Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Montgomery County Community Foundation, Inc. and Affiliate, which comprise the consolidated statements of financial position as of December 31, 2023 and 2022 and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Montgomery County Community Foundation, Inc. and Affiliate as of December 31, 2023 and 2022, and the changes in its consolidated net assets and its consolidated cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Montgomery County Community Foundation, Inc. and Affiliate and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Montgomery County Community Foundation, Inc. and Affiliate's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Montgomery County Community Foundation, Inc. and Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Montgomery County Community Foundation, Inc. and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Montgomery County Community Foundation, Inc.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

1. Nature of Activities

The Montgomery County Community Foundation, Inc. and its affiliate, MCCF Bridge, Inc. (Foundation) are not-for-profit corporations organized under the laws of the State of Indiana. Montgomery County Community Foundation, Inc. was organized to act for the primary benefit of the citizens of Montgomery County. A community foundation is established to provide a permanent and growing endowment to benefit the communities, while providing ethical philanthropic leadership for the enrichment and assistance to human services, education, revitalization, social, art, and cultural endeavors. Individuals, families, businesses, private foundations, and non-profit organizations may donate to the community foundation.

MCCF Bridge, Inc. was incorporated in Indiana on January 4, 2023 to support and benefit Montgomery County Community Foundation, Inc. to implement charitable projects for the benefit of the residents of Montgomery County, Indiana, including, but not limited to, organization and operation of a child care center for the purpose of enabling individuals to be gainfully employed.

2. Contributions

Contributions are recognized when the donor makes a promise to give to the Foundation that is in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the financial year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

3. Cash and Cash Equivalents

The Foundation maintains its cash in accounts at local financial institutions, which are insured by agencies of the U.S. Government. For purposes of the Consolidated Statements of Cash Flows, the Foundation considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

4. Investments

The Foundation records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the Consolidated Statements of Financial Position. Net investment return/(loss) is reported in the Consolidated Statements of Activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

5. Equipment and Depreciation

Purchased equipment is stated at cost. Donated equipment is recorded as support at the estimated fair value at the date of gift. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Depreciation is computed according to the estimated useful lives of the respective assets using the straight-line method.

6. Income Taxes

The Foundation is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code; accordingly, no provision has been made for income taxes.

Montgomery County Community Foundation, Inc.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES - Continued

7. Concentration of Credit Risk

The Foundation maintains its cash in bank deposit accounts at high credit quality financial institutions. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. At December 31, 2023 and 2022, the Foundation exceeded the insured limit by approximately \$5,615,182 and \$3,492,253, respectively.

8. Net Assets and Spending Policy

Net assets, support, investment return, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. While most gift instruments give the Foundation's Board of Directors the right to vary the terms of the gift, this only allows for a limited right of modification and does not relieve the restrictions imposed by the donor. Accordingly, the net assets of the Foundation are classified and reported as follows:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and comprised of the Foundation's board designated funds and unrestricted investment income.

Net assets with donor restrictions - Net assets not yet appropriated for expenditure by the Foundation's Board of Directors in accordance with their spending policy or that have donor-imposed restrictions relating to a stipulated purpose or a specified time. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished or amounts have been allocated for expenditure by the Board of Directors, net assets are reclassified to net assets without donor restrictions and reported in the Consolidated Statements of Activities as net assets released from restrictions.

The objective of the investments is to provide for long-term growth of principal and income without undue exposure to risk to enable the Foundation to make grants on a continuing and reasonably consistent basis. In pursuing this objective, the Foundation endeavors to achieve total returns that, over time, are better than the relevant market averages. Controlling portfolio volatility to help provide stable distributions from year to year is an additional objective.

The Foundation has a policy (the distribution policy) of appropriating for expenditure each year a maximum of 4.5% of the moving average of the unitized market value at September 30 of the prior twenty quarters of the portfolio. In establishing this policy, the Foundation considered the long-term expected return on its endowment.

9. Grants and scholarships

Grants and scholarships, including multi-year awards, are recorded as an expense and a payable when grants are approved and communicated to the grantees. Grants and scholarships expense for the years ended December 31, 2023 and 2022 was \$1,780,071 and \$1,449,421, respectively.

10. In-Kind Contributions

During the years ended December 31, 2023 and 2022, the value of contributed services meeting the requirements for recognition in the consolidated financial statements was not material and has not been recorded. During the years ended December 31, 2023 and 2022, the Foundation received gifts of grain in the amount of \$3,845 and \$14,228, respectively. During the years ended December 31, 2023 and 2022, the Foundation received gifts of public securities of \$133,355 and \$51,300, respectively, which were valued at fair value. It is the Foundation's policy to immediately liquidate gifts of public securities and gifts of grain and invest the proceeds in compliance with the Foundation's investment policy.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES - Continued

11. Compensated Absences

The employees of the Foundation earn vacation leave based upon length of service. Vacation leave must be used by the end of the calendar year. The Foundation's policy is to recognize the cost of compensated absences when actually paid to employees.

