Information Nondiscrimination Act of 2008 or "GINA" prohibits employers and other entities covered by the law, including the Nineveh - Hensley - Jackson United School Corporation, from requesting or requiring genetic information about an employee or applicant or family member of an employee or applicant, except as specifically allowed by law. To comply with GINA, do not provide any genetic information when responding to this request for medical information (unless the request pertains to a request for FMLA leave for purposes of caring for an immediate family member with a serious health condition). "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic test, the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research that includes genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. Questions concerning compliance with the requirements of GINA may be directed to the Compliance Officer at 317-878-2100.

The Board offers health services, including a wellness program. Participation in the services/program is voluntary. Genetic information (such as family medical history) may be obtained as part of an individual's participation in the service/program. If that occurs, individual genetic information may be provided to the individual receiving the services and to his/her health services providers, but only genetic information in aggregate form will be provided to the Corporation and no applicant or employee shall be identified or identifiable from the reported information.

The grievance procedure for complaints of discrimination in Policy 1422 applies to complaints of discrimination, including harassment, or retaliation prohibited by GINA and may be utilized if a Corporation employee alleges discrimination or harassment on the basis of genetic information or retaliation for identifying, objecting to, or filing a complaint concerning a violation of GINA or this policy.

All requests for unpaid leaves of absence by administrators shall be presented to the School Board for approval.

Leave of Absence for Members of National Guard or Reserve:

The Board shall grant a leave of absence in addition to a regular vacation period without loss of pay or time to any administrator who is a member of the Indiana National Guard, a reserve component of the U.S. forces, or a retired member of the naval, air, or ground forces of the United States and is on training duty for the State by order of the Governor or under the order of the reserve-component authority for consecutive or nonconsecutive periods not to exceed a total of fifteen (15) days in any calendar year. The administrator's vacation benefits, if any, will not be affected by this type of leave.

Leave of Absence for Active Duty Family Member:

An administrator who has been employed for at least twelve (12) months and is the spouse, parent, grandparent, or sibling of a person who is ordered to active duty is entitled to an unpaid leave of absence during one (1) or more of the following periods:

The administrator may request to substitute any of his/her earned vacation, personal leave, or other paid leave except for paid medical or sick leave available for leave for any part of the ten (10) day period.

The administrator who chooses to take this type of leave of absence shall provide notice including a copy of the active duty orders if available, to the Board of the date the leave is to begin. This notice is to be given to the Board at least thirty (30) days before the date on which the staff member intends to begin the leave, unless the active duty orders are issued less than thirty (30) days before the date the requested leave is to begin.

The Board may require verification of the administrator's eligibility for the leave. If the staff member fails to provide verification, the Board may consider the staff member's absence as being unexcused.

After an administrator takes a leave of absence, the administrator shall be restored to:

- A. the position the administrator held before the leave, or
- B. a position equivalent to the position that the administrator held before the leave with equivalent benefits and terms of the negotiated agreement.

The Board is not required to restore an administrator to a position described above if the Board proves that the reason the administrator was not restored to the position is unrelated to the administrator's exercise of his/her rights to request this leave.

Title	FITNESS FOR DUTY EXAMINATION
Code	po1460
Status	Active

1460 - FITNESS FOR DUTY EXAMINATION

The Board reserves the right to require a current employee or applicant for employment (after a conditional offer of employment), to submit to a fitness for duty examination by a qualified healthcare provider to determine the employee or applicant's ability to meet the qualification standards and perform the essential functions of a position an application is being considered for or an employee is performing ("FFD exam"). A FFD examination shall be done in accordance with the Superintendent's guidelines and the examiner shall be provided with specific essential functions of the position in question.

Reports of all FFD examinations shall be delivered to the Superintendent or a named designee, who shall protect the confidentiality of the FFD exam report and its contents. In agreeing to perform the FFD exam, the healthcare provider and the examinee shall agree that no treatment relationship or privileged communication shall occur between the FFD examiner and the applicant or employee. The report of the examiner may be shared with the employee or candidate and made a part of a personnel record on the examinee maintained by the Board. However, the report shall be filed separately from an applicant/employee's other personnel documents so that the report and related documents are accessible only to the Superintendent and specific designees. Failure to protect the confidentiality of a FFD exam report and related documents shall be a basis for discipline of an employee permitting the disclosure.

In the event of a report of a condition that could adversely impact the examinee's performance of an essential function of the position occupied or applied for, the Superintendent shall base a recommendation to the Board on the examinee's employment on the assessment of the healthcare provider who conducted the FFD exam as to whether the examinee will be able to meet the qualification standards and perform or continue to perform the essential functions of the position in question.

Employees and applicants referred for a FFD exam will be required to execute a release that complies with the requirements of the Health Insurance Portability and Accountability Act in order to allow the results of the healthcare provider's FFD exam to be released to the Board/Superintendent and to allow the Superintendent to speak to the health care provider who conducted the FFD examination if clarification is needed (see Form 1460 F2).

In compliance with the Genetic Information Nondiscrimination Act (GINA) and Board Policy 1422.02, a FFD examiner shall be advised not to seek, collect, or report genetic information, including the candidate's family medical history.

The cost of a FFD exam shall be paid for by the Board. An employee shall be paid for the time required for the FFD exam and for travel at the per mile rate established by the Board. A candidate for employment shall not be eligible for mileage reimbursement.

The report of the healthcare provider performing the FFD exam shall be the property of the Board and shall be exempt from disclosure pursuant to the Indiana Access to Public Records Act (I.C. 5-14-3). A FFD exam report and related documents will be maintained in a separate confidential personnel file in accordance with the Americans with Disabilities Act, as amended, and the Genetic Information Nondiscrimination Act (GINA).

1461 - UNREQUESTED LEAVES OF ABSENCE

It is the policy of the School Board to protect students and employees from the administrative staff members who are unable to perform essential job functions with or without accommodation.

The Board may place an administrative staff member on unrequested leave of absence when the staff member is unable to perform assigned duties in conformance with statute and the negotiated, collectively-bargained agreement with or without accommodation.

If the Superintendent believes the staff member is unable to perform essential job functions, the administrative staff member will be offered the opportunity for a meeting to discuss these issues.

If an administrative staff member refuses to attend the meeting, the Board may order the administrative staff member to submit to an appropriate examination by a physician or institution of the administrative staff member's choice provided such physician or institution has been approved by the Board.

The administrative staff member will be required to execute a release that complies with the requirements of the Health Insurance Portability and Accountability Act (HIPAA) in order to allow the report of the medical examination to be released to the Board/Superintendent and to allow the Superintendent or his/her designee to speak to the health care provider who conducted the medical examination in order to get clarification. Refusal to submit to an appropriate examination or to execute the HIPAA release will be grounds for disciplinary action, up to and including termination.

As required by Federal law and regulation and Board Policy 1422.02, the Superintendent shall direct the provider designated by the Board to conduct the examination not to collect genetic information or provide any genetic information, including the individual's family medical history, in the report of the medical examination.

Pursuant to State law and in accordance with the Americans with Disabilities Act, as amended (ADA) and the Genetic Information Nondiscrimination Act (GINA), the results of any such examination shall be treated as a confidential medical record and will be exempt from release, except as provided by law. If the Corporation inadvertently receives genetic information about an individual who is required to submit to an appropriate examination from the medical provider it shall be treated as a confidential medical record as required by the ADA.

