2023 SESSION DIGEST OF ENACTMENTS

DIGEST OF HB 1001 (Updated April 28, 2023 2:28 am - DI 125)

State budget. Appropriates money for capital expenditures, the operation of the state, K-12 and higher education, the delivery of Medicaid and other services, and various other distributions and purposes. Requires a researcher to execute a data sharing agreement that is approved by the management performance hub to receive access to confidential records. Provides that the auditor of state is also known as the state comptroller. Provides that, after June 30, 2023, the auditor of state shall use the title "state comptroller" in conducting state business, in all contracts, on business cards, on stationery, and with other means of communication as necessary. Establishes the attorney general contingency fee fund. Establishes the: (1) state opioid settlement fund; and (2) local opioid settlement fund; into which funds received from opioid litigation settlements must be deposited. Provides that the office of the inspector general shall provide informal advisory opinions and that the opinions are confidential. Allows the budget committee to submit the budget report and budget bill or bills to the governor on or before the second Monday of January, or the third Monday of January in the year in which a gubernatorial election is held (instead of before that date). Requires the state personnel department to require a contractor, when contracting for health care coverage for state employees, to use value based coverage. Repeals a provision that makes a state general fund appropriation to the board of trustees of the Indiana public retirement system if the money available in the special death benefits fund is insufficient to pay death benefit claims. Allows the Indiana economic development corporation (IEDC) to certify an applicable tax credit that exceeds the maximum allowable amount after review by the budget committee. Provides that the regional economic acceleration and development initiative program expires June 30, 2026. Specifies that the county or municipality that did not approve the relocation of an outdoor advertising sign is responsible for compensation of the taking of the outdoor advertising sign. Provides that an owner may relocate an outdoor advertising sign that is subject to a pending eminent domain action. Allows an individual to claim an increased exemption amount for a dependent child in the first year in which the exemption amount may be claimed for the child. Reduces the individual income tax rate to 2.9% by 2027 and eliminates all trigger provisions in current law. Establishes the regional public safety training fund. Repeals provisions relating to the establishment of the: (1) Indiana homeland security foundation; (2) Indiana homeland security fund; and (3) fire training infrastructure fund. Allows certain members of the public employees' retirement fund or Indiana state teachers' retirement fund to file an election to begin receiving retirement benefits while holding a position. Changes the state police pre-1987 benefit and supplemental pension benefit calculation from being based on the sixth year of service to the fourth year of service. Repeals the public mass transportation fund. Repeals the financial responsibility compliance verification fund. Changes the number of years of service on which the salary matrix for state police employees is based to 15 years (instead of 20 years). Requires the department of correction to deposit the amount appropriated for the county misdemeanor fund by a county's multiplier. Requires the office of Medicaid policy and planning (office) to: (1) develop a schedule for the review of Medicaid reimbursement rates; and (2) provide a copy of the schedule to the budget committee; not later than November 1, 2023. Creates the residential water testing fund to test the water supply of an individual property owner of an eligible township. Requires the director of the state personnel department to submit a revision or adjustment to a pay plan developed for state employees to the state budget committee for review before the revision may take effect. Provides that the general assembly shall convene: (1) on the second Tuesday after the first Monday in June for the first regular technical session; and (2) on the second Tuesday after the first Monday in May for the second regular technical session. Provides that a technical session is not required to convene if the president pro tempore and the speaker jointly issue an order that convening is not necessary. Requires the general assembly to convene no later than the fourth Monday in January after organization day. Repeals provisions relating to emergency sessions and makes conforming amendments. Recouples the state earned income tax credit qualifications with the federal earned income tax credit qualifications under the Internal Revenue Code as in effect January 1, 2023. Requires a contractor that

provides tangible personal property incorporated into real property in a project located in an innovation development district to maintain records of all state gross retail and use tax paid or collected during a state fiscal year. Adds state adjusted gross income taxes paid by an individual who is not an employee with respect to income received for services performed in an innovation development district for purposes of calculating income tax incremental amounts. Establishes the commission on improving the status of children fund to support the staffing and operations of the commission. Provides that a part of state user fees shall be deposited in the Indiana secured school fund. Repeals the distribution schedule for appropriations made for certain child development programs. Requires the department of local government finance to prepare an annual report and abstract concerning property tax data (instead of the auditor of state). Deletes reimbursement rate parameters for reimbursement of managed care organizations under the healthy Indiana plan. Extends the sunset of the collection of hospital assessment fees and health facility quality assessment fees from June 30, 2023, to June 30, 2025. Increases the total number of adult learner students at the Excel Centers for Adult Learners and Christel House DORS centers for whom the school may receive state funding. Establishes the Indiana education scholarship account donation fund to accept donations for administration of the Indiana education scholarship account program. Repeals the special education fund. Establishes a state tax credit for a taxpayer that makes certain qualified child care expenditures in providing child care to the taxpayer's employees. Extends provisions for the gasoline tax and the special fuel tax rates. Amends a statute concerning powers and duties of a regional water, sewage, or solid waste district established under prior law. Extends the sunset for the invasive species council and fund from July 1, 2023, to July 1, 2031. Prohibits school corporations and charter schools from charging a fee for curricular materials to students. Provides that the parent of a student or an emancipated minor who attends an accredited nonpublic school and who meets financial eligibility requirements may request reimbursement of fees charged for curricular materials. Establishes the curricular materials fund. Requires a county auditor to distribute a portion of revenue received from an operations fund levy imposed by a school corporation located in certain counties to certain charter schools (excludes school corporations that are designated as a distressed political subdivision). Requires charter schools that receive a distribution of tax levy revenue to establish an operations fund and education fund under the same provisions that apply to school corporations. Provides that in order to receive a distribution of tax levy revenue, a charter school must adopt a budget for the school year following a public meeting. Provides funding amounts for schools. Establishes the credential completion grant. Removes pathways for choice scholarship eligibility. Increases the annual income maximum for choice scholarship eligibility. Provides that a school corporation is eligible for an academic performance grant. Provides that state user fees remaining after required distributions shall be distributed to the state general fund (instead of the court technology fund). Makes certain amendments to the juvenile diversion grant program, the juvenile community alternatives grant program, and the juvenile behavioral health competitive grant pilot program (programs). Requires grants for the programs to be administered by the Indiana criminal justice institute in consultation with the juvenile justice oversight committee (oversight committee) and the grant process workgroup created by the oversight committee, taking into consideration the grant program report prepared and submitted to the commission on improving the status of children in Indiana by the oversight committee. Requires the state comptroller to deposit distributions of pro bono legal services fees received from the: (1) clerk of a circuit court; (2) clerk of a city or town court; or (3) Marion County small claims court; in the pro bono legal services fund. Requires the commission for higher education to create a separate higher educational operating funding outcomes based formula (funding formula) for Ivy Tech Community College. Requires, on or before July 1, 2023, budget committee review of all of the funding formulas created and approved by the commission for higher education. Provides that state appropriations may not be used to pay for the administration, operation, or programs of the Kinsey Institute for Research in Sex, Gender, and Reproduction. Provides that the legislative body of a first class city may adopt an ordinance to establish a special assessment district known as an economic enhancement district. Provides certain requirements for the ordinance and imposition of a special assessment. Requires the legislative body of the first class city that establishes an economic enhancement district to establish an economic enhancement district board. Extends the judicial

and legislative branch leave conversion pilot program through June 30, 2025. Establishes the northeast Indiana strategic development fund administered by the northeast Indiana strategic development commission. Provides that if the amount of excess combined reserves in 2024 or 2025 exceeds \$3,000,000,000, the amount that exceeds \$3,000,000,000 is transferred to the pre-1996 account. Establishes the regional economic acceleration and development initiative 2.0 fund (READI 2.0). Requires the IEDC to develop a policy for a READI 2.0 program. Provides that money in the READI 2.0 fund may be used to: (1) support the IEDC's READI 2.0 program; and (2) provide grants or loans to support proposals for economic development and regional economic acceleration and development. Establishes the attainable homeownership tax credit for a taxpayer who makes a contribution to an affordable housing organization. Establishes the Medicaid oversight committee. Requires the Medicaid oversight committee to review, consider, and make recommendations concerning all requests for new services and changes in existing services for the Medicaid program. Provides that unexpended and unencumbered amounts appropriated from the federal economic stimulus fund in the state fiscal year ending before July 1, 2023, do not revert to the state general fund. Provides that unexpended and unencumbered amounts appropriated to the legislative services agency in a state fiscal year ending before July 1, 2024, do not revert to the state general fund. Requires the state comptroller to transfer \$85,000,000 from the tobacco master settlement agreement fund to the state construction fund on July 1, 2023. Appropriates money for various purposes for the state fiscal year ending June 30, 2023. Urges the legislative council to assign to an appropriate interim study committee the task of studying specific issues pertaining to the feasibility of the department of child services contracting with private attorneys to perform legal services and provide representation in certain cases instead of employing staff attorneys within the department of child services for those purposes. Requires the Indiana public retirement system to study and report and present on certain topics to the interim study committee on pension management oversight before November 1, 2023. Establishes the funding Indiana's roads for a stronger, safer tomorrow task force. Makes conforming changes.

DIGEST OF HB 1002 (Updated April 27, 2023 11:54 pm - DI 110)

Education and workforce development. Establishes the: (1) career scholarship account program (CSA program); (2) career scholarship account program fund; (3) career scholarship account administration fund; (4) career scholarship account donation fund; (5) connecting students with careers fund; (6) teacher higher education and industry collaboration grant program and fund; (7) career coaching grant fund; and (8) intermediary capacity building fund. Provides that the department of education (department), in consultation with the commission for higher education (commission), shall designate and approve a course sequence, career course, modern youth apprenticeship, apprenticeship, or program of study for grants under the CSA program. Provides for revocation of the approval if the sequence, course, modern youth apprenticeship, apprenticeship, or program of study fails to achieve an adequate outcome, as determined by the department, in consultation with the commission. Establishes eligibility requirements to participate in the CSA program. Provides that the commission may approve participating entities that meet certain requirements to participate in the CSA program. Provides that grant amounts that career scholarship students receive are not included in adjusted gross income for tax purposes. Provides that, beginning July 1, 2024, certain school corporations shall include instruction for all students regarding career awareness. Provides that the state board of education (state board), in consultation with the commission, shall create certain standards for a career awareness course. Requires the department to collect and aggregate certain data. Requires the department to publish on the department's website a list of skill competencies identified by certain approved participating entities. Requires the state board, in consultation with the department, to establish new high school diploma requirements. Removes a provision that provides that a student who satisfies an Indiana diploma with a Core 40 with academic honors designation through a certain alternative course shall not count toward a school's honor designation award. Requires the commission to create a list of approved intermediaries, employers, and labor organizations. Requires certain high school and college students to meet with an approved

postsecondary educational institution, an intermediary, an employer, or a labor organization. Requires certain committed offenders to meet with an intermediary, employer, or labor organization. Provides that during each school year, a public high school must hold at least one career fair during regular school hours. Amends requirements for certification of qualified education programs by INvestED Indiana. Repeals certain provisions in law regarding a comprehensive navigation and coaching system and career coaching grant fund and requires the commission to: (1) develop and implement a comprehensive career navigation and coaching system for Indiana; and (2) award grants from the career coaching grant fund to certain eligible entities to establish or implement comprehensive career navigation and coaching systems. Provides that the department shall approve career coaching providers for the purpose of eligibility for a career coaching grant. Provides that the commission shall receive, distribute, and account for all funds received for career and technical education under the Carl D. Perkins Vocational and Applied Technology Act. Requires the department to establish and maintain an online platform that allows teachers to access and share information regarding connecting daily classroom lessons with innovations in workplace practices and postsecondary education research. Repeals provisions relating to the industry collaboration certification program. Repeals and replaces a definition of "participating entity" with "ESA participating entity".

DIGEST OF HB 1004 (Updated April 28, 2023 12:18 am - DI 104)

Health care matters. Establishes the health care cost oversight task force and sets forth duties of the task force. Provides a credit against state tax liability to certain physicians who have an ownership interest in a physician practice and meet other eligibility criteria. Allows a credit against the state tax liability of an employer with fewer than 50 employees if the employer has adopted a health reimbursement arrangement in lieu of a traditional employer provided health insurance plan and if the employer's contribution toward the health reimbursement arrangement meets a certain standard. Requires the office of the secretary of family and social services to research and compile data concerning Medicaid reimbursement rates for Indiana and all other states and the national reimbursement rate average. Requires the submission of a report to the health care cost oversight task force and the general assembly. Establishes the payer affordability penalty fund. Specifies additional information that a hospital must report to the Indiana department of health in the hospital's annual report and establishes a fine for a hospital that fails to timely file the report. Provides that a bill for health care services provided by certain qualified providers in an office setting must be submitted on an individual provider form. Prohibits an insurer, health maintenance organization, employer, or other person responsible for the payment of the cost of health care services from accepting a bill that is submitted on an institutional provider form. Repeals language requiring a hospital to hold a public forum. Requires the department of insurance to contract with a third party to calculate an Indiana nonprofit hospital system's prices from certain health plans for specified calendar years. Before November 1, 2024, and before November 1 each subsequent year, requires the department's third party contractor to compare certain Indiana nonprofit hospital system facility pricing information with 285% of Medicare. Requires the calculations to be submitted as a report for review. Provides that a health care provider that enters into: (1) a value-based health care reimbursement agreement; and (2) an electronic medical records access agreement; with a health plan may qualify to participate in the health plan's program to reduce or eliminate prior authorization requirements. Requires a health plan that establishes a program to reduce or eliminate prior authorization requirements to provide certain information to health care providers concerning the program. Requires a third party administrator, insurer, or health maintenance organization that has contracted with a person to administer a self-funded insurance plan or a fully insured group plan to provide claims data to the person not later than 15 days from a request for the data. Specifies certain claims data to be provided and establishes a fine for a failure to timely provide the claims data. Requires the all payer claims data base advisory board to discuss specified issues concerning reimbursement rates. Allows for the provisional credentialing of physicians who establish or join an independent primary care practice.

