Conflicts of Interest Text

Delta Upsilon International Fraternity Conflicts of Interest Policy

I. Article I: Purpose

The purpose of the Conflicts of Interest Policy is to protect the Fraternity's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of members of the Board of Directors, a member, or an employee of the Fraternity. This policy is intended to supplement but not replace any applicable state laws governing conflicts of interest applicable to nonprofit and charitable entities.

II. Article II: Definitions

1. Interested Persons

Any member or employee of the Fraternity who has a direct or indirect Financial Interest, as defined below, in a proposed transaction or arrangement is an Interested Person.

2. Financial Interest

A person has a Financial Interest if the person has, directly or indirectly, through business investment, or family –

- (a) an ownership or investment interest in any entity with which the Fraternity has a transaction or arrangement, or
- (b) a compensation arrangement with the Fraternity or with any entity or individual with which the Fraternity has a transaction or arrangement, or
- (c) a potential ownership or investment interest in, or compensation arrangement with, any entity or individual which the Fraternity is negotiating a transaction or arrangement.

Ownership of less than five (5) percent of a publicly traded entity in which a member or employee of the Fraternity has no office, title, management control, or Compensation arrangement is not a Financial Interest under this Policy.

3. Compensation

Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature.

4. Those Subject to this Policy

Those subject to this Policy shall include members of the Board of Directors and those positions (i) elected by the membership (ii) authorized or required by the Constitution, By-Laws or Rules of Delta Upsilon International Fraternity (iii) appointed by the Executive Committee, or (iv) employed by the Fraternity.

III. Article III: Procedures

1. Duty to Disclose

In connection with any proposed transaction or arrangement that might result in an actual or possible Conflict of Interest, an Interested Person must disclose the existence of a Financial Interest and all material facts to the Executive Committee at the earlier of (i) the time the transaction or arrangement is proposed or (ii) the time the interested Person becomes aware a proposed transaction or arrangement may affect his Financial Interest. No

member of the Board of Directors or employee of the Fraternity may enter into any transaction or arrangement with any subordinate Fraternity employee, undergraduate member, or undergraduate chapter that would benefit his Financial Interest without the prior approval of the Executive Committee. A Financial Interest alone is not necessarily a Conflict of Interest. Under Article III, Section 2, a person who has a Financial Interest has a Conflict of Interest only if the Executive Committee decides that a Conflict of Interest exists.

2. Determining Whether a Conflict of Interest Exists

The Executive Committee shall be the final arbiter of whether a proposed transaction or arrangement constitutes a Conflict of Interest. In the event the Interested Person is a member of the Executive Committee, the remaining Executive Committee members shall decide if a Conflict of Interest exists.

3. Procedure for Addressing the Conflict of Interest

If the Executive Committee determines that a Conflict of Interest would exist in connection with a particular transaction or arrangement.

- (a) An Interested Person may make a presentation at the Executive Committee meeting regarding the underlying proposal. After such presentation, he or she shall leave the meeting during the discussion of, and the vote on the transaction or arrangement that creates the Conflict of Interest.
- (b) The Chairman or other Executive Committee member presiding in his absence may, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- (c) After exercising due diligence, the Executive Committee shall determine whether the Fraternity can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a Conflict of Interest.
- (d) The Executive Committee shall determine by a majority vote of the disinterested members whether the transaction or arrangement is in the Fraternity's best interest and for its own benefit and whether the transaction is fair and reasonable to the Fraternity and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

4. Violations of the Conflicts of Interest Policy

- (a) If the Executive Committee has reasonable cause to believe that an Interested Person has failed to disclose actual or possible Conflicts of Interest, it shall inform that individual of the basis for such belief and afford that individual an opportunity to explain the alleged failure to disclose.
- (b) If (i) after hearing the response of the Interested Person and/or (ii) making any such further investigation as the Executive Committee may deem warranted in the circumstances, the Executive Committee determines that the Interested Person has in fact willfully failed to disclose an actual or possible Conflict of Interest, it shall take appropriate disciplinary and corrective action.