If, as a result of such examination, the administrative staff member is found to be unable to perform assigned duties with or without accommodation, the administrative staff member may be placed on leave of absence for a reasonable time to heal or until the staff member is able to perform the essential job function, but only for a period not to exceed one (1) year. An administrative staff member placed on leave without a written request is entitled to a hearing on that action in accordance with I.C. 20-28-7-3,4,5.

Should an administrative staff member refuse to submit to the examination requested by the Board and the administrative staff member has exercised his/her rights under the provisions hereinabove set forth, such refusal shall subject the administrative staff member to disciplinary action.

1530 - **EVALUATION OF ADMINISTRATORS**

Policy 3220 provides for annual performance evaluations as required by I.C. 20-28-11.5-4 for each "certificated employee" as defined in I.C. 20-29-2-4. This definition of "certificated employee" is a person whose contract with the Board requires that the person hold a license or permit from the Office of Education Licensing and Employment of the Indiana Department of Education under I.C. 20-28.

Because the Board's administrative staff is covered by the definition of "certificated employee", the evaluation plan developed pursuant to Policy 3220 shall include the evaluation of administrators. The evaluation plan for administrators may be combined with or separate from the plan for the evaluation of "school employees" as defined in I.C. 20-29-2-13 and may be amended as necessary to accomplish its purpose.

Title	MILITARY SERVICE
Code	po1537
Status	Active
Adopted	November 12, 2013

1537 - **MILITARY SERVICE**

The School Board recognizes that military service by administrative staff members is a service benefiting the entire school community and the Board is committed to supporting this service by providing military leave to eligible administrative staff members. The Board reserves the right to establish conditions for leaves of absence for military service and reemployment in compliance with the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), as amended, and Indiana law.

As used in this policy, "military service" means the performance of duty on a voluntary or involuntary basis in a uniformed service of the United States, including:

- A. Federal active duty including Reserve and Guard members who have been called up;
- B. Federal active duty for training;
- C. initial Federal active duty for training;
- D. inactive duty drills and annual training;
- E. State active duty for the Indiana National Guard;
- F. absence from work for an examination to determine a person's fitness for Federal or State duty; and
- G. funeral honors duty.

An administrative staff member on leave for military service shall receive compensation in accordance with applicable law during the period of leave and shall continue to accrue seniority subject to any applicable collectively bargained agreement during the period of leave for military service. Administrative staff members on leave for military service are entitled to continued health insurance coverage as if they were not on leave during absences for drills and absences for annual training. During leave for drills and annual training of not more than fifteen (15) consecutive or non-consecutive days per calendar year the administrative staff member shall be entitled to continue to receive their pay from the School Corporation and retain their military pay.

For other absences for military service, an administrative staff member may elect to continue health insurance coverage for the administrative staff member and dependents under the following conditions. For periods of up to thirty (30) days of military training or service, the administrative staff member shall be required to pay only the normal administrative staff member's share of the premium for this continued coverage. For longer periods of military service, the administrative staff member shall have the option to continue health insurance coverage by paying 102% of the full employer and employee premium. If the administrative staff member elects to take this coverage, the right to that coverage ends on the earlier of the day after the deadline for the administrative staff member to apply for reemployment or twenty-four (24) months after the absence for military leave began. An administrative staff member on leave for military service is entitled to all additional rights provided to administrative staff members for non-military leaves of absence.

An administrative staff member's right to re-employment under USERRA is subject to a cumulative five (5) year total for all federal active duty except where the administrative staff member's military obligation is involuntarily extended. Annual training and drills for reserve component and National Guard members are not included in computing the service for purposes of the five (5) year cap.

Where an administrative staff member has options as to when to take military leave, the administrative staff member shall make every effort to schedule the leave to minimize the absence from their duties for the School Corporation. Administrative staff members shall include a copy of any applicable military orders in their application for leave for military service. The administrative staff member shall submit notice of the need for this leave to the Superintendent or a designee as soon as the administrative staff member learns of the need for the leave unless giving advance notice is impossible, unreasonable, or precluded by military necessity as determined by the Department of Defense.

Credit for periods of leave for military service by administrative staff members for purposes of the Public Employees' Retirement Fund shall be governed by the statutes applicable to that retirement fund and the rules adopted by the Fund. See Ind. Code 5-10.4-4-8(b).

Before March 1st of the year in which the contract of an assistant superintendent, a principal, or an assistant principal is due to expire and before February 1st of the year in which the contract of a local director of special education is due to expire, the Board or an attorney, at its direction, shall give written notice of renewal or refusal to renew the individual's contract for the following school year.

At least thirty (30) days before giving written notice of refusal to renew a contract, the Board or an attorney, at its direction, shall inform the administrator by written preliminary notice that:

1613 - **STUDENT SUPERVISION AND WELFARE**

Administrators shall maintain a standard of care for the supervision, control, protection of students commensurate with their assigned duties and responsibilities and are expected to establish and maintain professional staff/student boundaries that are consistent with their legal, professional and ethical duty of care for students.

The Superintendent shall maintain and enforce the following standards:

- A. Each administrator shall report immediately to the Superintendent any accident, safety hazard, or other potentially harmful condition or situation s/he detects.
- B. Each administrator shall immediately report to the Superintendent any knowledge of threats or violence by students.
- C. An administrator shall not send students on any personal errands.
- D. An administrator shall not associate or fraternize with students at any time in a manner that may give the appearance of impropriety, including, but not limited to, the creation or participation in any situation or activity that could be considered abusive or sexually suggestive or involve harmful substances such as illegal drugs, alcohol or tobacco. Any sexual or other inappropriate conduct with a student by any administrator will subject the offender to potential criminal prosecution and disciplinary action by the Board up to and including termination of employment.
- E. If a student approaches an administrator to seek advice or to ask questions regarding a personal problem related to sexual behavior, substance abuse, mental or physical health, and/or family relationship, etc., the administrator may attempt to assist the student by facilitating contact with certified or licensed individuals in the Corporation or community who specialize in the assessment, diagnosis, and treatment of the student's stated problem. However, under no circumstances should an administrator attempt, unless properly licensed and authorized to do so, to counsel, assess, diagnose, or treat the student's problem or behavior, nor should such administrator inappropriately disclose personally identifiable information concerning the student to third persons not specifically authorized by law.
- F. An administrator shall not transport students in a private vehicle without the approval of the Superintendent.
- G. A student shall not be required to perform work or services that may be detrimental to his/her health.
- H. Administrators shall only engage in electronic communication with students via email, texting, social media and/or online networking media, such as Facebook, Twitter, YouTube, MySpace, Skype, blogs, etc., when such communication is directly related to curricular matters or co-curricular/extracurricular events or activities with prior approval of the Superintendent.
- I. Administrators are prohibited from electronically transmitting any personally identifiable image of a student(s), including video, photographs, streaming video, etc. via email, text message, or through the use of social media and/or online networking media, such as Facebook, Twitter, YouTube, MySpace, Skype, blogs, etc., unless such transmission has been made as part of a pre-approved curricular matter or co-curricular/extracurricular event or activity such as a school- sponsored publication or production in accordance with Policy 5722.

