The Friends of Anderson Public Library is a nonprofit group dedicated to supporting and improving library services and resources. Without the support of the Friends group, the library would not be able to offer the dynamic programs that are organized each year. The money raised by the Friends' popular monthly book sales is vital to the continued success of the library's programming.

The Friends of Anderson Public Library are always looking for new members and volunteers. For more information about joining, please visit andersonlibrary.net or contact Information Services at (765) 641-2456.

We also welcome your donation of books in good, clean condition for the sales. The dropoff point is the library's checkout desk.