IV. Article IV: Records of Proceedings

The minutes of the Executive Committee shall contain:

- (a) The names of the persons who disclosed or otherwise were found to have a Financial Interest in connection with a proposed transaction or arrangement that might result in an actual or possible Conflict of Interest, the nature of the Financial Interest, any action taken to determine whether a Conflict of Interest was present, and the decision as to whether a Conflict of Interest in fact existed.

- (b) The names of the Interested Persons in attendance who were excused for discussions and votes relating to the transaction or arrangement, any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

V. Article V: Annual Statements

Each member of the Executive Committee and each employee of the Fraternity shall annually sign a statement which affirms that such person—

- (a) has received a copy of the conflicts of interest policy;
- (b) has read and understands the policy;
- (c) has agreed to comply with the policy; and
- (d) understands that the Fraternity is a charitable organization and that in order to maintain its federal tax exemption it must engage primarily in activities that accomplish one or more of its tax-exempt purposes.

The Executive Committee shall cause the Conflicts of Interest Policy to be published annually to all members of the Board of Directors of the Fraternity by one or more means which may include use of the Fraternity's e-mail system or web pages.

VI. Article VI: Periodic Reviews

To ensure that the Fraternity operates in a manner consistent with its charitable purposes and that it does not engage in activities that could jeopardize its status as an organization exempt from federal income tax, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- (a) whether compensation arrangements and benefits are reasonable and are the result of arm's-length bargaining;
- (b) whether acquisitions of services result in inurement or impermissible private benefit; and
- (c) whether partnership and joint venture arrangements and arrangements with service organizations reflect reasonable payments for goods and services, further the Fraternity's charitable purposes and do not result in inurement or impermissible private benefit.

VII. Article VII: Use of Outside Experts

In conducting the periodic reviews provided for Article VII, the Fraternity may, but need not, use outside advisors. If outside experts are used their use shall not relieve the Fraternity Executive Committee of its responsibility for ensuring that periodic reviews are conducted.

I agree to abide by the conditions of this document.

Whistle-Blower Policy

Protection of Employees Who Report Misuse of Fraternity Assets

Protection of “Whistle-blowers.” At the direction of the Board of Directors the Fraternity has established a procedure by which employees may use to make anonymous or confidential reports of suspected misuse of Fraternity assets. This so-called “Whistle-blower” mechanism is a response to the many corporate finance reforms contained in the Sarbanes-Oxley legislation regulating publicly traded companies. The Board members want the Fraternity to have the same kind of financial safeguards they have in their companies even though as a legal matter the Sarbanes-Oxley law does not apply to non-profit organizations like the Fraternity. The procedure described below features both great respect for employee reports of questionable conduct and a continuing monitoring of reports directly by the Finance and Audit Committees of the Board of Directors.

Questionable Conduct. It is possible you may suspect another employee has engaged in questionable conduct involving the Fraternity’s assets. This conduct might include outright theft (of equipment or cash), fraudulent expense reports, misstatements of any accounts to any manager or to the Fraternity’s auditors, or even an employee’s conflict of interest that results in financial harm to the Fraternity. The Fraternity encourages you to report such questionable conduct and has established a system that allows you to do so anonymously (or just confidentially) and without fear of retaliation.

Making a Report. If you suspect conduct involving misuse of Fraternity assets, you may report it either confidentially or anonymously - - in either case you will be protected against any form of harassment, intimidation, discrimination, or retaliation by the Fraternity for making such a report in good faith.

You can make a confidential report to any of the following Fraternity Officers at any time: Chairman, President, Treasurer, or Secretary. Their names and contact information are available on the Fraternity’s Internet site and will be published from time to time in the Quarterly magazine and Fraternity newsletters. The Fraternity will promptly conduct an investigation into the matter you report and will make every effort to keep your identity confidential at all times. You will be informed of the results of that investigation.