Since most information concerning a child in school, other than directory information described in Policy 8330, is confidential under Federal and State laws, any administrator who shares confidential information with another person not authorized to receive the information may be subject to discipline and/or civil liability. This includes, but is not limited to, information concerning assessments, grades, behavior, family background, alleged child abuse, and any other record information.

Pursuant to the laws of the State and Board Policy 8462, each professional staff member shall report to the proper legal authorities immediately, any sign of suspected child abuse or neglect.

1615 - USE OF TOBACCO BY ADMINISTRATORS

The Board recognizes that the use of tobacco presents a health hazard that can have serious consequences both for the user and the nonuser and is, therefore, of concern to the Board.

For purposes of this policy, "use of tobacco" shall mean all uses of tobacco, including a cigar, cigarette, pipe, snuff, or any other matter or substance that contains tobacco, as well as electronic, "vapor," or other substitute forms of cigarettes.

In order to protect students and staff who choose not to use tobacco from an environment noxious to them, and because the Board cannot, even by indirection, condone the use of tobacco, the Board prohibits the use of tobacco by administrators at all times within any facility owned or leased or contracted for by the Board.

Such prohibition also applies on school grounds, on school buses and/or at any school-related event.

The Superintendent and building principals shall ask an individual who is smoking in violation of this policy to refrain from smoking and cause to be removed from Corporation property an individual who is smoking in violation of this policy and fails to refrain from smoking after being asked to refrain from smoking.

The Superintendent shall develop administrative guidelines requiring the use of evidenced-based resources by staff who teach about the health hazards inherent in the use of tobacco products as part of Corporation's curriculum and who provide counseling to students regarding smoking cessation.

1617 - WEAPONS

The Board prohibits administrators from possessing, storing, making, or using a weapon in any setting that is under the control and supervision of the Corporation for the purpose of school activities approved and authorized by the Corporation including, but not limited to, property leased, owned, or contracted for by the Corporation, a school-sponsored event, or in a Corporation vehicle; provided, however, that an administrator is not prohibited from possessing a firearm or ammunition that is locked in the trunk of the administrator's vehicle, kept in the glove compartment of the administrator's locked vehicle, or stored out of plain sight in the administrator's locked vehicle.

Generally, the possession of a firearm in or on school property, in or on property that is being used by a school for a school function, or on a school bus is a felony (I.C. 35-47-9-2) and is prohibited by Board policy. However, State law permits a person who may legally possess a firearm to maintain that firearm if it is locked in the person's trunk, kept in the glove compartment of the person's locked vehicle, or stored out of plain sight in the person's locked vehicle. This exception does not apply to students unless it is a high school student who is a member of a shooting sports team and the principal has approved the student keeping a firearm concealed in the student's motor vehicle on days the student is competing or practicing as a member of a shooting sports team. This exception also does not apply to former students if the person is no longer enrolled in school due to a disciplinary action within the previous twenty- four (24) months.

The term "weapon" means any object which, in the manner in which it is used, intended to be used, or represented, is capable of inflicting serious bodily harm or property damage, as well as endangering the health or safety of persons. Weapons include, but are not limited to, firearms, tasers, handguns, stun guns, guns of any type, including air and gas-powered guns (whether loaded or unloaded), knives, razors, clubs, electric weapons, chemical weapons, metallic knuckles, martial arts weapons, ammunition, and destructive devices (bombs, incendiary, grenade, Molotov cocktail, rocket with a propellant charge of more than four (4) ounces, etc.). A "knife" is defined as "an instrument that: 1) consists of a sharp edge or sharp pointed blade capable of inflicting cutting, stabbing, or tearing wounds; and 2) is intended to be used as a weapon." I.C. 35-47-5-2.5(a)

The Superintendent will report an administrator who violates this policy to law enforcement officials. The administrator also will be subject to disciplinary action, up to and including termination, for violation of this policy.

This prohibition does not apply to weapons under the control of law enforcement personnel, as well as a School Resource Officer or other school security personnel who is not a law enforcement officer, but who may legally possess a firearm.

Exceptions to this policy include:

- A. items approved by a principal as part of a class or individual presentation under adult supervision, if used for the purpose of and in the manner approved; (Working firearms and ammunition shall never be approved.)
- B. theatrical props used in appropriate settings;
- C. starter pistols used in appropriate school related sporting events.

Staff members must report knowledge of dangerous weapons and/or threats of violence by students, staff members, or visitors to the principal. Failure to report such information may subject the staff member to disciplinary action, up to and including termination.

Title	SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT
Code	po1623
Status	Active
Adopted	August 14, 2012
Last Revised	November 9, 2021

1623 - **SECTION 504/ADA PROHIBITION AGAINST DISABILITY DISCRIMINATION IN EMPLOYMENT**

The School Board prohibits discrimination against any employee or applicant based upon disability. As such, the Board will not engage in employment practices or adopt policies that discriminate on the basis of disability, or otherwise discriminate against qualified individuals with disabilities in regard to job application procedures, the hiring, advancement or discharge of employees, employee compensation, job training, or other terms, conditions and privileges of employment. The Board further will not limit, segregate or classify applicants or employees in any way that adversely affects their opportunities or status because of disability. Additionally, the Board will not participate in any contractual or other relationships that have the effect of subjecting qualified individuals with disabilities who are applicants or employees to discrimination on the basis of disability.

Notice of the Board's policy on nondiscrimination in employment practices and the identity of the School Corporation's Compliance Officer(s) (see below) will be published on the Corporation's website, posted throughout the Corporation, and included in the Corporation's recruitment statements or general information publications.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges or is alleged to have been subjected to unlawful discrimination/retaliation, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged discrimination/retaliation.

Respondent is the individual who is alleged to have engaged in unlawful discrimination/retaliation, regardless of whether the Complainant files a formal complaint or is seeking an informal resolution to the alleged discrimination/retaliation.

Corporation community means students, Corporation employees (i.e., administrators, and professional and support staff), and Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include but are not limited to guests and/or visitors on Corporation property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the Corporation community at school-related events/activities (whether on or off Corporation property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means a business day(s) (i.e., a day(s) that the Corporation office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

An individual with a disability means a person who has, has a record of, or is regarded as having a physical or mental impairment that substantially limits one (1) or more major life activities.

Major Life Activities

Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, eating, sleeping, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, sitting, reaching, interacting with others, and working.

Major life activities also include the operation of a major bodily function, including but not limited to functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.

Impairment That Substantially Limits a Major Life Activity

The determination of whether an impairment substantially limits a major life activity must be made without regard to the ameliorative effects of mitigating measures such as medication, medical supplies, equipment or appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics (including limbs and devices), hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment or supplies, use of assistive technology, reasonable accommodations or "auxiliary aids or services," learned behavioral or adaptive neurological modifications, psychotherapy, behavioral therapy, or physical therapy.

An impairment that is episodic in nature or in remission is considered a disability if it would substantially limit a major life activity when active.

Qualified Individual with a Disability

A qualified individual with a disability means the individual satisfies the requisite skill, experience, education and other job-related requirements of the employment position the individual holds or desires and can perform the essential functions of the job in question, with or without reasonable accommodation.