DIGEST OF HB 1005 (Updated April 4, 2023 3:44 pm - DI 140)

Housing. Establishes the residential housing infrastructure assistance program (program) and residential housing infrastructure assistance revolving fund (fund). Provides that the Indiana finance authority (authority) shall administer the fund and program. Provides that political subdivisions may apply to the fund for loans for certain infrastructure projects related to the development of residential housing. Provides that money in the fund may not be used for: (1) debt repayment; (2) maintenance and repair projects; (3) upgrading utility poles; or (4) consulting or engineering fees for studies, reports, designs, or analyses. Provides that loans from the fund must be allocated as follows: (1) 70% of the money in the fund must be used for housing infrastructure in municipalities with a population of less than 50,000. (2) 30% of the money in the fund must be used for housing infrastructure in all other political subdivisions. Requires the authority to establish a project prioritization system for the purpose of awarding loans from the fund, and specifies the criteria that must be included in the project prioritization system. Allows the authority to establish a leveraged loan program to or for the benefit of program participants. Requires the public finance director to prepare an annual report of the fund's activities for the legislative council and the budget committee. Provides that the fiscal body of a county may adopt an ordinance to designate an economic development target area. Removes the threshold conditions for establishing a residential housing development program and a tax increment allocation area for the program, including the condition that the governing body of each school corporation affected by the program pass a resolution approving the program before the program may go into effect. Changes the duration of a residential housing development program from 25 years (under current law) to 20 years after the date on which the first obligation for program is incurred. Makes a continuing appropriation.

DIGEST OF HB 1006 (Updated April 24, 2023 4:44 pm - DI 106)

Mental health programs. Specifies the circumstances under which a person may be involuntarily committed to a facility for mental health services and specifies that these services are medically necessary when provided in accordance with generally accepted clinical care guidelines. Establishes a local mental health referral program to provide mental health treatment for certain persons who have been arrested. Repeals obsolete provisions and makes technical corrections.

DIGEST OF HB 1007 (Updated March 20, 2023 2:48 pm - DI 140)

Electric utility service. Provides that it is the continuing policy of the state that decisions concerning Indiana's electric generation resource mix, energy infrastructure, and electric service ratemaking constructs must take into account the following attributes of electric utility service: (1) Reliability. (2) Affordability. (3) Resiliency. (4) Stability. (5) Environmental sustainability. Requires the Indiana utility regulatory commission (IURC) to take each of these attributes into account when: (1) reviewing, and preparing a final director's report for, an integrated resource plan submitted by an electric utility; (2) acting upon a petition for the construction, purchase, or lease of an electric generation facility; and (3) reviewing whether the public convenience and necessity continues to require the completion of an electric generation facility under construction. Requires the IURC to commence before September 1, 2023, a comprehensive study to consider the appropriate: (1) design and framework for; and (2) requirements with respect to; performance based ratemaking for investor-owned electricity suppliers. Sets forth certain topics that the IURC shall consider and evaluate in conducting the required study. Requires the IURC to include in its annual report that is due before October 1, 2025, a report containing the IURC's analysis and recommendations on the specified topics. Provides that the report must contain recommendations, supported by sufficient data and analysis from the IURC's study, with respect to the appropriate: (1) design and framework for; and (2) requirements with respect to; performance based ratemaking for electricity suppliers, so as to enable the general assembly to fully evaluate the impact of performance based ratemaking on all classes of ratepayers, while considering the five attributes of electric utility

service set forth as state policy in the bill. Amends the statute governing reliability adequacy metrics for certain electric utilities ("public utilities" under the statute) as follows: (1) Defines the terms: (A) "fall unforced capacity", or "fall UCAP"; and (B) "spring unforced capacity", or "spring UCAP"; for purposes of the prescribed reliability adequacy metrics. (2) Reduces to 15% the 30% limit (under current law) for a public utility's summer or winter unforced capacity (UCAP) that the public utility is authorized to acquire from capacity markets, for purposes of the reliability adequacy metrics included in a resource planning report (report) submitted to the IURC after June 30, 2023. (3) Provides that the reliability metrics included in a report submitted to the IURC after June 30, 2026, must include specified information concerning a public utility's ability to meet its spring UCAP and fall UCAP. (4) Provides that if, after reviewing a public utility's report, the IURC is not satisfied that the public utility can: (A) provide reliable electric service to its Indiana customers; or (B) either: (i) satisfy both its planning reserve margin requirement or other federal reliability requirements and the reliability adequacy metrics set forth in the bill; or (ii) provide sufficient reason as to why it is unable to satisfy both its planning reserve margin requirement or other federal reliability requirements and the reliability adequacy metrics set forth in the bill; the IURC may conduct an investigation into the matter. (Current law does not require the IURC to consider whether the public utility can provide sufficient reason as to its inability to satisfy both its planning reserve margin requirement or other federal reliability requirements and the reliability adequacy metrics set forth in the bill.) (5) Requires the IURC to include in its 2025 annual report its analysis regarding the appropriate percentage or portion of: (A) total spring UCAP; and (B) total fall UCAP; that public utilities should be authorized to acquire from capacity markets.

DIGEST OF HB 1008 (Updated April 13, 2023 3:43 pm - DI 140)

Pension investments. Specifies certain entities, actions taken, or factors considered to which the ESG commitment provisions do not apply. Provides that if the treasurer of state concludes that the service provider has made an ESG commitment, the treasurer of state shall provide the name of the service provider and research supporting the conclusion to the board of trustees of the Indiana public retirement system (board). Prohibits the board from making an investment decision with the purpose of influencing any social or environmental policy or attempting to influence the governance of any corporation for nonfinancial purposes. Prohibits the Indiana public retirement system (system) from making an ESG commitment with respect to system assets. Provides that in making and supervising investments of the system, the board shall discharge its duties solely in the financial interest of the participants and beneficiaries of the system for the exclusive purposes of providing financial benefits to participants and beneficiaries and defraying reasonable expenses of administering the system. Provides that the board, in accordance with certain fiduciary duties, shall make investment decisions with the primary purpose of maximizing the target rate of return on the board's investments. Prohibits the board from entering a contract or modifying, amending, or continuing a contract with a service provider that has made an ESG commitment unless taking the action violates the board's fiduciary duty to the system's participants and beneficiaries. Requires the board to continue contracting with a service provider that has made an ESG commitment if the board determines that there is not a comparable service provider to replace the service provider. Requires the board to, at least annually, tabulate and report all proxy votes made by a service provider that is not a private market fund in relation to the administration of the system. Specifies certain persons and entities that are immune from civil liability and entitled to indemnification. Requires the board to: (1) ensure that reasonable efforts are made during the due diligence process before an investment is made and in monitoring investments in the public employees' defined contribution plan, an annuity savings account for the public employees' retirement fund or the Indiana state teachers' retirement fund, the teachers' defined contribution plan, the legislators' defined contribution plan, and a private market fund to determine whether any investments would violate the requirement that the board discharge its duties solely in the financial interest of the participants and beneficiaries of the system; and (2) take appropriate action, if necessary, consistent with the board's fiduciary duties. Defines terms and makes conforming amendments.

DIGEST OF HB 1009 (Updated March 21, 2023 2:50 pm - DI 140)

Court ordered expenses. Specifies what a court shall order a father to pay for pregnancy and childbirth expenses.

DIGEST OF HB 1013 (Updated March 21, 2023 2:50 pm - DI 140)

Indiana department of health. Changes references from the state department of health to the Indiana department of health. Provides directions for publication of affected provisions. Makes technical corrections. (The introduced version of this bill was prepared by the code revision commission.)

DIGEST OF HB 1015 (Updated April 3, 2023 3:14 pm - DI 140)

Worksite speed control pilot program. Requires the Indiana department of transportation (department) to establish the worksite speed control pilot program (pilot program) for the purpose of enforcing worksite speed limits. Requires that the department: (1) work with the state police department to administer the pilot program; and (2) enter into an agreement with the state police department to share information regarding the pilot program. Permits the department to contract with a third party vendor to assist in implementing the pilot program. Provides that an individual who is recorded by a worksite speed control system may not be assessed a civil penalty unless the violation is at least 11 miles per hour above the established worksite speed limit. Replaces the term "work zone" with "worksite" throughout the relevant statutes.

DIGEST OF HB 1016 (Updated April 26, 2023 2:14 pm - DI 141)

Police and fire merit systems. Allows a fire protection district or fire protection territory to establish a merit system. Provides that unless a resolution or ordinance to establish a merit system is rejected not later than December 31, 2024, a merit system is established on January 1, 2025, for eligible: (1) city and town police and fire departments and township fire departments; and (2) fire protection districts and fire protection territories. Provides that the merit system may be dissolved after January 1, 2025. Requires a unit, district, or territory to vote to either retain or dissolve the merit system after January 1, 2029, and before January 31, 2029. Repeals a provision containing definitions and moves the definitions to another location.

DIGEST OF HB 1017 (Updated March 28, 2023 2:53 pm - DI 140)

Prescription drug donation repositories. Establishes the prescription drug donation repository program (program). Establishes a fee on each person who is issued a license, registration, or certificate by a health profession board for the program. Allows a person to donate prescription drugs and supplies to a central repository or local repository for use by an individual who is an eligible recipient. Excludes abortion inducing drugs and controlled substances from the program. Allows an eligible entity to apply to participate as a local repository in the program. Establishes criteria for the acceptance and distribution of donated prescription drugs and supplies. Sets a maximum handling fee that may be charged for the dispensing of a prescription drug or supplies under the program. Allows an entity that participates in a drug donation repository or program in another state to participate in the program in Indiana if that state's program allows for donations to repositories located in Indiana. Establishes immunity for certain persons under the program.

DIGEST OF HB 1021 (Updated April 27, 2023 11:24 am - DI 101)

Various criminal law matters. Amends the definition of "emergency medical services provider" for the

offense of battery to include a staff member in the emergency department of a hospital. Specifies that the enhancement for battery committed on a public safety official does not apply if the person who commits the offense is detained or committed under the involuntary commitment statute. Provides that the employee of a court or law enforcement agency who warns the subject of a warrant of the existence of the warrant with the intent to interfere with the execution of the warrant commits obstruction of justice. Adds "fondling" to the crime of sexual misconduct with a service provider.

DIGEST OF HB 1025 (Updated March 20, 2023 2:48 pm - DI 140)

Firefighter discipline. Provides that a fire department of a fire protection district or fire protection territory is subject to certain disciplinary and due process requirements.

DIGEST OF HB 1034 (Updated April 17, 2023 7:29 pm - DI 140)

Income tax exemption for military pay. Exempts military pay for members of a reserve component of the armed forces of the United States or the national guard from the individual income tax. (Current law provides an individual income tax exemption for members of a reserve component of the armed forces of the United States or the national guard for the period the member is mobilized and deployed.) Exempts military pay earned by members of an active component of the armed forces of the United States from the individual income tax. (Current law exempts from the individual income tax the military pay earned by members of the National Guard and reserve components of the armed forces of the United States while serving on active duty.)

DIGEST OF HB 1040 (Updated March 30, 2023 2:08 pm - DI 140)

Requirements for elected officials. Provides that if an examination of an audited entity is unable to be performed because the audited entity's accounts, records, files, or reports are not properly maintained or reconciled, the entity may be declared unauditale. Requires an unauditale entity to bring its accounts, records, files, or reports into an auditale condition within 90 days. Requires the state board of accounts (SBOA) to publish a list of entities declared to be unauditale on the SBOA's website. Provides that if an entity is declared unauditale and the fiscal officer is unable to perform the fiscal requirements of their position, the entity is required to hire outside assistance for guidance or to perform the fiscal requirements. Clarifies an exception regarding the liability of an elected official for acts that constitute gross negligence or intentional disregard of the official's duties. Requires the SBOA to annually call a conference for: (1) city and town controllers and clerk-treasurers, newly appointed city and town controllers, and city and town clerk-treasurers elect; and (2) township trustees and township trustees elect. Provides that elected officials must attend training every two years and that the SBOA shall keep attendance of elected officials and publish it on the SBOA's website. Makes an exception for school corporation treasurer personal liability. Provides that if there is an office of town clerk-treasurer that is vacant, and the town legislative body is unable to fill the office, the town legislative body may either: (1) enter into a local agreement with the town clerk-treasurer and town legislative body of another town in the state to assist a selected town legislative body member in performing the duties of the clerk-treasurer's office; or (2) enter into a contract with a certified public accountant to assist the town legislative body member in performing the duties of the clerk-treasurer's office. (Current law provides that the town legislative body may only enter into a contract with a certified public accountant after the town legislative body is unable to reach an agreement with another town.) Provides that if, after reasonable diligence, a town may hire any qualified person to perform the duties of the clerk-treasurer's office until the vacancy can be filled, or until the end of the current clerk-treasurer's term, whichever is first. Provides that newly elected officials shall complete five hours of training before taking office. Provides that elected officials shall certify completion of training requirements to the SBOA annually. Excludes self-supporting school

lunch and the rental or sale of curricular materials as programs that may be established as separate funds. Repeals obsolete provisions. Makes technical corrections.

DIGEST OF HB 1041 (Updated March 30, 2023 2:10 pm - DI 140)

State board of accounts. Provides that the state board of accounts (SBOA) is designated as the independent external auditor of audited entities and is subject to applicable professional accounting standards. Requires annual reports to be prepared, verified, and filed with the state examiner as set forth in the uniform compliance guidelines. Requires all appointments of field examiners be made solely upon the ground of fitness in accordance with professional accounting and auditing standards. Provides that if an examination of an audited entity is unable to be performed because the audited entity's accounts, records, files, or reports are not properly maintained or reconciled, the audited entity may be declared to be unauditale. Provides that an audited entity that is declared unauditale shall bring its accounts, records, files, or reports into an auditale condition within 90 days. Requires the SBOA to publish a list of audited entities declared unauditale on its website. Revises conditions under which the state examiner may undertake an examination based on a violation of the law. Requires the SBOA to approve a request by an audited entity to opt out of examinations and engage a certified public accountant to conduct examinations if, within the last six years, the SBOA has not issued an examination or special investigation report critical of the audited entity's internal controls and there have been no adverse reports. Provides that the SBOA may terminate its approval of the use of a certified public accountant if certain requirements are not met. Revises the provision regarding field examiner traveling expenses. Makes changes to certain reporting, resolution, and disclosure requirements. Simplifies the provision regarding parties and a plaintiff's right of recovery. DIGEST OF HB 1329 (Updated April 25, 2023 4:57 pm - DI 141)

