

DELTA UPSILON

INTERNATIONAL FRATERNITY

SUBSTANCE-FREE HOUSING WAIVER PROGRAM

The Delta Upsilon International Fraternity Board of Directors has implemented a waiver program as part of the Substance-free Housing Policy. This waiver program will be in effect for the 2020-2021 and 2021-2022 academic years and will grant chapters who qualify and apply for a waiver the ability to continue to have alcoholic beverages under 15% ABV in chapter facilities while continuing to plan for the full Substance-free Housing Policy implementation. Chapters without a waiver must implement the full Substance-free Housing Policy starting Aug. 1, 2020.

BENEFITS OF THE WAIVER

- Chapter can host up to six events with alcoholic beverages (under 15% ABV) in common areas of the chapter facility per year (no more than four events per semester/term).
- Brothers over the age of 21 can consume alcoholic beverages (under 15% ABV) in bedrooms when events are not being held. (No alcohol is to be consumed in bedrooms regardless of a person's age during events.)
- Allows for up to six alumni events per year. *

REQUIREMENTS TO QUALIFY FOR A WAIVER

To obtain a waiver, chapters must qualify and apply. To qualify, chapters must meet the Expectation level of the five areas of the Men of Merit Chapter Standards Program listed below. Men of Merit performance during the previous year determines qualification. For example, to obtain a waiver for 2020-2021, chapters must meet the Expectation levels of the five Men of Merit Standards during the 2019-2020 academic year. Waivers must be applied for and granted on an annual basis.