Reasonable Accommodation

The Board will provide a reasonable accommodation to a qualified individual who has an actual disability or who has a record of a disability, unless the accommodation would impose an undue hardship on the operation of the Board's program and/or activities. A reasonable accommodation is not required for an individual who is merely regarded as having a disability.

Facilities

No qualified person with a disability will be denied the benefits of, excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which Section 504/ADA applies because the Corporation's facilities are inaccessible to or unusable by persons with disabilities.

For facilities constructed or altered after June 3, 1977, the Corporation will comply with applicable accessibility standards. For those existing facilities constructed prior to June 3, 1977, the Corporation is committed to operating its programs and activities so that they are readily accessible to persons with disabilities.

Compliance Officer(s)

The Board designates the following individual(s) to serve as the Corporation's Compliance Officers (also known as Section 504 Compliance Officers/ADA Coordinators) (hereinafter referred to as the "COs")."

Assistant Superintendent
802 S. Indian Creek Dr.
Trafalgar, IN 46181
317-878-2100

The names, titles, and contact information of these individuals will be published annually on the Corporation's website and on each individual school's website.

The COs are responsible for coordinating the Corporation's efforts to comply with applicable Federal and State laws and regulations, including the Corporation's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination/retaliation or denial of equal access. The COs also shall verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and Title VII of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973 (as amended), and the Age Discrimination in Employment Act of 1975 is provided to staff members and the general public. A copy of each of the Acts and regulations on which this notice is based will be made available upon request from the CO.

The Board will provide for the prompt and equitable resolution of complaints alleging violations of Section 504/ADA. See below.

Investigation and Complaint Procedures (See Form 1623 F2)

Any employee who alleges to have been subjected to unlawful discrimination or retaliation on the basis of disability may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) calendar days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights ("OCR"), the Indiana Civil Rights Commission ("ICRC") or the Equal Employment Opportunity Commission ("EEOC").

Informal Complaint Procedure

The goal of the informal complaint procedure is to stop inappropriate behavior promptly and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for an employee who alleges unlawful discrimination or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint. The informal process is available only when the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process, and individuals who participate in the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a Corporation employee or any other adult member of the Corporation community and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe doing so, the Complainant should tell or otherwise inform the Respondent that the allegedly discriminatory/retaliatory conduct is inappropriate and must stop. The Complainant should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file an informal or a formal complaint.

In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), the CO may advise against the use of the informal complaint process.

A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one (1) of the COs; and/or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to one (1) of the COs, who either will facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a prompt resolution of the Complainant's concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve but is not limited to one (1) or more of the following:

- A. Advising the Complainant about how to communicate concerns to the Respondent.
- B. Distributing a copy of Policy 1623 - Section 504/ADA Prohibition Against Disability Discrimination in Employment to the individuals in the school building or office where the Respondent works/attends school.
- C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.

If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, one (1) of the parties requested that the informal complaint process be terminated to move to the formal complaint process, the Complainant elects to file a formal complaint from the outset, or

the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

A Complainant may file a formal complaint, either orally or in writing, with a principal, the CO, the Superintendent, or other Corporation official.

Due to the sensitivity surrounding complaints of unlawful discrimination and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs. If a Complainant informs a principal, the Superintendent, or other Corporation official, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the formal complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 1623 - Section 504/ADA Prohibition Against Disability Discrimination in Employment. The Respondent also must be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or a designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint.

The investigation will include:

- A. interview(s) with the Complainant;
- B. interview(s) with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or the designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful harassment/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if discrimination or retaliation occurred, a preponderance of evidence standard will be used.

The CO may consult with the Board's legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or the designee, the Superintendent either must issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent's final written decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

The decision of the Superintendent shall be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described interviews/meetings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the OCR, EEOC or ICRC, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Corporation will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Corporation's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations.

All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken due to the discrimination or other appropriate action.

The Board may appoint an individual, who may be a Corporation employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against unlawful discrimination by taking appropriate action reasonably calculated to stop and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of any relevant collective bargaining agreement or student code of conduct.

When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of any relevant collective bargaining agreement or student code of conduct.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effect.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, made a report/formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or

hearing under those laws and/or this policy, or exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the Corporation community related to the implementation of this policy and shall provide training for Corporation students and staff where appropriate. All training and information provided regarding the Board's policy and discrimination in general will be age and content appropriate.

Retention of Investigatory Records and Materials

The CO is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but are not limited to:

- A. all written reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- B. any narratives that memorialize oral reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- C. any documentation that memorializes the actions taken by Corporation personnel or individuals contracted or appointed by the Board to fulfill its responsibilities related to the investigation and/or the Corporation's response to the alleged violation of this policy;
- D. written witness statements;
- E. narratives, notes from, and audio, video, or digital recordings of witness interviews/statements;
- F. e-mails, texts, and social media posts that directly relate to or constitute evidence pertaining to an alleged violation of this policy (i.e., not after-the-fact commentary about or media coverage of the incident);
- G. notes and summaries prepared contemporaneously by the investigator in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.), but not including transitory notes whose content is otherwise memorialized in other documents;
- H. written disciplinary sanctions issued to students or employees and other documentation that memorializes oral disciplinary sanctions issued to students or employees for violations of this policy;
- I. dated written determinations/reports (including summaries of relevant exculpatory and inculpatory evidence) and other documentation that memorializes oral notifications to the parties concerning the outcome of the investigation, including any consequences imposed as a result of a violation of this policy;
- J. documentation of any supportive measures offered and/or provided to the Complainant and the Respondent, including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;
- K. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- L. copies of the Board policy and procedures/guidelines used by the Corporation to conduct the investigation and any documents used by the Corporation at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Codes of Conduct and/or Employee Handbooks);
- M. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment;

- N. documentation of any training provided to Corporation personnel related to this policy including, but not limited to notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all Corporation personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conduct an investigation of an alleged violation of this policy;

The documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal (e.g., FERPA, ADA) and/or State (e.g., I.C. 5-14-3-4) law, such as student records and confidential medical records.

The documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years and longer if required by the Corporation's records retention schedule.

1630.01 - FAMILY & MEDICAL LEAVES OF ABSENCE ("FMLA")

In accordance with Federal law, the School Board shall provide up to twelve (12) weeks of unpaid FMLA leave in any twelve (12) month period to eligible professional staff members for the following reasons:

- A-1. the birth of a child and/or the care of a newborn child within one (1) year of the child's birth;
- B-1. the placement of a child with the staff member by way of adoption or foster care and/or to care for the child within one (1) year of the child's arrival;
- C-1. the staff member is needed to care for a spouse, son, daughter, or parent if such individual has a serious health condition; or
- D-1. the staff member's own serious health condition prevents him/her from performing the functions of his/her position.

