Ethnicity and Race:

(Note: Both Part 1 and Part 2 of the question must be answered.)

Part 1: Is this individual Hispanic/Latino? (Choose only one)

Ethnicity

___ No, not Hispanic/Latino

___ Yes, Hispanic/Latino (A person of Cuban, Mexican, Puerto Rican, Cuban, South or Central American, or other Spanish culture or origin, regardless of race.)

Part 2: What is the individual's race? (Choose one or more)

Race

___ American Indian or Alaska Native: A person having origins in any of the original peoples of North America and maintaining cultural identification through tribal affiliation or community recognition.

___ Asian: A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. or African American: A person having origins in any of the black racial groups of Africa.

___ Native Hawaiian or Other Pacific Islander: A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

___ White: A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

The federal government has developed these new categories in order to provide a more accurate picture of the nation's ethnic and racial diversity. This will enable individuals to be identified in ethnic and racial classifications and in more than one racial category. In the past, forms allowed individuals to be identified in only one racial category.

The new ethnicity and race categories data will be used in the same manner as such information is currently used. For example, the federal government uses race and ethnic data in reporting and analyzing test results, such as ISTEP+ and the End of Course Assessments. These new categories will replace all existing categories for use in state and federal data collections.

Information regarding the collection of race and ethnic data is available on the U.S. Department of Education website: <http://www.ed.gov/policy/rschstat/guid/raceethnicity/index.html>.