Insurance matters. Provides that if an insurance producer actively participates in a state or national professional insurance organization, the insurance commissioner may apply the insurance producer's participation toward the satisfaction of not more than two hours of the insurance producer's continuing education requirement in every two year licensing period. Prohibits a public adjuster from: (1) filing an insurance claim on behalf of an insured; (2) performing the role of roofing contractor, appraiser, or any other role with respect to the subject of a claim when the public adjuster is providing advice or assistance in the adjustment of the claim; or (3) filing an unfair claim settlement practice complaint unless the person who filed the claim has given written consent for the public adjuster to file the complaint. Requires a public adjuster, before entering into a contract with an insured, to provide a written disclosure concerning any direct or indirect financial interest that the public adjuster has with any other party that is or will be involved in the insured's claim. Requires a public adjuster to provide to an insured a disclosure document containing certain information before the insured enters into a contract with the public adjuster. Provides that a contract between a public adjuster and an insured must be in writing, must contain certain information, and must be prepared on a form filed with and approved by the insurance commissioner. Prohibits the inclusion of certain terms in the contract. Provides that if the insurer, not more than five business days after the date on which the insured's loss is reported to the insurer, either pays or commits in writing to pay to the policy limit of the insured's policy, the public adjuster may not be compensated by receiving a percentage of the total amount paid by the insurer and is entitled only to reasonable compensation for services provided. Allows an insured to void or rescind a contract with a public adjuster. Provides that, with respect to benefits provided by multiple employer welfare arrangements (MEWAs) to a public entity: (1) a policy of stop loss insurance issued by a reinsurer to the MEWA must

cover claims submitted within the timely filing limit of the policy and the policy provisions of the stop loss coverage; and (2) the department of insurance may not adopt or enforce any rule that would reduce the timely filing limit specified in the policy and the policy provisions of the stop loss coverage. Requires the Indiana Public Employers' Plan, Inc., before December 31, 2026, to apply to the insurance commissioner for a certificate of authority to transact business as a domestic tax exempt reciprocal insurance company. Amends the anti-rebating law to provide that value-added products or services may be offered or provided for free or at a discounted price by an insurer or an insurance producer: (1) if the products or services: (A) are intended to mitigate or reduce the severity or frequency of loss; or (B) are primarily designed to enhance the health, financial wellness, or safety of persons or of persons' lives, health, or property; or (2) if the products or services: (A) are not offered in a manner that is unfairly discriminatory; and (B) are made available based on documented, objective criteria that are maintained for inspection by the insurance commissioner. Requires that a value-added product or service be accompanied by contact information. Requires an insurer that makes a material change to an insured's personal automobile or homeowner's policy to provide a written notice: (1) explaining the principal factors for the material change; or (2) stating that the insured, upon request, has a right to obtain a written notice explaining the principal factors for the material change. Establishes certain requirements for a notice of material change. Requires the insurance commissioner to adopt rules to implement the notice of material change requirements. Requires an insurer or health maintenance organization (HMO) that provides coverage under an Affordable Care Act Marketplace plan (Marketplace plan) to provide to each individual covered under the Marketplace plan, not earlier than six months and not later than two months before the individual will become 65 years of age, a notice that includes: (1) a statement that the individual may be eligible to enroll in Medicare during the individual's initial enrollment period; (2) a statement that, in most cases, someone covered by a Marketplace plan will want to end their Marketplace plan coverage upon becoming eligible for Medicare; and (3) detailed instructions for canceling the individual's Marketplace plan. Provides that the plan sponsor of a health benefit plan may, on behalf of all covered individuals, provide consent: (1) to all communications related to the health benefit plan being sent to covered individuals by electronic means; and (2) to the electronic delivery of health insurance identification cards. Repeals the current mutual insurance holding company law (IC 27-14) and replaces it with a new mutual holding company law (IC 27-14.5). Requires the insurance commissioner to conduct an examination of an HMO domiciled in Indiana at least once every five years (instead of once every three years) and provides that an examination of the quality management program of an HMO must be conducted at least once every five years (instead of once every three years). Amends the health benefit exchange law to provide that an individual who continues to pay premiums for a policy or contract offered by a qualified health plan issuer in a benefit year that follows the benefit year in which the individual purchased the original policy or contract is considered to have purchased a new policy or contract for the purposes of the federal regulation providing that Medicare entitlement or enrollment is not a basis to nonrenew an individual's health insurance coverage in the individual market under the same policy or contract of insurance.

DIGEST OF HB 1334 (Updated April 3, 2023 3:33 pm - DI 140)

Absentee voting. Provides that an agency of the state or a political subdivision may not provide an individual with an application for an absentee ballot unless requested by the individual or a member of the individual's family. Provides that an absentee ballot application must request that the applicant include: (1) certain identification numbers; or (2) a photocopy of: (A) the applicant's Indiana driver's license, (B) the applicant's Indiana identification card number for nondrivers, or (C) other specified proof of identification. Provides that the application form must state that an applicant may include only one of the identification numbers or one of the documents, but the application may be delayed if the county election board cannot match at least one of the numbers with the voter's registration record. Allows an individual to provide, for purposes of accessing an absentee ballot application submitted in an electronic format: (1)

the individual's Indiana identification card number for nondrivers; or (2) the unique identifying number assigned to the voter's registration record in the computerized list; as an alternative to the options available under current law. (Current law requires the provision of the individual's Indiana driver's license number or the last four digits of the individual's Social Security number.) Specifies that certain information and documentation is confidential. Specifies when a county voter registration office is required to redact particular confidential information. Requires a county election board to implement specified procedures if the county election board cannot match at least one of the numbers with the voter's registration record. Requires the bureau of motor vehicles (BMV) to provide particular information each day to the secretary of state (secretary) and the election division. Requires the secretary and the election division to provide specified information to each county voter registration office. Specifies that if certain information provided by the BMV is not a part of the voter's registration record, the county voter registration office shall update the voter's registration record to include this information. Requires a circuit court clerk or director of a board of elections and registration (clerk) to transmit certain information to an applicant who submits an application to receive an absentee ballot by mail if the application does not fully comply with particular laws. Specifies a process by which a clerk may: (1) deliver a second absentee ballot application; (2) approve a second absentee ballot application; and (3) provide an absentee ballot; to a voter who timely submits a defective application to receive an absentee ballot. Provides that a voter who receives an absentee ballot under certain provisions may return the voted ballot: (1) in person to the absentee voter board; or (2) to the county election board; before the deadline for receipt of absentee ballots. Requires uniform application if a clerk uses this provision. Makes conforming changes.

DIGEST OF HB 1336 (Updated April 10, 2023 2:47 pm - DI 140)

Various election law matters. Adds the U.S. Space Force to the definition of "uniformed services" in election law. Provides that electronic signatures may be used for the reporting of campaign contributions and expenditures. Provides that election form approval procedures do not apply to a form incorporated only into the statewide voter registration system. Makes other technical changes relating to approval of election forms. Provides that a statute prohibiting the use of the circuit court clerk's name on a ballot if the clerk is a candidate for an office on the ballot does not apply if the only office for which the individual is a candidate is a political party office. Requires a candidate to specify on the candidate's candidacy document each designation that the candidate wants to use on the ballot. Requires the election division to design all candidacy documents so that the form of the document enables the candidate to insert in a separate field of the document each of the separate designations that a candidate is permitted to use under election law. Provides that an individual is considered to have resigned as an elected official of a unit when the person becomes an employee of the unit the individual serves as an elected official. Provides that certain mailings required by election law be sent by first class mail with tracking rather than by certified mail. Provides that a statute that permits removal and fining of a precinct election officer who fails to perform duties is applicable to an absentee voter board member and to an absentee ballot counter. Authorizes a county election board to permit individuals who are candidates for certain political party offices and relatives of such individuals to serve as precinct election officers if the county election board finds that enough individuals are not available to serve as precinct election officers. Requires the bureau

of motor vehicles commission to forward the voter registration part of an application and any declination to register to the election division for transmittal to the appropriate county voter registration office. Adds law enforcement agencies that receive voter registrations to the list of voter registration agencies that are not subject to certain requirements relating to filing voter registration applications. Provides that the statewide voter registration system must contain a feature that identifies potential nonresidential addresses submitted on voter registration applications. Provides additional procedures for updating a copy of a voter's original signature in the statewide voter registration file. Adds judges of city and town courts to the list of officials that must file a statement of economic interest before filing a candidacy document. Provides that an officeholder is not entitled to salary until a statement of economic interest is filed, if required. Provides that, for purposes of determining whether a candidate is affiliated with a particular major political party, the candidate must have voted in that party's two most recent primary elections. (Under current law, a candidate is required to have voted in the political party's most recent primary election.) Provides that if an election district is included entirely within one precinct, and does not include the entire precinct, the petition of nomination must be signed by at least five voters of the election district. Provides that if a special election to fill a vacancy in the office of United States Representative is held on the same day of the election to elect the individual to serve in the succeeding term, an individual may appear on the ballot as a candidate in both elections. Provides that in such an election for United States Representative, the ballot must list the election to fill the office vacancy immediately after the election for the next term of the office. Requires the chair of a political committee to file a final report for a treasurer if the treasurer has died or is otherwise unable to file the report. Provides that the statute requiring reporting of "large" campaign contributions does not require the reporting of a contribution unless it is accepted by the candidate's candidate committee. Provides language for printing on ballots when no candidate has filed for the office. Eliminates the requirement that counties send duplicate copies of state election returns to the election division. Provides that a county executive is not required to establish precincts so that a precinct contains not more than 2,000 active voters or 2,300 active voters if the precinct is in a county designated as a vote center county. Provides that in addition to precinct boundaries, the name of a precinct as included in the federal decennial census data becomes the official name of the precinct. Requires that a ballot be arranged so that all candidates for the same office appear on the same page or the same screen. Permits the use of an electronic device at a precinct or vote center to display a sample ballot. Provides procedures for ballot layout when a candidate dies or is no longer eligible to appear on the ballot. Requires a circuit court clerk who receives an absentee ballot application from a voter who is not registered to vote in the county to send the application to the circuit court clerk of the county in which the voter is registered. Provides that the designation of a voter as an absent uniformed services voter, an overseas voter, or a voter with print disabilities expires January 1 after such a voter has submitted an absentee ballot application indicating such designation. Provides that, after December 31, 2024, all absentee ballots must be printed on security paper that incorporates features that can be used to authenticate the ballot. Provides that a voter must file residence documentation before 6 p.m. on election day. Provides that only the individuals who are permitted to be in the polls on election day are permitted to be in the room where early absentee voting is occurring. Provides that a county election board may send a signed form from a public test to the election division by electronic mail or fax. Provides that an application fee for certification of a voting system does not apply if the application is for a de minimis change. Authorizes the repurposing of an electronic poll book unit as a device to display sample ballots if the electronic poll book software is deleted from the unit. Requires absentee ballot counters to begin counting absentee ballots beginning at 6:00 a.m. on election day if certain conditions are met. Provides that if there is a discrepancy on political party primary ballot choice between the federal write-in absentee ballot and the federal post card application, the federal post card application supersedes the federal write-in absentee ballot. Provides that if an individual who holds a local office is elected to another term in that office and subsequently dies or is disqualified before the next term is scheduled to begin, a vacancy is created that must be filled as otherwise provided by law. Adjusts the schedule for conducting a post-election audit if a contest or recount has been filed affecting the county. Provides that a notice of death of

a local office holder is required to be filed only with the circuit court clerk. (Under current law, notice must also be filed with the prosecuting attorney.) Exempts a member of a fiscal or legislative body from assuming certain duties during a vacancy. Requires a magistrate to deposit a copy of the magistrate's oath in the office of the circuit court clerk of the county in which the magistrate resides or serves. Requires the certification of a question on a referendum to occur not later than noon 74 days before a special election. Provides that a personal representative of a decedent who was a treasurer or candidate for office may disband the committee associated with the decedent's office or campaign. Removes references to "independent tickets" in election law. Makes several other technical changes. Repeals the law concerning the affidavit eligibility of a precinct election officer.

DIGEST OF HB 1401 (Updated April 17, 2023 7:50 pm - DI 140)

Assessment of wind power devices. Requires a public utility company that owns or operates a wind power device after a change in ownership of the wind power device to report, when filing its first statement of value and description of property with the department of local government finance (department), the valuation of the device at the same valuation amount that the previous owner reported on the previous owner's last annual report before the change in ownership if the valuation amount that the acquiring public utility company would otherwise enter on its first report is lower than the valuation amount at which the previous owner valued the wind power device before the change in ownership. Requires the new owner, for years subsequent to the first year after the change in ownership, to calculate and report the valuation of the wind power device in accordance with: (1) the statute concerning the taxation of public utility companies; and (2) rules prescribed by the department. Provides that for any year subsequent to the first year after the change in ownership of a wind power device, the department, in determining the just value of the property, shall not consider valuations determined by another governmental agency. Provides that these requirements do not apply to a public utility company that owns or operates one or more wind power devices and that has signed or countersigned an economic development agreement, or another financial agreement, that is entered into: (1) with the county in which the public utility company's wind power devices are located; and (2) for the purpose of repowering, or upgrading the technology used in, the wind power devices; before a sale or transfer of the wind power devices. Requires the department to make necessary conforming changes to the annual report form. Requires the Indiana utility regulatory commission to include a provision in an order declining to exercise jurisdiction over a public utility company that: (1) owns or operates one or more wind power devices; or (2) plans to own or operate one or more wind power devices; requiring the public utility to notify the department of any change in ownership of the wind power devices. Requires that before November 1, 2024, and before November 1, 2025, the department shall prepare, submit in an electronic format, and

present a report on: (1) the valuation of wind power devices; and (2) the department's progress in implementing the bill's provisions; to the interim study committee on energy, utilities, and telecommunications. Amends the Indiana Code provision that sets forth how the department is to determine the just value of the property of a public utility company to provide an exception from the specified procedures with respect to the determination of the just value of wind power devices.

DIGEST OF HB 1402 (Updated April 27, 2023 2:30 pm - DI 140)

Sewage matters. Provides that a wastewater utility that is not subject to the jurisdiction of the Indiana utility regulatory commission (commission) and that receives wholesale wastewater service from another wastewater utility may not: (1) disconnect from wholesale wastewater service provided by the other wastewater utility; and (2) construct a new wastewater treatment plant to serve its customers; unless the wastewater utility obtains the approval of the commission. Requires: (1) a regional sewage district; or (2) certain municipalities; at least 90 days before requiring the connection of a property to a sewer system and the discontinuance of use of the property's septic system, to notify the property's owner about a statutory exemption from the requirement to connect to the sewer system that may apply to the property. Requires the Indiana department of health to update: (1) all matters incorporated by reference in the Indiana department of health rules concerning residential onsite sewage systems (the rules); and (2) all industry standard practices reflected in the rules; upon the recognition of new bulletins, standards, specifications, and industry standard practices that supersede the bulletins, standards, specifications, and industry standard practices incorporated by reference or otherwise reflected in the rules. Provides that the technical review panel must approve the updates before the Indiana department of health may update the rules. Provides that a county, city, or town ordinance that would restrict or prohibit the use of technology new to Indiana that has been approved by the technical review panel or that would otherwise vary from the rules: (1) if adopted after June 30, 2023, is not effective unless it is submitted to and approved by the technical review panel; and (2) if adopted before July 1, 2023, becomes void and unenforceable on July 1, 2023. Allows such an ordinance: (1) to be readopted by the legislative body of the county, city, or town; and (2) to be submitted to and approved by the technical review panel. Prohibits the installation of a residential onsite sewage system less than 25 feet from the edge of a sinkhole. Provides that an ordinance adopted by a local health department requiring an inspection of a septic system that is more stringent than the Indiana department of health's rule concerning residential onsite sewage systems is void and unenforceable. Provides that if a qualified professional listed in this bill has approved the design and specifications for the residential onsite sewage system, the local health department shall issue a permit for the residential onsite sewage system not more than 30 business days after receiving a complete application for the permit. Provides that a residential onsite sewage system may be installed in a lot meeting a certain description if at least one site on the lot is determined to be suitable for the installation of the residential onsite sewage system. Prohibits an employee of a local health department from entering a property to inspect a residential onsite sewage system: (1) if qualified professional listed in the bill has notified the local health department within the preceding 180 days that the residential onsite sewage system is functioning properly; or (2) if the owner or occupant has not been notified of the inspection by first class mail at least seven days before the inspection date. Provides the procedures for an owner or occupant of a property in which the local health department has determined that a residential onsite sewage system is in failure to receive a second opinion in order to withdraw the local health department's order. Provides that an individual who: (1) is registered with at least one Indiana county to provide onsite sewage system service; and (2) is certified as an inspector or installer by the Indiana Onsite Wastewater Professionals Association is entitled to provide onsite sewage system service in any county in Indiana, but may be required to pay a county license or registration fee before providing onsite sewage system service in a county other than the county in which the individual is licensed.