Employee Entitlement to Service Member FMLA

Leave Entitlement

Service member FMLA provides eligible employees unpaid leave for one, or for a combination, of the following reasons:

- A-2. A "qualifying exigency" arising out of a covered family member's (spouse, son, daughter, or parent) covered active duty or call to covered active duty in the United States Armed Forces including the National Guard and Reserves. Qualifying exigencies, as defined by Federal regulations, include: 1) short-notice deployment; 2) military events and related activities; 3) childcare and school activities; 4) financial and legal arrangements; 5) counseling; 6) rest and recuperation; 7) post-deployment activities; and 8) additional activities not encompassed in the other categories, but agreed to by the employer and employee. Covered active duty means deployment with the Armed Forces to a foreign country.
- B-2. To care for a covered family member, including next of kin as provided in the statute, who has incurred an injury or illness or aggravation of a pre-existing illness or injury while in the line of duty while on covered active duty as described more fully in AG 1630.01.

Duration of Service Member FMLA

- A. When leave is due to a "qualifying exigency": An eligible employee may take up to twelve (12) work weeks of leave during any twelve (12) month period. Such leave shall be counted with regular FMLA leave time in calculating the twelve (12) weeks of allowable leave.
- B. When leave is to care for an injured or ill service member: An eligible employee may take up to twenty-six (26) work weeks of leave during a single twelve (12) month period to care for the service member who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness. This is a one time benefit per service member. Leave to care for an injured or ill service member, when combined with other FMLA-qualifying leave, may not exceed twenty-six (26) weeks in a single twelve (12) month period.

C. Service Member FMLA runs concurrent with other leave entitlements provided under Federal, State, and local law.

General Provisions

Professional staff members are "eligible" if they have worked for the Board for at least twelve (12) months, and for at least 1,250 hours over the twelve (12) months prior to the leave request. All full-time professional staff members are presumed to meet the 1,250 hour requirement if they were employed by the Corporation in this capacity for the preceding twelve (12) months. Months and hours that employees who performed USERRA-covered service would have worked if they had not been called up for military service count towards the staff member's eligibility for FMLA leave/Service Member Family Leave. Employment service time may be aggregated when the break in employment service is less than seven (7) years, is for fulfillment of military obligations, or if the employee is subject to recall under a written agreement (NOTE: this includes a collective bargaining agreement).

Twelve (12) month period is defined as a rolling twelve (12) month period measured backward from the date the staff member uses FMLA leave (i.e. the "leave year" is specific to each individual staff member).

For Service Member Family Leave, the use of the twenty-six (26) weeks will be measured forward from the first date on which the employee takes leave.

Serious health condition is defined as an illness, injury, impairment, or physical or mental condition that involves:

A. inpatient care, including any period of incapacity or any subsequent treatment in connection with such inpatient care; or

B. continuing treatment by a healthcare provider, including:

1. a period of incapacity of more than three (3) consecutive calendar days and any subsequent treatment or period of incapacity relating to the same condition that also involves either in-person treatment two (2) or more times by a healthcare provider within thirty (30) days of the first date of incapacity, absent extenuating circumstances beyond the employee's control, or in-person treatment by a healthcare provider on at least one (1) occasion which results in a regimen of continuing treatment under the supervision of a healthcare provider;

The first visit to the healthcare provider must occur within seven (7) days of the first date of incapacity.

2. any incapacity due to pregnancy or for prenatal care;
3. any period of incapacity or treatment for such incapacity due to a chronic serious health condition;
4. a period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective;
5. any period of absence to receive multiple treatments by a healthcare provider either for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three (3) consecutive days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), or kidney disease (dialysis).

C. conditions for which cosmetic treatment are administered are not "serious health conditions" unless inpatient hospital care is required or complications develop. Ordinarily, unless complications arise, the common cold, the flu, ear aches, upset stomachs, minor ulcers, headaches other than migraines, routine dental or orthodontia problems, periodontal disease, etc., are conditions that do not meet this definition and do not qualify for FMLA leave.

Intermittent and Reduced Schedule Leave

The Superintendent may allow a staff member to take FMLA leave intermittently or on a reduced schedule for the birth, adoption, or foster care placement of a child (see A-1 or B-1 on page one). A staff member may take FMLA leave on an intermittent or reduced-leave schedule when medically necessary for his/her own serious health condition or to care for a spouse, parents, or dependent child with a serious health condition (see C-1 and D-1 on page one). Service Member Family Leave may also be taken on an intermittent or reduced-leave schedule when medically necessary.

The taking of such leave results in the total reduction of the twelve (12) or twenty-six (26) weeks only by the amount of leave actually taken.

If the intermittent or reduced-leave schedule is foreseeable based on planned medical treatment or the staff member is taking Service Member Family Leave, the Superintendent may require the staff member to transfer temporarily to an available alternative position which better accommodates recurring periods of leave. The alternative position shall have equivalent pay and benefits but not necessarily equivalent duties. Instructional staff members (i.e. individuals whose principal function is to teach and instruct students in a class, a small group, or an individual setting) who request intermittent leave or a reduced-leave schedule because of

reasons (C-1) or (D-1) above or pursuant to Service Member Family Leave and the leave would exceed twenty percent (20%) of the total number of working days over the period of anticipated leave must elect either to:

- A. take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- B. transfer temporarily to an available alternative position offered by the Superintendent for which the instructional staff member is qualified, and that has equivalent pay and benefits and that better accommodates the recurring periods of leave than the staff member's regular position.

Staff Member Notice Requirement

Whenever the leave is foreseeable, the staff member shall provide the Superintendent with thirty (30) days notice. If there is insufficient time to provide such notice because of unforeseeable events, the staff member shall provide such notice as soon as possible and practical, generally not later than the next business day after the employee realizes the need for leave. Failure to follow the leave notice requirements may result in delay of obtaining the leave. Employees will still be required to comply with the absence reporting procedures at their buildings.

When planning medical treatment or taking leave pursuant to Service Member Family Leave, the staff member must consult with the Superintendent and make a reasonable effort to schedule the leave so as not to unduly disrupt the regular operation of the Corporation, subject to the approval of the healthcare provider.

Substitution of Paid Leave

The staff member may request to substitute (i.e. run concurrently) any of his/her earned or accrued paid leave (e.g. sick leave, personal leave) ((see A-1, B-1, and A-2).

The staff member may request to substitute any of his/her earned or accrued paid vacation, personal leave or sick leave) for unpaid FMLA leave provided for either reason (C-1) or (D-1) on page one and B-2 on page two.

The staff member may request to substitute any of his/her earned or accrued paid vacation, personal leave, family leave or sick leave for unpaid Service Member Family Leave.

If the staff member has not earned or accrued adequate paid leave to encompass the entire twelve (12) week period of FMLA leave or twenty-six (26) week period of Service Member Family Leave, the additional weeks of leave to obtain the twelve (12) weeks of FMLA leave or twenty-six (26) weeks of Service Member Family Leave, the staff member is entitled to shall be unpaid. Whenever a staff member uses paid leave in substitution for unpaid FMLA leave/Service Member Family Leave, such leave counts toward the twelve week/twenty-six (26) week maximum leave allowance provided by this policy.

