# myAMBA Discounts

## Using your smartphone for dining discounts

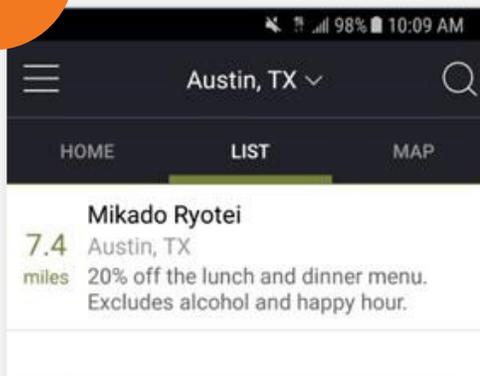

Occasionally when using the myAMBA Discounts portal, you'll see the "Card Required" designation on several listings (both restaurant and non-food vendors.) This indicates that when a member visits one of these establishments, they will need to show their digital "card" which is available through the app.

Below is the process you can follow to use your Passport digital card and start saving today!

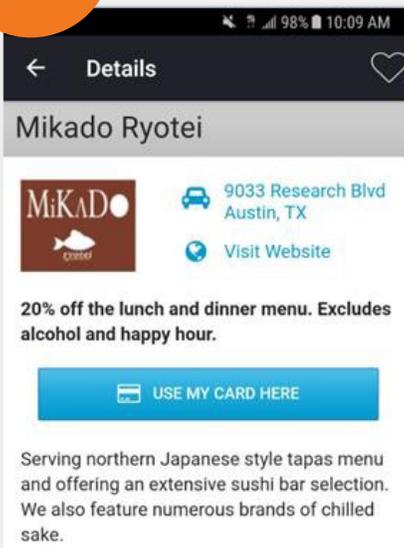

1

Find the vendor or restaurant where you want to use the discount.

2

Select the option to "Use My Card Here"

3

A digital printout of your "card" will be generated. You show this to the cashier, wait staff, etc.

*For the restaurants that are part of the dining upgrade, you follow the same process, except that when you select "Use My Card Here" a redemption code is generated that you write on your receipt.*