No Retaliation. If having made a report of suspicious conduct, you subsequently believe you have been subjected to retaliation of any kind by any Fraternity officer or employee, you should immediately report it to any Fraternity executive.

Reports of retaliation will be investigated promptly in a manner intended to protect confidentiality, consistent with a full and fair investigation. The party conducting the investigation will notify you of the results of the investigation. The Fraternity strongly disapproves of and will not tolerate any form of retaliation against employees who report concerns in good faith regarding the Fraternity’s operations. Any officer or employee who engages in such retaliation will be subject to discipline up to and including termination.

Fraternity Fees & Assessments for a Colony

In accordance with the Delta Upsilon International Fraternity Constitution and By-Laws, the Board of Directors annually proposes a fee structure for Colonies of the Fraternity. The proposed fee structure will be established concurrently by the Board of Directors and the Undergraduate Advisory Board.

It will be determined at the beginning of each fiscal year (on August 15) what the equivalent Canadian funds amount will be for the entire year when paying Colony fees.

Provided below is the fee structure for Colonies of Delta Upsilon.

- Colony Member Fees.....\$150 per Colony Member
Colony Member Fees provide for the Membership Fees and the Liability Insurance Assessments for up to one (1) term after the term in which the organization is colonized. After the additional one (1) term has expired, the Members of the Colony will remit the same Membership Fees as Undergraduate Chapter Members.
- Chapter Fee
During the term in which the Colony is colonized and for an additional one (1) term, the Chapter Fee will be waived. If the organization is a Colony beyond this time period, the Colony will remit the Chapter Fee consistent with what is required of an Undergraduate Chapter.
- Liability Insurance Assessment
This Assessment is initially remitted as part of the Colony Member Fees. After the term in which the organization is colonized and an additional two (2) terms have expired, the Colony will remit the Liability Insurance Assessments at a rate that is equivalent to 50% of the average per man Liability Insurance Assessment.

Debt Collection Policy for Suspended Chapters

The Board of Directors approved a policy concerning strategies to secure outstanding debts/balances owed by a Chapter and the Chapter's Undergraduate Members (Member) when the Board acts to suspend a Chapter's Charter.

1. Prior to the suspension of a Chapter's Charter, the Chapter Finance Committee will utilize every means available to resolve any outstanding debt/balance owed by a Chapter and/or Undergraduate Members to the International Fraternity.
2. Upon suspension of a Chapter's Charter, the Chapter Finance Committee will review the outstanding debt/balance owed by the Chapter and/or the Undergraduate Members to determine if there are charges that may be waived from the outstanding debt/balance. This may include, but not be limited to, finance charges, late fees, etc. Waiving outstanding debts/balances owed by a Chapter or Undergraduate Members is at the discretion of the Chapter Finance Committee.
3. The Chapter and/or the Undergraduate Members will not incur any additional finance charges/late fees as of the date of the suspension of the Chapter's Charter.
4. The Chapter Finance Committee will isolate any outstanding fees or Fees that may be attributed to a specific Undergraduate Members. This may include, but not be limited to, initiation Fees, pledge Fees, member Fees, etc.

6. Those considered Undergraduate Members in good standing dating back to the date of the oldest outstanding debt/balance owed shall be responsible for the outstanding debt/balance. As needed, the outstanding debt/balance due will be divided appropriately among the Undergraduate Members. As noted in item #4 above, those Undergraduate Members for whom specific outstanding debts/balances can be attributed, will be responsible for the specific outstanding debts/balances.
7. The Chapter Finance Committee will forward correspondence to the Undergraduate Members, outlining the outstanding debt/balance due. The Undergraduate Members will be given no less than thirty (30) days to resolve the outstanding debt/balance or file a formal appeal.

The Chapter Finance Committee may further recommend that the Board execute Policy #3.4 – Fraternity Lien Procedures for a Chapter/House Corporation that has control/ownership of real property when a Chapter's Charter is suspended and an outstanding debt/balance is left unresolved at the time of the Charter suspension.

