Indiana Academy of Family Physicians

Dear Nominating Committee,

I wish to express my interest in the position of President Elect for the 2021-2022 term. I am a family practice physician currently living and practicing in Brownsburg, Indiana since 2013. I have also been privileged to serve on the Indiana Academy of Family Physicians board as a director-at-large for the last three years.

I have been grateful for the enthusiasm and joy that I have found in all the Academy's members. I leave each meeting with more motivation to improve my practice, healthcare organization, and community. I would be honored to serve as President Elect and hope to magnify that enthusiasm and joy that each of you bring throughout our state.

Attached is my curriculum vitae. If you have any further questions, please contact me by e-mail, as this is the most efficient method for me to respond.

Thank you for your time and consideration. I look forward to your response.

Sincerely,

Elizabeth Wright, MD