DIGEST OF HB 1417 (Updated April 3, 2023 4:03 pm - DI 140)

Utility deferred costs and accounting practices. Amends the Indiana Code provision concerning a system of accounting for public utilities to provide the following: (1) That a public utility, municipally owned utility, or not-for-profit utility may defer for consideration by the Indiana utility regulatory commission (IURC) and for future recovery costs incurred or to be incurred in a regulatory asset, to the extent that the specific costs are incremental and are not otherwise already included for recovery in the utility's rates. (2) That preapproval of the IURC is not required for the creation of a regulatory asset. (3) That a public utility, municipally owned utility, or not-for-profit utility may recover through the utility's rates over a reasonable period, as determined by the IURC, costs that are: (A) deferred under these provisions; and (B) found to be reasonable and prudent by the IURC. Amends the Indiana Code provision concerning a public utility's depreciation account and depreciation rates to provide the following: (1) That depreciation rates shall be calculated to recover a reasonable estimate of the future cost of removing retired assets of the public utility. (2) That in a proceeding in which the costs of a capital asset are being recognized for ratemaking purposes, a public utility may account for any asset retirement obligations and recover, through rates charged to customers, reasonably and prudently incurred costs associated with asset retirement obligations, to the extent the specific asset retirement obligation costs are incremental and have not been included in depreciation rates. (3) That the IURC shall make changes in a public utility's depreciation rates as necessary to reflect changes in: (A) the public utility's estimated asset retirement costs, including all reasonable and prudent costs of removing retired assets; and (B) the estimated retirement dates of the public utility's assets. Amends the Indiana Code chapter concerning federally mandated requirements for energy utilities to specify that recovery of the 80% of IURC-approved federally mandated costs that an energy utility may recover through a rate adjustment mechanism must commence no earlier than: (A) the date of a final agency action regarding the federally mandated requirement; or (B) in the absence of a final agency action, the date on which the federally mandated requirement becomes effective.

DIGEST OF HB 1418 (Updated March 20, 2023 2:52 pm - DI 140)

Annexation of residential developments. Permits a third class city to annex an area that is a proposed residential development in which not all lots have been platted or dwellings have been constructed. Expands the area outside the city in which the annexation can occur from three miles to 4.5 miles.

DIGEST OF HB 1420 (Updated April 18, 2023 1:57 pm - DI 140)

Electric transmission facilities. Amends the chapter in the Indiana Code concerning electric transmission facilities as follows: (1) Specifies that the term "electric transmission facility" does not include a line installed solely for the purpose of connecting an electric generation facility to facilities owned by a public utility. (2) Repeals the definition of "local reliability electric transmission facility" and makes conforming changes. (3) Amends the provisions concerning an incumbent electric transmission owner's right of first refusal to construct, own, operate, and maintain certain electric transmission facilities, or upgrades to certain electric transmission facilities, as follows: (A) Specifies that the right of first refusal applies with respect to: (i) the construction; or (ii) upgrades; of electric transmission facilities if the construction or upgrades have been approved through a regional transmission organization (RTO) planning process. (B) Provides that if an electric transmission facility has been approved for construction through an RTO planning process: (i) each incumbent electric transmission owner that has a right to construct, own, operate, and maintain the electric transmission facility shall give written notice to the Indiana Utility Regulatory Commission (IURC), not later than 90 days after the construction is approved, regarding the incumbent electric transmission owner's intent to construct, own, operate, and maintain the approved electric transmission facility; and (ii) if an incumbent electric transmission owner gives notice of intent

not to construct the approved electric transmission facility, another entity may seek to construct the approved electric transmission facility in accordance with the RTO planning process and the bill's provisions. (C) Provides that if an incumbent electric transmission owner gives to the IURC during a calendar year notice of its intent to construct, own, operate, and maintain an approved electric transmission facility, the incumbent electric transmission owner shall, not later than May 1 of the subsequent calendar year, provide the IURC with certain specified information. (D) Provides that an incumbent electric transmission owner that exercises its right to construct an approved electric transmission facility must, to the extent commercially practicable, use competitively bid engineering, procurement, or construction contracts that meet the specifications required by the incumbent electric transmission owner with respect to the facility.

DIGEST OF HB 1421 (Updated March 21, 2023 4:13 pm - DI 140)

Energy production and resources. Requires the Indiana utility regulatory commission (IURC) to issue an order granting or denying an application for a certificate of public convenience and necessity (certificate) not later than 240 days after the filing of the application and the submission of the applicant's case in chief. Authorizes the IURC to issue a general administrative order establishing guidelines regarding the information to be included in an applicant's case in chief. Amends the statute providing certain financial incentives for energy utilities in connection with clean energy projects as follows: (1) Provides that a "clean energy project" includes a project to construct or repower, after July 1, 2011, a natural gas facility to displace electricity generation from an existing coal fired generation facility. (2) Provides that an "eligible business" for purposes of eligibility for incentives authorized under the statute includes a joint agency created under the Indiana Code chapter authorizing municipal electric utility programs. (3) Provides (through an amendment to a cross-referenced definition in the Indiana Code chapter governing the Indiana voluntary clean energy portfolio standard program) that for purposes of a clean energy project involving a renewable energy resource project, a "renewable energy resource" includes gas that is derived from the decomposition of organic matter and that: (A) is fully interchangeable with; or (B) can be combined with; conventional natural gas for purposes of generating electricity. (4) Provides that the IURC may provide an incentive under the statute for a project that the IURC finds to be just and reasonable (rather than "reasonable and necessary" under current law). (5) Provides that the IURC may not approve the timely recovery of costs and expenses incurred during the construction and operation of a project unless the IURC finds that recovery of the costs and expenses: (A) is just and reasonable; and (B) will result in a gross financing costs savings over the life of the project. (6) Eliminates the incentive authorizing up to three percentage points on the return on shareholder equity that would otherwise be allowed to be earned on certain clean energy projects. (7) Amends the language prescribing the time frame within which the IURC must issue a determination as to a project's eligibility for the available financial incentives to require the IURC to issue the determination not later than: (A) 120 days after the date of the application; or (B) the time frame prescribed in the bill for the IURC to grant or deny a certificate if a certificate is required for the project. Provides, for purposes of the oil and gas law (which requires the natural resources commission to adopt rules to prevent waste and prohibits actions in the extraction of coal bed methane that would waste commercially minable coal resources), that the term "waste" does not include capturing and destroying coal bed methane for a commercial purpose, including the generation of carbon credits.

DIGEST OF HB 1422 (Updated April 11, 2023 5:40 pm - DI 140)

Dementia care. Provides that an area agency on aging designated by the bureau of aging services (area agency) may establish a dementia care specialist program. Allows an area agency to designate at least one individual as a dementia care specialist to administer the program. Provides that the division of aging (division) may employ a dementia care specialist coordinator. Sets forth the duties of: (1) a dementia care

specialist; and (2) the dementia care specialist coordinator; if an area agency or the division establishes those positions. Makes conforming changes.

DIGEST OF HB 1438 (Updated March 27, 2023 2:20 pm - DI 140)

Publication of local government notices. Provides that a towing service is subject to the same public notice advertising rates as a government agency if the service: (1) acts as an agent of a government agency; and (2) provides the notice required to dispose of abandoned vehicles or parts. Provides for the creation of a public notice task force (task force) to study notice publication statutes for the purpose of streamlining the process and maximizing value to Indiana citizens. Provides the following: (1) The task force must publish a report with its determinations and recommendations for legislation not later than December 1, 2023. (2) The task force expires December 31, 2023.

DIGEST OF HB 1445 (Updated April 28, 2023 12:23 am - DI 134)

Audit of Medicaid program prescription drug costs. Amends the requirements for a physician to provide office based opioid treatment. Provides that the attorney general may issue a request for proposal to audit the prescription drug programs within the state employee health plan and the Medicaid program. Provides that the attorney general may evaluate and determine whether to include specified metrics in the request for proposal. Provides that the audit look back period must be the previous five state fiscal years. Provides that the results of the audits must be provided to the interim study committee on public health, behavioral health, and human services before September 1, 2024. Provides that a practitioner is not required to obtain information about a patient from the Indiana scheduled prescription electronic collection and tracking program (INSPECT) data base or through the patient's integrated health record before prescribing certain medications if the patient is enrolled in a hospice program.

DIGEST OF HB 1447 (Updated April 27, 2023 3:06 pm - DI 143)

Education matters. Provides that, if a school corporation or qualified school uses a third party vendor in providing certain personal analyses, evaluations, or surveys, the third party vendor and the school corporation or qualified school may not record, collect, or maintain the responses to or results of the analysis, evaluation, or survey in a manner that would identify the responses or results of an individual student. Provides that, if a school corporation or qualified school uses a third party vendor in providing the personal analysis, evaluation, or survey, the school corporation or qualified school must provide parents or students, as applicable, two requests for written consent before administering the analysis, evaluation, or survey. Provides that the school corporation or qualified school may administer the personal analysis, evaluation, or survey if a parent or student, as applicable, does not decline the analysis, evaluation, or survey. Requires each school corporation or qualified school to: (1) post a copy of a personal analysis, evaluation, or survey on the school corporation's or qualified school's website; and (2) send with each notice an explanation of the reasons that the school corporation or qualified school is administering the personal analysis, evaluation, or survey. Requires each qualified school to establish and maintain a grievance procedure for complaints regarding a violation of this provision. Provides that, if a state agency, school corporation, or qualified school or an employee of a state agency, school corporation, or qualified school requires, makes part of a course, awards a grade or course credit, or otherwise incentivizes a student to engage in: (1) political activism; (2) lobbying; or (3) efforts to persuade members of the legislative or executive branch at the federal, state, or local level; the state agency, school corporation, or qualified school or the employee of the state agency, school corporation, or qualified school shall not require the student to adopt, affirm, affiliate, or take any action that would result in favoring any particular position on the issue or issues involved without offering an alternative option for the student to complete the assignment or receive extra credit or other incentivization that allows for the

favoring of an alternative position. After June 30, 2023, requires certain contracts between a school corporation or a qualified school and a third party vendor concerning a personal analysis, survey, or evaluation to contain a breach of contract provision. Requires schools to adopt policies and procedures concerning material alleged to be obscene or harmful to minors. Removes schools from the list of entities eligible for a specified defense to such criminal prosecutions.

DIGEST OF HB 1449 (Updated April 11, 2023 5:41 pm - DI 140)

Twenty-first century scholars program. Provides that the commission for higher education shall do the following: (1) In cooperation with the department of education, identify students who meet the requirements to participate in the twenty-first century scholars program (program). (2) Notify the student and the custodial parent or guardian of the student, if the student is an unemancipated minor, that: (A) the student is eligible to participate in the program; (B) the student must agree to the conditions required to participate in the program; and (C) the student has the right to opt out of the program at any time.

DIGEST OF HB 1451 (Updated March 21, 2023 4:13 pm - DI 140)

Unemployment compensation. Amends the definition of "deductible income" for purposes of the unemployment compensation laws. Provides that, subject to certain exceptions, the department of workforce development may accept an offer in compromise from an employer or claimant to reduce past due debts arising from contributions or benefit overpayments. Provides that an individual is ineligible for benefits for any week that the individual receives payments equal to or exceeding the individual's weekly benefit amount in pension, retirement, or annuity payments under any plan of an employer where the employer contributes all of the money. (Under current law, the disqualification provision applies under any plan of an employer where the employer contributes a portion or all of the money.) Provides that the state of Indiana is not required to participate in or precluded from ceasing to participate in any offered or enacted voluntary, optional, special, or emergency federal program. Makes corresponding changes.