Corporation Notice Requirement

The Superintendent will notify the staff member when the Corporation intends to designate leave as FMLA-qualifying. Such notice may be given orally or in writing and should be given within five (5) business days of the request. When verbal notice is given, it will be followed by written notice within five (5) business days. In the case of intermittent or reduced schedule leave, only one (1) such notice is required unless the circumstances regarding the leave have changed. If the Superintendent does not have sufficient information about the reason for the staff member's use of paid leave, the Superintendent may inquire further to ascertain whether the paid leave is FMLA-qualifying. Once the Superintendent learns that a paid leave is for an FMLA leave-qualifying reason, the Superintendent will notify the staff member within five (5) business days that the paid leave will count toward the staff member's twelve (12) week FMLA- leave entitlement. The notification will indicate whether the employee is required to provide a fitness-for-duty certification to return to work.

Limits

In cases in which the Board employs both spouses, the total amount of FMLA leave is twelve (12) weeks for the couple, except when the leave is due to the serious health condition of either spouse or a child. Additionally, the aggregate number of work weeks of leave to which both the husband and wife may be entitled pursuant to this policy is limited to twenty-six (26) work weeks during the single twelve (12) month period provided for in the Service Member Family Leave provision if the leave is taken pursuant to Service Member Family Leave or a combination of general FMLA leave and Service Member Family Leave.

Certification

When FMLA leave is taken for the staff member's own serious health condition or to care for a spouse, parents, or dependent child with a serious health condition (see C-1 and D-1 on page one), or Service Member Family Leave is taken, the staff member must provide medical certification from the healthcare provider of the eligible staff member, his/her immediate family member, or the next of kin of the individual.

The staff member may either:

- A. submit the medical certification to the Superintendent; or
- B. direct the healthcare provider to transfer the medical certification directly to the Superintendent, which will generally require the staff member to furnish the healthcare provider with a HIPAA-compliant authorization.

Staff members are not eligible for leave pursuant to this policy if they work elsewhere during leave pursuant to this policy.

In the event the staff member fails to provide medical certification, any leave taken by the employee is not FMLA leave/Service Member Family Leave.

When the need for FMLA leave is foreseeable and at least thirty (30) days' notice has been provided, the staff member must provide the medical certification before the leave begins. When this is not possible, the employee must provide the requested certification to the Superintendent within fifteen (15) calendar days after the staff member requests FMLA leave unless it is not practicable under the circumstances to do so despite the staff member's diligent and good faith efforts.

Any dispute over eligibility for FMLA leave shall be discussed between the employee and Superintendent. The Corporation shall be responsible for maintaining a record of those communications.

The Board reserves the right to obtain, at its expense, the opinion of a second healthcare provider and, in the event of conflict, the opinion of a third healthcare provider whose decision shall be binding and final. The staff member may either:

- A. submit the opinion of the second healthcare provider, and the opinion of the third healthcare provider if applicable, to the Superintendent; or
- B. direct the second or third healthcare provider to transfer his/her opinion directly to the Superintendent, which will generally require the staff member to furnish the healthcare provider with a HIPAA-compliant authorization.

In the event that the staff member fails to provide the medical opinion of the second or third healthcare provider, if applicable, any leave taken by the staff member is not FMLA leave.

A staff member who takes leave for reason (D-1) on page one, prior to returning to work, must provide the Superintendent with a statement from his/her healthcare provider that s/he is able to resume work.

A staff member seeking to take leave pursuant to reason (A-2 or B--2) above must submit, in a timely manner to the Superintendent, an appropriate certification as described by Federal regulations.

Return from Leave

Upon return from any FMLA leave, the Board will restore the staff member to his/her former position or to a position with equivalent employment benefits, pay and conditions of employment. During FMLA leave, the Board shall maintain the staff member's current coverage under the Board's group health insurance program on the same conditions as coverage would have been provided if the staff member had been continuously working during the leave period. If the staff member was paying all or part of the premium payments prior to going on FMLA leave, the staff member must continue to pay his/her share during the leave.

Any leave or return from leave during the last five (5) weeks of an academic term shall be reviewed individually by the Superintendent to minimize disruption to the students' program.

The staff member shall not accrue any sick leave, vacation, or other benefits during a period of unpaid FMLA leave.

The use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of the staff member's leave.

If the staff member fails to return to work at the end of the leave for reasons other than the continuation, recurrence, or onset of a serious health condition that entitles the staff member to leave pursuant to reasons (C-1) or (D-1) above or Service Member Family Leave, or for circumstances beyond the control of the staff member, the staff member shall reimburse the Board for the health insurance premiums paid by the Board during the unpaid FMLA leave period.

A staff member who fraudulently obtains FMLA leave is not protected by this policy's job restoration or maintenance of health benefits provisions.

The Superintendent shall prepare any guidelines that are appropriate for this policy and ensure that the policy is posted properly.

In any areas where discretion is allowed in the implementation of this policy or its guidelines for implementation, such discretion shall be exercised in a non-discriminatory manner. Similarly situated persons shall be treated similarly.

The Superintendent shall provide a copy of the policy to all staff members, and retain a record of how and when the policy was distributed. A notice of Rights and Obligations shall also be provided each time an employee requests FMLA leave or the Corporation has sufficient information to believe that the employee may qualify for FMLA leave.

The approval, denial and administration of leave under this policy will be governed by the Family Medical Leave Act of 1993, as amended, and its published regulations, as applied and interpreted by the Superintendent.

1662 - **ANTI-HARASSMENT**

General Policy Statement

It is the policy of the School Board to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School Corporation operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age, religion, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as "unlawful harassment") and encourages those within the Corporation community as well as Third Parties who feel aggrieved to seek assistance to rectify such problems.

The Board will investigate all allegations of harassment and, in those cases where unlawful harassment is substantiated, take immediate steps to end the harassment, prevent its reoccurrence, and remedy its effects.

Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

Other Violations of the Anti-Harassment Policy

The Corporation also will take immediate steps to impose disciplinary action on individuals engaging in any of the following prohibited acts:

- A. Retaliating against a person who has made a report or filed a complaint alleging unlawful harassment or who has participated as a witness in a harassment investigation.
- B. Filing a malicious or knowingly false report or complaint of unlawful harassment.
- C. Disregarding, failing to investigate adequately, or delaying investigation of allegations of unlawful harassment, when responsibility for reporting and/or investigating unlawful harassment charges comprises part of one's supervisory duties.

Notice

Notice of the Board's policy on anti-harassment related to employment practices and the identity of the Corporation's Compliance Officers will be posted throughout the Corporation and published in any Corporation statement regarding the availability of employment, staff handbooks, and general information publications of the Corporation as required by Federal and State law and this policy.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant is the individual who alleges or is alleged to have been subjected to unlawful harassment, regardless of whether the person files a formal complaint or is pursuing an informal resolution to the alleged harassment.

Respondent is the individual who is alleged to have engaged in unlawful harassment, regardless of whether the Complainant files a formal complaint or is seeking an informal resolution to the alleged harassment.

Corporation community means students, Corporation employees (i.e., administrators and professional and classified staff), and Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties include but are not limited to guests and/or visitors on Corporation property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the Corporation community at school-related events/activities (whether on or off Corporation property).

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the Corporation office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Sexual Harassment

For purposes of this policy and consistent with Title VII of the Civil Rights Act of 1964, "sexual harassment" is defined as:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when:

- A. Submission to such conduct is made either implicitly or explicitly a term or condition of an individual's employment.
- B. Submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual.
- C. Such conduct has the purpose or effect of interfering with the individual's work performance or of creating an intimidating, hostile, or offensive working environment.

