Fire Safety Presentation

February 15th

Alex Lipinski

Attendance: 49

Description: Alex gave a brief overview of general fire code rules and regulations along with common household items that are not allowed in rooms due to fire hazards. He then discussed how to properly put out any fires in the fire pit near the house and how to use a fire extinguisher if necessary. Finally Alex emphasized the safety and legality issues of smoking in and around the house.

Faculty Academic Advisor Presentation

September 19th 2016

Matt Gillespie

Attendance: 59

Description: Matt introduced himself and described his position at KU and what his role as a faculty advisor means to us. He also gave a presentation on the rights of students in the classroom when it comes to grades and academic misconduct punishments. Finally he spoke about the academic resources available to the new members such as the writing center in Anschutz Library to help them get acclimated to KU.

Sexual Harassment Presentation

April 25th 2016

Joshua Jones

Attendance: 48

Description: Staff from the university Institutional Opportunity & Access office came and presented to the chapter about what sexual assault and harassment were and how to avoid potentially dangerous situations. They also described what a sexual assault case looks like from their side and explained all the factors that they take into account when investigating and prosecuting a case.

The Hunting Ground Movie Viewing

April 12th 2016

Emily Taylor Center for Women and Gender Equity

Attendance: 20 Brothers

Description: Brothers along with the spring 2016 new member class attended the Emily Taylor center's showing of The Hunting Ground which is a documentary about recent sexual assault cases on major university campuses. The movie was followed by a short presentation about how the material in the movie can be related to the University of Kansas.

MRG Presentation

October 12th 2016

Nick Crider

Attendance: 46

Description: Nick Crider presented the MRG to the chapter and highlighted all the major points in the MRG to the chapter.