DIGEST OF HB 1454 (Updated April 28, 2023 1:21 am - DI 120)

Department of local government finance. Provides that the term of any judgment funding bond with regard to either: (1) the city of Hobart; or (2) the Merrillville Community School Corporation; issued for the purpose of paying a property tax judgment rendered against Lake County for assessment year 2011, 2012, 2013, or 2014 shall be 25 years. Changes the sunset date for the procedure for selling certain bonds to July 1, 2025, and makes corresponding changes. Adds nonprofit building corporations created by a municipal corporation to a provision concerning the purchase of municipal securities by the treasurer of state and provides that such a security must have a stated final maturity of not more than 25 years after the date of purchase. Specifies expenses eligible for funding from the READI fund. Prohibits the department of local government finance from approving a county reassessment plan before the assessor provides verification that the land values determination has been completed. Removes language from a statute allowing a taxpayer to elect a special property tax valuation method for mini-mill equipment that prohibited the election if any outstanding bond obligations would be impaired as a result of the election. Requires an assessor determining land values to submit the values to the county property tax assessment board of appeals (PTABOA) and the department. Establishes procedures for rental property assessment appeals. Makes changes to a provision granting a property tax exemption to cemetery owners. Requires the land of controlled environment agriculture property to be classified and assessed as agricultural and the improvements to be classified and assessed as an agricultural greenhouse for property tax assessment. Prohibits a PTABOA determination of assessed value following a hearing that exceeds the original appealed assessed value at issue. Provides that a qualified taxing unit located in Lake County that has experienced a property tax revenue shortfall in one or more tax years: (1) resulting from erroneous

assessed valuation figures; and (2) which was, or will be, at least \$5,000,000, or 20% of its net tax levy, as a result of the erroneous assessed valuation amount; may apply to the treasurer for a loan from the counter-cyclical revenue and economic stabilization fund. Describes procedures, limitations, and uses for such loans. Limits the amount of loans to all qualified taxing units to \$35,000,000. Prescribes a formula for determining a population growth of 150% for purposes of the exclusion from maximum ad valorem property tax levy limits for municipalities that meet specified criteria. Authorizes Hamilton County to impose an innkeeper's tax under a separate innkeeper's tax statute at a rate of not more than 8% (rather than 5% under the uniform county innkeeper's tax). Requires notice if a county adopting body makes any fiscal decision that has a financial impact to an underlying local taxing unit or adopts an ordinance to reallocate revenue received from a local income tax. Specifies a statute of limitations for certain property tax appeals based on a claim of error in determining whether the property is or is not eligible for a standard homestead deduction. Makes changes to the timing for certain property tax appeals. Extends the sunset of the current calculation and allocation of certified shares among civil taxing units in Hamilton County from 2024 to 2026 and modifies the city of Carmel's certified shares determination under the calculation. Clarifies the term "video service". Modifies a provision concerning county membership on the governing and advisory boards of a community mental health center. Provides that, beginning January 1, 2026, an "eligible individual" for purposes of the achieving a better life experience (ABLE) program means an individual who during a taxable year: (1) is entitled to benefits based on blindness or disability under Title II or Title XVI of the federal Social Security Act and the blindness or disability occurred before the individual became 46 years of age (rather than 26 years of age under current law); or (2) has a disability certification that has been filed as set forth in Section 529A of the Internal Revenue Code. Increases amounts for which state educational institutions and school corporations may award contracts. Makes changes to the geothermal device deduction. Removes provisions that require a county to meet certain qualifications before it is authorized to adopt an emergency medical services local income tax rate. Provides that if the sale price of distressed property exceeds \$50,000, a redevelopment commission must

obtain two independent appraisals before purchasing the property. Provides (beginning on or after January 1, 2024) that the legislative body of a town that has a mayor as a result of a reorganization may hire or contract with competent attorneys and legal research assistants on terms it considers appropriate. Repeals a statute requiring the county recorder to provide to the county auditor a list of recorded mortgage releases. Makes changes to various definitions in the Indiana Code chapter concerning rail transit development districts and makes a corresponding change to the local income tax increment fund. Changes the dates on which the department of state revenue determines base period amounts and increment revenue for the purpose of the Indiana Code chapter concerning rail transit development districts and allows the state department (if necessary) to redetermine base period amounts and increment revenue. Removes language under current law relating to salaries of the members of a flood control board who hold a lucrative office. Provides that a political subdivision may not inspect a rental unit or impose a fee pertaining to the inspection of a rental unit, if the rental unit, in addition to meeting certain other requirements, provides a written report that the rental property has been inspected or that a sample of the rental community has been inspected if the sample size complies with the United States Department of Housing and Urban Development's Rural Development for Real Estate Assessment Center inspections. Allows the county legislative body of a county in which a fire protection district includes all of the incorporated and unincorporated area of the county to adopt an ordinance to establish a nine member fire protection district governing board (governing board). Provides that on the date set forth in the ordinance establishing the governing board: (1) the governing board has the powers and duties of the board of fire trustees; and (2) the board of fire trustees acts solely as an advisory body to the governing board. Provides that the president and vice president of a redevelopment commission shall not have the same appointing authority. Expires on June 30, 2027, the amended changes made to the residential housing development program statute by the general assembly in the 2023 session or subsequent session, and on July 1, 2027, reinstates the residential housing development program statute as it appears in current law. Expires on June 30, 2027, the provisions added in HEA 1157 for a residential housing program in Marion County. Specifies information reporting requirements regarding residential housing development programs. Allows a redevelopment commission to expend revenues from a tax increment financing district that are allocated for police and fire services on both capital expenditures and operating expenses. Requires a redevelopment commission to provide an annual spending plan listing planned expenditures for the next calendar year. Provides that, for 2023, an ordinance or resolution to establish or expand a fire protection territory is adopted after the legislative body holds at least three public hearings to receive public comment on the proposed ordinance or resolution in which: (1) at least one public hearing must be held at least 25 days before the legislative body votes on the adoption of the ordinance or resolution; and (2) at least two additional public hearings must be held not later than five days before the legislative body votes on the adoption of the ordinance or resolution. Provides a property tax exemption for certain continuing care retirement communities or licensed health care facilities for taxes first due and payable in 2023, 2024, and 2025. DIGEST OF HB 1493 (Updated April 18, 2023 2:19 pm - DI 140)

Elimination of costs and fees in juvenile court. Provides that a parent is presumed indigent for purposes of parental payment or reimbursement for services provided by the department of child services to a child adjudicated delinquent or a child in need of services. Further provides that, when the department of correction is awarded wardship of a child, the juvenile court may not order a parent to pay or reimburse the department unless the juvenile court makes a specific finding that the parent is able to pay. Removes fees and costs associated with a child alleged to be a delinquent child from the supplemental public defender services fund and the public defense administration fee. Allows the alternative dispute resolution fund (fund) to be used for guardian ad litem services. Requires the court to determine whether, when a

party is charged or convicted with a crime against the person, participation in services provided by the fund poses an unreasonable risk of harm. Makes conforming changes.

DIGEST OF HB 1499 (Updated April 28, 2023 1:24 am - DI 129)

Various tax matters. Makes certain changes to the qualification requirements for the: (1) deduction for individuals who are at least 65 years of age; and (2) additional credit for certain homesteads. Increases the amount of the supplemental homestead deduction for property taxes first due and payable in 2024 and 2025. Provides that if a taxpayer presents an appraisal to the county property tax assessment board of appeals (county board) that meets specified requirements, the appraisal is presumed to be correct. Provides that if the county board disagrees with the taxpayer's appraisal, the county board may seek review of the appraisal or obtain an independent appraisal. Provides that after the assignment of value, the parties shall retain their rights to appeal to the Indiana board of tax review. Provides that, notwithstanding any increase in assessed value of property from the previous assessment date, the total amount of operating referendum tax that may be levied by a school corporation for taxes first due and payable in 2024 may not increase by more than 3% over the maximum operating referendum tax that could be levied by the school corporation in the previous year. Provides a calculation to be used in determining the maximum levy growth quotient in 2024 and 2025. Modifies, through December 31, 2024, the threshold amounts used for determining whether a political subdivision's project is a controlled project and whether the petition and remonstrance process or the referendum process applies based on the political subdivision's total debt service tax rate, but excludes certain projects for which a public hearing to issue bonds or enter into a lease has been conducted before July 1, 2023. Creates an exception, through December 31, 2024, to a provision subjecting a controlled project in a political subdivision with a total debt service rate of \$0.80 per \$100 of assessed valuation to the referendum process, if: (1) the political subdivision submits a request to the department of local government finance (DLGF) seeking a waiver of the provision; (2) the proposed controlled project is a response to a maintenance emergency; and (3) the DLGF determines that the maintenance emergency is sufficient to waive the provision. Amends an exclusion from the definition of "controlled project" for projects required by a court order. Authorizes a county fiscal body to adopt an ordinance to provide property tax relief for property tax liability attributable to homesteads for qualified individuals. Provides that a county may adopt a resolution to require a local income tax supplemental distribution to first be distributed and used to lower the county's levy freeze tax rate. Requires the DLGF to approve a county's request to decrease its levy freeze tax rate if the DLGF finds that the lower rate, in addition to the supplemental distribution amount determined under the resolution adopted by the county, would fund the levy freeze dollar amount. Requires the department of state revenue (department) to annually provide each resident individual taxpayer who paid adjusted gross income taxes in the immediately previous taxable year a taxpayer receipt statement in an electronic format explaining how the individual taxpayer's taxes are being used. Requires the department, in consultation with the budget agency, to create and administer an Internet web page on which individual taxpayers may access an estimate of the allocation of their adjusted gross income taxes to various expenditure categories for the most recent state fiscal year based on the adjusted gross income taxes paid by the taxpayer. Specifies the information that must be provided on the web page. Defines "maintenance emergency". Makes conforming changes.

DIGEST OF HB 1512 (Updated April 17, 2023 7:50 pm - DI 140)

Waste diversion and recycling. Renames the central Indiana waste diversion pilot project the "central Indiana waste diversion project" (project). Establishes two new purposes for the project: (1) advancing research and development to enhance existing waste diversion efforts and supporting the creation of new processes and technologies that expand upon the existing universe of waste diversion and reuse of recyclable material; and (2) supporting recycling technology or programs for the return, collection, and sorting of recyclable glass, aluminum, or plastic beverage containers that are accessible to the general public and are operated by a retail merchant, a professional sports or entertainment venue, an airport, an elementary school or high school, or an institution of higher education. Extends the duration of the project from three years to four years. Requires the beginning of a second round of grant applications and awards. Provides that, in the second round, private sector persons and companies located in Hamilton, Hancock, Shelby, Johnson, Morgan, Hendricks, and Boone Counties (in addition to Marion County) may apply for grants from the program. Grant applicants must provide a financial match as determined by the Indiana recycling market development board (board). Requires the department of environmental management, for purposes of the second round, to develop and distribute grant application forms, accept grant applications, and make recommendations to the board. Authorizes the board to request additional information from a grant applicant if the board determines that the information provided does not meet certain requirements and to reopen the application process if the board determines that none of the applications submitted meet the goals of the project. Requires the board, in the second round, to award not more than a total of \$2,000,000 to grant applicants. Requests the legislative council to assign to an appropriate interim study committee the task of studying various recycling topics.

DIGEST OF HB 1513 (Updated April 27, 2023 11:46 am - DI 104)

FSSA matters. Changes the name of the bureau of developmental disabilities services to the bureau of disabilities services. Removes certain members from the 211 advisory committee. Repeals Medicaid copayment provisions that: (1) require the office of the secretary of family and social services (office) to apply a copayment for certain Medicaid services; (2) require a recipient to make a copayment upon the receipt of services and for a provider not to voluntarily waive a copayment; (3) set forth exemptions from copayment requirements; and (4) require the provider to charge the maximum allowable copayment. Allows for an enrollment fee, a premium, a copayment, or a similar charge to be imposed as a condition of an individual's eligibility for the healthy Indiana plan and the children's health insurance program. Removes a prohibition on the office from: (1) requiring certain providers to submit non-Medicaid revenue information in the provider's annual historical financial report; and (2) only requesting balance sheets from certain providers that apply directly to the provider's facility. Allows the office to implement an end of therapy reclassification methodology in a successor of the RUG-IV, 48-Group model for payment of nursing facility services.

DIGEST OF HB 1528 (Updated April 11, 2023 5:42 pm - DI 140)

Provides that an individual enrolled in a transition to teaching program may apply for a one time scholarship under the next generation Hoosier educators scholarship program. Establishes requirements to qualify for the one time scholarship. Provides that the maximum amount of a scholarship is \$10,000. Provides that the total annual amount of scholarships awarded from the next generation Hoosier educators scholarship fund to individuals enrolled in a transition to teaching program may not exceed \$1,000,000. Requires that an awarded scholarship must be repaid under certain conditions.

DIGEST OF HB 1555 (Updated March 27, 2023 2:20 pm - DI 140)

Military family occupational licenses. Provides that a military service applicant who has held an occupational license, certification, registration, or permit (license) in another jurisdiction for at least one year may qualify for an Indiana license. Removes the requirement that an applicant have a license for at least two of the five years preceding the date of the application. Provides that an applicant may not have a complaint or investigation pending before an occupational licensing board (board) that relates to unprofessional conduct or an alleged crime. Provides that a military member's dependent may apply for an occupational license under the same conditions as a military member's spouse. Requires the board to issue a license to an applicant upon application based on work experience in another state if certain conditions are met. Provides that the requirement that a nonresident is entitled to the same rights and subject to the same obligations as required of a resident who is issued a license by a board does not apply to a member of the military, a military spouse, or a dependent who applies for a real estate broker or appraiser license. Allows an applicant to appeal a final determination of the board. Makes a technical correction.

DIGEST OF HB 1557 (Updated March 20, 2023 3:05 pm - DI 140)

DIGEST OF HB 1570 (Updated April 27, 2023 8:44 am - DI 148)

Family and juvenile law matters. Makes changes in various adoption law provisions to provide 15 days (rather than 30 days) to contest certain adoptions. Provides that a confidentiality agreement entered into between a foster parent and the department of child services (department) may not prohibit the foster parent from releasing or disclosing information to a duly elected state government official for whom the information is relevant to the official's responsibility under the law to protect children from child abuse and neglect (elected official). Provides an exception prohibiting release or disclosure of specified information and records regarding a child who is or was in foster care or under the supervision of a

juvenile court, or regarding the child's parent, guardian, or custodian. Provides that the department may not: (1) take adverse action against a foster parent's license; or (2) remove a foster child from the home of a foster parent; solely on the basis of the foster parent having spoken to an elected official. Requires the department to provide a licensed foster parent with: (1) an information packet describing the foster parent's rights and the grievance filing process; and (2) a complete copy of the department's policy manual. Provides that the department may not remove a foster child from the home of a foster parent, unlicensed caregiver, or de facto custodian solely on the basis of the foster parent, unlicensed caregiver, or de facto custodian having filed a petition to adopt the child. Allows a child's adoptive parent to request that the department allow the child to have visitation with the child's sibling. Requires the department to provide notice of the department's decision regarding a request for sibling visitation not later than seven business days after the department receives the request. Provides that if: (1) a child is the subject of a petition alleging that the child is a child in need of services; and (2) a parent of the child has been convicted of committing one or more specified offenses against the child; there is a rebuttable presumption that it is in the child's best interests to prohibit the parent from having in-person contact with the child until a dispositional decree is entered or the petition is dismissed. Provides that if a hearing regarding a petition to terminate the parent-child relationship is not held before the statutorily required deadline, the court shall dismiss the petition without prejudice: (1) upon filing of a motion with the court by a party to the proceeding; and (2) absent good cause shown for the failure to hold the hearing before the statutorily required deadline.