Sexual harassment may involve the behavior of a person of any gender against a person of the same or another gender.

Sexual Harassment covered by Policy/AG 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, i.e., sexual harassment prohibited by Title IX, is not included in this policy. Allegations of such conduct shall be addressed solely by Policy 2266/AG 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities.

Prohibited acts that constitute sexual harassment under this policy may take a variety of forms. Examples of the kinds of conduct that may constitute sexual harassment include but are not limited to:

- A. Unwelcome sexual propositions, invitations, solicitations, and flirtations;
- B. Unwanted physical and/or sexual contact;
- C. Threats or insinuations that a person's employment, wages, promotion, or other conditions of employment may be adversely affected by not submitting to sexual advances;
- D. Unwelcome verbal expressions, including graphic sexual commentaries about a person's body, dress, appearance, or sexual activities; the unwelcome use of sexually degrading language, profanity, jokes or innuendoes; unwelcome suggestive or insulting sounds or whistles; obscene telephone calls;
- E. Sexually suggestive objects, pictures, graffiti, videos, posters, audio recordings or literature placed in the work environment that reasonably may embarrass or offend individuals;
- F. Unwelcome and inappropriate touching, patting, or pinching; obscene gestures;
- G. Asking or telling about sexual fantasies, sexual preferences, or sexual activities;
- H. Speculation about a person's sexual activities or sexual history or remarks about one's own sexual activities or sexual history;
- I. Giving unwelcome personal gifts, such as lingerie, that suggest the desire for a romantic relationship;

J. Leering or staring at someone in a sexual way, such as staring at a person's breasts, buttocks, or groin;

K. A pattern of conduct, which can be subtle in nature, that has sexual overtones and is intended to create or has the effect of creating discomfort and/or humiliation to another;

L. In the context of employees, consensual sexual relationships where such relationship leads to favoritism of a subordinate employee with whom the superior is sexually involved and where such favoritism adversely affects other employees or otherwise creates a hostile work environment;

M. Verbal, nonverbal or physical aggression, intimidation, or hostility based on sex or sex-stereotyping that does not involve conduct of a sexual nature.

Not all behavior with sexual connotations constitutes unlawful sexual harassment. Sex-based or gender-based conduct must be sufficiently severe, pervasive, and persistent that it adversely affects, limits, or denies an individual's employment or creates a hostile or abusive employment environment.

Race/Color Harassment

Prohibited racial harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's race or color and when the conduct has the purpose or effect of: interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's race or color, such as racial slurs, nicknames implying stereotypes, epithets, and/or negative references regarding racial customs.

Religious (Creed) Harassment

Prohibited religious harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's religion or creed and when the conduct has the purpose or effect of: interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's religious tradition, clothing, or surnames, and/or involves religious slurs.

National Origin/Ancestry Harassment

Prohibited national origin/ancestry harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's national origin or ancestry and when the conduct has the purpose or effect of: interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's national origin or ancestry, such as negative comments regarding customs, manner of speaking, language, surnames, or ethnic slurs.

Disability Harassment

Prohibited disability harassment occurs when unwelcome physical, verbal, or nonverbal conduct is based upon an individual's disability and when the conduct has the purpose or effect of: interfering with the individual's work or educational performance; creating an intimidating, hostile, or offensive working or learning environment; or interfering with one's ability to participate in or benefit from a class or an educational program or activity. Such harassment may occur where conduct is directed at the characteristics of a person's disability, such as negative comments about speech patterns, movement, physical impairments or defects/appearances, or the like. Such harassment further may occur where conduct is directed at or pertains to a person's genetic information.

Corporation Compliance Officers

The following individuals serve as the Corporation's Compliance Officers (also known as "Anti-Harassment Compliance Officer(s)") (hereinafter referred to as the "COs").

Assistant Superintendent
802 S. Indian Creek Dr.
Trafalgar, IN 46181
317-878-2100

The names, titles, and contact information of these individuals will be published annually on the Corporation's website and on each individual school's website.

The COs are responsible for coordinating the Corporation's efforts to comply with applicable Federal and State laws and regulations, including the Corporation's duty to address in a prompt and equitable manner any inquiries or complaints regarding harassment on the basis of a protected class.

The COs will oversee the investigation of any complaints of harassment based on a protected class which may be filed pursuant to the Board's adopted internal complaint procedure (see below) and will attempt to resolve such complaints. The Board will provide for the prompt and equitable resolution of complaints alleging harassment based on a protected class.

Reports and Complaints of Unlawful Harassment and Retaliation

Students and Corporation employees are required, and all other members of the Corporation community and Third Parties are encouraged, to promptly report incidents of harassment based on a protected class to an administrator, supervisor, or other Corporation official so that the Board may address the conduct before it becomes severe, pervasive, or persistent. Any teacher, administrator, supervisor, or other Corporation employee or official who receives such a complaint shall file it with the CO within two (2) business days.

Members of the Corporation community and Third Parties who believe they have been unlawfully harassed by another member of the Corporation community or a Third Party are entitled to utilize the Board's complaint process that is set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints of harassment under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

The COs will be available during regular school/work hours to discuss concerns related to harassment on the basis of a protected class. The COs shall accept reports of unlawful harassment directly from any member of the Corporation community or a Third Party and such reports that initially are made to another Corporation employee. Upon receipt of a report of alleged harassment, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged harassment) or designate a specific individual to conduct such a process.

The CO will provide a copy of this policy to the Complainant and Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members of the Corporation community must report incidents of harassment based on a protected class that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Corporation employee who directly observes unlawful harassment is obligated, in accordance with this policy, to report such observations to a CO within two business (2) days. Additionally, any Corporation employee who observes an act of unlawful harassment is expected to intervene to stop the harassment unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Corporation employees and/or local law enforcement officials, as necessary, to stop the harassment. Thereafter, the CO or designee must contact the Complainant if age eighteen (18) or older or the Complainant's parents/guardians if the Complainant is under the age eighteen (18) within two (2) days to advise of the Board's intent to investigate the alleged harassment.

Investigation and Complaint Procedure (See Form 1662 F1)

Except for Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Program or Activities, any employee or other member of the Corporation community or Third Party (e.g., visitor to the Corporation) who alleges to have been subjected to unlawful harassment or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of harassment based on a protected class or retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful harassment or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.

Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the United States Department of Education, Office for Civil Rights ("OCR"), the Indiana Civil Rights Commission ("ICRC") or the Equal Employment Opportunity Commission ("EEOC"). The Chicago Office of the OCR can be reached at John C. Kluczynski Federal Building, 230 S. Dearborn Street, 37th Floor, Chicago, IL 60604; Telephone: 312-730-1560; FAX: 312-730-1576; TDD: 800-877-8339; Email: OCR.Chicago@ed.gov; Web: <http://www.ed.gov/ocr>.

Informal Complaint Procedure

The goal of the informal complaint procedure is to stop inappropriate behavior promptly and facilitate resolution through informal means, if possible. The informal complaint procedure is provided as a less formal option for a Corporation employee, other member of the Corporation community or Third Party who alleges unlawful harassment or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.

