Ms. Jones asked why several requests did not receive full funding. Ms. Linke responded that not enough funds were available. Ms. Richardson asked if planters and benches were eligible as she thought funding was only available for more structural updates. Ms. Linke explained such expenditures were indeed eligible.

6. 169 E. Jefferson Street – CFMG \$20,000 – Tanya Smith applied for a real estate office by the coin and barber shop. \$15,000 was approved for only the front portion of the building.

D. Development Committee or Monthly Update:

1. Tax Certificate Properties Update – The house on Jefferson Street has been closed on and work is underway in partnership with the school. There were no properties at this year's tax sale in the area needed, so there will be no projects for 2020.

September and October 2019 Financial Reports

Ms. Linke highlighted balances as of the end of October. All combined there is just over one million dollars in assets in the bank. Total accounts receivable is \$641,000. Ms. Linke is waiting until December to invoice Redevelopment Commission for \$300,000. Rental income is ahead of budget at \$19,500. Ms. Linke has made contact with all loan recipients except Dan Frische. His project appears to be done, and he might not have used all his funds, so Ms. Linke needs to check with him. The Mint at 40 N. Water Street with Thomas Moore did spend all their funds. The Trophy Shop has begun their construction work. Ms. Linke highlighted the status of current projects. Ms. Jones asked if there are other funds available to use to finish out 351 E. Jefferson. Ms. Linke said operating funds were a possibility due to rental income. Any repaid loan funds could also be used.

Director's Report

1. David Bedwell - Economic Development Commission Appointment: December 10th EDC Meeting – Ms. Linke communicated she should have had this on the EDC agenda for November as Mr. Bedwell's term has expired. His re-appointment will be made at the December 10th EDC meeting for another two years.

Public Comment

Tara Payne asked if grants are voted on at board level. She expressed concern that the grant to Festival Country is going to be perceived as the city giving money to itself to improve their building. Ms. Richardson and Ms. Jones explained the ability to grant monies to tenants as well as owners, but Mr. Bedwell concurred with Ms. Payne that perception is reality, and it will likely have to be explained frequently who the recipient of the funding is.

Ms. Linke announced the next meeting to be January 23.

Adjournment

No further business came before the Directors. The meeting was adjourned.