DIGEST OF HB 1639 (Updated May 1, 2023 9:42 am - DI 150)

Watershed development commissions. Provides that the executives of one or more counties may adopt ordinances designating their counties as members of a proposed watershed development commission and that the proposed watershed development commission is established as a legal entity with the counties as its members if it is recognized by the natural resources commission. Allows a watershed development commission to be established for certain flood damage reduction, drainage, storm water management, recreation, and water infrastructure purposes, but provides that "water infrastructure purposes" excludes any drinking water project in a county or municipality. Requires the natural resources commission, in deciding whether to recognize a proposed watershed development commission, to answer certain questions. Provides that a nonmember county may become a member of an established watershed

development commission if its membership is accepted by the member counties and recognized by the natural resources commission. Requires the department of natural resources (department), with the approval of the natural resources commission, to certify the area of a member county that is within a watershed development commission's designated watershed. Provides that a watershed development commission may also have water quality purposes if its board develops a water quality improvement plan that is approved by the natural resources commission. Specifies that a water quality purpose, goal, project, or interstate agreement does not convey water quality regulatory authority to a watershed development commission. Provides for a watershed development commission to be governed by a board that includes: (1) the director of the department or the director's designee; (2) the county surveyor of each county that is a member of the commission and is entitled to membership on the board; (3) an individual other than the county surveyor representing each county that is a member of the commission and is entitled to membership on the board; and (4) either: (A) one individual appointed to represent each second class city that is located in a participating county and within the designated watershed of the watershed development commission; or (B) if a participating county does not include a second class city that is located within the designated watershed of the watershed development commission, one individual appointed to represent the municipality that has the largest population of all municipalities that are located in the participating county and within the designated watershed of the watershed development commission. Requires a watershed development commission to develop a flood damage reduction and drainage plan for its designated watershed. Grants a watershed development commission exclusive authority to perform drainage and flood damage reduction activities within the channel of the river that is the surface water outlet of its designated watershed. Authorizes a watershed development commission to enter into an interlocal cooperation agreement with an existing local governmental authority to apportion flood damage reduction authority and financial support between the two entities. Provides for the funding of a watershed development commission through an annual special assessment that may be imposed against each taxable parcel of real property located: (1) in a member county; and (2) within the designated watershed of the watershed development commission. Establishes maximum assessment levels and allows the board of a watershed development commission to reduce the special assessment to lower levels. Authorizes a member county to adopt any of three alternative methods of funding the watershed development commission. Prohibits the use of money collected from a special assessment for highway bridge repairs or reconstruction. Authorizes a watershed development commission to give preference to an Indiana business over an out-of-state business in contracting for public works. Establishes a procedure under which the Maumee River basin commission, the St. Joseph River basin commission, or the Upper Wabash River basin commission may be transformed into a watershed development commission. Provides that if the St. Joseph River basin commission is transformed into a watershed development commission, the members of the St. Joseph River basin commission become the first members of the St. Joseph River watershed development commission's advisory committee.

DIGEST OF HB 1647 (Updated April 27, 2023 8:15 pm - DI 150)

Athletic trainers. Amends the definition of "athletic trainer" to include an individual employed by an occupational facility to practice athletic training. Amends the definition of "athletic training" to include the diagnosis and rehabilitation of athletic injuries under the direction and supervision of a licensed physician, osteopath, podiatrist, or chiropractor, including the use of manual therapies related to the reconditioning of athletes, but not including joint manipulation of the spinal column. Defines "manual therapies" and "supervision". Changes the education standard for licensing by the board as an athletic trainer from the satisfactory completion of an academic program including certain accredited courses to: (1) obtaining a professional athletic training degree from a postsecondary educational institution that meets the academic standards established by the Commission on Accreditation of Athletic Training Education (CAATE); and (2) the successful completion of a Board of Certification, Inc. (BOC) examination. Provides that an individual may be exempted by the board from the examination

requirement if the individual is certified by the BOC (instead of by the National Athletic Trainers Association) and authorizes the board to issue a temporary permit to practice as an athletic trainer to an individual who is practicing in a state that does not license or certify athletic trainers but is certified by the BOC (instead of by the National Athletic Trainers Association). Eliminates the requirement that the board contract with the National Athletic Trainers Association to conduct and score the qualifying examination for athletic trainers.

DIGEST OF HJR 1

Gubernatorial line of succession. Removes the superintendent of public instruction from the list of officeholders who shall discharge the powers and duties of the governor if the office of the governor and lieutenant governor are both vacant. This proposed amendment has been agreed to by one general assembly.

DIGEST OF HJR 6

Town and city court judges. Provides that the judge of a city or town court shall reside in: (1) the county in which the city or town court is located; or (2) the bordering Indiana county that is the closest Indiana county to the city or town in which the court is located. DIGEST OF SB 9 (Updated March 20, 2023 2:06 pm - DI 140)

Energy utilities. Amends the Indiana Code chapter concerning federally mandated requirements for energy utilities as follows: (1) Specifies that for purposes of the statute, "federally mandated costs" include the following: (A) Costs that an energy utility has incurred, or estimates that it will incur, in connection with a compliance project. (B) Costs that are directly related to the preparation and conduct of a regulatory proceeding. (C) Costs related to a compliance project and incurred by an energy utility before the date of: (i) the energy utility's application to the Indiana utility regulatory commission (IURC) for a certificate of public convenience and necessity (certificate) with respect to the compliance project; or (ii) the IURC's order with respect to the application; if the IURC finds the costs are just and reasonable. (2) Provides that an energy utility's application for a certificate for a compliance project must be filed either: (A) before; or (B) within a reasonable time with respect to; any federally mandated compliance date. (3) Specifies that recovery of the 80% of IURC-approved federally mandated costs that an energy utility may recover through a rate adjustment mechanism must commence no earlier than: (A) the date of a final agency action regarding the federally mandated requirement; or (B) in the absence of a final agency action, the date on which the federally mandated requirement becomes effective. Requires a public utility to notify the IURC if: (1) the public utility intends or decides to retire, sell, or transfer an electric generation facility with a capacity of at least 80 megawatts; and (2) the retirement, sale, or transfer: (A) was not set forth in; or (B) is to take place on a date earlier than the date specified in; the public utility's short term action plan in the public utility's most recently filed integrated resource plan (IRP). Provides that upon receiving such notice from a public utility, the IURC shall consider and may investigate the public utility's intention or decision to retire, sell, or transfer the electric generation facility. Provides that

in considering the public utility's intention or decision, the commission shall examine the impact the retirement, sale, or transfer would have on the public utility's ability to meet: (1) the public utility's planning reserve margin requirements or other federal reliability requirements; and (2) the reliability adequacy metrics set forth in Indiana law. Provides that if the retirement, sale, or transfer was not set forth in, or is to take place earlier than specified in, the public utility's short term action plan in the public utility's most recently filed IRP, the IURC shall not permit the public utility's depreciation rates to be amended to reflect the accelerated date for the retirement, sale, or transfer of the electric generation asset unless the IURC finds that such an adjustment is necessary to ensure the ability of the public utility to provide reliable service to its customers, and that the unamended depreciation rates would cause an unjust and unreasonable impact on the public utility and its ratepayers. Authorizes the IURC to adopt a general administrative order to implement these provisions. Provides that these provisions: (1) do not apply to: (A) the retirement, sale, or transfer of a public utility's electric generation facility if the retirement, sale, or transfer is necessary for the public utility to comply with a federal consent decree; or (B) an electric generation facility that generates electricity for sale exclusively to the wholesale market; and (2) expire July 1, 2026.

DIGEST OF SB 180 (Updated April 3, 2023 2:24 pm - DI 140)

Allocation of wastewater utility costs. Allows a utility company that: (1) provides both water and wastewater service; and (2) has acquired wastewater utility property; to request, in the context of a petition by the utility company to the Indiana utility regulatory commission (IURC) for preapproval of a plan for proposed service enhancement improvements to the utility company's wastewater utility property, authorization from the IURC to allocate a portion of the eligible costs of the utility company's wastewater utility property to the utility company's water customers. Provides that if the petition includes such a request for an allocation of costs, the utility company shall provide a copy of: (1) the petition; and (2) the utility company's case in chief; to each intervenor in the utility company's last general rate case. Provides that the IURC may approve the request if the IURC finds that: (1) because of reasonable and necessary improvements that are proposed for the wastewater utility property, the resulting rates charged to wastewater customers would reach levels necessitating the provision of financial assistance to those customers; (2) the total rates charged by the utility company for water service will not increase unreasonably as a result of the allocation; (3) the utility company has included information in its proposal regarding the availability of grants or low interest loans and whether the utility company considered using grants or low interest loans to help finance or reduce the cost of the service enhancement improvements; and (4) the utility company has developed an asset management program. Provides that an increase in the total rates charged for water service by the utility company as a result of the allocation is not unreasonable to the extent the allocation results in an increase in authorized total revenues of 2% or less. Provides that if the IURC approves a utility company's request for an allocation of costs, the utility company shall include a notice on or with water customer monthly bills specifying the amount of the service enhancement improvement adjustment rider approved by the commission that recovers necessary wastewater utility improvements.

DIGEST OF SB 181 (Updated March 14, 2023 2:03 pm - DI 140)

Cause of action concerning restraint of trade. Amends the statute concerning combinations restraining trade as follows: (1) Provides that the attorney general may bring an action for the following on behalf of the state or a political subdivision in connection with a violation of the statute: (A) Appropriate injunctive or other equitable relief, including disgorgement of any gains derived from the violation. (B) A civil penalty. (Current law provides only that the attorney general may bring an action for injuries or damages sustained directly or indirectly by the state or political subdivision as a result of the violation.) (2) Provides that the attorney general may bring an action in the name of the state as parens patriae on behalf of one or more natural persons residing in Indiana for one or more of these same remedies, in connection with a violation of the statute. (3) Specifies that in an action brought under these provisions, the attorney general may recover costs and expenses of the suit, including reasonable attorney's fees and expert fees. (Current law does not specify that the attorney general may recover expenses and expert fees.) (4) Provides that in an action brought under these provisions after June 30, 2023, the attorney general may recover a civil penalty of not more than: (A) \$100,000 per violation from any natural person who violates the statute; or (B) \$1,000,000 from any other person, other than a natural person, that violates the statute.

Learner's permits. Provides that, to obtain a learner's permit, an individual who is less than 18 years of age must provide the bureau of motor vehicles with an emergency contact person who is not the holder of the learner's permit to be listed in the Indiana emergency contact data base for the individual who holds the learner's permit.

DIGEST OF SB 242 (Updated April 27, 2023 12:53 pm - DI 150)

Floodplain mapping. Repeals the requirement that local floodplain administrators use the "best floodplain mapping data" as provided by the department of natural resources (department) and located on the Indiana Floodplain Information Portal when reviewing an application for a permit to authorize construction in or near a floodplain. Provides that, after June 30, 2023, a county or municipality may not issue a permit for construction activity in or near a floodplain unless the permit applicant is allowed to elect whether the local floodplain administrator will use: (1) the department's "best floodplain mapping data"; or (2) an engineering study provided by the permit applicant; in reviewing the permit application. Prohibits a local floodplain administrator from issuing a permit authorizing a structure or construction activity in or near a floodplain if the issuance of the permit will violate National Flood Insurance Program requirements. Provides that, after June 30, 2025, an individual may not serve as the floodplain administrator of a county or municipality unless the individual has successfully completed: (1) the Certified Floodplain Manager program of the Association of State Floodplain Managers; or (2) another course or training program for local floodplain managers that is approved by the Federal Emergency Management Agency or the department. Provides that a person that has: (1) an ownership interest; (2) a leasehold interest; or (3) a security interest; in a parcel of real property may at any time request a review by the department of the department's "best floodplain mapping data" that applies to the parcel of real property. Requires the department to conduct the review at no cost to the person requesting the review and to use a detailed hydrologic modeling method in conducting the review. Provides that: (1) if the person requesting the review has applied to a local floodplain administrator for a permit authorizing the construction of a structure or other construction activity on the parcel of real property; and (2) the department does not complete the review within 120 days after the review was requested; the person may elect whether the local floodplain administrator, in reviewing the person's permit application, will use the department's "best floodplain mapping data" or an engineering study provided by the person. Provides that, in the disclosure form that is adopted by the Indiana real estate commission and that must be submitted to a prospective buyer of real estate before the prospective buyer's offer is accepted, the owner of real estate must disclose the fact that all or a portion of the owner's real estate is located within a community's floodplain boundaries, as indicated in a Federal Emergency Management Agency Flood Insurance Rate Map, if the owner has personal knowledge of that fact.

DIGEST OF SB 246 (Updated April 27, 2023 1:25 pm - DI 55)

Excess liability trust fund. Defines "aboveground storage tank" as a tank or combination of tanks that is at least 90% above the surface of the ground, that has a capacity of more than 1,500 gallons but not more than 20,000 gallons, and that is used for the bulk storage and distribution of motor fuel to retailers or used at an airport. Changes the name of the underground petroleum storage excess liability fund to the "petroleum storage excess liability fund" (ELTF). Changes the name of the underground storage tank financial assurance board to the "petroleum storage tank financial assurance board" (financial assurance board). Transfers, from the state fire marshal and the fire prevention and building safety commission to the department of environmental management (department) and the environmental rules board, the authority to issue certificates for people who install, test, or decommission underground or aboveground storage tanks. Transfers rules concerning the certification program. Authorizes the use of the ELTF to provide a source of money to satisfy liabilities for corrective action involving aboveground storage tanks. Authorizes the use of the ELTF to provide reimbursement of 50% of costs of decommissioning or replacing underground petroleum storage tanks subject to certain conditions, but limits the total amounts that can be paid from the ELTF each year for this purpose. Requires the financial assurance board to adopt: (1) rules concerning this reimbursement program; and (2) rules under which ELTF eligibility and funding may be reopened for a release previously granted "no further action" status by the department. Provides that a subsequent owner of a property on which a restrictive covenant has been placed because

of soil or water contamination due to a leaking underground or aboveground storage tank is eligible for reimbursement from the ELTF of remediation expenses if the tank was registered and all annual fees for the tank were paid before the eligible release. Provides that the commissioner of the department (commissioner) may not: (1) issue an order to secure compliance; or (2) proceed in court; to require the owner or operator of an underground storage tank to undertake corrective action with respect to a release of petroleum until the commissioner has received and reviewed the initial site characterization of the site of the release. Provides that, if a quantity of the released petroleum remains or may remain underground at a site, the commissioner is prohibited from: (1) requesting that the owner or operator execute a restrictive covenant applying to the site; (2) making a determination of no further action being required at the site; or (3) approving closure of the site; unless the commissioner has received and reviewed the initial site characterization, but allows the commissioner to require the owner or operator to undertake corrective action at the site before reviewing the initial site characterization in case of a threat to human health or the environment. Establishes requirements for initial site characterizations. Provides that a qualified environmental professional, upon behalf of a tank owner, may request a waiver of the initial site characterization requirements and suggest an alternative procedure. Provides that the fee for the inspection of gasoline or kerosene: (1) applies to "avgas" (aviation fuel used in piston engine powered aircraft) in the same manner and to the same extent as it applies to gasoline; and (2) applies to jet fuel in the same manner and to the same extent as it applies to kerosene. Establishes an aviation fuel account (account) within the ELTF and requires that the inspection fees on avgas and jet fuel be deposited in the account. Provides that the account may be used only for financial responsibility, corrective action, third party indemnification, and administration expenses related to avgas and jet fuel.