The informal process is available only in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process, and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a Corporation employee, any other adult member of the Corporation community, or a Third Party and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe in doing so, the individual should tell or otherwise inform the Respondent that the alleged harassing conduct is unwelcome and must stop. The Complainant should address the allegedly harassing conduct as soon after it occurs as possible. The COs are available to support and counsel individuals when taking this initial step or to intervene on behalf of the Complainant if requested to do so. A Complainant who is uncomfortable or unwilling to approach the Respondent directly about the allegedly inappropriate conduct may file an informal or a formal complaint.

In addition, with regard to certain types of unlawful harassment, such as sexual harassment, the CO may advise against the use of the informal complaint process.

A Complainant who alleges harassment based on a protected class or retaliation may make an informal complaint, either orally or in writing: 1) to a building administrator; 2) directly to one (1) of the COs; or 3) to the Superintendent or other Corporation-level employee.

All informal complaints must be reported to one (1) of the COs, who either will facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The Corporation's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a resolution of the Complainant's concerns. Depending upon the nature of the complaint and the wishes of the Complainant, informal resolution may involve but is not limited to one (1) or more of the following:

A. Advising the Complainant about how to communicate the unwelcome nature of the behavior to the Respondent.

B. Distributing a copy of Policy 1662 - Anti-Harassment to the individuals in the school building or office where the Respondent works or attends school.

C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) business days of receiving the informal complaint.

If the Complainant is dissatisfied with the results of the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, one (1) of the parties has requested that the informal complaint process be terminated to move to the formal complaint process, the Complainant elects to file a formal complaint from the outset, or the CO determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

A Complainant may file a formal complaint, either orally or in writing, with a Principal, the CO, the Superintendent, or other Corporation official.

Due to the sensitivity surrounding complaints of unlawful harassment and retaliation, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) calendar days after the conduct occurs while the facts are known and potential witnesses are available.

If a Complainant informs a teacher, Principal, Superintendent, or other Corporation official, either orally or in writing, about any complaint of harassment or retaliation, that employee must report such information to the CO within two (2) business days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further harassment or retaliation, including but not limited to a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO still may take whatever actions are deemed appropriate in consultation with the Superintendent.

Within two (2) business days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful harassment or retaliation.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 1662 - Anti-Harassment. The Respondent also must be informed of the opportunity to submit a written response to the formal complaint within five (5) business days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of harassment based on a protected class or retaliation within fifteen (15) business days of receiving the formal complaint.

The investigation will include:

- A. interviews with the Complainant;
- B. interviews with the Respondent;
- C. interviews with any other witnesses who reasonably may be expected to have any information relevant to the allegations; and
- D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful harassment as provided in Board policy and State and Federal law as to whether the Respondent engaged in unlawful harassment or retaliation toward the Complainant. The CO's recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if unlawful harassment or retaliation occurred, a preponderance of evidence standard will be used.

Absent extenuating circumstances, within five (5) business days of receiving the report of the Compliance Officer/designee, the Superintendent either must issue a written decision regarding whether the complaint of harassment has been substantiated or request further investigation. A copy of the Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) business days. At the conclusion of the additional investigation, the Superintendent must issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in harassment or retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the harassment or retaliation. The corrective action should be reasonable, timely, age-appropriate, effective, and tailored to the specific situation.

The decision of the Superintendent shall be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful harassment or retaliation regardless of whether the Complainant pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described interviews/meetings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies such as the filing of a complaint with the OCR, the ICRC or the EEOC, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The Corporation will employ all reasonable efforts to protect the rights of the Complainant, the Respondent, and the witnesses as much as possible, consistent with the Corporation's legal obligations to investigate, take appropriate action, and to comply with any discovery or disclosure obligations.

All records generated under the terms of this policy and related administrative guidelines shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct all members of the Corporation community and third parties who are interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of a harassment investigation is expected not to disclose any information that is learned or provided during the course of the investigation.

Remedial Action and Monitoring

If warranted, appropriate remedial action shall be determined and implemented on behalf of the Complainant, including but not limited to counseling services, reinstatement of leave taken because of the discrimination, or other appropriate action.

The Board may appoint an individual, who may be a Corporation employee, to follow up with the Complainant to ensure no further discrimination or retaliation has occurred and to take action to address any reported occurrences promptly.

Sanctions and Disciplinary Action

The Board shall vigorously enforce its prohibitions against unlawful harassment/retaliation by taking appropriate action reasonably calculated to stop the harassment and prevent further misconduct.

While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of any relevant collective bargaining agreement or student code of conduct.

When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the age and maturity level of any student involved. In those cases where unlawful harassment is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of any relevant collective bargaining agreement or student code of conduct.

Where the Board becomes aware that a prior disciplinary action has been taken against the Respondent, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its recurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce, or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws or this policy, or exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this Anti-Harassment Policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the Corporation community related to the implementation of this policy and shall provide training for Corporation students and staff where appropriate. All training and information provided regarding the Board's policy and harassment in general will be age and content appropriate.

Retention of Investigatory Records and Materials

The CO is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and/or received as part of an investigation, which may include but are not limited to:

- A. all written reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- B. any narratives that memorialize oral reports/allegations/complaints/grievances/statements/responses pertaining to an alleged violation of this policy;
- C. any documentation that memorializes the actions taken by Corporation personnel or individuals contracted or appointed by the Board to fulfill its responsibilities related to the investigation and/or the Corporation's response to the alleged violation of this policy;
- D. written witness statements;
- E. narratives, notes from, and audio, video, or digital recordings of witness interviews/statements;
- F. e-mails, texts, and social media posts that directly relate to or constitute evidence pertaining to an alleged violation of this policy (i.e., not after-the-fact commentary about or media coverage of the incident);
- G. notes and summaries prepared contemporaneously by the investigator in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.), but not including transitory notes whose content is otherwise memorialized in other documents;
- H. written disciplinary sanctions issued to students or employees and other documentation that memorializes oral disciplinary sanctions issued to students or employees for violations of this policy;
- I. dated written determinations/reports (including summaries of relevant exculpatory and inculpatory evidence) and other documentation that memorializes oral notifications to the parties concerning the outcome of the investigation, including any consequences imposed as a result of a violation of this policy;
- J. documentation of any supportive measures offered and/or provided to the Complainant or the Respondent, including no contact orders issued to both parties, the dates the no contact orders were issued, and the dates the parties acknowledged receipt of the no contact orders;
- K. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
- L. copies of the Board policy and procedures/guidelines used by the Corporation to conduct the investigation and any documents used by the Corporation at the time of the alleged violation to communicate the Board's expectations to students and staff with respect to the subject of this policy (e.g., Student Code of Conduct and/or Employee Handbooks);
- M. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination or harassment;
- N. documentation of any training provided to Corporation personnel related to this policy, including but not limited to notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all Corporation personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conduct an investigation of an alleged violation of this policy.

The documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal (e.g., FERPA, ADA) and/or State (e.g., I.C. 5-14-3-4) law, such as student records and confidential medical records.

The documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, Policy 8320, and Policy 8330 for not less than three (3) years and longer if required by the Corporation's records retention schedule.