10. Any unresolved debt/balance will be noted and archived in the Undergraduate Member's and/or Chapter's permanent record. Should an Undergraduate Member wish to be re-instated as an Alumnus Member in good standing, he will be responsible to satisfactorily resolve his outstanding debt/balance. In addition, in the event Alumni Members of a suspended Chapter seek to re-colonize or re-instate a suspended Chapter and an outstanding debt/balance was left unresolved at the time of Charter suspension, the Alumni Members may be required to satisfactorily resolve the outstanding debt/balance owed by the Chapter to the International Fraternity.

Requirements for Receiving a Delta Upsilon Charter

While the Installation of a new undergraduate chapter is subject to many factors, the Delta Upsilon Board of Directors established the following requirements for a colony to receive a Charter. These requirements are consistent with the Fraternity's Men of Merit Chapter Standards Program.

Chartering Requirements

Once the Colonization Ceremony occurs, a colony will begin working to achieve the chartering requirements and become a full chapter in Delta Upsilon. The chartering requirements are mirrored off the Men of Merit Chapter Standards, which all chapters must meet on an annual basis. Delta Upsilon anticipates a period of 12-18 months from the time of colonization to the time of chartering. In addition to the requirements below, a colony must also submit its Bylaws and a full roster including name, year, and current GPA of each member as part of the chartering proposal and complete all administrative reporting with IHQ, including biographical reports, membership rosters, and officer updates. The Board of Directors must vote to approve the chartering petition.

1. Chapter Excellence Plan

The colony's CEP usage is equal to or greater than 60% of all available points per year. As part of the CEP requirement, the colony must conduct regular officer and colony retreats to establish and review goals and outcomes and conduct at least two alumni and/or family events each year.

This meets the Minimum level in the Men of Merit Standards.

2. Colony GPA

The colony's GPA meets or exceeds the All-Men's or All-Fraternity GPA on campus. The colony implements a comprehensive written academic program that includes minimum GPA requirements for membership, initiation, and to hold office.

This meets the Minimum level in the Men of Merit Standards.

3. Program Attendance/Leadership

The colony has at least 10 members attend Delta Upsilon Educational Programs per year (Leadership Institute, Presidents Academy, Regional Leadership Academy, Emerging Leaders Experience, and the Global Service Initiative) and/or educational programs in which the Delta Upsilon Educational Foundation provides scholarships (LeaderShape, UIFI, etc.), including at least 4 members at the Leadership Institute. Chapters must utilize all named scholarships through the Delta Upsilon Educational Foundation, if available, to meet this requirement. The colony is also expected to participate in IFC meetings and events, as well as other campus programs as dictated by the University.

This meets the Expectation level in the Men of Merit Standards.

4. Service

The colony conducts an average of 15 hours of service per member per year. The colony must conduct at least two service projects each year, with one being solely sponsored/planned by the colony.

This meets the Minimum level in the Men of Merit Standards.

5. Philanthropy

The colony raises at least \$1,000 for the Global Service Initiative per year. The colony must conduct at least two philanthropy events each year, with one being solely for the benefit of the Global Service Initiative.

This meets the Expectation level in the Men of Merit Standards.

6. Membership

The colony's membership size meets or exceeds the campus fraternity average or median size. In the event the colony is unhoused, the colony's membership size should meet or exceed the campus unhoused fraternity average or median size. The colony implements a year-round written recruitment plan that includes dates, events, and objectives for recruitment activities.

This meets the Expectation level in the Men of Merit Standards.

7. Associate Member Education

The colony implements the Delta Upsilon Associate Member Education Program.

This meets the Expectation level in the Men of Merit Standards.

8. Loss Prevention

The colony has no Loss Prevention Policy violations and implements a written Loss Prevention program.

This meets the Expectation level in the Men of Merit Standards.

9. Advisory Support

The colony has a Colony Advisory Board with a total of five members, including one who is in weekly contact with chapter leadership, and a separate House Corporation (if applicable). Advisors participate in at least three Delta Upsilon advisor webinars yearly.

