Digital Services

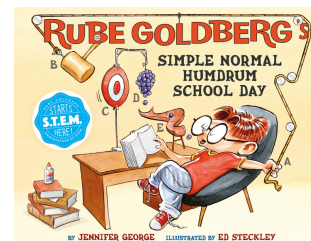

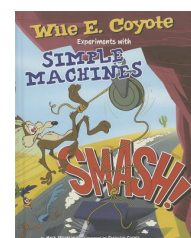

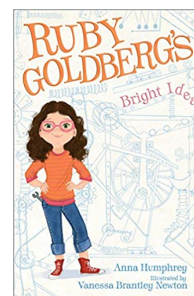

Hoopla works in conjunction with S.T.E.A.M. education by providing a wide range of eBooks, audiobooks, comics, music, movies, and more. Across genres and age groups, S.T.E.A.M.-themed titles on Hoopla are as entertaining as they are educational. Hoopla is one of our digital services that is accessible with your library card or e-card.

Educator News

Look at one of our topic bags! We have a bag on simple machines! This bag includes:

- Books on each of the different types of simple machines.
- A picture book about Rube Goldberg, an excellent way to introduce the topic!
- Three copies of an early chapter book about a Rube Goldberg competition at school.
- Three copies of a graphic novel featuring Wile E. Coyote and his experience with simple machines.

Upcoming Programs

Are your students interested in art? We have two new programs starting in September: ARTastic and Art Adventures.

Art Adventures (Grades K-2)

Take an adventure through the world of art! We will be exploring a variety of art forms with projects you get to keep, no skill required!

ARTastic (Grades 3-6)

Feeling creative? Experience the many forms of art and create unique pieces that will represent YOU! No skill required.

Are your students interested in graphic novels? Send them to the Library! We are adding new titles to this collection every month, including fiction and nonfiction. Our collection features popular titles by Raina Telgemeier and Nathan Hale. You can also get graphic novels in your classroom by checking out our Novel Bag featuring six different titles.
