FACE SHIELD

DISPOSABLE FACE SHIELD*

Helping Protect our Essential Workers

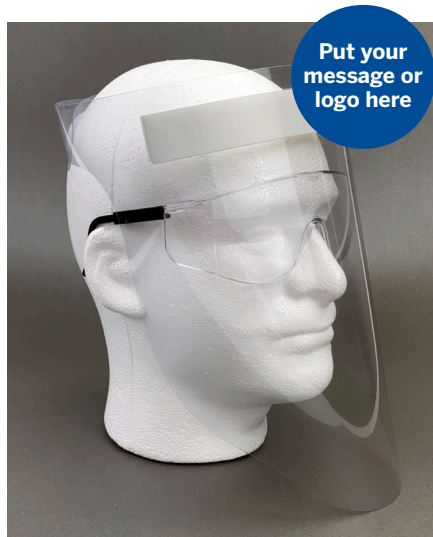

During this unprecedented COVID-19 pandemic, your essential workers are greeting customers, cleaning surfaces, stocking shelves and operating checkout registers. These front-line employees are themselves at risk. For the health and safety of employees and the comfort of shoppers, personal protective equipment, such as face shields, are recommended.

Help protect your valuable employees

The Vomela Companies, a valued supply chain partner to some of the largest essential companies, has shifted some of its manufacturing facilities to fill the need for single-use disposable face shields across the country. This personal protection equipment is made of durable plastic, contoured and light weight, and one-size-fits-all simplifies inventory management. It can also be customized by adding your brand or messaging.

Features:

- Full length
- Lightweight and comfortable to wear, quick and easy to put on
- Can be worn with or without glasses, goggles or masks
- Easily cleaned with a damp cloth or wipe