DIGEST OF SB 252 (Updated April 25, 2023 4:42 pm - DI 147)

Requires the BMV to annually provide a report to the budget committee that includes: (1) the amount of revenue received in the calendar year in exchange for the disclosure of personal information or data to any person or entity; and (2) detailed, specific information on the BMV's use, or intended use, of the revenue.

DIGEST OF SB 296 (Updated March 16, 2023 11:52 am - DI 140)

Sale of tax delinquent real property. Defines the term "severed interest" as an improvement, mineral rights, air rights, water rights, or other rights in property in, on, under, or above the land for which the owner or holder of the interest identified in the current real property tax records of the county auditor is sent a separate property tax statement. Provides that the estate in fee simple that is vested in a grantee by a tax deed executed under the law on the sale of tax delinquent property is subject to a lease shown by public record if the tax deed conveys only a severed interest located in, on, under, or above the land. Provides that the rights that an owner of land has in the land, in a lease shown by public record, or in a memorandum of a lease shown by public record are not limited or abrogated by a tax deed conveying an interest in one or more severed improvements.

DIGEST OF SB 298 (Updated March 20, 2023 2:14 pm - DI 140)

Utility infrastructure improvement charges. Amends the statute governing infrastructure improvement charges for water or wastewater utilities as follows: (1) Provides that in the case of a municipally owned utility or a not-for-profit utility, the adjustment amount to an eligible utility's basic rates and charges for the recovery of infrastructure improvement costs shall be recovered over a 12 month period, regardless of the amount of time over which the infrastructure improvement costs were incurred. (2) Provides that a utility may not recover through an infrastructure improvement charge any infrastructure improvement costs that are recovered by the utility through contributions in aid of construction. (3) Provides that when an eligible utility files a petition for an adjustment amount with the Indiana utility regulatory commission (IURC), the office of utility consumer counselor (OUCC) may examine information of the eligible utility, limited to confirming: (A) that the infrastructure improvements for which recovery is sought are eligible for cost recovery under the statute; and (B) the proper calculation of the proposed adjustment amount. (Existing law provides that the OUCC may examine the information of an eligible utility to confirm these matters, but does not specify that the OUCC's examination is limited to the confirmation of these matters.) (4) Provides that if the IURC finds that an eligible utility's proposed adjustment amount has not been calculated correctly, the IURC shall: (A) provide the correct calculation of the adjustment amount; and (B) allow the eligible utility to implement the corrected adjustment amount. (5) Amends the factors that the IURC may consider in determining the amount of allowable recovery of infrastructure improvement costs for a municipally owned utility or a not-for-profit utility to provide that the IURC may consider other expenses that the IURC considers appropriate, including money for the payment of any taxes that may be assessed against: (A) a municipally owned utility; or (B) a not-for-profit utility or its property; as applicable. (6) Specifies that in the case of a municipally owned utility or not-for-profit utility, the statute's cap limiting total adjustment revenues to 10% of an eligible utility's approved base revenue level applies over the course of each 12 month recovery period. (7) Amends the statute's provisions requiring an eligible utility to reconcile the difference between adjustment revenues and infrastructure improvement costs as follows: (A) Specifies that the reconciliation must occur at the end of each 12 month recovery period. (B) Provides that in the case of a municipally owned utility or a not-for-profit utility, the adjustment amount shall be reset to zero after all previously approved infrastructure improvement costs have been collected.

Commercial solar and wind energy ready communities. Provides that the commercial solar and wind energy ready communities development center (center) may be established within the Indiana office of energy development (office). Provides that the center, if established, shall: (1) provide comprehensive, easily accessible information concerning permits required for commercial solar projects and wind power projects; and (2) work with permit authorities concerning those projects. Requires the center to create and administer a program to certify counties and municipalities as commercial solar energy ready communities and wind energy ready communities. Requires the office to certify a county or municipality as a commercial solar energy ready community or a wind energy ready community if the county or municipality meets certain requirements, including the adoption of a commercial solar regulation or wind power regulation that includes standards that are not more restrictive than the default standards established by Indiana law. Provides that a commercial solar and wind energy ready communities incentive fund (fund) may be established by the office. Provides that if: (1) a county or municipality receives certification as a commercial solar energy ready community or a wind energy ready community; (2) a project owner constructs a commercial solar project or wind power project in the county or municipality; (3) the fund is established; and (4) there is a sufficient balance in the fund; the office may authorize the county or municipality to receive from the fund, for a period of 10 years, \$1 per megawatt hour of electricity generated by the commercial solar project or wind power project.

DIGEST OF SB 391 (Updated April 27, 2023 8:59 pm - DI 110)

Charter schools. Provides that, for a resolution to adopt a school operating referendum tax levy or school safety referendum tax levy adopted after May 10, 2023, a county auditor must distribute a portion of revenue received from the school operating referendum tax levy or school safety referendum tax levy to each charter school in which students who receive not more than 50% virtual instruction and who have legal settlement in certain school corporations attend. Provides that if a charter school receives a distribution from a school corporation from a school operating referendum tax levy or a school safety referendum tax levy, the charter school must post certain information on the charter school's website. Provides that a charter school that may receive money from a school operating referendum tax levy or a school safety referendum tax levy may not promote a position on a referendum, in the same manner as a

school corporation is prohibited from promoting a position on a referendum. Provides that the maximum length of a charter is 15 years. (Current law provides that the maximum length of a charter is seven years.) Provides all charter schools access to loans through the Indiana bond bank. Provides that the state board of education (state board) may advance money to charter schools to be used for: (1) school building construction programs; and (2) educational technology programs. Amends the definition of "school building construction program" to: (1) include the purchase, lease, or financing of land, the construction and equipping of school buildings, and the remodeling, repairing, or improving of school buildings by a charter school; and (2) replace "adjusted assessed valuation" with "assessed valuation" with regard to school corporation eligibility for an advance from the common school fund. Provides that a charter school may not receive an advance from the common school fund for an educational technology program unless the charter school develops a three year technology plan. Provides that a school corporation may not (instead of is not entitled to) receive or use certain money or advances unless the school corporation develops a three year technology plan. Makes conforming changes regarding advances to charter schools from the common school fund. Establishes standards concerning when a school corporation may close an underutilized school building that had been used at any time for classroom instruction. Provides procedures regarding petitioning for a determination as to whether a school building meets criteria for closure or should be made available for sale or lease. Requires the department of education (department) to make a determination regarding a petition. Requires each school corporation to annually report to the department certain information regarding school buildings. Provides procedures for notifying charter schools or state educational institutions through the department of the availability of a covered school building. Provides for appeals of certain orders or decisions to the state board. Provides that the: (1) department; or (2) selected charter school or state educational institution; may request the attorney general to commence a legal action to enforce a final order for the sale or lease of a covered school building or file a civil action to enforce the final order for the sale or lease after certain time periods. Repeals certain provisions regarding investigating complaints and enforcement by the attorney general. Establishes the charter school facility grant program. Makes conforming amendments. Makes a technical correction.

Provides that a current or former student may bring a civil action against an institution for a violation of these provisions.

DIGEST OF SB 412 (Updated April 27, 2023 6:52 pm - DI 55)

Natural resources matters. Authorizes the Little Calumet River basin development commission to make bank improvements and remove sediment and flood-causing debris in the area subject to its jurisdiction, subject only to the authority of the United States Army Corps of Engineers. Authorizes the division of water (division) of the department of natural resources (department), under certain circumstances, to file with the county recorder an affidavit stating that a violation or deficiency that is the subject of an enforcement action involving a structure classified by the department as a high hazard structure exists on a particular property in the county. Provides that the affidavit must: (1) include a sworn statement that a violation or deficiency exists on the property; (2) be recorded in the deed records of the county; (3) be designed and worded so as to provide notice to the public; and (4) include certain details about the property and current owner. Requires the department to file a release of the affidavit when the violation or deficiency is resolved. Requires the division to pay the fees for recording the affidavit and for recording a release of the affidavit. Amends the law on natural resources commission (commission) rules concerning lakes and reservoirs to eliminate provisions concerning the mediation of disputes. Amends the flood control law: (1) to require a person who applies for a permit to create or maintain a structure, obstruction, deposit, or excavation on a site in a floodway to provide documentation of the person's ownership of the site or an affidavit from the owner of the site authorizing the performance of the proposed work; and (2) to allow a person who applies for a permit to file an amendment to the permit application. Amends the floodplain management law: (1) to require the commission to meet at least once every five years with officials of counties and municipalities to promote cooperation among counties and municipalities, provide technical and data assistance, conduct training, and provide communications and outreach; (2) to provide that county and municipality officials may request to meet with the commission on a periodic basis; (3) to require a permit for the creation, use, or maintenance of a structure, obstruction, deposit, or excavation on any state owned or state managed property in a floodplain; (4) to provide that the lowest floor of any structure erected on state owned or state managed property in a floodplain must be least two

feet above the 100 year frequency flood elevation; and (5) to require the commission to review and timely respond to any request from a county or municipality to revise the delineation of a flood hazard area. Provides that a person who applies for a permit authorizing the construction of a structure or other construction activity in or near a floodplain may elect whether: (1) mapping data provided by the department; or (2) an engineering study provided by the applicant; will be used by the local floodplain administrator when reviewing the person's permit application, and prohibits a local floodplain administrator from issuing a permit if the issuance of the permit would affect the county's or municipality's eligibility to participate in the National Flood Insurance Program. Amends the timber buyers law to provide that information in a timber buyer's records about the timber buyer's transactions with a particular timber grower may be disclosed to that timber grower. Provides that if a local governmental agency in county located along the Lake Michigan shore does not approve or deny a completed application for a nonemergency seawall or revetment permit within 30 business days after it is submitted, the permit is automatically approved and considered issued to the applicant. Requires the department to coordinate with local governmental agencies for purposes of the seawall or revetment permit process. Makes conforming changes.

DIGEST OF SB 414 (Updated April 28, 2023 10:45 am - DI 92)

Onsite waste management districts and septage holding tanks. Amends the definition of "onsite residential sewage discharging disposal system" to provide that the term includes a system that employs advanced treatment components to reduce the concentration of the pathogenic constituents of the effluent to an acceptable level before the effluent is discharged. Amends the law that prohibits the point source (i.e., above ground) discharge of treated sewage from a dwelling, which includes an exception to the prohibition for one particular county that has a onsite waste management district, to make the exception applicable to any onsite waste management district. Authorizes the adoption of rules or guidelines to provide guidance to a local health department that has jurisdiction in a county onsite waste management district and that is authorized to issue operating permits for onsite residential sewage discharging disposal systems that discharge effluent above ground. Provides that, if amending the National Pollutant Discharge Elimination System (NPDES) general permit issued by the department of environmental management (department) for the purposes of the county onsite waste management district law is necessary or advisable to enable new county onsite waste management districts to function properly and effectively, the department shall amend the general permit as soon as reasonably possible after June 30, 2023. Provides that septage that originates from a residential or commercial source may be held in one or more holding tanks of not more than 10,000 gallons until removed and transported from the site. Establishes requirements for septage holding tanks. Requires a permit from the local health department for the operation of a septage holding tank. Requires a septage tank owner to: (1) enter into a written contract with a septage management vehicle operator for regular removal of septage from the tank; (2) provide a copy of the contract to the local health department; and (3) provide proof to the local health department that the tank owner is regularly paying for the removal of septage from the holding tank. Requires a local health department to report to the department concerning the septage tanks in its jurisdiction, and authorizes the adoption of rules or guidelines concerning the reports.

Permits the justice reinvestment advisory council to conduct a workload study of electronic monitoring and home detention, make certain findings, and submit a report to the legislative council not later than July 1, 2025. Provides that a contract employee of a supervising agency is required to notify the supervising agency of certain actions with respect to a tracked individual not later than 12 hours after the action occurs. Requires this notification to be sent within 15 minutes if the tracked individual is serving a sentence for a crime of violence or a crime of domestic or sexual violence, and additionally requires the supervising agency to notify a vulnerable victim and request law enforcement to perform a welfare check, if there is a vulnerable victim. Specifies that a supervising agency must include in a quarterly report the number of tracked individuals who are on parole supervision and the number of false location alerts, device malfunctions, or both. Provides that a local supervising agency shall report directly to the local justice reinvestment advisory council each quarter, and that the division of parole services shall report to the statewide justice reinvestment advisory council each quarter. Requires the statewide justice reinvestment advisory council to transmit an annual electronic report to the legislative council and to the judicial conference of Indiana not later than March 15 of each year.

DIGEST OF SB 447 (Updated April 3, 2023 2:35 pm - DI 140)

Charity gaming matters. Defines the term "professional sports team foundation" for purposes of the charity gaming law. Specifies that a professional sports team foundation is a qualified organization. Specifies that qualified organizations may conduct unlicensed allowable events at facilities leased or owned by the capital improvement board of managers of Marion County (CIB). (Current law allows qualified organizations to conduct charity gaming events without a license if the value of all prizes awarded is less than \$2,500 for a single event and \$7,500 for all unlicensed events conducted during a calendar year.) Authorizes payment by credit card for a chance to enter: (1) a raffle or water race at an allowable event conducted by a qualified organization; and (2) an allowable event conducted at a facility leased or owned by the CIB.

DIGEST OF SB 451 (Updated March 21, 2023 2:33 pm - DI 140)

Carbon sequestration pilot project. Defines the term "pore space". Corrects a spelling error in the address of the carbon sequestration pilot project (pilot project). Provides that the pilot project will construct, operate, or use not more than two (2) carbon dioxide pipelines and will maintain operations only in Vigo and Vermillion counties. Requires the director of the department of natural resources to designate the operator of the carbon sequestration pilot project not more than 30 days after the Class VI well permit authorizing the operation of carbon dioxide injection wells at the site of the pilot project is issued by the U.S. Environmental Protection Agency. Provides that, for purposes of the pilot project, the title to pore space is vested in the person who holds in fee simple the surface interest in the land or water, as identified by the property records of the county, except in case of an explicit conveyance, exception, or reservation through a recorded conveyance to another person. Requires the pilot project operator, before the anticipated migration of injected carbon dioxide into pore space to notify the person who owns the pore space in fee simple of the anticipated migration of the carbon dioxide. Requires the carbon sequestration pilot project operator to make an offer of compensation to a pore space owner to provide that the offer of compensation must be at least a yearly payment of 40% of the average estimated cash rent per acre for the area of Indiana and the class of land, according to the Farmland Values & Cash Rents Survey Results published by Purdue University most recently before the offer of compensation is made, every year until the cessation of injection of carbon dioxide. Provides that a person who claims ownership of pore space may initiate non-binding mediation of the dispute with the pilot project operator concerning the pore space. Establishes a procedure for mediation and allows the pilot project operator to consolidate multiple requests for mediation into one or more mediation proceedings. Provides that if a person who claims

ownership of pore space is unable to reach an agreement with the pilot project operator concerning the acquisition, lease, or occupancy of the pore space through negotiation or mediation, the person may pursue a civil action against the pilot project operator. Provides that, generally, in a civil action against the pilot project operator, the court may not grant injunctive relief, an order of possession, or monetary relief that exceeds the fair market value of pore space in Indiana. Provides, however, that these limits on monetary recovery do not apply in case of direct and tangible physical injury or damage to a person, tangible property, or an animal or in case of an effect of the pilot project on the sources of the public water supply used by a public utility. Provides that the code section authorizing the establishment of the carbon sequestration pilot project expires July 1, 2028, if the operator of the carbon sequestration pilot project is not issued a Class VI permit by the United States Environmental Protection Agency by that date.

