ICHS Braves,

On behalf of the faculty and staff of Indian Creek High School, I would like to extend a warm welcome to all of our students and their families. We are proud to be part of a small community filled with rich traditions.

Indian Creek prides itself on providing students a caring and supportive environment and serving our community by delivering well-prepared, responsible graduates. With just over 140 students in each grade (9-12), Indian Creek has that small-town feel that so many in the community love. As a school with the “rural advantage,” we can offer smaller class sizes where students can get the personal attention they deserve; more opportunities for students to participate in more kinds of activities (e.g., athletics, drama, musicals and other extracurricular activities); and with a 18:1 student-to-teacher ratio, teachers are able to be more flexible in response to individual students and their circumstances.

I am confident that you will find that the opportunities available to our students while attending ICHS will prepare them well for their future, whatever that may hold. It’s a great day to be a Brave!

Luke Skobel
ICHS Principal
