Getting to Know the Class of 2017

Andrea Martin

Pharmacist

Family: Married for 13 years to my high school sweetheart, Elgin. Daughters: Addison (8 yrs. old) and Kirsten (5 yrs. old). Two cats: Miller and Panda and one goldfish, Goldie!

Where do you live: Bargersville

What is your favorite LJC moment or lesson to date: Our group project

Favorite quote: "The greatest mistake a man can make, is being afraid

to make one."

Hobbies and interests outside of work: Card making (Stampin' Up), photography, Girl Scouts, coaching youth softball and basketball.

Something on your bucket list: Visit every major league stadium; go to every state with my husband - we visit a new state for each anniversary; go to Figi.

What is your perfect pizza: Chicken, bacon, onion and ranch

What is your favorite restaurant: Morton's Steakhouse

If you could appear on one game show, what would you choose and why: Press Your Luck, just so I could say: no whammy, no whammy, no whammy, stop.

Jeff Buck

Senior Pastor at Mt. Auburn United Methodist Church

Family: My wife, Julie and I are celebrating 30 years in March! We have four children; Sarah who is married to Derek who has given us Abigail and Anna. Elizabeth who is married to Michael, and Daniel. We also have a child of the heart, Corey, who is married to Kassey who has given us Hudson.

Where do you live: Greenwood

What is your favorite LJC moment or lesson to date: I really learned much from Drew Klacik who spoke on Thriving Communities, Thriving State. Understanding where the growth is coming from for Johnson County

helps us understand both how we relate to the rest of the state and what we still need to do to attract a broader community.

Number one skill you practice that makes you successful: Bringing people together to share a common vision.

Favorite quote: Trust in the Lord with all your heart and lean not on your own understanding. In all your ways acknowledge Him and He will make your paths straight. This is wise advice from *Proverbs 9:1-6*

Last book you read/recommend: The Shack by William Paul Young. Yes, I would recommend you read it. The book will make you think.

Hobbies and interests outside of work: Most importantly I like to spend time with my wife and with my family. We vacation together and all enjoy seeing new things. I also really love having grandchildren! It is amazing to see the world fresh through a child's eye.

What is your favorite restaurant: If they serve pasta, I am happy. Johnny Carino's in Greenwood is a frequent choice.

Building a great team begins with clear communication—but that's just step one. In this seminar, you'll learn real-world ways to recognize and tame the different languages we speak. You'll make information, instructions and team projects flow like you always hoped they could. You'll learn techniques for getting to know people, creating a place they feel safe and bringing out the best contributions from everyone.

Best selling author John Kaufeld defies rational explanation, but in a good way. He has written or contributed to 33 books, including 25 titles in the popular "...For Dummies" series.

Join us for a fun day of learning and communication!

LJC 2.0—Government & Communications

Thank you to those who participated in our inaugural year!

In 2016, the Johnson County Public Library asked the staff to imagine programming that would support our new mission, vision and values. We wanted to develop resources, services or programs that would make a difference in Johnson County and 'strengthen our community by connecting people, resources and experiences' (our new mission!). Staff submitted over 23 applications to have their ideas sponsored by the library. Fifteen projects were selected and are all underway to be available to the public soon. A few of the upcoming programs:

- Expanded Museum Pass program - In May, look for a family pass that can be checked out to visit either Freedom Springs or the Franklin Aquatic Center. Many more organizations and museums are in the works!
- StoryWalk at Country Gate Park in New Whiteland - With the help of an Eagle Scout project, we should see a fourth StoryWalk in Johnson County (with a Little Free Library) in early fall. TheTrafalgar branch will have a StoryWalk installed this June.
- STEAM Programs - We are greatly expanding our STEAM programs this summer. Check out the summer program guide in about a month and learn to code, build or just play with new technology tools!
- My First Library Card - Starting this summer, we will be celebrating each child's first library card by providing a special card and book bag. We hope to foster a lifelong love of reading by making each trip to the library a special event for little ones.
- Color Blind Corrective Glasses - Color blindness affects 1 in 12 men and 1 in 200 women. Enchroma glasses were created to help correct red-green color blindness. Each JCPL branch will have a pair of Enchroma glasses to borrow allowing those who struggle with color blindness to experience life in full color.
