UPCOMING EVENTS

Aug 8, 2023 NHJ School Board Meeting

Aug 15, 2023 ICES/ICIS PTO Meeting

*** Info coming soon on Excercise for Education***

Textbook rental fees

Beginning this school year, after a law passed in the 2023 legislative session, Indiana families will no longer be charged textbook fees, including iPads and Chromebooks. The state has set aside \$160 million dollars per year in the state budget to take the burden off parents to pay. Note: Parents will still be responsible for lost or damaged items.

Background checks

In an effort to keep our schools safe, all volunteers must have a background check completed and on file with the school. To volunteer in the classroom, chaperone field trips or attend classroom parties, you must have a background check done. Important: A new background check must be done every school year. Also, this background check is only for ICES. Meaning, if you have a child in another building, you will need to complete one for that building too.

For Kindergarten students only: “Watch Me Grow” t-shirts for sale!

New this year, you can purchase a “Watch Me Grow” t-shirt for the Class of 2036 for your kindergartener. This t-shirt is a great way to watch your child grow as you take a picture of him/her wearing it at the beginning and/or end of each school year. All shirts are adult large and the cost is \$15 (cash or check only). Of interest: This is a fundraiser put on by ICHS Brave Backers, a parent-led group, for the purpose of providing a fun and safe post-prom experience. See flier attached for visual but please note that the deadline to pre-order has already passed. There will be a form sent home soon with this information.
