

Indian Creek Intermediate School

February 2020

Our ICIS Robotics team is excited to host a VEX IQ Challenge Elementary/Middle School Robotics Tournament on Saturday, February 22nd at Indian Creek High School! This free event is a great opportunity to observe elementary/middle school robotics in action! Special thanks to Mrs. Ellis, Miss King and Mrs. Robertson, for working so hard to pull this event together and encourage robotics for our students! Please see the flyer at right for more information. Note: ICIS/ICMS Robotics will have two teams, respectively, participating in this tournament. Also, a HUGE shout out to Grayson Taylor, Lucy Strauss, AJ Emehiser, and Cooper Arkins who have all qualified for the STATE robotics competition at Lucas Oil Stadium in March! Way to go!

ICIS students are currently on target for reaching our Reading Counts goal of 100,000 points! Thank you for encouraging more reading at home! Twenty minutes of reading each night makes such a huge difference! Currently, our students have accumulated 61,786 points! Keep up the great work! Also, a HUGE shout out to our current building leader -- Addyson Russell, with 1,465 points! #todayareADERtomorrowaLEADER

Catching up with Mrs. Rainwater...

Bonjou from Haiti! We have settled back in and school is in full swing! We've started STEAM up again and this month we are studying construction. We are learning about shapes and their attributes, perimeter, area and will be constructing our own miniature houses soon. For the younger grades, we were able to go on a "shape safari." The kids are loving it!

I was able to meet with a director from a different school in a town nearby and share our STEAM curriculum and resources. They are thrilled and are planning on starting a STEAM club of their own, how amazing is that!

Fun fact: it is customary for children, on their birthdays to dress up. When I say dress up, I mean for boys it's often a dress shirt and slacks and for girls it is their most beautiful "princess looking" dress. This sweet girl celebrated her birthday earlier this month.

Thank you so much for all of your love and support.

Na wè pita!

Attention 5th Grade Parents:

Your student will need the following immunizations completed for 6th grade:

Hepatitis A (2 doses, 6 months apart)

Tdap (tetanus, pertussis booster)

Meningitis #1 (#2 is given after the age of 16 and/or before senior year)

Varicella (Chickenpox) #2 - if not already given.

If you have questions about your student's immunization record, you may contact the school nurse at [317-878-2108](tel:317-878-2108).