This meets the Expectation level in the Men of Merit Standards.

10. Learning Assessment

The colony has 90% member completion of GreekLifeEdu (90% of members must complete this once) and 90% member completion of the Delta Upsilon membership outcomes survey (90% of members must complete this annually).

This meets the Expectation level in the Men of Merit Standards.

11. Accounts Receivable/Finances

The colony has no fees past due to IHQ as of December 15 and May 15. The colony implements sound fiscal practices and remains current on all financial obligations to the university, IFC, and vendors. The colony must also submit its budget in the chartering proposal.

This meets the Aspiration level in the Men of Merit Standards.

Colony Housing

As part of the Men of Merit Chapter Standards Program, all new Delta Upsilon colonies will be established with alcohol-free housing, if applicable. They will remain in alcohol-free housing in perpetuity.

The purpose of the policies will be to help prevent and mitigate the potential for loss to individuals, chapters and the Fraternity. The focus of the policies is the prevention of bodily injury and property damage. General Liability Insurance Program and Non-Participating Chapters

It is the view of the Fraternity's Board of Directors that it is important to verify that all chapters of Delta Upsilon have the appropriate and adequate general liability insurance coverage. Further, the Board of Directors acknowledges that presently no undergraduate chapter secures general liability insurance coverage outside of the Fraternity's program. Any chapter pursuing general liability insurance outside of the Fraternity's program will be required to meet the following criteria on an annual basis:

1. The chapter must have general liability insurance that has equal or greater coverage limits to that secured by the International Fraternity.
2. "The Delta Upsilon International Fraternity and all of its subsidiaries as they appear" must be specifically named as an additional insured on the policy.
3. Chapters are required to provide to the International Headquarters a complete (full and certified) copy of the general liability insurance policy within 45 days of renewal, in addition to a Certificate of Insurance within 5 working days of renewal and meet the requirements of #1 and #2 above.

If the above conditions are not completely fulfilled, the chapter officers and alumni chapter officers will be informed that the chapter will be required to effectively immediately fully participate in the Fraternity's Comprehensive Loss Prevention and General Liability Insurance Programs and remit all applicable Loss Prevention Assessment Fees.

Compliance with Loss Control Inspection Recommendations

To ensure the safety of Delta Upsilon's undergraduate chapter facilities, the Fraternity's Loss Prevention Program provides for a General Liability Inspection of each chapter facility approximately once every three years. The Delta Upsilon Board of Directors hereby establishes a policy that requires all Undergraduate Chapters and House Corporations that rent, lease, or own a chapter facility to address each of the recommendations provided in a General Liability Inspection Report either by implementing any given recommendation or by demonstrating to the Fraternity why certain recommendations cannot be implemented in a timely fashion or at all. The Fraternity will continue to work with the Undergraduate Chapters and House Corporations to ensure the safety of our brothers, and will assist whenever possible to address the recommendations set forth in a General Liability Inspection Report.

Within forty-five (45) days of the appointment of legal counsel, the TPCA will request legal counsel to provide a report on progress and any new information, and provide an updated litigation budget. Medical Good Samaritan Policy

Individual

If a member assists another person in obtaining immediate and appropriate medical care related to the use or consumption of alcohol, drugs, or to another medical emergency, then that member, as well as those who are assisted, will not be subject to individual disciplinary action with respect to the incident. This is the case even if the member who is assisting was a contributing factor to that emergency. An individual may benefit from this policy more than once, though repeated use of the policy may receive stricter scrutiny.

Chapter

A chapter that seeks immediate and appropriate medical assistance for a person in need related to the use or consumption of alcohol, drugs, or to another medical emergency, may be eligible for mitigation of charges related to violations of organizational policies. To be eligible for this potential mitigation, the chapter will be required to meet in person or by phone with a national staff member or an alumni volunteer designated by the fraternity. A chapter may benefit from this policy more than once, though repeated use of the policy may receive stricter scrutiny.