12. Uncollectible Accounts and Pledges

Uncollectible accounts are charged directly against revenue when they are determined to be uncollectible. Use of this method does not result in a material difference from the valuation method required by accounting principles generally accepted in the United States of America.

13. Agency Trust Fund

The Foundation is a successor trustee to one community trust. The assets of this trust are included in the Consolidated Statements of Financial Position and an offsetting payable has been recorded, as the Foundation is not the beneficiary of the trust. As of December 31, 2023 and 2022, agency trust funds amounted to \$563,878 and \$539,617, respectively.

14. Advertising Costs

Advertising costs are expensed as incurred. Total advertising expense was \$4,825 and \$11,530 for the years ended December 31, 2023 and 2022, respectively.

15. Functional Allocation of Expenses

The consolidated financial statements report certain categories of expenses that are attributable to one or more program or supporting functions of the Foundation. Those expenses include salaries and wages, payroll taxes, and benefits. These expenses are allocated on the basis of estimates of time and effort.

16. Uncertain Tax Positions

The Foundation recognizes a tax benefit only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit will be recorded. The Foundation has examined this issue and has determined there are no material contingent tax liabilities.

The Foundation's federal and state exempt organization tax returns for 2020, 2021, and 2022 are subject to examination by the Internal Revenue Service and the Indiana Department of Revenue. Returns are generally subject to examination for three years after they are filed.

17. Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE B - RISKS AND UNCERTAINTIES

The Foundation holds a variety of investments (Note C). Such investments are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in the various risk factors will occur in the near term that could materially affect the amounts reported in the accompanying consolidated financial statements.

NOTE D - REAL ESTATE

In past years, the Foundation received contributions of approximately 600 acres of land. This land is currently being rented as farmland and the rental income is credited to the funds for which the land was contributed. Rent collected on this land totaled \$230,873 and \$243,597 during 2023 and 2022, respectively.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE E - FAIR VALUE MEASUREMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A hierarchy of inputs is used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Foundation. Unobservable inputs are inputs that reflect the Foundation's assumptions about the assumptions that market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Foundation has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

NOTE E - FAIR VALUE MEASUREMENTS - Continued

* In accordance with Accounting Standards, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the Consolidated Statements of Financial Position.

The following schedule provides further detail of the real estate being held as a Level 3 fair value measurement using significant unobservable inputs at December 31, 2023 and 2022:

	Level 3	
	2023	2022
Beginning balance	\$ 7,070,000	\$ 6,195,000
Unrealized gains	900,000	875,000
Ending balance	<u>\$ 7,970,000</u>	<u>\$ 7,070,000</u>

Fair values for level 1 investments are determined by reference to quoted market prices and other relevant information generated by market transactions. Fair values for real estate classified as level 3 in the fair value hierarchy consists of farmland. The value of the Foundation's farmland has been adjusted to reflect the fair value of the property. The Foundation reviews and adjusts, if needed, the value of the farmland on its books annually. The market valuation is conducted by the farm manager, who is employed to manage the farms. The valuation method used by the farm manager takes into consideration current farmland values in the area, soil conditions as well as the latest Purdue Agricultural Economics Report.

Alternative investments, including balances, restrictions on redemptions, and investment objectives consist of the following as of December 31, 2023 and 2022.

	2023		
	Net Asset Value	Redemption Notice	Redemption Frequency

NOTE I - ENDOWMENT FUNDS

The Foundation's endowment consists of 249 and 229 individual funds, as of December 31, 2023 and 2022, respectively, established for a variety of purposes. The endowment includes both funds established by donors and funds designated by the Board to function as endowments (board-designated endowment funds). The Foundation maintains variance power over all of the endowment funds (including those established by donors) as provided within the fund agreements. As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with endowment funds, including board-designated endowment funds, are classified and reported based on the existence or absence of donor-imposed restrictions. While the Foundation ultimately has variance power over all of the assets maintained in endowment funds, the Foundation considers the following factors in making a determination to appropriate or accumulate endowment funds:

1. Duration and preservation of the fund
2. Purposes of the Foundation and the fund
3. General economic conditions
4. Possible effect of inflation and deflation
5. Expected total return from investment income and appreciation or depreciation of investments
6. Other resources of the Foundation
7. Investment policies of the Foundation

Endowment net assets composition by type of fund as of December 31, 2023 and 2022 was as follows:

	<u>2023</u>	<u>2022</u>