DIGEST OF SB 452 (Updated April 27, 2023 4:17 pm - DI 101)

Consumer credit and financial institutions. Provides that a reference to federal law in: (1) the first lien mortgage lending act (act); (2) the Uniform Consumer Credit Code (UCCC); or (3) the Indiana Code title governing financial institutions; is a reference to the law as in effect December 31, 2022 (rather than December 31, 2021, under current law). Amends as follows a provision in the act that authorizes a federal savings bank to voluntarily register with the department of financial institutions (department) for the purpose of sponsoring licensed mortgage loan originators under certain circumstances: (1) Authorizes any person (rather than just a federal savings bank) that meets the requirements set forth in the provision to sponsor one or more licensed mortgage loan originators. (2) Eliminates a requirement that a sponsored individual must sell, solicit, or negotiate insurance under an exclusive written agreement for a licensed insurance company that is a subsidiary of a company that also owns or controls the federal savings bank. (3) Provides that a sponsored individual must be engaged solely as a third party loan processor or underwriter. Specifies certain requirements that a person must comply with in order to sponsor an individual under these provisions. Makes conforming amendments to: (1) the act; and (2) related provisions in the UCCC concerning subordinate lien mortgage transactions. Requires a state chartered credit union (credit union) to maintain capital consistent with the safety and soundness necessary to support the risk in the credit union's activities. Provides that the National Credit Union Administration's: (1) prompt corrective action; and (2) risk based net worth; regulations apply to all credit unions. Requires a credit union that is classified as adequately capitalized or lower to increase the dollar amount of its net worth on a quarterly basis by an amount equal to at least 0.1% of the credit union's total assets until the credit union is classified as well capitalized. Sets forth different: (1) mandatory supervisory requirements or restrictions; and (2) discretionary supervisory requirements or restrictions (to be imposed by the director of the department); with respect to a credit union, depending on the credit union's classification as undercapitalized, significantly undercapitalized, or critically undercapitalized. Directs the department to use specified statutory authority to adopt emergency rules not later than June 30, 2024, to amend the department's rule concerning mortgage lenders and originators in order to: (1) conform the rule to the bill's provisions concerning the sponsorship of licensed mortgage loan originators to engage solely as a third party loan processor or underwriter; and (2) establish a rule to allow certain persons to sponsor one or more mortgage loan originators, who are not employees of the sponsoring person, to perform mortgage loan originator activities exclusively for the sponsoring person under certain prescribed conditions.

DIGEST OF SB 458 (Updated April 6, 2023 12:18 pm - DI 140)

Money transmitters. Effective January 1, 2024, repeals the Indiana Code chapter governing the licensing and regulation of money transmitters by the department of financial institutions (department). Adds to the Indiana Code a new chapter codifying the Money Transmission Modernization Act (Act), to take effect January 1, 2024, and to be administered by the division of consumer credit within the department. Sets

forth provisions contained in the Act that address the following: (1) Purposes of the Act. (2) Definitions of terms. (3) Exemptions from the Act's requirements. (4) The supervisory authority of the department under the Act. (5) The licensing of money transmitters. (6) The acquisition of control of a licensee. (7) Reporting and records requirements. (8) Authorized delegates of licensees. (9) Refunds of, and receipts for, money received for transmission. (10) Prudential standards for licensees. (11) The enforcement authority of the department. (12) The application of the Act to licensees that have been issued a license under the current statute. (13) Criminal penalties. Makes conforming references to provisions in the Indiana Code that cite the current money transmission statute.

DIGEST OF SB 464 (Updated April 4, 2023 2:59 pm - DI 140)

Jurisdiction. Provides that an adult criminal court has jurisdiction over a person at least 21 years of age who committed an offense as a child (an adult child offender), if the offense could have been waived to adult court, and provides that the juvenile court has jurisdiction over an adult child offender if the offense could not have been waived. Specifies that an adult child offender may be required to register as a sex offender in the same manner as a delinquent child, and permits a court to remove the obligation for an adult child offender and a delinquent child to register after the completion of sex offender treatment. Specifies when a child commits a delinquent act. Allows a court, in sentencing an adult child offender, to consider as a mitigating factor that the person was a child at the time the person committed the offense. Provides an additional opportunity for an adult child offender to obtain sentence modification. Permits a court to suspend a sentence imposed on an adult child offender, except for murder.

DIGEST OF SB 468 (Updated April 4, 2023 3:03 pm - DI 140)

Uniform Commercial Code amendments. Incorporates into Indiana's Uniform Commercial Code (UCC) the Amendments to the Uniform Commercial Code (2022) approved and recommended for enactment in all states by the Uniform Law Commission (ULC) to address emerging technologies. Makes conforming amendments to general provisions and definitions that apply throughout the UCC. Makes conforming amendments to chapters of the UCC governing the following: (1) Sales. (2) Leases. (3) Negotiable instruments. (4) Fund transfers. (5) Letters of credit. (6) Documents of title. (7) Investment securities. (8) Secured transactions. Repeals the chapter in the UCC governing controllable electronic records. Amends the definition of "money" for purposes of Indiana's Uniform Commercial Code (UCC) to specify that money: (1) is a medium of exchange that is not in an electronic form; and (2) does not include a central bank digital currency that is currently adopted, or that may be adopted, by the United States government, a foreign government, a foreign reserve, or a foreign sanctioned central bank. Establishes a new chapter in the UCC that: (1) governs controllable electronic records; and (2) incorporates the provisions of the ULC's amendments governing controllable electronic records. Provides that a "controllable electronic record" does not include an electronic record that is currently authorized or adopted by a domestic or foreign government and is not a medium of exchange that was recorded and transferable in a system that existed and operated for the medium of exchange before the medium of exchange was authorized or adopted by a government. Establishes a new chapter in the UCC that: (1) addresses the validity, enforceability, and perfection of certain commercial transactions, including secured transactions, entered into before the effective date of the amendments on July 1, 2023; and (2) establishes July 1, 2025, as an "adjustment date" on or after which certain transactions must conform to the requirements of the amendments to remain valid, enforceable, or perfected. Adds language to incorporate into Indiana's UCC the Amendments to Uniform Commercial Code Article 9 (2018), as approved by the American Law Institute and the National Conference of Commissioners of Uniform State Laws. Provides, through the incorporation of these amendments, that the provisions in the UCC providing that restrictions on the transfer of property pledged as collateral are ineffective do not apply in the case of a security interest in an ownership interest in a general partnership, limited partnership, or limited liability company.

DIGEST OF SB 472 (Updated March 21, 2023 2:37 pm - DI 140)

Advanced recycling. Defines "advanced recycling" as a manufacturing process for the conversion of post-use polymers and recovered feedstocks into basic raw materials, feedstocks, chemicals, and other products. Defines "advanced recycling facility" as a manufacturing facility that: (1) receives, stores, and converts post-use polymers and recovered feedstocks resulting from advanced recycling; and (2) is subject to manufacturing regulation by the department of environmental management. Provides: (1) that post-use polymers and recovered feedstocks that are converted at an advanced recycling facility or held at an advanced recycling facility before conversion are not within the definition of "solid waste"; (2) that an advanced recycling facility is not within the definition of "solid waste disposal facility"; (3) that the activities undertaken at an advanced recycling facility are not within the definition of "solid waste management"; and (4) that an advanced recycling facility is not within the definition of "solid waste disposal facility" or the definition of "solid waste processing facility". Provides that certain solid waste management laws do not apply to advanced recycling facilities. Provides, for purposes of Indiana environmental law, that products sold as fuel are not considered recycled products.

DIGEST OF SB 473 (Updated April 4, 2023 3:04 pm - DI 140)

Limits on discharges into the Ohio River. Provides that if a community water system that discharges wastewater into the Ohio River demonstrates to the satisfaction of the department of environmental management that the discharged wastewater does not increase the mass of mercury in the Ohio River by an amount greater than the mass of mercury in the water withdrawn from the Ohio River by the community water system: (1) the community water system's discharge into the Ohio River shall not be considered to cause, have a reasonable potential to cause, or contribute to an excursion above any applicable water quality standard governing mercury in the Ohio River; and (2) no water quality-based effluent limitations for mercury shall be required in a new or renewal NPDES permit issued to the community water system.

DIGEST OF SB 474 (Updated April 17, 2023 4:41 pm - DI 140)

Home health agencies. Allows a home health agency to: (1) provide services in any county in Indiana; and (2) satisfy supervising home health aide services requirements by complying with federal law. Allows: (1) the Indiana department of health (state department) to adopt rules concerning the oversight and supervision of the services a home health agency provides in noncontiguous counties; and (2) the state health commissioner to waive rules adopted concerning home health agencies if certain conditions are met. Provides that a home health agency is not required to conduct a preemployment physical on a job applicant before the individual has contact with a home health agency patient. Allows a registered home health aide to administer gastrointestinal and jejunostomy tube feedings to a specific patient if specified conditions are met. Requires the state department to approve at least one training curriculum concerning the administration of tube feedings. Repeals laws concerning drug testing of home health agency employees.

DIGEST OF SB 477 (Updated March 23, 2023 11:54 am - DI 140)

Threats to critical infrastructure. Amends the statute prohibiting the use of public funds to purchase equipment or services produced or provided by certain prohibited persons determined to be a national security threat to communications networks or supply chains to also prohibit the use of public funds to purchase communications equipment or service that is: (1) determined under specified federal regulations to pose an unacceptable risk to the national security of the United States or the security and safety of United States persons; and (2) included on the covered list published, maintained, and updated by the

federal Public Safety and Homeland Security Bureau on the website of the Federal Communications Commission. Provides that the governor may, at any time, and in consultation with the executive director of the department of homeland security, designate a country as a threat to certain critical infrastructure located in Indiana. Provides that after June 30, 2023, a specified qualified entity may not enter into an agreement relating to critical infrastructure with a company if: (1) under the agreement, the company would be able to directly or remotely access or control of a critical infrastructure or a cybersecurity system of a critical infrastructure; and (2) the company is: (A) owned or controlled by citizens of (or a company or entity owned or controlled by citizens or the government of) China, Iran, North Korea, Russia, or a country designated as a threat to critical infrastructure by the governor; or (B) headquartered in China, Iran, North Korea, Russia, or a country designated as a threat to critical infrastructure by the governor. Provides that after June 30, 2023, a prohibited person may not purchase, lease, or acquire a parcel of real property that is directly adjacent to a military installation. Provides that the attorney general may investigate the purchase, lease, or acquisition of real property upon receipt of a complaint. Provides that the attorney general shall enforce a violation by commencing a receivership proceeding and selling the property through the receivership.

DIGEST OF SB 480 (Updated March 27, 2023 3:23 pm - DI 140)

Gender transition procedures for minors. Prohibits a physician or other practitioner from: (1) knowingly providing gender transition procedures to an individual who is less than 18 years of age (minor); and (2) aiding or abetting another physician or practitioner in the provision of gender transition procedures to a minor. Specifies certain medical exceptions. Establishes civil enforcement actions.

DIGEST OF SB 486 (Updated April 17, 2023 4:58 pm - DI 140)

Education matters. Repeals teacher training requirements regarding: (1) criminal gang organizations awareness; (2) certain information concerning homeless students; and (3) recognizing the signs and symptoms of seizures and the appropriate steps to be taken to respond to the symptoms; and requires that information concerning these subjects be included within the curriculum of teacher preparation programs. Provides that the department of education (department) may establish or license for use an online platform to provide information and training concerning these and other subjects. Removes certain requirements regarding annual performance evaluation plans for certificated employees, including: (1) certain content requirements; and (2) certain requirements that a plan be discussed. Amends requirements to be considered a probationary teacher and professional teacher. Provides that, after a school corporation has assigned an evaluator to perform a certificated employee's evaluation, the certificated employee may request the school corporation to assign another evaluator. Urges the legislative council to assign to an appropriate interim study committee the task of studying current school assessments in an effort to reduce and streamline assessments for Indiana students. Removes a provision that requires a school employer to discuss certain items with the exclusive representative of certificated employees and provides that a school employer may discuss: (1) with a certificated employee or group of certificated employees; or (2) at one or more meetings that are open to all certificated employees; any topic that significantly impacts a certificated employee's working conditions or impacts the educational quality of the school employer's students. Repeals provisions concerning: (1) requirements regarding the adoption of model evaluation plans and an approval process for the plans; (2) the obligation to discuss certain items not requiring either party to enter into a contract, agree to a proposal, or make a concession; and (3) the definition of "discuss" for purposes of the collective bargaining provisions.

DIGEST OF SJR 1

Limitation on right to bail. Provides that an offense other than murder or treason is not bailable if: (1) the

proof is evident or the presumption strong; and (2) the state proves by clear and convincing evidence that no release conditions will reasonably protect the safety of any other person or the community. This proposed amendment has not been previously agreed to by a general assembly.

2023
First Regular Session of the 123rd General Assembly

ENROLLED ACT SUMMARY

prepared by
OFFICE OF CODE REVISION
LEGISLATIVE SERVICES AGENCY
200 West Washington Street, Suite 301

[**NOTE:** Acts that become law without signature are law on the eighth day after presentment. However, such an act is not in effect on that day unless the act contains an emergency clause providing effectiveness upon PASSAGE or earlier.] Concurrent Resolutions are not included in this summary.

Key to Governor's Action:

R = Date received by the Governor but not signed. This information provided by the Governor's office.

S = Date signed by the Governor

V = Date vetoed by the Governor

O = Date veto overridden

J = Date of Approval of Joint Resolution. Amendments to the Constitution of the state of Indiana must be agreed to by two separately elected general assemblies. Once a joint resolution has passed one general assembly, it must then be presented to a second general assembly. If agreed to by the second general assembly, the amendment must be placed on the state election ballot and ratified by a majority of the voters.

W = Became Law Without Signature of Governor

Veto Overrides

IC 1-1-3.1-1 through IC 1-1-3.1-5 govern the effectiveness of acts passed over the governor's veto. IC 1-1-3.1-4(d) provides that if a provision of the act takes effect on a specified date and approval of the act occurs after the specified date the provision takes effect on July 1 next following approval of the act.
